Media, Delaware County, Penna.
Miss Maria L. Eastman, Principal.
THIS SEMINARY, SITUATED IN THE delightful and beautiful village of Media, thirteen miles from Philadelphia by Railroad, offers to young ladies the most perfect combination of advantages for the attainment of a thorough and accomplished education.
The large and commodious building lately erected, containing all the modern conveniences of baths, gas, &c., is, with the extensive grounds, a model in all that pertains to the health, comfort, refinement and improvement of the pupils. The sleeping rooms are high, well ventilated, and furnished with comfort and elegance, and but two pupils occupy the same apartment. The number of pupils is limited to forty, for whom seven teachers are employed.—The most faithful instruction is given in all the branches taught, while moral and religious principles are constantly inculcated by theory and practice.
The course of instruction comprises a period of four years, and a diploma is awarded to all who pass through it satisfactorily.
The Right Rev. A. Potter, D. D., L. L. D., Bishop of Pennsylvania, says: "Miss M. L. Eastman, who proposes to open a Young Ladies' Seminary in Media, Delaware county, Pennsylvania, in September next, has been known to the subscriber for several years past. The village and surrounding country are distinguished for healthfulness and beauty; and the subscriber has confidence that parents who entrust their daughters to Miss Eastman will have no cause to regret it."
The French language is taught by a Parisian lady residing in the family.
The Latin, German, Spanish, and Italian languages, receive due attention.
The Natural Sciences are taught with the aid of a large and expensive apparatus.
The Musical Department is under the charge of a lady eminently qualified for the situation, and all who prefer to be taught on the piano or singing by a gentleman, have a visiting teacher from Philadelphia.

T. KINGSFORD & SON'S PURE Oswego Starch, [FOR THE LAUNDRY,]
HAS established a greater celebrity than has ever been obtained by any other Starch.
This has been the result of its marked superiority in quality, and its invariable uniformity.
The public may be assured of the continuance of the high standard now established.
The production is over Twenty Tons Daily, and the demand has extended throughout the whole United States, and foreign countries.
Working thus on a very large scale, and under a rigid system, they are able to secure a perfect uniformity in the quality throughout the year. This is the great Desideratum in Starch making, and is realized now for the first time.
The very best Starch that can be made, and no other, is always wanted by consumers, and this will be supplied to them by the grocers, as soon as their customers have learned which is the best, and ask for it—otherwise they would be likely to get that article on which the largest profit can be made.
Mr. Kingsford has been engaged in the manufacture of Starch continuously for the last 27 years, and during the whole of the period, the Starch made under his supervision has been, beyond any question, the best in the market. For the first 17 years, he had the charge of the works of Wm Colgate & Co., at which period he invented the process of the manufacture of Corn Starch.
Ask for Kingsford's Starch, as the name Oswego has been recently taken by another factory
It is sold by all of the best grocers in nearly every part of the country.
T. KINGSFORD & SONS
OSWEGO CORN STARCH, [FOR PUDDINGS, &c.]
Has obtained an equal celebrity with their Starch for the Laundry. This article is perfectly pure, and, in every respect, equal to the best Bermuda Arrow Root, besides having additional qualities which render it invaluable for the dessert.
Potatoe Starch has been extensively packed and sold as Corn Starch, and has given false impressions to many, as to the real merits of our Corn Starch.
From its great delicacy and purity, it is coming also into extensive use as a diet for infants and invalids.
The subscriber having been appointed sole Agent for the sale of the above celebrated Laundry and Corn Starch, will supply the trade at Eastern rates, with addition of freight.

Agent for Oswego Starch Factory,

Medical.

