MONDAY MORNING, APRIL 1.

Virginia to the North.

(From the New York Commercial Advertiser.)

The probable sovereign Old Dominion
To northern States her frank opinion:

FIRST.
ADVANCE a FIDDLE! [illegible]
The signal for our prompt dispersion.

SECOND.
WAIT, till I make my full decision,
Be it for Union or division.

THIRD.
If I declare my ultimatum,
Accept my terms, as I shall state 'em.

FOURTH.
THEN, I'll remain, while I'm inclined to,
Seceding when I have a mind to.

Mr. Gregory, M. P., and the Southern Confederacy.

The Pro-Slavery journals of the North, in the absence of any more substantial aid and comfort, are deriving great satisfaction from a declaration in the British House of Commons recently made by a Mr. Gregory, "that at so early day he would call the attention of her Majesty's Government to the expediency of a prompt recognition of the Southern Confederacy of America." It is not a little strange that the party which has always prided itself on being the anti-British party should now be so exultant over the prospect that the British Government will lend countenance and assistance to the enemies of the Union. Nevertheless we are compelled to deprive them even of that questionable gratification, by stating what is well known to all conversant with English affairs, that Mr. Gregory is only an Irish member of very low reputation and no influence, who recently visited this country, where he consorted chiefly with slaveholders and Pro-Slavery Northerners, and that his motion is of no more consequence than a speech in the Senate by Wigfall, or a resolution in the House of Representatives by Roger Pryor.—*N. Y. Trib.*

The Demolitionists of Virginia.

The Washington *Star* says:

The most dangerous enemies of the maintenance of Slavery in Virginia are her own disunion press and orators. If they succeed in either coaxing or bullying the people of the State into giving up their liberties enjoyed under the Constitution of the United States, and in lieu thereof bending their necks to the yoke of the oligarchy's despotism, they surely bring the Canada line down to Pennsylvania's southern border, so far as future security for Virginia slave property is concerned.

They induce Virginia to relinquish the existing constitutional guarantee for the return of fugitive slaves; releasing Pennsylvania voluntarily and wholly from its obligation upon her. They make almost every man in Pennsylvania the bitter and active enemy of slavery, because by the secession of Virginia nominally for slavery's benefit, they will have increased ten fold the business difficulties and financial trouble which Pennsylvania has already incurred through the secession of the Gulf States.

CLEANING GRANARIES.—A good farmer will never fill his bins with new threshed grain, without first having given them a thorough cleansing. In order to do this we would recommend using either of the following modes:—Having formed a bed of sand upon the granary floor, place earthen vessels of powdered brimstone upon it, to which set fire, after having closed the doors and crevices, if there be any. This fumigation, it is said, will prevent the existence of the weevil or other insects in the grain. Or, first sweep the ceiling and sides of the granary, and lastly the floor. Carry out the dust, being sure to burn it. Then wash all the interior of the granary with a strong lye mixture, and when done finish by giving the whole a good coat of whitewash.

SALT FOR STOCK.—Experience proves that when cattle or horses are fed on dry corn and hay, they will consume from two to three ounces of salt per day, if permitted free access to it; and if fed on new hay or grass the desire for salt is much increased and the consumption amounts to from six to seven ounces a day. Little things are what keeps the ball rolling. Give the cattle salt.

ANOTHER CURE BY DR. SCHENCK.—I called on Dr. Schenck some time ago in one of his visits to Pittsburgh, at the office of Dr. Keyser, No. 140 Wood st. He was examining patients with lung disease. One of my lungs and the bronchial tubes were found to be badly diseased. Oftentimes when I coughed I expectorated blood and matter in large quantities. I had night sweats and a great cough, and was greatly debilitated. Dr. Schenck prescribed for me his "PULMONIC SYRUP," "SEAWEED TONIC" and "MANDRAKE PILLS" and after taking them two months I have so far recovered that I do not feel any more blood or matter, and the cough has nearly left me. I live in Columbiana county, Unity township, Ohio, where I am well known. You may publish this if you wish.

MARTIN KOCH.

Pittsburgh, August 27, 1860.

N. B. Since the above was written, Mr. Koch has entirely recovered, and continues well, having regained his usual health.

