Pittsburgh Gazette.

From the Ohio Cultivator.

ATTEND TO THE FRUIT CROP.—The failure of fruit crops the past year, and the high prices of all articles of the fruit kind in our markets, will no doubt create an active demand for all kinds of good fruit the present season in our towns and cities, so that farmers and others who may have fruit to spare, will do well to bestow more attention than usual to this matter. A little care and labor judiciously bestowed during the present month, may be the means of increasing the fruit crop considerably, and greatly improving its quality. A few brief hints must suffice.

CATERPILLARS are uncommonly numerous this season, and unless they are destroyed right soon, it cannot be done at all, and the trees infested with them will be nearly ruined. The webs or nests can be easily discovered now, especially of a morning while the dew is on; and with a light ladder an active man can soon rid a large orchard of these pests. For tall trees, a swab or brush tied on the end of a fish pole, may be used with advantage.

Summer apples will be in splendid demand in our market, and those who have bearing trees of these should see to it that the ground is not occupied with grass or growing crops about their roots, which will rob the fruit of nourishment. A cart load of chip dirt or other litter, spread upon the surface of the ground over the roots of the tree, will be found of much advantage, especially if a dry summer.

Good peaches will be sure to bring high prices this year, as there are not half trees enough living to supply the demand, even if all should bear a full crop. It is probable too that a majority of the bearing trees now living in Ohio are of natural or seedling varieties, and are standing in grass land or neglected fence corners, so that the fruit will not likely be of good quality without some care is bestowed upon it. The trees are now setting very full of young fruit; full *one-half of which will need to be picked off*, in order that the remainder may attain to respectable size and excellence. If a tree is only able to mature a bushel of fruit, it is better to have that amount composed of one or two hundred peaches than three or four hundred.

The same remarks will apply to other fruits, as apples, pears, plums, cherries, grapes, etc.—People are too greedy to secure an immense crop, when they see the fruit is set finely, hence they let the whole remain, and the tree is taxed beyond its strength, so that the whole crop is ruined by starvation; whereas, if one-half or two-thirds in number had been removed early in the season, the rest would have been excellent in quality and abundant also. This is a very common cause of failure of grape crops, which refuse to ripen at all when the vines are thus overtaxed.

Stirring the ground and mulching the surface should also be performed at this time for peach and other fruit trees that are expected to yield a crop the present season. The price which the fruit will bring in market, or its value for home use, will abundantly compensate for these labors. Save all the *soap suds* and other wash from the kitchen, and apply them to the grape vines, peach trees, etc., during the dry weather, and see what the effect will be.

IMPROVED SEAMLESS WHALEBONE SKIRTS.

WE TAKE PLEASURE IN AGAIN INTRODUCING our Improved Seamless Skirt, as being the most acceptable and reliable article in market; we are aware that many new styles called improvements are before the public such as India Rubber, Gutta Percha, Rattan, &c., all of which we have called for—but cannot recommend them, as we have experimented with and tested them all—most of them two years since, submitting them to the judgment of competent ladies to decide upon their merits, and have found them from actual use, to be in all important respects, decidedly inferior to our properly prepared Whalebone, which has been in use the past two years, and for which has been expressed from all parts of the country entire satisfaction, and we have the most positive evidence from our own retail trade, amounting to many *dozens* per day. Therefore we confidently recommend our Skirts to be the least objectionable of anything in use, possessing many advantages *found in no other Skirt*, the most important of which is our *series of Elastic Cords* at the bottom made from the only material that can be used, that will recover its place when pressed out of shape, will not roll nor curl, is not affected by heat or cold and can be washed without injury. These cords at the bottom, instead of hoops, which are exceedingly awkward and inconvenient, with our own prepared bones above and a fabric manufactured by ourselves expressly for our goods, in our estimation, and the estimation of thousands who have used them, produce a Skirt, and the only Skirt properly adapted to the parlor, the street, and the crowd, giving a proper, graceful and elegant form to a ladies' dress, light, pliable, easily adjusted and in every respect a complete article. The public are cautioned against all imitations or other goods called Seamless Skirts. Every genuine article is stamped E. & J. Holmes' Improved Seamless Whalebone Skirt, and are for sale at 99 Market street, Philadelphia, and in the principal Jobbing Houses in New York and Boston. E. & J. HOLMES & CO.

