WORKING AND THINKING.—It is a no less fatal error to despise labor, when regulated by intellect, than to value it for its own sake. We are always, in these days, trying to separate the two; we want one man to be always thinking, and another to be always working, and we call one a gentleman and the other an operative; whereas *the workman ought always to be thinking, and the thinker often to be working; and both should be gentlemen* in the best sense. As it is, we make both ungentle, the one envying, the other despising his brother; and the mass of society is made up of morbid thinkers and miserable workers. Now it is only by labor that thought can be made healthy, and only by thought that labor can be made happy, and the two cannot be separated with impunity. All professions should be liberal, and there should be less pride felt in peculiarity of employment, and more in excellence of achievement.—*Ruskin.*

THE REASON FOR EIGHT SILK DRESSES.—"Maria," said a lady to her colored chamber-maid, "that is the third silk dress you have worn since you came to me; pray how many do you own?" "Only seven, miss; but I's savin' my wages to buy anoder." "Seven! What use are seven silk dresses to you? Why, *I* don't own so many as that." "Spects not, Miss," said the smiling darkey, "you doesn't need 'em so much as I does. You see you quality white folks everybody know is quality; but we better-most kind ob cullud pussons has to dress smart to 'stinguish ourselves from common niggers." So, critics, who denounce the present extravagant style of dress, be lenient! And, when the paraphernalia of hoops and flounces, silks, velvets and laces is very astounding, think: Well, poor things! they must do *something* to 'stinguish themselves from common folks.

A MADRID JOURNAL states that an old man of Pontevedra having for some time past been in a state of idiotcy, was a heavy burden to his son, and the latter gravely proposed to a neighbor to sell the old man, who was very fat, to be melted down into grease! The neighbor having consented, a bargain was struck for 800 reals, and the purchaser procured a large cauldron in which to boil the old man; but the authorities having heard of the atrocious affair, had the buyer and seller arrested, and they now remain in custody.

LATOUR MAUBOURG lost his leg at the battle of Leipsic. After he had suffered amputation with the greatest courage, he saw his servant crying, or pretending to cry, in the corner of the room. "None of your hypocritical tears, you idle dog," said his master; "you know you are glad, for now you will have only one boot to clean instead of two."

WANTED TO HIRE NOT PURCHASE.—The Buffalo Express tells a good story of a Quaker who was charged the exorbitant sum of seventeen dollars for a horse and buggy for a short drive, and upon being presented with the bill, simply remarked—"Thou mistakest me. I do not wish to purchase thy establishment, but only to hire it."

WE believe it was an Alabama Coroner who delivered the following charge: Gentlemen of the Jury, you are to inquire into the causes of this death; firstly, whether it was by accident; secondly, whether it was by accident; or thirdly, whether it was by the hands of the *incenjuary*.

RESOLUTION

Proposing Amendments to the Constitution of the Commonwealth.

Resolved by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met:—That the following amendments are proposed to the Constitution of the Commonwealth, in accordance with the provisions of the tenth article thereof.

FIRST AMENDMENT.

There shall be an additional article to said Constitution to be designated as article eleven, as follows:—

ARTICLE XI.

OF PUBLIC DEBTS.

SECTION 1. The State may contract debts, to supply casual deficits or failures in revenues, or to meet expenses not otherwise provided for; but the aggregate amount of such debts direct and contingent, whether contracted by virtue of one or more acts of the general assembly, or at different periods of time, shall never exceed seven hundred and fifty thousand dollars, and the money arising from the creation of such debts, shall be applied to the purpose for which it was obtained, or to repay the debts so contracted, and to no other purpose whatever.

SECTION 2. In addition to the above limited power the State may contract debts to repel invasion, suppress insurrection, defend the State in war, or to redeem the present outstanding indebtedness of the State; but the money arising from the contracting of such debts, shall be applied to the purpose for which it was raised, or to repay such debts, and to no other purpose whatever.