R. R. R.
A FALSE THEORY EXPOSED.—THE TRUE SCIENCE REVEALED.
Mankind have long been engulphed in darkness as regards the mysteries of medicine, and of deriving a truthful solution of its power over disease, and its proper use in the treatment of the sick.
Medicine, as practiced by the regular faculty, is nothing but a bundle of improbabilities and uncertainties. There is nothing in its theories on which the physician can rely as certain or fixed; the results obtained from its prescriptions are doubtful, and in most cases unsatisfactory.
It is a solemn and startling fact, that there are thousands "who have departed this life" died victims, not to disease, but to the injudicious application of this antiquated and uncertain theory, as practiced by the regular faculty.
We have proved the utter fallacy of the regular practice of medicine, and the great undeniable truthfulness of the R. R. R. over and over again; for, in a thousand cases, where the regular physicians have given up their patients as incurable, and had in many cases even set the time to only a few short hours, that their victims had to live, Radway's Ready Relief, Regulators or Resolvent, as the case may have been, has restored those dying patients to new life and health.
In the treatment of the sick by the R. R. R. remedies, there is nothing left to chance or uncertainties, for these remedies are so prepared as to possess fixed and positive curative powers, founded on principles as immutable in their power over disease as the laws of gravitation over the earth. It is therefore, impossible for these remedies to fail in removing from the human system the difficulty for which they may be given, and of restoring the weak human system to its normal condition of health.
This is readily seen in the miraculous efficacy of RADWAY'S READY RELIEF in the moment this remedy is applied to the parts or parts of the body tortured with pain, or crippled with inflammation, all pain and uneasiness ceases, and the crippled, lame and wounded limb becomes invigorated with renewed strength. So also with the Resolvent.—The most repulsive Sores, Ulcers, Humors and the most obstinate of chronic diseases quickly become extinct after a few doses is taken.
In cases of Dyspepsia, Constipation of the Bowels, Derangement of the Liver, Congestions, Palpitation of the Heart, Radway's Regulators, in the form of Pills, can be relied upon as a positive and certain corrector and regulator of these difficulties. In cases of temporary Constipation or derangement of the stomach or bowels, the Cathartic and Purgative Pills given by the regular faculty, even if they remove the temporary difficulty, do so at the expense of Cramps, Sickness at Stomach, and Weakness, and after the effects of these purgatives are over, the bowels are left costive and the system debilitated. Radway's Regulators will instantly relieve the pain and distress, remove the difficulty and restore a regular action to the liver, stomach, bowels and other organs—they neither irritate, inflame, sicken or weaken the patient, and the evacuations are natural, without prostrating the system or cramping the bowels
These remedies are the only ones that have reduced the hygienic principle to the fixity of a mathematical demonstration—invariable in all cases, and proceeding on a settled routine. They, and they alone, have imparted to the incongruous experience and repugnant practice of the so called "regular faculty," the precision and invariability which are essential to the requirements of a science. Taking the human body as the problem, and health as its normal condition, they proceed by fixed rules to eliminate all extraneous and deleterious particles, and thus restore the constitution to its integrity, by the expulsion of those local or organic irregularities which vitiate the soundness of the whole.
DANGEROUS DISEASES.
In Cholera, Yellow Fever, Ship Fever, Dysentery, Diarrhoea, Typhus and Typhoid Fevers, and all malignant and malarious fevers, Radway's Ready Relief and Regulators are not only positive curatives, but certain preventives.
Not only in the milder latitudes of the North have these remedies cured the patients of those terrible maladies, but under the burning zones of the tropics, where, in the wildest and most violent degrees, they scourged the people as a pestilence. With these remedies you need not fear exposure to any contagious disease or infectious malady.
CONSTITUTIONAL DISEASES.
All diseases that have become established in the system, called chronic or constitutional, Radway's Resolvent, aided by the Relief and Regulators, will remove. Scrofula, Bronchitis, Ulcers, Sores, Fever Sores, Humors, Humors, Salt Rheum, and all skin diseases will quickly yield to this all powerful remedy.
The use of the Resolvent will, in a few weeks, entirely change the whole condition of the body, we care not from how many generations you have derived your title to the diseases established in your bodies, Radway's Resolvent will remove it, and give to you what your forefathers were unable to—a pure and healthy body—free from diseases.
COMMON DISEASES.
All diseases prevalent at this season of the year, caused by derangement of the organs of the system, sudden changes of the weather, heat and cold, disturbed circulation of the blood—Rheumatism, Neuralgia, Tic Doloreux, Bowel Complaints, Fever and Ague, Headache, Toothache, Aches and Pains of all kinds, Bruises, Burns, Scalds, Falls, Inflammatory Diseases, Congestive Diseases, Humors in the system—Impure Blood, Boils, Pustule Pimples, Blotches, &c. Liver Complaints—Dyspepsia, Kidney Complaints, and all diseases whether acute, inflammatory, malarious, nervous, chronic, or constitutional, Radway's Remedies will most positively exterminate and restore the infirm and enfeebled system to health and strength.
AN APPEAL TO THE DYING.
Ye who have trusted now upon the brink of the grave, on whom all hopes of recovery are lost—who have been given up as incurable by your physician, we invite you to make one more effort to save the valued life of the dying one. A trial of these Remedies cannot do any injury, and may restore to life and health, even though no hopes are entertained by your physician. Over a thousand such instances have come to our knowledge and we therefore, feel ourselves justified in requesting the trial. Surely, after the physician says he can do no more, his prejudice to your using a remedy that must do good, is criminal.
As a proof of the instances we have alluded to in the above article, we refer the public to the case reported to us by Richard Griffith, Esq., well known in Canada West as a man of high integrity, and well approved of by his countrymen for his high official capacities.
BATHURST DIST., Fontenac Co., C. W., June 24th, 1857.
In October, 1856, my wife giving birth to a child, left her bed too early and caught a severe cold, which promised to terminate her life. The best physicians in this neighborhood and vicinity in attendance on her, and all of no avail—the doctors had given her up to die. [illegible] I happened to see a copy of your paper called "The Morning World," and there read of your medicines. I ordered 12 to test them as a last resort. I gave her the Resolvent with the Regulators—and Relief—according to directions, and in three days it worked a wonderful improvement. From this she daily recovered and is now, thank God, better than ever she was in her life.
The child, when three months old, caught a bad cold, and dwindled away to a mere skeleton, nothing but bone and skin; his eyes protruded from his head; as if they would drop out; the physicians all united in saying there was no use of attempting to save him; his case was beyond all hope. He was young and must die. But I thought different. Your Remedies gave life to my wife, while the doctors gave her up to die. I applied the Relief in the same way. I gave him the Resolvent internally and used it as a wash externally to his eyes—he is now a laughing, hearty, prattling child, enjoying the best of health. Your medicines saved my child. RICHARD GRIFFITH.
The above, relates but one instance of thousands of similar cases in the world, where had the verdict of the physicians been relied upon without further trial, death would have ended its victim. Do not therefore give up your loved ones the mere report of your physicians who say they can do no more. When you are told this, resort to our Remedies.