NEW LIFE—GOD BLESS IT! IT will never be forgotten! As soon as Radway's Relief was given, and an application of it made to his bruised and mangled body, all pains and uneasiness ceased, and a new life was infused within his system."—T. D. Spring's Letter of Lacyville, Pa.

Expressions of thankfulness coming from the souls of those whom our Remedies have restored to life, is a source of pleasure to us beyond all earthly blessings. On the receipt of every new letter of thanks, from a recovered invalid, who, through the efficacy of Radway's Ready Relief, Regulators and Resolvent has been raised from a bed of pain, misery and long sickness, and restored to the enjoyment of redundant health, we feel that our efforts have not been fruitless, and the angel of truth with healings on its wings, will not knock at the gate of Paradise in vain. The case we refer to above is truly astonishing, (no one who knew Spring, thought he could live)—but not more so than many other miraculous cures, performed by those remedies; even when death had seized the patient, their use have restored the death-stricken back to new life.

RADWAY'S READY RELIEF.

There is no pain so severe, no disease so acute, no pestilence so terrible and fatal, but that the Ready Relief will check, cure and prevent. This Remedy has been proved to be both a quick cure and positive preventative, of cholera, yellow fever, ship fever, dysentery, fever and ague, scarlet fever, small pox, and all malignant and dangerous diseases. Its quickness in stopping pains, allaying inflammations, soothing the most terrible paroxysms of acute and inflammatory diseases, and the rapidity with which it checks sudden and violent attacks, and restores the whole system to the enjoyment of ease and comfort, and renders it a blessing to all who live in places where medical aid is difficult to obtain. Every family should keep Radway's Ready Relief in their houses. If in the night you are seized with pain, aches, or sickness of any kind, either in the head or bowels, stomach nerves, or any or other part of the body, a dose of Radway's Ready Relief will in a few moments, remove all pains and uneasiness.

SNAKES—DOGS—CATS.

If you are bitten by a rabid dog, or scratched by a spiteful cat, stung by a venomous snake, or other reptile, Radway's Ready Relief poured into the wound, will neutralize the poison, and prevent inflammation or mortification taking place. It has saved the lives of many hunters who have been stung by snakes and other poisonous reptiles.

THE AGED.

All infirm, weak, feeble and nervous, will derive lasting blessings from the use of Ready Relief. The stiff-jointed crippled, and rheumatics, will become supple, elastic, strong and vigorous, in every limb and joint of the body, by its use.

MOTHERS.

If you will resort to Radway's Relief, when your children are taken sick, with croup, measles, whooping-cough, scarlet fever, or bowel diseases, or other complaints, you will save the lives of your children. Radway's Ready Relief imparts new life, new strength, into the weak, feeble and diseased body. Keep this in mind, and do not let your children die. Radway's Remedies will save them, if it is in the power of human agency so to do.

RADWAY'S REGULATOR.

A THOROUGH PURGATIVE—NEW MEDICINAL VEGETABLES FORM THE BASIS OF RADWAY'S REGULATORS.

A good Appetite—A healthy Digestion—A correct Action of the Heart—A sound Stomach—A pleasant regular discharge from the Bowels—A pure and sweet Breath,

Is secured to all who will take one or two of Radway's Regulators once or twice a week. The weak grow strong, and the lean fat; the nervous, fretful and gloomy are changed to a strong condition of body, and a happy flow of spirits. All who take them are delighted with their operation. All the good derived from the use of other pills are secured by the use of Radway's Regulators without entailing the evil effects of common drastic pills upon the system.

The discovery of these wonderful pills establishes a new era in purgatives, and a new principle in the science of medicine. In taking these pills no griping pains or sickness at the stomach is experienced; they operate naturally, leaving the bowels, liver and other organs in a natural and healthy condition.

Each pill that is taken gives new life to the blood; they purify it, take from it all impure deposits and equalize its circulation.