SECTION 3. Except the debts above specified, in sections one and two of this article, no debt whatever shall be created by, or on behalf of the State.

SECTION 4. To provide for the payment of the present debt, and any additional debt contracted as aforesaid, the legislature shall, at its first session, after the adoption of this amendment, create a sinking fund, which shall be sufficient to pay the accruing interest on such debt, and annually to reduce the principal thereof by a sum not less than two hundred and fifty thousand dollars; which sinking fund shall consist of the net annual income of the public works, from time to time owned by the State, or the proceeds of the sale of the same, or any part thereof, and of the income or proceeds of sale of stocks owned by the State, together with other funds, or resources, that may be designated by law.—The said sinking fund may be increased, from time to time by assigning to it any part of the taxes, or other revenues of the state, not required for the ordinary and current expenses of government, and unless in case of war, invasion or insurrection, no part of the said sinking fund shall be used or applied otherwise than in extinguishment of the public debt, until the amount of such debt is reduced below the sum of five millions of dollars.

SECTION 5. The credit of the commonwealth shall not in any manner, or event, be pledged, or loaned to, any individual, company, corporation, or association; nor shall the commonwealth hereafter become a joint owner, or stockholder, in any company, association, or corporation.

SECTION 6. The commonwealth shall not assume the debt, or any part thereof, of any county, city, borough or town ship; or of any corporation, or association; unless such debt shall have been contracted to enable the state to repel invasion, suppress domestic insurrection, defend itself in time of war, or to assist the state in the discharge of any portion of its present indebtedness.

SECTION 7. The legislature shall not authorize any county, city, borough, township, or incorporated district, by virtue of a vote of its citizens, or otherwise, to become a stockholder in any company, association, or corporation; or to obtain money for, or loan its credit to, any corporation, association, institution or party.

SECOND AMENDMENT.

There shall be an additional article to said constitution, to be designated as article XII, as follows:

ARTICLE XII.

OF NEW COUNTIES.

No county shall be divided by a line cutting off over one-tenth of its population, (either to form a new county or otherwise,) without the express assent of such county, by a vote of the electors thereof; nor shall any new county be established, containing less than four hundred square miles.

THIRD AMENDMENT.

From section two of the first article of the Constitution, strike out the words, "*of the city of Philadelphia, and of each county respectively;*" from section five, same article, strike out the words, "*of Philadelphia and of the several counties;*" from section seven, same article, strike out the words, "*neither the city of Philadelphia nor any,*" and insert in lieu thereof the words, "*and no;*" and strike out "*section four, same article,*" and in lieu thereof insert the following:

"SECTION 4. In the year one thousand eight hundred and sixty-four, and in every seventh year thereafter, representatives to the number of one hundred shall be apportioned and distributed equally, throughout the state, by districts, in proportion to the number of taxable inhabitants in the several parts thereof; except that any county containing at least three thousand five hundred taxables, may be allowed a separate representation; but no more than three counties shall be joined, and no county shall be divided, in the formation of a district. Any city containing a sufficient number of taxables to entitle it to at least two representatives, shall have a separate representation assigned it, and shall be divided into convenient districts of contiguous territory, of equal taxable population as near as may be, each of which districts shall elect one representative."

At the end of section seven, same article, insert these words, "*the city of Philadelphia shall be divided into single senatorial districts, of contiguous territory as nearly equal in taxable population as possible; but no ward shall be divided in the formation thereof.*"

The legislature, at its first session, after the adoption of this amendment, shall divide the city of Philadelphia into senatorial and representative districts, in the manner above provided; such districts to remain unchanged until the apportionment in the year one thousand eight hundred and sixty-four.

FOURTH AMENDMENT.

There shall be an additional section to the first article of said Constitution, which shall be numbered and read as follows:

SECTION 26. The legislature shall have the power to alter, revoke, or annul, any charter of incorporation hereafter conferred by, or under, any special, or general law, whenever in their opinion it may be injurious to the citizens of the Commonwealth; in such manner, however, that no injustice shall be done to the corporators.

