West Snyder FFA Members Attend Legislative Leadership Conference

BEAVER SPRINGS (Snyder Co.) — West Snyder FFA members, Zane Bilger, Tyler Miller, Jeremy Roush, Jessica Harper, and Amanda Shaffer attended the FFA State Legislative Leadership Conference (SLLC), March 9-11, in Harrisburg.

FFA members learned table etiquette, opportunities that the FFA offers, and how to read a legislative bill and how the legislative process is conducted. The FFA members split into blue and gold groups to represent the Democrats and Republicans. Each person also served on a bill committee. Members went through the entire legislative process from committee to caucus. The members also toured the Capital Building. On Tuesday members had breakfast with their legislators.

Hannah Etzler, who attended the conference as a second year scholar, assisted the state officer team in the administration of the conference. She was one of twenty-two Pennsylvania applicants for this scholarship opportunity and was one of six selected for the honor. While at the conference, she assisted the PA FFA state officer team in conducting the leadership workshops, the evening reflections, and served as a leader on the group tours.