One or two doses of Radway's Regulators, will entirely remove all distressing symptoms of Dyspepsia, Jaundice, Nervousness, Indigestion, Costiveness, Liver Complaint, Billiousness, Melancholy, and will cure all organic diseases either in man or woman. Ladies troubled with irregularities or weakening discharges, may rely upon a prompt cure and regular periods if Radway's Regulators are taken.

PICTURE OF HEALTH AND BEAUTY.

A few doses of Radway's Regulators will insure a clear, fair, pure and healthy skin, and a rosy complexion. They give to those troubled with weak, dull, yellow eyes, a brilliant appearance. Radway's Pills give natural beauty to the face, eyes and head; and the use of the Ready Relief as a wash for the tooth and an aromatic for the breath, will change the most disgusting foul breath to sweetness and the blackest teeth to Parian whiteness.

One to ten of Radway's Regulators is a dose; they never do injury, but always do good.

Radway's Renovating Resolvent, for the cure of Chronic Diseases, Scrofula or Syphilis, Hereditary, Contagious, be it seated on the Lungs or Stomach, Skin, or Bones, Flesh or Nerves, corrupting the Solids, or Vitiating Fluids. Cures Humors, Salt Rheum, Scrofula; Ulcers, Sores, Tumors, Fever Sores, Skin Eruptions, Blotches, Bronchitis, Dyspepsia, Gout, Dropsy, Syphilis, Consumption, Apoplexy, &c.; and all Constitutional and Chronic Diseases either inherited by hereditary transmission, or inoculated by exposure or otherwise.

There is no remedy in the world that will work such miraculous cures in old diseases, as Radway's Resolvent. It changes the whole human body; reproduces new and healthy blood.

Bleeding from the Lungs, Radway's Renovating Resolvent, will in a few minutes check hemorrhage from the lungs or throat. In cases where the patient coughs up clots of blood or expectorates mucus streaked with blood, Radway's Resolvent will soon remove the difficulty.

Sarah Hammond of 198 East Thirty-second street, had a bad cough for two years. She coughed up sometimes half a pint of blood during the night. She was cured in 7 days by the Relief and Resolvent.

A sore leg of 21 years, cured in three weeks by Radway's Relief. Mr. T. H. Kiper, a merchant of high standing in Tahlonega, Ga., says: "That a gentleman who for twenty-one years had been afflicted with a sore leg, that resisted every kind of treatment, was effectually cured in three weeks by Radway's Ready Relief, Resolvent and Regulators.

The sick will please read our Tabular Almanac for 1857, and our newspaper called "The Moving World" for interesting cases of cure, and a more thorough explanation of our remedies. RADWAY & CO.

For sale by T. R. CALLENDER, Masonic Hall, Pittsburgh.

RHEUMATIC READER!

It cured D. Burritt, Esq., of Cincinnati, of Rheumatism of four years' standing, after all other remedies had failed.—We have hundreds of such certificates. Call on the agent and get a Book and Circular, and read for yourself, the many remarkable and astonishing cures it has made.

The celebrated Dr. Butcher writes to us that he had two of the most severe and long standing cases of a disease that would yield to none of the usual remedies, but he cured one case with six, and the other with nine bottles of Carter's Spanish Mixture. We have known it used in over a thousand cases, and have yet to hear of a *failure* in any case.

AGUE AND FEVER.—Do not take Quinine, Mercury, or any such noxious Drugs, but try at once this great Alterative and Purifier of the Blood; Carter's Spanish Mixture will cure any and every case of Ague and Fever. We have never yet known it to fail.

And for all diseases arising from an impure state of the Blood, no medicine has ever yet been found to have so good an effect. If you are sick, try it at once; do not delay; time is precious, and health the greatest of all blessings, without which all else is valueless.

The Greatest Medical Discovery OF THE AGE.

MR. KENNEDY, OF ROXBURY, HAS discovered in one of our common pasture weeds, a remedy that cures every kind of Humor, from the worst Scrofula to a common Pimple.

He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples of the face.

Two to three bottles will scour the system of boils.

Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of erysipelas.

One to two bottles are warranted to cure all humors of the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the most desperate cases of rheumatism.

