Letter addressed to care of Mr. Curtis Hatch, Agent at Revenna, Ohio.

To Dr. MARCHISI:—I have been too years troubled with Female Complaints—prolapsus uteri, and all the attending difficulties; at times rendering my life most miserable. I have had the attendance of some of the best physicians, with but little success; the most they could do was to relieve—a cure was out of the question. For five months before commencing with your medicines, I had not been able to perform any labor, could walk but a few steps at a time, and scarcely went out of doors—in short, I was completely prostrated, both in body and mind, and was reduced to draw out the rest of my days in suffering and misery. But, your telling your advertisement, I was induced to try your invaluable medicine on last Uterine Catholicon, as the last resort. I had not used it a week before I felt like another woman. By the use of three bottles I was enabled to perform all the labor for six in the family with ease, and could walk anywhere in the neighborhood without injury. Nothing but a sense of my duty to you and to the afflicted, has induced me to trouble you or the public. I can safely recommend the preparation to all those suffering like myself. Epilepsy can be Cured!

LAKE'S VEGETABLE COMPOUND,

For the cure of Epilepsy or Fits, is performing more wonderful cures than any other medicine yet known or before the public.

Price Five Dollars A Bottle.

The proprietor has in his possession numerous certificates, narrating the ASTONISHING AND MIRACULOUS CURES effected by this medicine, and directs attention to the following only, to assure those who are so unfortunate to be afflicted with the terrible disease it is designed to be regarded incurable, that LAKE'S preparation

Is almost Infallible in its Cure!

From Mrs. Brooks, widow of Maj. Jas. Brooks, late of Conneaut, Ohio.

Mr. Z. LAKE.—Sir: Please send me another bottle of Fit Medicine, as I do not like to do without it on hand. When I commenced giving the Medicine to my son Edgar, he had fits from one to three fits per day. He has now taken the medicine over five months, and has had, I think, but two fits in that time, and those very light. His body and mind are very much improved and by the blessing of God, I feel that the medicine will restore his body and mind to their wonted activity. He is 22 years old, and has had fits over 12 years, which have been very frequent, and very destructive to his constitution and mind. Hundreds of dollars have been expended for medicine to "CURE FITS," but nothing has relieved him until he used your medicine. Respectfully yours. POLLY BROOKS.

From Judson Landon, Superintendent of the Ashtabula County Infirmary.

Mr. Z. LAKE.—Please: send me a few more bottles of your Fit Medicine; I may not need it, but think I ought to keep it on hand. You may remember that I gave it to Miss Jane Dolan; she has had fits for 28 years, brought on by having the measles when but four years old; she would not be brought out to the sunlight. After taking the medicine a few days, she had a fine crop of measles, and has had no fits since. She had fits or symptoms almost daily. She and her father concur with me in saying that we believe the medicine has cured work a perfect cure. I also gave the medicine to Miss Jane Henderson and Ada Cady, who have had fits almost daily, for a number of years. Their fits have ceased, and I believe the medicine will have the desired effect. Much money has been expended by the friends of the above patients for doctoring, all to no purpose. The cure was left for your medicine to perform, and I can cheerfully recommend it as a valuable discovery. Respectfully yours,

JUDSON LANDON.