IN SENATE, *March 27, 1857.*

Health and Strength Must Inevitably Follow its Use. Bœrhave's Holland Bitters. THE CELEBRATED HOLLAND REMedy for Dyspepsia, Disease of the Kidneys, Liver Complaints, Weakness of any kind, Fever and Ague, and the various affections consequent upon a disordered Stomach or Liver. Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others affected a decided cure.

Nature finds no new enemy to combat, with this delightful tonic in the system. Its effects are almost magical, yet the cure permanent. It communicates no violent shock to the system, but by arousing its vital energy to normal action, enables it to throw off the cause, and thus thoroughly eradicates the disease.

When its medicinal virtues are so universally acknowledged, and particularly here, where it has become so popular as a family medicine, that it is sold by many of the grocers, as well as by all the druggists, it would seem needless to offer further evidence; yet as there are doubtless some who have tried many advertised remedies, and still suffer from Dyspepsia in one or more of its dreadful forms, we subjoin the following certificates, the authenticity of which cannot be doubted, coming as they do from persons so well known.

WHAT IT IS DOING FOR THE SICK.

Wm. Schuchman, Esq., the well known Lithographer, says, "I have frequently used Bœrhave's Holland Bitters, and find it invariably relieves indigestion and debility."

Rev. Samuel Babcock says: "I found special relief from its use for a severe headache, with which I had long suffered."

J. W. Woodwell, Esq., says: "I have used Bœrhave's Holland Bitters myself, and recommend it to others, knowing it to be just what it is represented."

Ald. Jonathan Neely, of Lower St. Clair, says: "I have derived great benefit from its use for weakness of the stomach and indigestion."

Jas. M. Murphy, says: "After several physicians had failed Bœrhave's Holland Bitters removed the pain from my heart and side, arising from indigestion."

The editor of the Kittanning Free Press, says: "After one of the best physicians in this place had failed, Bœrhave's Holland Bitters cured me of the worst form of Dyspepsia."

Francis Felix, only manufacturer of the original "Extract of Coffee," says: "I know that your Holland Bitters is one of the best medicines in the world for a disordered stomach or liver."

Dr. Ludwig, editor of the Fackel, Baltimore, pronounces it "a medicine deserving the confidence of the public."

Dr. Ederhart, the leading German physician of Penna. has prescribed it frequently during the past three years, with marked success in debilitated states of the digestive organs, or of the system generally.

The manager of Ballou's Vinegar Factory, says: "I used it myself, and was therefore induced to try its effect upon my wife, (troubled with the great debility common to all of a consumptive habit,) and really it is doing her more good than anything she has ever taken."

NOTICE.—Whoever expects to find in this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

CAUTION!—The great popularity of this delightful Aroma, has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Bœrhave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.

Sold at $1.00 per bottle, or six bottles for $5.00 by the sole Proprietors, BENJAMIN PAGE, JR., & CO., corner Smithfield and Third sts., Pittsburgh.

Medical.

R. R. R. THREE GREAT LIGHTS! MANKIND HAVE LONG BEEN ENgulphed in darkness, as regards the true means of securing health—ridding the human body from disease, and preserving life. The sick, under the fallacious treatment of the regular faculty, are subject to a continued practice of probabilities and uncertainties. There is nothing certain or fixed in the treatment of the sick either in the old or new school of medicine.

Dr. Radway has succeeded in producing three remedies—known to the world as Radway's Ready Relief, Renovating Resolvent and Regulators. These Remedies are not only established facts inasmuch as they have never yet failed in their special or combined efficacy in producing fruitful and beneficial results—but, they are facts establishing a science—as they have in all cases, "when tried" succeeded in restoring to health—and ridding the body from disease after all other medicinal treatment had failed—and the most skillful physicians had given up the sick as beyond the power of human means to cure—and pronounced the dreadful mandate—incurable.

Radway's Remedies are therefore fixed facts in the archives of medical science—they have been "often tried"—"never denied"—and are ready "to be tried again."