Two to three bottles are warranted to cure the worst cases of ringworm.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pastures, and along old stone walls should cure every humor in the system; yet it is now a fixed fact. If you have a humor it has to start. There are no ifs nor ands, hums or ha's about the suiting some cases and not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know its effects in every case. It has already done some of the greatest cures ever done in Massachusetts. I gave it to children over a year old: to old people of sixty. I have seen poor, puny, wormy looking children, whose flesh was soft and flabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will always cure it. It gives great relief to catarrh and dizziness. Some who have been costive for years, have taken and been regulated by it. Where the body is sound it works quite easy, but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it. On the contrary, when that feeling is over you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that man ever listened to. No change of diet is ever necessary; eat the best you can get. I have likewise an herb, which, when simmered in sweet oil, dissolves scrofulous swelling of the neck and under the ears. Price 50 cents. Price of the Medical Discovery $1 per bottle.

DIRECTIONS FOR USE.

Adult, one table spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, tea spoonful. As no direction can be made applicable to all constitutions, take enough to operate on the bowels twice a day.

Mr. KENNEDY gives personal attendance in bad cases of scrofula.

Boerhave's Holland Bitters.

THE CELEBRATED HOLLAND REMEDY for Dyspepsia, Disease of the Kidneys, Liver Complaints, Weakness of any kind, Fever and Ague, and the various affections consequent upon a disordered Stomach or Liver. Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others affected a decided cure.

Nature finds no new enemy to combat, with this delightful tonic in the system. Its effects are almost magical, yet the cure permanent. It communicates no violent shock to the system, but by arousing its vital energy to normal action, enables it to throw off the cause, and thus thoroughly eradicates the disease.

When its medicinal virtues are so universally acknowledged, and particularly here, where it has become so popular as a family medicine, that it is sold by many of the grocers, as well as by all the druggists, it would seem needless to offer further evidence; yet as there are doubtless some who have tried many advertised remedies, and still suffer from Dyspepsia in one or more of its dreadful forms, we subjoin the following certificates, the authenticity of which cannot be doubted, coming as they do from persons so well known.

WHAT IT IS DOING FOR THE SICK.

Wm. Schuchman, Esq., the well known Lithographer, says, "I have frequently used Boerhave's Holland Bitters, and find it invariably relieves indigestion and debility."

Rev. Samuel Babcock says: "I found special relief from its use for a severe headache, with which I had long suffered."

J. W. Woodwell, Esq., says: "I have used Boerhave's Holland Bitters myself, and recommend it to others, knowing it to be just what it is represented."

Ald. Jonathan Neely, of Lower St. Clair, says: "I have derived great benefit from its use for weakness of the stomach and indigestion."

Jas. M. Murphy, says: "After several physicians had failed, Boerhave's Holland Bitters removed the pain from my heart and side, arising from indigestion."

The editor of the Kittanning Free Press, says: "After one of the best physicians in this place had failed, Boerhave's Holland Bitters cured me of the worst form of Dyspepsia."

Francis Felix, only manufacturer of the original "Extract of Coffee," says: "I know that your Holland Bitters is one of the best medicines in the world for a disordered stomach or liver."

Dr. Ludwig, editor of the Fackel, Baltimore, pronounces it "a medicine deserving the confidence of the public."

Dr. Ederhart, the leading German physician of Penna. has prescribed it frequently during the past three years, with marked success in debilitated states of the digestive organs, or of the system generally.

The manager of Ballou's Vinegar Factory, says: "I used it myself, and was therefore induced to try its effect upon my wife, (troubled with the great debility common to all of a consumptive habit,) and really it is doing her more good than anything she has ever taken."

NOTICE.—Whoever expects to find in this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

CAUTION!—The great popularity of this delightful Aroma, has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boerhave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.

The Health of American Women.

THE GRÆFENBURG FAMILY MEDICINES.

MORE OF THESE MEDICINES ARE SOLD EVERY WEEK, THAN OF ALL OTHER MEDICINES PUT TOGETHER.

In this country success is the result of merit, for the keen discernment of our countrymen is proverbial, and puts an effectual stop to ignorant pretensions.

We conceive that the unequaled success of the Græfenburg Medicines is more owing to their undoubted superiority, than to any other cause, and we desire to call especial attention to one of the best among them.