I, WILLIAM W. ALEXANDER, residing on Ann street, Allegheny city, do hereby certify that I have been a sufferer from severe cough and pain in the breast for about eight years. During the whole of this time I have had general debility and depression of spirits. I tried every nostrum I could hear of, but nothing took hold of my disease. I heard of Doctor Schenck's "PULMONIC SYRUP," ... In April, 1859, I took a severe cold, accompanied with a violent cough, difficulty of respiration, and night sweats, which so prostrated me that I was confined to my room ... [illegible] ... Miscellaneous.

A Card to the Public.

THE amount of bodily and mental misery arising from a neglect of small complaints is incalculable, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailments should be had; for diseases of the body invariably affect the mind. DR. MOFFAT'S VEGETABLE LIFE MEDICINES, in every instance where they have been thoroughly used, have TRIUMPHED OVER DISEASE in almost all its diversified forms. The salutary effects of the Life Medicines have, in fact, been so universally experienced, that they have become fully established as the most easy, safe and perfect mode of treatment ever offered to the public.

THESE MEDICINES

Have now been before the public for a period of 30 YEARS, and during that time have maintained a HIGH CHARACTER in almost EVERY PART OF THE GLOBE for the extraordinary curative properties which they possess.

IN MANY THOUSANDS

of certified instances, they have even RESCUED SUFFERERS from the very VERGE OF AN UNTIMELY GRAVE, after all the deceptive nostrums of the day have invariably FAILED. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and enduing them with renewed tone and vigor, that they were indebted for their name.

MOFFAT'S LIFE PILLS!!!

Are composed of VEGETABLE INGREDIENTS EXCLUSIVELY, as can be ascertained by CHEMICAL TESTS. Their prominent qualities are those of an active and searching, though perfectly mild and agreeable detergent aperient; of a gentle soporific, promoting the insensible perspiration; of a pleasant diuretic, invigorating the kidneys and bladder; and of a delightful tonic cardiac, exciting appetite by the demands of active digestion, and cheering the mind with that grateful sense of renovated health which is one of the most felicitous feelings of our nature.

THE PHŒNIX BITTERS!!!

So denominated from their astonishing power of creating new life and strength, as it were from the very ashes of the most dilapidated constitutions—are more strongly tonic and more immediately invigorating than the Pills: containing the same choice vegetable extracts as the latter, to a different medication. Although really less cathartic than the LIFE PILLS, they nevertheless begin to cleanse the alimentary canal much sooner, generally slightly operating within three or four hours, and producing a decided sense of relief to the Head and Stomach, and exhilarating the Mind, even in less time than this.

MOFFAT'S LIFE PILLS!!!

In Affections of the Head, Sick Headache or Nervous Headache, these Pills will be found to possess the most salutary efficacy.

MOFFAT'S PHŒNIX BITTERS!!!

Have been happily used for the cure of FEVER AND AGUE, with INVARIABLE SUCCESS!

BILIOUS COMPLAINTS, AND A MODE OF CURE!!!

A well-regulated and proportionate quantity of bile upon the stomach is always requisite for the promotion of sound health—it stimulates digestion and keeps the intestinal canal free from all obstructions. When there is a deficiency of bile, the body is constantly costive. On the other hand, an overabundance of bile causes frequent nausea in the stomach, and often promotes very severe attacks of disease, which sometimes end in death.

Dr. Moffat's Life Medicines!!!

Should be taken in the EARLY STAGES of Bilious complaints and, if persevered in strictly according to directions, will POSITIVELY EFFECT A CURE!

PILES! PILES! PILES!

As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well known to hundreds in this city that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of *thirty-five years*; and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica*. He however at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

MOFFAT'S

Life Pills and Phœnix Bitters!!!

CURE DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the stale and acrid kind; FLATULENCY, Loss of APPETITE, HEARTBURN, HEADACHE, RESTLESSNESS, ILL TEMPER, ANXIETY, LANGUOR, and MELANCHOLY, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

THE LIFE MEDICINES!

For BILIOUS AND LIVER COMPLAINTS, with their many well known attendants, *Bilious and Scarlet Fevers, Pains and Oppression after Meals, Giddiness, Drowsiness, Heartburn, Loss of Appetite*, are acknowledged to be vastly superior to anything ever before offered to the public.