The Greatest Medical Discovery OF THE AGE.
MR. KENNEDY, OF ROXBURY, HAS discovered in one of our common pasture weeds, a remedy that cures every kind of Humor, from the worst Scrofula to a common Pimple.
He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two to three bottles will clear the system of boils.
Two bottles are warranted to cure the worst canker in the mouth and stomach.
Three to five bottles are warranted to cure the worst case of erysipelas.
One to two bottles are warranted to cure all humors of the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruption of the skin.
Two to three bottles are warranted to cure the worst desperate case of rheumatism
Three to four bottles are warranted to cure the worst cases of ringworm.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pastures, and along old stone walls, should cure every humor in the system; yet it is now a fixed fact. If you have a humor it has to start. There are no ifs nor ands, hums or ha's about this, suiting some cases and not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know the effects of it in every case. It has already done some of the greatest cures ever done in Massachusetts. I gave it to children over a year old; to old people of sixty. I have seen poor, puny, wormy looking children whose flesh was soft and flabby, restored to a perfect state of health by one bottle.
To those who are subject to a sick headache one bottle will always cure it. It gives great relief to catarrh and dizziness. Some who have been costive for years, have taken and been regulated by it. Where the body is sound it works quite easy, but where there is any derangement of the functions of nature it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it. On the contrary, when that feeling is gone you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that man ever listened to. No change of diet is ever necessary; eat the best you can get. I have taken it in an herb, which, when simmered in sweet oil, dissolves scrofulous swelling of the neck and under the ears. Price 50 cents. Price of the Medical Discovery $1 per bottle
DIRECTIONS FOR USE.
Adult, one table spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, tea spoonful. As no direction can be made applicable to all constitutions, take enough to operate on the bowels twice a day.
Mr. KENNEDY gives personal attendance in bad cases of scrofula.