MARSHALL'S UTERINE CATHOLICON.

This remedy will certainly cure Falling of the Womb, Whites, Disordered Menstruation, Diseases of Pregnancy. All troubles at the change of life, both with young and old, and all the various kinds of weakness and nervous complaints caused by disordered uterine organs.

THE PRINCIPAL SYMPTOMS

indicating diseases for which the Catholicon is offered as a certain cure, are weakness in the back, tingling and pain between the shoulder blades, extending all along down the spine, soreness in the end of the spine, bearing down pains in the uterine organs, shooting pains in the bowels and into the hips, sympathetic pains in the breasts, burning in the pit of the stomach, irregularity of the bowels, sometimes with diarrhoea, and again with obstinate constipation, cold feet, capricious appetite, headaches of a hammering or beating character with roaring or whistling in the ears, dull pains in the head, with great nervous excitement, succeeded by complete prostration, languor and discouragement, disarrangement of the menstrual periods, with an acrid discharge between them, which are described in the publications of the Græfenburg Company.

In all cases of Palpitation of the Heart it acts at once. Many uterine complaints are supposed to be heart disease, from the sympathetic disturbances connected with that organ, but the Catholicon should always be taken, and in nine cases out of ten, it will be found that nothing is the matter with the heart, and that a cure will soon follow its use. It will also relieve that feeling known as the heart rising in the mouth and turning over.

ALL OF THESE SYMPTOMS

are not present at any one time, but any of them indicate the presence of disease, and the necessity for

IMMEDIATE ACTION.

The remedy is prepared by one of the oldest and most skilful physicians of the day, and every one may be assured that they are taking a scientific and well compounded medicine.

Experience has proved that the remedy will cure eighteen out of every twenty cases, and that most of the incurable cases were so, because of causes which had destroyed the recuperative powers of the system, or severe mechanical injuries which had ruptured some delicate membranes, and thereby rendered a cure impossible.

The price of the article being but One Dollar and a Half per bottle, it is within the reach of every person, and should have a fair trial at least.

The medicine is accompanied by full directions, enabling every one to understand her own case, thus preventing the necessity of medical consultation, and what is more important, entirely doing away with medical examinations, which are justly looked upon by women as a violation of their most sacred feelings, and to avoid which, will suffer excruciating pains, and sometimes lose life itself. In this view, one of the most highly educated physicians of the present day, and one who has a world-wide reputation, stated that the efforts of the Græfenburg Company would be appreciated by every female of any delicacy, and that the skilful adaptation of the remedy, which relieved the necessity of personal exposure, would entitle them to the appreciation of every man who valued female modesty as the safeguard of her purity and the most precious and brilliant jewel belonging to her character.

Particular attention is requested to the following certificate:—

GENTLEMEN:—I have been a professed nurse for twelve years, and of course, have seen a great many very severe cases of falling of the womb, deranged menstruation, whites, disorders consequent upon pregnancy, from the time of conception to the hour of delivery. My attention has also been frequently arrested by severe symptoms connected with the heart—such as palpitation, sinking, fluttering, and other disarrangements, which are frequently supposed to indicate organic weakness of the heart. I have always found Marshall's Uterine Catholicon a most valuable and successful remedy, in these and in all complaints of the uterine organs to which so many females are liable—far more efficacious than any, or all the most scientific prescriptions of the regular physicians, and I have seen the practice of the best in the country. Full particulars of any case will be cheerfully furnished any one by addressing a line to me, Box 1218, N. York Post Office. CAROLINE W. HEMINGS,

Public Nurse, New York City.

GENTLEMEN:—I observe an important omission in your list of symptoms; Marshall's Uterine Catholicon will infallibly cure Neuralgia. This symptom more frequently accompanies menstrual derangement than people suppose, and all females are so subject to it that they should always have a bottle of Catholicon on hand. They may rely upon it that it will work wonders, as I know from certain experience. The symptoms, when connected with the face, are too well known to need description. When the stomach is affected, there are contractions and shooting pains, sometimes extending to the cheek and back, and frequently accompanied with nausea, faintness, coldness of the extremities, and acidity. These symptoms will be completely controlled by the Catholicon. H. B. HERMAN, M. D., New York.

