Brown's Essence of Jamaica Ginger.

Prepared only by Frederick Brown, at his Drug and Chemical Store, north east corner Fifth and Chesnut streets, Philada.

THE Essence is a preparation of unusual excellence and of varied properties. In all cases where a powerful and safe stimulant is required, it is unrivalled for efficacy as well as immediate action. To the traveller and to the family circle it is invaluable, as a few drops diluted in sugar and water present a safe and agreeable remedy to the invalid who requires immediate relief, as well as to the convalescing patient who needs a gentle tonic. In a Southern climate, where the relaxation of the system so generally induces thirst for stimulants, it will always be found an excellent substitute for those tempting beverages which debilitate the stomach and cause a morbid condition of its powers. In dyspepsia, in relaxation of the bowels, in nausea and sea-sickness, it is an active and safe as well as a pleasant and refreshing remedy, and is prescribed by the most eminent of the medical faculty.

A supply of the above received and for sale by J. GISH & CO. Lancaster, J. M. LUTZ Harrisburg, and by Druggists generally.

SAND'S SARSAPARILLA

IN QUART BOTTLES,

FOR PURIFYING THE BLOOD, AND FOR THE CURE OF

SCROFULA,	MERCURIAL DISEASES,
RHEUMATISM,	CUTANEOUS ERUPTIONS,
STUBBORN ULCERS,	LIVER COMPLAINT,
DYSPEPSIA,	BRONCHITIS,
SALT RHEUM,	CONSUMPTION,
FEVER SORES,	FEMALE COMPLAINTS,
ERYSYPELAS,	LOSS OF APPETITE,
PIMPLES, BILES,	GENERAL DEBILITY, &c.

THE PROPRIETORS, have spent much time in bringing this preparation of SARSAPARILLA to its present state of perfection; and the experience of fourteen years has furnished them the most ample opportunity to study, in their various forms, the diseases for which it is recommended, and to adapt it exactly to their relief and cure.—Patients who wish a REALLY GOOD Medicine are invited to give it a trial, and satisfy themselves of its superiority, and the invaluable property it possesses of arresting and curing disease. The bottle has been enlarged to hold ONE QUART, and in its present improved form may safely claim to be the BE-T and CHEAPEST medicine of the age. Its progress to the fame it has attained may be traced by a long line of facts and cures, that stand as landmarks and beacons for the invalid, pointing the way to the haven of health, and what it has already done for the thousands who have used it, it is capable of doing for the millions still suffering and struggling with disease. It purifies, cleanses, and strengthens the fountain springs of life, and infuses new vigor throughout the whole animal frame.

REMARKABLE CURE OF BRONCHITIS.

NEW YORK, Feb. 17, 1848.

Messrs. Sands:—Having suffered many years with a disease of my throat, affecting the larynx during which time I was treated by the most distinguished physicians in Europe and the United States, without receiving any permanent benefit, but all the time my general health and strength declining, and the disease making fearful progress: caustic applications were used, and whatever else was thought most efficient for producing a cure; but I am confident the deplorable situation I was in, the larynx being accompanied with phthisis and great difficulty in breathing, would soon have terminated my life, had I not obtained relief through the medium of your Sarsaparilla. I must say, gentlemen, when I commenced using the Sarsaparilla I did not place much confidence in its virtues; and this will not surprise you, when you are informed I had tried more than fifty different remedies during the past four years without any success; but after taking your Sarsaparilla a few weeks, I was obliged at last to yield to evidence. This marvelous specific has not only relieved, but cured me; and I therefore think it my duty, gentlemen, for the benefit of suffering humanity, to give you this attestation of my cure. Yours, very truly,

D. PARENT.

Consulate of France in the United States.

The above statement and signature were acknowledged in our presence by Mr. D. Parent as true. For the Consul General of France,
L. BORG, Vice Consul.

New York, Feb. 17, 1848.

The following testimony from Rev. Jno. Grigg, late Rector of the Church of the Crucifixion in this city, commends itself to the attention of the afflicted. Numerous certificates of the cure of various diseases effected by this medicine are almost daily received.—

Messrs. Sands: A member of my family has taken your valuable Sarsaparilla for a severe scrofulous affection, &c. with the most beneficial effect resulting from its use. It gives me very great pleasure to record my testimony in behalf of its virtue and efficacy, hoping that others may be induced to make a trial of it. JNO. GRIGG.

New York, May 10, 1848.

LIVER COMPLAINT.

The following is an extract from a letter from Rev. William Galusha:

BERKSHIRE, Vt., Oct. 22, 1848.