FIRST GREAT LIGHT

RADWAY'S READY RELIEF.

As a Special Remedy is to be used in all cases where the human body is seized with the torturing pangs or paroxysms of pain—no matter what the cause of the pain may be, or where it may be located—an application of the Ready Relief, either internally as a drink, or externally as an alleviator, will in a few minutes restore the afflicted body to ease and comfort.

In all cases of Bowel Disorders, Dysentery, Cholera, Bloody Flux, Sick Headache, Nervous Headache, and other Nervous Affections, Neuralgia, Rheumatism, Sprains, Strains, Toothache, Burns, Scalds, Wounds, Shot Wounds, Bruises, Cuts, Poisoning, either by the bites or stings of Reptiles, Insects, or Vegetable or Mineral poisoning by accident—in all cases and under all circumstances where the human system is tortured by pain, Radway's Ready Relief can be relied upon as a quick, safe and certain remedy.

In cases of Billiousness, Billious Fever, Typhus Fever, Ship Fever, Yellow Fever, Fever and Ague, Scarlet Fever, and all Malignant Fevers, Small Pox, Measles, Pneumonia. Radway's Ready Relief used in connection with Radway's Regulators, will positively cure the sick afflicted with these disorders, and protect the system against sudden attacks when either of these malignant diseases prevail.

SECOND GREAT LIGHT.

RADWAY'S REGULATORS.

The discovery of these wonderful pills establishes a new era in purgatives, and a new principle in the science of medicine. In taking these pills no griping pains or sickness at the stomach is experienced; they operate naturally, leaving the bowels, liver and other organs in a natural and healthy condition.

Each pill that is taken gives new life to the blood; they purify it, take from it all impure deposits and equalize its circulation.

One or two doses of Radway's Regulators, will entirely remove all distressing symptoms of Dyspepsia, Jaundice, Nervousness, Indigestion, Costiveness, Liver Complaint, Billiousness, Melancholy, and will cure all organic diseases either in man or woman. Ladies troubled with irregularities or weakening discharges, may rely upon a prompt cure and regular periods if Radway's Regulators are taken.

Every dose of Radway's Regulators that is taken instils new strength within the body of the weak, feeble and infirm; all who take them are delighted with the happy change they experience in a few hours. The dispirited and melancholy feel joyous and happy; the sick and debilitated, strong and vigorous.

THIRD GREAT LIGHT.

RADWAY'S RENOVATING RESOLVENT, CURES

Humors, Salt Rheum, Scrofula, Ulcers, Sores, Tumors, Fever Sores, Skin Eruptions, Blotches, Bronchitis, Dyspepsia, Gout, Dropsy, Syphilis, Consumption, Apoplexy, &c.; and all Constitutional and Chronic Diseases either inherited by hereditary transmission, or inoculated by exposure or otherwise.

There is no remedy in the world that will work such miraculous cures in old diseases, as Radway's Resolvent. It changes the whole human body; reproduces new and healthy blood.

Bleeding from the Lungs, Radway's Renovating Resolvent, will in a few minutes check hemorrhage from the lungs or throat. In cases where the patient coughs up clots of blood or pus streaked with blood, Radway's Resolvent will soon remove the difficulty.

Sarah Hammond of 19th East Thirty-second street, had a bad cough for two years. She coughed up sometimes half a pint of blood during the night. She was cured in 7 days by the Relief and Resolvent.

A sore leg of 21 years, cured in three weeks by Radway's Relief. Mr. T. H. Kilgore, a merchant of high standing in Dahlonega, Ga., says: "That a gentleman who for twenty-one years had been afflicted with a sore leg, that resisted every kind of treatment, was effectually cured in three weeks by Radway's Ready Relief, Resolvent and Regulators.

THE THREE GREAT LIGHTS.

RADWAY'S RELIEF—REGULATORS—RESOLVENT.