I have not in my whole experience seen a medicine which will compare with Marshall's Uterine Catholicon. Out of thirteen females in this place now under my treatment for diseases of the Uterus, a majority are about well, and all the rest are rapidly convalescing.

S. H. PROSCIZE, Lynchburg, Va.

A case of falling of the womb of seven years' standing, has been cured by Marshall's Uterine Catholicon, and the lady is now able to walk out and attend to her duties. Her case has long been looked upon as incurable, and the cure is considered little less than a miracle.

JOHN P. LAMBERT, M. D., Penna.

One of the severest cases of Uterine disease that I have met with in thirty years' active experience as a practitioner of medicine, was the means of first calling my attention to the virtue of Marshall's Uterine Catholicon. The patient was a married woman, and mother of two children. She had been occasionally troubled with a discharge similar to the whites, and had some trouble with her monthly periods; but considered herself in good health. She was then taken with shooting pains under the right shoulder blade, which afterwards extended along the spine. She was then troubled with headache and great nervous debility, cold, shuddering pains and flashes of heat would shoot over the whole body. The organic difficulty of the womb finally emerged into complete prolapsus, so that she could not sit down, without pain. There was weariness and aching in the back, and an uncontrollable desire to lie on the sofa all day. She had nausea, with hot and dry skin, and altogether was in a critical condition. Candor compels me to say that many of these symptoms appeared after I undertook the case, and the best skill I could command, failed to avert them. I felt as if the responsibility was almost too heavy, and a consultation with an eminent medical Professor in New York City, led me to the use of Marshall's Catholicon. The change of symptoms to milder ones, and then again to a perfect state of health, was gradual, but the whole process was as beautiful as the gradual development of a plant from the seed to the ripe fruit. A constant use of it for six months was attended by complete success and though several years have elapsed, not the slightest symptom of ill health has been experienced. Since then I have used it constantly, and do no more than an act of simple justice, when I say that it is eminently worthy of public confidence.

J. W. TURNOCH, M. D., Indiana.

To the Græfenburg Company:

GENTLEMEN:—I look upon it as an act of gratification as well as of duty, to inform you of my experience with regard to Marshall's Uterine Catholicon. I have been a practising physician for some twenty-five years, and have always found it almost impossible to cure those diseases known as Uterine. My brethren of the medical profession have always looked upon these complaints as incurable, and they have much lamented their inability to discover a remedy. Having heard of your preparation, Marshall's Uterine Catholicon, and knowing that many had been benefited by its use, I thought it my duty to give it my most thorough investigation. The following is the result of four years' careful trial. I have always found it successful in cases characterized by any of the following symptoms: Great heat, pressure and bearing down in the uterine organs, sense of weight on the bladder, accompanied by urgent and frequent desire to pass water, great nervous excitement about the time of the monthly period, with irregular discharges, it being sometimes abundant, and at other times scanty and difficult. Weakness and soreness, nervous headache, irritability of temper, chilliness, flatulence, vomiting, irregularity of the bowels, burning in the stomach, weight in the groins and small of the back, crawling and tingling in various parts of the body, and a general sense of uneasiness. There are many other symptoms connected with these complaints, and I have observed them well described in the various certificates and publications of your Company. I ought to say that in the complaints caused by the "turn of life" in elderly females, as well as in the case of young girls, in just coming to Marshall's Uterine Catholicon is infallible. Yours truly,

BENJ. KITTREDGE, M. D.

A young female friend of mine has been afflicted for four or five years with uterine difficulties, which produced violent spasmodic fits, and destroyed her general health. Two bottles of Marshall's Uterine Catholicon cured her entirely.

HARVEY PERRY, Providence, R. I.

A female friend of mine, who has been suffering for nearly ten years with uterine difficulties, (irregular, suppressed and painful menstruation,) is already by four months' use of Marshall's Uterine Catholicon, better than she ever expected to be in her life, and confidently expects a perfect cure.

F. HITCHCOCK, New York City.

Marshall's Uterine Catholicon, caps the climax of everything ever known in this country. It has been used with complete success. JOS. LEVY, Mt. Sterling, Ala.

