Mark Your Calendars Astronomy Day at Behrend

On April 20 at 9 p.m., Penn State Behrend will open its Mehalso Observatory to celebrate Astronomy Day. This day was created to share the excitement of astronomy with people around the world, and usually occurs sometime between mid-April and mid-May, on a Saturday near or before the first quarter moon. For more information, contact the Penn State Erie School of Science at (814) 898-6105.

Spring Concert

Behrend's Ultimate Praise and Gospel Choir will hold its Annual Spring Concert on April 13, at 7:30 p.m. in the Reed McGarvey Commons. It will feature guest choirs from churches in the Erie community, mime performances, and free refreshments. If you have any questions contact Adrienne Abney at 898-2692.

A Closer Look

Feeling overwhelmed? Ready for the semester to end?

Adult students are invited to lunch and a valuable workshop on Wednesday from 12 - 1:30 p.m. in Academic 069. This event will help adult students "survive the semester stress," and will join others for a light-hearted and insightful program. Reservations are not required, but are appreciated, and should be made by contacting Ann at 898-7255. This event is presented by Sue Daley.

Butterflies for Kids

On Monday from 11 a.m. - 5 p.m., there will be a fundraiser to benefit Butterflies for Kids. Many organizations, including the Lion Ambassadors and RASO, will promote awareness and collect donations. This organization allows children with special needs to plant their own plant, go fishing, and much more. Companies such as Fireside Gallery have donated to this organization, and your generosity will be appreciated.

Get your meetings, activities, announcements, etc. on our Calendar of Events Page!

All submissions must be received by Monday at 5 p.m. for publication in that week's issue. Send submissions to the attention of the Calendar of Events Page to behrroll3@aol.com; put information in our campus mailbox, bottom floor, Reed Union Building, near e-mail kiosk and next to restrooms; or call us at 898-6488. While you should include all possible information, submissions may be edited due to space constraints; please contact the Beacon for special requests.
