WEDNESDAY MORNING, MAY 23.

NEW FOG BELL.—The Washington Star, of the 3d, described as follows a new fog bell, designed by Mr. Whilden, a well known engineer of that city:

This bell weighs one thousand pounds, and is designed for the most dangerous of the foggy districts on our Atlantic and Gulf coast. It is to be kept in constant motion by means of an Ericsson engine, and the clapper makes one stroke at each revolution. The clapper is guarded so as to avoid the deadening of the reverberation by lying against the side of the bell, with springs which, though they have not sufficient resistance to prevent the clapper from making an effectual blow upon the bell, yet are strong enough to throw it back and hold it about an inch from the metal until another revolution of the bell. The machinery also causes the bell to revolve on the spindle of the clapper, thereby avoiding constantly striking in the same place, as in ordinary cases. The frame is of wrought iron, neatly fashioned, and altogether the execution of the work is of a very superior order, and highly credible to the business enterprise of the Messrs. Ellis, who inform us that the cost of its execution does not exceed that paid by the Government for a similar class of work at the Troy (N. Y.) foundaries.

A diver who has returned to Halifax from Cape Sable, says he descended several times into the interior of the wrecked steamer Hungarian. The scene which presented itself was appalling in the extreme; for although there were no corpses in the interior of the ship, there were nearly twenty bodies discovered entangled in the wreck alongside and in the gullies close by. These frightful remnants of poor humanity exhibited all the stages of dismemberment, hands, heads, arms, legs, &c., and all more or less in a state of decomposition. Those seen appear to have been up and dressed, or partly so, as some of them were evidently in act of putting on their shoes, stockings, or other clothing, when the king of terrors put a stop to their toilet forever.

The editor of the Albany Times says that he has in his possession a live, melodious mouse. It was caught in his house, where for many a night, its gambollings and song had attracted attention. The voice is clear and sweet as a canary's, of decided strength, and although the song is scarcely as melodious, it is quite pretty and attractive. It sang at noon for some ten minutes, and so at evening, despite the stir in and around the office, and attracted a number of interested and surprised spectators. The mouse is of the ordinary color and size, has become quite tame, and seems to enjoy his song, and to have a deal of pride in attracting outside attention and causing wonderment.

WORTH KNOWING—The great difficulty of getting horses in a stable where surrounding buildings are in a state of conflagration, is well known and that in consequence of such difficulty, arising from the animal's dread of stirring from the scene of distraction, many animals have perished in the flames. A gentleman whose horses were in great peril from such a cause, having in vain tried to save them, hit upon the experiment of having them harnessed, as though they were going to their usual work, when, to his astonishment, they were led from the stable without difficulty.—[Spirit of the Times.

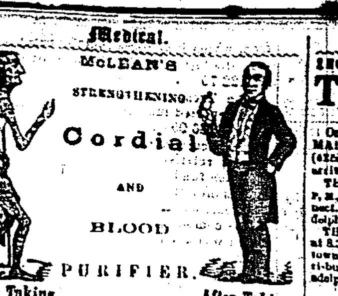
Medical.



THE greatest Remedy in the world. This cordial is distilled from a herb known only to myself and chemically combined with some of the most valuable medicinal roots, herbs and barks known to the mind of man, viz: *Blood Root, Black Root, Wild Cherry Bark, Yellow Dock, Dandelion, Sarsaparilla, Elder Flowers,* with others, producing the most infallible remedy for the restoration of health ever known. It is nature's own remedy, curing diseases by natural laws. When taken, its influence is felt coursing through every vein of the body, purifying and accelerating the circulation of the blood. It neutralizes any bilious matter in the stomach, and strengthens the whole organization.

M'LEAN'S STRENGTHENING CORDIAL
Will effectually cure
Liver Complaint, Dyspepsia, Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all Diseases arising from a Disordered Liver or Stomach, Dyspepsia,

Heartburn, Inward Piles, Acidity or Sickness of the Stomach, Fullness of Blood to the Head, Dull Pain or Swimming in the Head, Palpitation of the Heart, Dullness or Weight in the Stomach, Sour Eructations, Choking or Suffocating Feeling when lying down, Dryness or Yellowness of the Skin and Eyes, Night Sweats, Inward Fevers, Pain in the small of the Back, Chest or Side, Sudden Flushes of Heat, Depression of Spirits, Frightful Dreams, Languor, Despondency or any Nervous Disease, Sores or Blotches on the Skin, and Fever and Ague (or Chills and Fever). It will also cure diseases of the Bladder and Womb, such as Seminal Weakness, Incontinence of Urine, Strangury, Inflammation or Weakness of the Womb or Bladder, Whites, &c.

THERE IS NO MISTAKE ABOUT IT.

This Cordial will never fail to cure any of the above diseases, if taken as per directions on each bottle, in German, English and French.

OVER A MILLION BOTTLES

Have been sold during the last six months, and in no instance has it failed in giving entire satisfaction. Who, then will suffer from weakness or debility, when McLean's Strengthening Cordial will cure you?

TO THE LADIES:

Do you wish to be healthy and strong? Then go at once and get some of McLean's Cordial. It will strengthen and invigorate your whole system, causing a healthy and pure circulation of blood to flow through every vein, and the rich, rosy bloom of health to mount to your cheek again. Every bottle is warranted to give satisfaction.