Thousands of other certificates are on file at the office of the Company, where all interested are invited to call.

AYER'S

CHERRY PECTORAL,

For the Rapid Cure of

Coughs, Colds and Hoarseness.

BRIMFIELD, Mass., 20th Dec., 1855.

DR. J. C. AYER:—I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your Cherry Pectoral. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints.

EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your Pectoral myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay $25 for a bottle than do without it, or take any other remedy."

CROUP, WHOOPING COUGH, INFLUENZA.

SPRINGFIELD, Miss., Feb. 7, 1856.

BROTHER AYER:—I will cheerfully certify your Pectoral is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., Montgomery, Ia., writes 3d Jan., '56, "I had a tedious Influenza, which confined me in doors 6 weeks, took many medicines without relief, finally tried your Pectoral by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one-half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

ASTHMA OR PHTHISIC AND BRONCHITIS.

WEST MANCHESTER, Pa., Feb. 4, 1856.

SIR:—Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last 40 years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., Albion, Monroe Co., Iowa, writes, Sept. 6, 1855:—"During my practice of many years I have found that nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtue of this remedy is found in its effects upon trial.

CONSUMPTION.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach, but even to those the Cherry Pectoral affords relief and comfort.

ASTOR HOUSE, New York City, March 5, 1856.

DOCTOR AYER, Lowell:—I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well. Yours with gratitude and regard.

ORLANDO SHELBY, of Shelbyville.

Consumptives, do not despair till you have tried Ayer's Cherry Pectoral. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—*Phil. Ledger.*

Ayer's Cathartic Pills.

THE SCIENCES OF CHEMISTRY AND Medicine have been taxed to their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every day complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agents below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints.

Costiveness, Billous Complains, Rheumatism, Dropsy Heartburn, Headache arising from a foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and nervous Irratability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compare with this in its intrinsic value or curative powers.—The sick want the best aid there is for them, and they should have it.

A WONDERFUL DISCOVERY!!

WHICH HAS BEEN THE STUDY AND research of the best medical men that ever lived to find a remedy that would radically cure the Dyspepsia, which has been recently found out by

DR. R. T. FORD,

OF PITTSBURGH, PENNA.,

His laborious search and research in the Vegetable Kingdom for eight or ten years, has brought to light a wonderful Medicine which will radically cure the DYSPEPSIA, which is the first cause of all general disease which the human system is subject to. Keep the Reservoir [Stomach] clean and healthy. We must all have good health and cannot be a subject of any general disease.

Dr. R. T. FORD has been a subject of this awful disease himself, [Dyspepsia] for eight to ten years, and has tried hundreds of experiments on himself, but all in vain, until his present discovery, which has radically cured him and many others in six, eight to twelve days, without pain or sickness, or any unpleasant feelings in the system, but on the contrary, it invigorates the system and gives a healthy action to every part. It will act gently or copiously on the bowels, and give a healthy action to the stomach and liver. You can eat and drink your usual dieting, which will not interfere—the medicine always doing its duty—called

DR. R. T. FORD'S DYSPEPSIA CORDIAL.

What kind of disease will Dyspepsia produce? I answer, it is the first cause of all general diseases. Liver Affection, Lung Affection, or Pulmonary Disease, Bronchitis, Sick Headache, Billious Diarrhoea, Billious and Typhoid Fevers, Fever and Ague, Nervous Fever, Neuralgia, Hernia, [Piles,] Costive Bowels, Boils, Husky or Gummy Skin, Colds, Rheumatics of all kinds, Apoplexy, Insanity, Weakness of the system, False Conception of the Mind, Heartburn, Fulness of the Stomach, Throwing up of your Food, and also Wind. All of the above feelings may or will be produced from a Dyspeptic stomach. From that organ all general diseases will be produced, (if this statement is true, which no sane mind will deny,) because all who have been sick know this statement to be true from experience, a sick or deranged stomach is first.

How important it is to a poor patient who has been suffering for many years, to point him to a remedy that he can rely on, and radically remove the cause that has made him sick. It's like a mariner tossed upon the ocean, at the first glimpse of a light house, his heart bounds with joy.
