Valuable Mill Property and Farm
AT PUBLIC SALE.

ON TUESDAY, the 6th of September next, the following described Real Estate, situate about 8½ miles west of Carlisle, on the Canodoguinet creek, commonly known as *Hays' Mills*. The Grist or Merchant Mill is of stone, recently erected, and contains 4 run of stone, with Corn Kiln attached. The water power is one of the best on the creek. A new and substantial dam has been put in during the last summer. There is a plaster, Clover and Saw Mill, (the latter new, and with a "Johnston" Wheel" attached,) connected with the Grist Mill.

In connection with said Mill, about 6 or 8 acres of land will be sold with two tenant houses, thereon erected.

The Farm contains about 200 acres, principally of Black Slate and Bottom Land, about 50 of which are covered with thriving young timber.

The improvements are a FRAME WEATHERBOARDED HOUSE, a BANK BARN, and other convenient outbuildings. The Fences are in good order. A thriving young orchard and other fruit trees, consisting of pears, peaches, cherries, &c. Also a fine well of water and a spring. The land is in a good state of cultivation, about 5000 bushels of Lime having been put on within the last 3 years.

The above property will be sold separate or together, as may suit the purchaser. Possession of the Mill Property will be given at any time desired after the sale.

Persons desirous of examining the property, or obtaining further information concerning the same, may apply to the owner on the premises, or to A. L. Sponsler, Real Estate Agent, Carlisle.

Sale to commence at 1 o'clock, P. M., on the premises, when terms will be made known by

PHILIP ZEIGLER.

To Bridge Builders.

THE Commissioners of York and Cumberland counties, will let, to the lowest proposals, on the *17th day of August, A. D.* 1859, at the house of Benjamin Clay, at Bridgeport, the contracting for building a WOODEN BRIDGE over Yellow Breeches creek, at Coover's mill, in York and Cumberland counties. The bridge to be of the following dimensions, viz: To contain in length 100 feet in the clear, from one abutment to other, and 16 feet wide in the clear, with two abutments each 12 feet thick at the bottom, with a battering wall of one inch to the foot on the three sides of each abutment; the abutment to be 15 feet high from the bottom of the creek to the cord line, from which the wooden arches are to be started and extend across said creek from one abutment to the other; and to be single floored with 3 inch white oak plank, and raised in the centre 12 inches; the sides and gable ends of said bridge to be of sufficient heighth to admit covered or hay wagons to pass through the same. The bridge is to be closely weatherboarded with half inch pine boards, well lapped. The whole of the work of said bridge to be roofed with good and sufficient pine shingles; said roofing to extend at each end 10 feet over the heel of the arch or top of the abutments, and on each side of the bridge over the weatherboarding 2 feet. The abutments are to be built on firm foundations, to be approved of by the Commissioners, the whole of the mason work to be well built of large and hard stone, lime and mortar, and pointed from the back of the abutment. The filling shall consist of earth and stone, and to be supported with wing walls on each side 5 feet thick at the two abutments, with a battering of 1 inch to the foot to the top of the filling, and to extend in that manner on the two extreme sides of the bridge, until the filling and walling shall meet the roads, with an ascent not exceeding an angle of 4 degrees elevation from the road to the bridge, with curtain walls sufficient length and thickness, and covered with broad stones well secured. The wood work on the out and inside of the bridge is to be whitewashed with two coats of lime. The undertaker to furnish all materials and give such security as the Commissioners may require for the faithful performance of the workmanship, and the permanency of said bridge for and during the term of seven years; said bridge is to be built on the same plan as the one over the Little Conowago, at Newman's mill.

The Commissioners will also at the same time and place, receive proposals for building a STONE BRIDGE, on the same site, of the following dimensions, viz: to contain in length 100 feet from one abutment to the other, and 16 feet wide in the clear. The two abutments each to be 15 feet thick at the bottom, with a battering wall of 1 inch to the foot on three sides of each abutment. The bridge to be built with three arches; the centre arch to be 31 feet long and 10 feet 4 inches high in the clear; the two outer arches to be each 28 feet 6 inches long and 9 feet 6 inches high in the clear. The abutments between the arches are to be 6 feet thick, and to rise 8 inches above low water mark, before the arches start. The side or curtain walls are to be 3 feet high above the filling and to extend as far as the wing walls, and to be covered with broad stone coping, clamped. The wing walls on each side to be five feet thick at the abutments, with a battering of 1 inch to the foot to the top of the filling, and to extend as far as may be necessary to support the filling or embankment. The masonry is all to be pointed. The filling to consist of earth and stone, and to be one foot thick on the crown of the centre arch, and the grade not to exceed 4 degrees until it meets the bed of the road. The contractor to furnish all the materials and give security for the faithful performance of the contract and the permanency of the bridge, for the term of seven years.

Carlisle White Sulpher Springs,
CUMBERLAND CO., PA.

THIS favorite and fashionable watering place, pleasantly located near the base of the Blue Mountain, four miles from Carlisle, Pa., is now open to visitors. The waters of these Springs are highly impregnated with minerals, and for drinking and bathing are not surpassed by any Sulpher Springs in the country. The buildings are well ventilated, and are surrounded by 1200 feet of balconies. The scenery is of the grandest kind, and the accommodations for the recreation, health and comfort of visitors are unexceptionable. Good fare, pleasant drives, fine music, billiards, bowling saloon and other games, and all the amusements usually found at Watering places can be enjoyed here. Visitors leaving Philadelphia or Baltimore in the morning train arrive at the Springs at 3 o'clock, P. M. Daily mail. For further information address