A WONDERFUL DISCOVERY!!
WHICH HAS BEEN THE STUDY AND research of the best medical men that ever lived to find a remedy that would radically cure the Dyspepsia, which has been recently found out by DR. R. T. FORD, OF PITTSBURGH, PENNA.
His laborious search and research in the Vegetable Kingdom for eight or ten years, has brought to light a wonderful Medicine which will radically cure the DYSPEPSIA, which is the first cause of all general disease which the human system is subject to. Keeps the Reservoir (Stomach) clean and healthy. We must all have good health and cannot be a subject of any general disease.
Dr. R. T. FORD has been a subject of this awful disease himself, (Dyspepsia) for eight to ten years, and has tried hundreds of experiments on himself, but all in vain, until his present discovery, which has radically cured him and many others in six, eight to twelve days, without pain or sickness, or any unpleasant feelings in the system, but on the contrary, it invigorates the system and gives a healthy action to every part. It will act gently or copiously on the bowels, and give a healthy action to the stomach and liver. You can eat and drink your usual dieting, which will not interfere—the medicine always doing its duty...called DR. R. T. FORD'S DYSPEPSIA CORDIAL.
What kind of diseases will Dyspepsia produce? I answer it is the first cause of all general Diseases. Liver Affection, Lung Affection, or Pulmonary Disease, Bronchitis, Sick Headache, Billious Diarrhoea, Billious and Typhoid Fevers, Fever and Ague, Nervous Fever, Insanity, Hernia, [Piles,] Costive Bowels, Boils, Husky or Gummy Skin, Colds, Rheumatics of all kinds, Apoplexy, Insanity, Weakness of the system, False Conception of the Mind, Heartburn, Fulness of the Stomach, Throwing up of your Food, and also Wind. All of the above feelings may or will be produced from a Dyspeptic stomach. From that organ all general diseases will be produced, [if this statement is true, which no sane mind will deny,] because all who have this sickness know this statement to be true from experience, a sick or deranged stomach is first.
How important it is to a poor patient who has been suffering for many years, to point him to a remedy that he can rely on, and radically remove the cause that has made him sick. It's like a mariner tossed upon the ocean, at the first glimpse of a light house, his heart bounds with joy.
PRICE THREE DOLLARS PER BOTTLE.
Sold by the Proprietor, Dr. R. T. FORD, West end of Pennsylvania Avenue, (Fourth street Road,) and also JOHN HAFT, Jr., No. 116 Wood street, corner of Sixth; also, NEVIN, M'KEOWAN & CO., Liberty street, below St. Clair, Pittsburgh. Also, Mr. W. A. REED, formerly the firm of James T. Semple & Co., Northwest corner of Federal street and the Diamond, Allegheny City. And also, Dr. Ford's Anti-Billious and Liver Pills; also, his invaluable Indian Vegetable Nerve Liniment.
The above medicines need no commendation, for thousands in our city and county will testify to their invaluable qualities. Their equal is not to be found.

