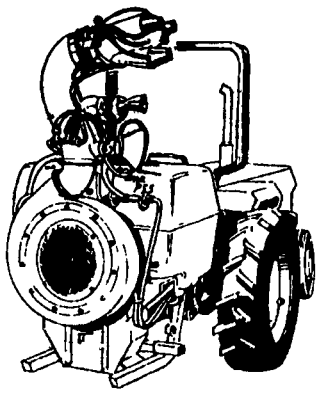
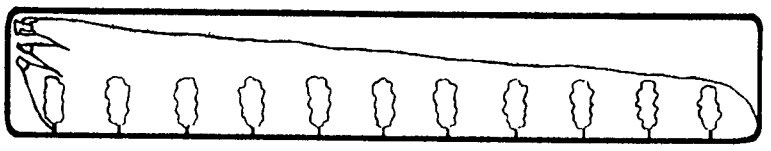
1 FARM EQUIPMENT

Atomize Your Crops... Maximize Your Harvest!



We are all endeavoring to profit from the best possible yield from our crops. Fighting diesease and insects with chemicals is an on-going process.

Chemicals have proven to be effective, but the secret is in the application. Atomizers have been used since the 1970's in actual field experience, and insure clean, blemish-free, bountiful crops.



cima® Atomizers

If you are interested in reducing cost, saving time and effort, and preserving the environment, while getting the most from your harvest, call for more information.