In all constitutional diseases, and where the constitution is broken down, or the body in a rapid state of decay, or the system inoculated with the virus of disease, either by the violation of the laws of health, intemperance, excess and indulgence of the passions, or by hereditary transmission, as in cases of Scrofula, Consumption, Rheumatism, Gout, Fits, and other heir looms, which a long line of ancestry has so bountifully and richly bestowed on posterity, as a memento of the past, at the cost of the suffering inheritors. Those Remedies, in their trinitary capacity, possess a curative power that no disease can withstand; their combined effect will eradicate from the living body every particle of diseased matter, and purge the whole system with health; *heal* the unsound decaying lungs, or other organs; cleanse and purify the unclean from all impurities.

To the disabled wayfarer, who is crippled with infirmities—we invite you "to try" these Remedies. We will vouch for their efficacy.

With many hundreds of others who have witnessed and felt the effect of the "Three Great Lights," and as they rule and govern those bodies which they are destined by the Almighty Power, so these three remedies stand as Rulers, Conquerors, and Grand Masters of all diseases.

The Greatest Medical Discovery OF THE AGE. MR. KENNEDY, OF ROXBURY, HAS discovered in one of our common pasture weeds, a remedy that cures every kind of Humor, from the worst Scrofula to a common Pimple.

He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples of the face.

Two to three bottles will clear the system of boils.

Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of erysipelas.

One to two bottles are warranted to cure all humors of the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the most desperate case of rheumatism.

Two to three bottles are warranted to cure the worst cases of ringworm.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pastures, and along old stone walls should cure every humor in the system; yet it is now a fixed fact. If you have a humor it has to start. There are no ifs nor ands, hums or ha's about the suiting some cases and not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know its effects in every case. It has already done some of the greatest cures ever done in Massachusetts. I gave it to children over a year old; to old people of sixty. I have seen poor, puny, wormy looking children whose flesh was soft and flabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will always cure it. It gives great relief to catarrh and dizziness. Some who have been costive for years, have taken and been regulated by it. Where the body is sound it works quite easy, but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it. On the contrary, when that feeling is over you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that man ever listened to. No change of diet is ever necessary; eat the best you can get. I have likewise an herb, which, when simmered in sweet oil, dissolves scrofulous swelling of the neck and under the ears. Price 50 cents. Price of the Medical Discovery $1 per bottle.

DIRECTIONS FOR USE.

Adult, one table spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, tea spoonful. As no direction can be made applicable to all constitutions, take enough to operate on the bowels twice a day.

Mr. KENNEDY gives personal attendance in bad cases of scrofula.

AYER'S CATHARTIC PILLS, (SUGAR COATED,) ARE MADE TO CLEANSE THE BLOOD AND CURE THE SICK, *Invalids, Fathers, Mothers, Physicians, Philanthropists, Read their Effects, and judge of their Virtues.*

For the cure of Headache, Sick Headache and Foul Stomach. PITTSBURGH, PA., May 1, 1855.

DR. J. C. AYER:—Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing. Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarion.

Billious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, Washington, D. C., Feb. 7, 1856.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the *Liver* is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *Bilious Disease* so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Relax and Worms.

POST OFFICE, HARTLAND, LIV. CO., MICH., Nov. 16, '55.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, Postmaster.

Indigestion and Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston:

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

Dear Sir: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood. JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a forwarding Merchant of St. Louis, Feb. 4, 1856:

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia and Gout.

From the Rev. Dr. Hawkes, of the Methodist E. Church:

PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., Dec. 5, 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF *Coughs, Colds, Hoarseness, Influenza, Bronchitis, Whooping Cough, Croup, Asthma, Incipient Consumption,* and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the Cherry Pectoral saves more lives by the consumptions it prevents than those it cures.—Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inexorable canker that, fastened on the vitals, eats your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.

DUNCANNON, Jan. 11, 1855.

DR. C. M. JACKSON—*Dear Sir:*—I was for five years severely afflicted with Chronic Billious Dysentery, for which I was attended by several of the best physicians in the country, but all of no avail. I also used various remedies, but could find nothing to benefit me until I was induced to try your German Bitters, and after taking four bottles by which I was entirely cured, and am now enjoying the best of health."