FOR CHILDREN.

We say to parents, if your children are sickly, puny, or afflicted with complaints prevalent among children, give them a small quantity of McLean's Cordial, and it will make them healthy, fat, and robust. Delay not a moment, try it, and you will be convinced.

IT IS DELICIOUS TO TAKE.

CAUTION.—Beware of druggists or dealers who may try to palm upon you some Bitter or Sarsaparilla trash, which they can buy cheap, by saying it is just as good. Avoid such men. Ask for McLean's Strengthening Cordial, and take nothing else. It is the only remedy that will purify the blood thoroughly, and at the same time strengthen the system.

One tablespoonful taken every morning fasting, is a certain preventive for Cholera, Chills and Fever, Yellow Fever, or any prevalent disease. It is put up in large bottles.
Price only $1 per bottle, or 6 bottles for $5.

THE
PERUVIAN SYRUP,
OR PROTECTED
Solution of Protoxide of Iron
COMBINED.

THIS PREPARATION DIFFERS FROM all others, being an unchangeable protoxide of iron, attained by a combination never before known.
For Indigestion, Torpid Liver, Dropsies, Boils, all forms of disease caused by impoverishment of the blood, general debility, and especially the diseases peculiar to females, it has been found extremely efficacious.
Pamphlets, giving a full description of the remedy and the remarkable cures it has effected, may be obtained of the agents.

[Certificate of Dr. Hayes.]

It is well known that the medicinal effect of Protoxide of Iron is lost even by a brief exposure to air, and that to maintain a solution of Protoxide of Iron without further oxidation, has been deemed impossible.
In the Peruvian Syrup, this desirable point has been attained by *combination in a way before unknown;* and this solution may replace all the pro-carbonates, citrates and tartrates of the Materia Medica.
It is also eminently adapted to take the place of any Protoxide of Iron, which physicians have need in scurvy or scorbutic attacks, and to meet such cases the Syrup should be found in the medicine chest of every ship.
A. A. HAYES, M. D.,
Assayist to the State of Massachusetts.
16 Boylston street.

A CARD.

The undersigned having experienced the beneficial effects of the "Peruvian Syrup" do not hesitate to recommend it to the attention of the public.
From our own experience, as well as from the testimony of others, whose intelligence and integrity are altogether unquestionable, we have no doubt of its efficacy in cases of Incipient Diseases of the Lungs and Bronchial Passages, Dyspepsia, Liver Complaint, Dropsy, Neuralgia, etc. Indeed its effects would be incredible but from the high character of those who witnessed them, and have volunteered their testimony, as we do ours, to its restorative power.

MOTHERS

Thousands are daily speaking in the praise of
DR. EATON'S
INFANTILE CORDIAL,
and why? because it *never fails to afford instantaneous relief* when given in time. It acts as if by magic, and one *trial alone* will convince you that what we say is true. It contains
NO PARAGORIC OR OPIATE
of any kind, and therefore relieves by *removing the sufferings* of your child, instead of by *deadening its sensibilities.* For this reason, it commends itself as the only *reliable* preparation now known for CHILDREN TEETHING, DIARRHŒA, DYSENTERY, GRIPING IN THE BOWELS, ACIDITY OF THE STOMACH, WIND, COLD IN THE HEAD, and CROUP, also, for *softening the gums, reducing inflammation, regulating the Bowels, and relieving pain,* it has no equal—being an *anti-spasmodic* it is used with unfailing success in all cases of CONVULSION OR OTHER FITS. *As you value the life and health of your children, and wish to save them from those sad and blighting consequences which are certain to result from the use of narcotics of which other remedies for Infantile Complaints are composed, take none but* DR. EATON'S INFANTILE CORDIAL, this you can rely upon. It is perfectly harmless, and cannot injure the most delicate infant. Price, 25 cents. Full directions accompany each bottle.—Prepared only by

BLOOD FOOD

Healthy human Blood upon being
ANALYZED
always presents us with the same essential elements, and gives of course the TRUE STANDARD. Analyze the Blood of a Person suffering from Consumption, Liver Complaint, Dyspepsia, Scrofula, &c., and we find in *every instance* certain *deficiencies* in the red globules of Blood. *Supply* these deficiencies, and you are made well. The BLOOD FOOD is founded upon this Theory—hence its astonishing success—There are

FIVE PREPARATIONS

adapted to the deficiencies of the Blood in different diseases. For COUGHS, COLDS, BRONCHITIS, or any affection whatever of the THROAT or LUNGS including CONSUMPTION, use No. 1, which is also the No. for DEPRESSION OF SPIRITS, LOSS OF APPETITE, and for all CHRONIC COMPLAINTS arising from OVER-USE, GENERAL DEBILITY, and NERVOUS PROSTRATION. No. 2 for LIVER COMPLAINTS. No. 3 for DYSPEPSIA. *Being already prepared for absorption* it is TAKEN BY DROPS and carried immediately into the circulation, so that what you gain you *retain*. The No. 4 is for FEMALE IRREGULARITIES, HYSTERIA, WEAKNESSES, &c. See special directions for this. For SALT RHEUM, ERUPTIONS, SCROFULOUS, KIDNEY and BLADDER COMPLAINTS, take No. 5. In all cases the directions must be strictly followed.—Price of the BLOOD FOOD $1 per bottle.
