LECTURE FOR THE BENEFIT OF THE LUTH. SABBATH SCHOOL LIBRARY ASSOCIATION.—The Rev. B. H. Divine Services, preparatory, will be held on the Friday evening previous, at 7½ o'clock. On Saturday morning, at 10½ o'clock, the Rev. J. T. McAtee will be installed as pastor of the congregation. Services on Saturday evening, Sabbath Morning and Evening, at the usual hours. Several officiating clergymen will be present on the occasions alluded to.

SILVER MINES IN FULTON CO.—A tremendons excitement prevails down in the vicinity of Bethel township, in this county, over the discovery of silver in that township. Some doubts existed in the minds of the incredulous as to whether the shining ore discovered really *was* silver; whereupon a quantity of it was sent to Philadelphia, where it was snbjected to the most rigid analysis by experienced scientfiic men.—The result of the tests thus made was to pronounce the ore to be genuine silver and no mistake. The yield of the pure metal is said to be $17,50 of silver and $5 of gold to the ton of sand or earth in which it is imbedded. Experienced miners regard this as very rich; and we have no doubt that the future prospecting will reveal mines of the precious metals in that vicinity that may even rival Pike's Peak, or Idaho.—*Fulton Democrat.*

LAW OF ESTRAYS.—The following is the law with reference to estrays:

"Persons having stray cattle or horses in their possession are liable in the sum of five dollars, and will receive no compensation for damages or costs, if they fail to report the fact to the Town Clerk within four days, and it is his duty to record the same, subject to the same punishment in default thereof. If the owner of the estray presents himself to the Clerk within ten days, he is entitled to receive his property on payment of charges. If after expiration of that time, no owner is found, the person possessing the estray is required to advertise it; and if within sixty days thereafter no owner appear, the person taking up the same shall apply to a Justice of the Peace in the towhship, who is required to issue his warrant to a Constable, who after giving ten days, notice, is required to sell the same—the money for which is to be paid into the hands of the Justice of the Peace, who is to pay all reasonable charges for the cost of keeping, registering, advertising, selling, &c., and the balance, if there be any, to be paid into county treasury.

WE have authority for saying that our statement two weeks ago, about the repeal of the tax on personal property, was incorrect. The bill did not pass finally. We saw the statement in several papers and supposed we might take something for granted without waiting six months for the laws to be published. But it's no go. Some people use language to conceal ideas, but they are no match to the present Pennsylvania system of concealing the laws from the people who have to obey them. The true remedy is to publish them in the newspapers. Let the people insist upon it when their candidates are nominated.—*Franklin Repository.*

REGULATOR.—We looked out of our window, the other day, and what think you, reader, greeted our astonished, but gratified, vision? Nothing else than a big barrel of Lovering's Syrup rolling into Irvine and Statler's cellar, flanked by bags of coffee, barrels of sugar and "kits" of mackerel, whilst passing into the store room, we observed boxes of dry-goods, boots and shoes, queensware, etc., etc. Such are the goings on at the "Regulator."

CALL in at Berkstresser & Co.'s and see their large and new stock of goods.

LATEST FASHIONS DEMAND
J. W. BRADLEY'S
CELEBRATED PATENT
DUPLEX ELLIPTIC (OR DOUBLE SPRING)
SKIRT.

The wonderful flexibility and great comfort and pleasure to any lady wearing the DUPLEX ELLIPTIC SKIRT will be experienced particularly in crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin dress, an invaluable quality in crinoline, not found in any single spring Skirt.

A lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the single spring, but will preserve their perfect and graceful shape when three or four ordinary Skirts will have been thrown aside as useless. The Hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered: preventing them from wearing out when dragging down stoops, stairs, &c.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the STANDARD SKIRT of the Fashionable World!

To enjoy the following inestimable advantages in crinoline, viz. superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, inquire for

J. W. BRADLEY'S DUPLEX ELLIPTIC,
or Double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard against imposition, be particular to notice that Skirts offered as "DUPLEX" have the red ink stamp, viz: "J W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—☞none others are genuine. Also notice that every Hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other Skirt.

For sale in all stores where first class Skirts are sold throughout the United States and elsewhere. Manufactured by the sole owners of the patent,