More Effects of the German Bitters in Dyspepsia and Liver Complaint.

Certificate of J. C. CURTIS, Esq., Reporter for the "Evening Chronicle," Pittsburgh, Pa., who, Feb. 21, 1855, says:

"For some weeks past my wife has been using your German Bitters, with a happy effect. She has been afflicted more or less, for several years, with disease of the Liver and Dyspepsia, and until she commenced using the Bitters, nothing had given her much relief. Her health is now rapidly improving, appetite good, and we have every reason to believe she will be perfectly restored. She says it is the best medicine she has ever used."

Nervous Debility.

J. M. HOLSHISER, Doylestown, Pa., June 10, 1853, says:

"My wife has been afflicted with a Nervous Debility since September, 1851, since which time I have been unable to find any physician or medicine that would benefit her in the least, until one day I called at the store of Dr. Harvey, in this town, for some tincture of Iron, and described to him the afflictions of my wife; he then handed me a lot of papers to read, among which I found one describing your German Bitters. I immediately procured a few bottles from him, and am pleased to state that the use of the Bitters has done her more good than all the medicine she has heretofore taken. I wish you to send me a half dozen bottles.

Liver Complaint.

J. P. WICK, Martinsburg, Pa., May 22, 1854, says:

"With much pleasure I testify to the virtue of your German Bitters. Some time since I was afflicted with a disease of the Liver, for which I used various remedies, but with no beneficial effect, until I was induced to try your Bitters, which I am now happy to state have entirely cured me."

They are entirely vegetable, free from all alcoholic stimulants, and pleasant in taste and smell.

A WONDERFUL DISCOVERY!! WHICH HAS BEEN THE STUDY AND research of the best medical men that ever lived to find a remedy that would radically cure the Dyspepsia, which has been recently found out by DR. R. T. FORD, OF PITTSBURGH, PENNA.,

His laborious search and research in the Vegetable Kingdom for eight or ten years, has brought to light a wonderful Medicine which will radically cure the DYSPEPSIA, which is the first cause of all general disease which the human system is subject to. Keeps the Reservoir [Stomach] clean and healthy. We must all have good health and cannot be a subject of any general disease.

Dr. R. T. FORD has been a subject of this awful disease himself, [Dyspepsia] for eight to ten years, and has tried hundreds of experiments on himself, but all in vain, until his present discovery, which has radically cured him and many others in six, eight to twelve days, without pain or sickness, or any unpleasant feelings in the system, but on the contrary, it invigorates the system and gives a healthy action to every part. It will act gently or copiously on the bowels, and give a healthy action to the stomach and liver. You can eat and drink your usual dieting, which will not interfere—the medicine always doing its duty...called DR. R. T. FORD'S DYSPEPSIA CORDIAL.

What kind of diseases will Dyspepsia produce? I answer it is the first cause of all general diseases. Liver Affection, Lung Affection, or Pulmonary Disease, Bronchitis, Sick Headache, Billious Diarrhœa, Billious and Typhoid Fevers, Fever and Ague, Nervous Fever, Neuralgia, Hernia, [Piles,] Costive Bowels, Boils, Husky or Gummy Skin, Colds, Rheumatics of all kinds, Apoplexy, Insanity, Weakness of the system, False Conception of the Mind, Heartburn, Fulness of the Stomach, Throwing up of your Food, and also Wind. All of the above feelings may or will be produced from a Dyspeptic stomach. From that organ all general diseases will be produced, [if this statement is true, which no sane mind will deny,] because all who have been sick know this statement to be true from experience, a sick or deranged stomach is first.

How important it is to a poor patient who has been suffering for many years, to point him to a remedy that he can rely on, and radically remove the cause that has made him sick. It's like a mariner tossed upon the ocean, at the first glimpse of a light house, his heart bounds with joy.