Medical.

AYER'S PILLS.
ARE particularly adapted to derangements of the digestive apparatus, and diseases arising from impurity of the blood. A large part of all the complaints that afflict mankind originate in one of these, and consequently these PILLS are found to cure many varieties of disease.
Subjoined are statements from some eminent physicians of their effects in their practice.
AS A FAMILY PHYSIC.
From Dr. E. W. Cartwright, of New Orleans.
"Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease."
FOR JAUNDICE AND ALL LIVER COMPLAINTS.
From Dr. Theodore Bell, of New York City.
"Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people."
DYSPEPSIA—INDIGESTION.
From Dr. Henry J. Knox, of St. Louis.
"The Pills you were kind enough to send me have been all used in my practice, and have satisfied me that they are truly an extraordinary medicine. So peculiarly are they adapted to the diseases of the human system, that they seem to work upon them alone. I have cured some cases of dyspepsia and indigestion with them, which had resisted the other remedies we commonly use. Indeed I have experimentally found them to be effectual in almost all the complaints for which you recommend them."
DYSENTERY—DIARRHOEA—RELAX.
From Dr. J. G. Green, of Chicago.
"Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhoea. Their sugar coating makes them very acceptable and convenient for the use of women and children."
INTERNAL OBSTRUCTION—WORMS—SUPPRESSION.
From Mrs. E. Stuart, who practices as a Physician and Midwife in Boston.
"I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients."
CONSTIPATION—COSTIVENESS.
From Dr. J. P. Vaughn, Montreal, Canada.
"Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease."
IMPURITIES OF THE BLOOD—SCROFULA—ERYSIPELAS—SALT RHEUM—TETTER—TUMORS—RHEUMATISM—GOUT—NEURALGIA.
From Dr. Ezekiel Hall, Philadelphia.
"You were right, Doctor, in saying that your Pills purify the blood. They do that. I have used them of late years in my practice, and agree with your statements of their efficacy. They stimulate the excretories, and carry off the impurities that stagnate in the blood, engendering disease. They stimulate the organs of digestion, and infuse vitality and vigor into the system.
"Such remedies as you prepare are a national benefit, and you deserve great credit for them."
FOR HEADACHE—SICK HEADACHE—FOUL STOMACH—PILES—DROPSY—PLETHORA—PARALYSIS—FITS—&c.
From Dr. Edward Boyd, Baltimore.
"DEAR DR. AYER: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treated with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly."
Most of the Pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substances whatever.

AYER'S CHERRY PECTORAL
Has long been manufactured by a practical chemist, and every ounce of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits and consequently can be relied on as genuine, without adulteration. It supplies the surest remedy the world has ever known for the cure of all pulmonary complaints; for Coughs, Colds, Hoarseness, Asthma, Croup, Whooping Cough, Bronchitis, Incipient Consumption, and the relief of consumptive patients in advanced stages of the disease. As time makes these facts wider and better known this medicine has gradually become the best reliance of the afflicted, from the log cabin of the American peasant to the palaces of European kings. Throughout this entire country, in every state and city, and indeed almost every hamlet it contains, CHERRY PECTORAL is known as the best of all remedies for diseases of the throat and lungs. In many foreign countries it is extensively used by their most intelligent physicians. If there is any dependence on what men of every station certify it has done for them, if we can trust our own senses when we see the dangerous affections of the lungs yield to it; if we can depend on the assurance of intelligent physicians, whose business is to know; in short if there is any reliance upon any thing, then is it irrefutably proven that this medicine does cure the class of diseases it is designed for beyond any and all other remedies known to mankind. Nothing but its intrinsic virtues, and the unmistakable benefit conferred on thousands of sufferers could originate and maintain the reputation it enjoys. While many inferior remedies have been thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget and produced cures too numerous and remarkable to be forgotten.
Prepared by DR. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass. and sold by all Druggists and Dealers in Medicines everywhere.