Messrs. Sands: I have been afflicted with a severe pain in my side, occasioned by a diseased liver, for the last twenty years, suffering at times what language cannot convey; but since taking your Sarsaparilla, I have been greatly relieved, so much so that I have been able to attend to my business, and preach occasionally, for the last eighteen mo. I wholly discarded all other medicine, and thoroughly tried the Sarsaparilla, which I can recommend in truth and sincerity to all those who are in any way afflicted with any species of scrofulous complaints. There have been some remarkable cures effected by its use in this vicinity. Mrs. I. Shaw, by the use of six bottles, was restored to better health than she had before enjoyed for ten years; and W. Stevens, who had been severely afflicted with erysipelas, was entirely cured by the use of a few bottles. Yours truly,

WM. GALUSHA.

SCROFULOUS AFFECTION OF THE EYES.

SOUTH KINGSTON, R. I., Oct. 11, 1847.

Messrs. Sands: Gentlemen—My little daughter when one year old, was attacked with a scrofulous humor on her face, which soon after extended into her eyes, causing almost total blindness in one of them, and disfiguring her whole face. I employed two physicians to attend her, who exhausted their utmost skill to give her relief, but it all proved useless, and finally some one remarked to me that he had known of some striking cures effected by Sand's Sarsaparilla, and advised me to try it. I obtained one bottle, which she commenced using, and before it was all used up it had effected an entire cure. It is now over four years since she was cured, and there has been no reappearance of the disease, and we are satisfied that it is a perfect cure. It gives me great pleasure to add this I can recommend it to any sufferer from any similar complaint. Respectfully yours, GEO. ROBINSON.

Prepared and sold, Wholesale and retail, by A. B. & D. SANDS, Druggists and Chemists, 100 Fulton street, corner of William, New York. Sold also by Druggists generally throughout the United States and Canadas. Price $1 per Bottle; six Bottles for $5.

QUICK SALES! SMALL PROFITS!

FOR THE SAKE OF THE UNION!

THE American Eagle soars triumphantly over all Disunionists at Markley's EAGLE GROCERY AND CONFECTIONARY STORE, No. 15 West King street,

SIGN OF THE "BALD EAGLE."

The Eagle proudly soars above,
And wings its fearless way,
And gathers to its well filled nest
New food from day to day.

It gathers from the sunny climes—
From far, far distant shores,
From rocks that perch above the sea
'Gainst which the waters roar.

It cares not for the LARGER birds,
And SMALLER ones far less,
But strives to gain its victory
By LIBERTY or DEATH!

Then, oh, good livers of the earth,
'T will all be for the best,
For you to call at MARKLEY'S store,
For that's the EAGLE'S NEST!

The proprietor of the "Great Eagle Grocery and Confectionary," respectfully calls the attention of his friends and the public to his Fresh Stock of Groceries and Queensware that he has just received from the Philadelphia and New York markets. It is his intent on to use his utmost endeavors to please the most fastidious in every article in his line.

His experience in said business in Philadelphia, gives him great advantages in his purchases, as they are received from FIRST HANDS, thereby affording him the opportunity to sell at Philadelphia prices.

He takes this opportunity of returning his most sincere thanks to the Public for the very liberal encouragement he has received since his opening, and trusts he will continue to merit a continuation of the same.

Call and see me if you will,
I am sure I'll sell you a bill.

Valuable Lands for Sale.

A gentleman in Virginia offers for sale a very desirable tract of Land lying in the county of Greenbrier, west of the Allegheny mountains. It contains about

Twenty-Two Hundred Acres;

—seventeen hundred of which are rich alluvial bottom,—not surpassed in fertility by any in the Union. Some three or four hundred acres of the bottom, and about two hundred acres of the upland are open for cultivation. The uncleared portion of bottom land is covered with a forest of

SHELL BARK, HICKORY, MAPLE, BUCKEYE, OAK AND ASH

The tract lies immediately on the Great Kanawha Turnpike, within a short distance of the celebrated Virginia Springs; and the central improvement of the State, now in the course of construction, will either pass through or near it. It is confidently believed that salt water may be obtained on it—and bituminous coal is abundant.

The tract might be advantageously divided into four or more parts; and in the hands of industrious Pennsylvania Farmers and Graziers, would, in a few years, readily command from $30 to $40 per acre. There are few or no slaves in this section of the State, and free labor is readily obtained.

The owner, living in a distant part of the State, will sell the tract for FIFTEEN DOLLARS PER ACRE;—one fourth cash—the balance in three equal annual instalments.

For further particulars inquire at this office.