MERCURIAL DISEASES.

Persons whose constitutions have become impaired by the injudicious use of MERCURY, will find these medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.

SCROFULA!

The most horrible cases of *Scrofula*, in which the Face, Bones and Limbs of the victim had been preyed upon by that insatiable disease, are proved by undeniable authority to have been completely cured by these purely Vegetable Medicines, after all others had been found worse than useless.

Acute or Inflammatory Rheumatism!

ARTHROSIA CHRONICA, OR CHRONIC RHEUMATISM!!

These diseases, which are among the most painful, and, by ignorant treatment, the most inveterate to which suffering humanity is liable, are CURED, speedily and permanently cured, by a proper course of the LIFE PILLS and PHŒNIX BITTERS.

MOFFAT'S PILLS AND BITTERS!!!

But it is unnecessary to enumerate the many cases in which these purely vegetable medicines have been successful, but let us inquire, Why are they so UNIVERSAL in their happy effects?

Because they PURIFY THE BLOOD, and thus remove all causes of disease in the system.

Because they act powerfully upon the secretions of the body, and remove all impurities at once.

Because they do not reduce the system, but invigorate it —thus requiring no restraint from pleasure or business during their operation.

TRY MY MEDICINES!!!

Try but a Single Dose of the

LIFE PILLS!!

TRY THEM! BE SATISFIED!! BE CURED!!!

PROF. WOOD'S

Restorative Cordial

AND

BLOOD RENOVATOR

CORDIAL AND BLOOD RENOVATOR.

IS PRECISELY WHAT ITS NAME INDICATES —for while pleasant to the taste, it is revivifying, exhilarating and strengthening to the vital powers. It also revivifies, reinstates and renews the blood in all its original purity, and thus restores and renders the system invulnerable to attacks of disease. It is the only preparation ever offered to the world in a popular form so as to be within the reach of all. So chemically and skillfully combined as to be the most powerful tonic, and yet so perfectly adapted as to act in *perfect accordance with the laws of Nature*, and *hence soothe the weakest stomach*, and tone up the digestive organs, and allay all nervous and other irritation. It is also perfectly exhilarating in its effects, and yet it is never followed by lassitude or depression of spirits. It is composed entirely of vegetables and those thoroughly combining powerful tonic and soothing properties, and consequently can never injure. Such a remedy has long been felt to be a desideratum in the medical world, both by the thoroughly skilled in medical science and also by all who have suffered from debility; for it needs no medical skill or knowledge even to see that debility follows all attacks of disease and lays the unguarded system open to the attacks of many of the most dangerous to which poor humanity is constantly liable. Such, for example, as the following: consumption, bronchitis, indigestion, dyspepsia, loss of appetite, faintness, nervous irritability, neuralgia, palpitation of the heart, melancholy, hypochondria, night sweats, languor, giddiness, and all that class of cases so fearfully fatal if unattended to in time, called female's weakness or irregularities. Also, liver derangements or torpidity, and liver complaints, diseases of the kidneys, scalding or incontinence of the urine, or any general derangement of the urinary organs, pain in the back, side and between the shoulders, predisposition to slight colds, hacking and continued cough, emaciation, difficulty of breathing, and indeed we might enumerate many more still, but we have space only to say, it will not only cure the debility following chills and fevers, but prevent all attacks arising from miasmatic influences, and cure the disease at once, if already attacked. And as it acts directly and persistently upon the biliary system, arousing the liver to action, promoting, in fact, all the excretions and secretions of the system, it will infallibly prevent any deleterious consequences following upon change of climate and water; hence, all travelers should have a bottle with them, and all should take a table spoonful at least before eating. As it prevents costiveness, strengthens the digestive organs, it should be in the hands of all persons of sedentary habits, students, ministers, literary men. And all ladies not accustomed to much out-door exercise should always use it. If they will, they will find an agreeable, pleasant and efficient remedy against those ills which rob them of their beauty—for beauty cannot exist without health, and health cannot exist while the above irregularities continue. Then, again, the Cordial is a perfect mother's relief. Taken a month or two before the final trial, she will pass the dreadful period with perfect ease and safety. There is no mistake about it, this Cordial is all we claim for it. Mothers, try it! And to you we appeal to detect the illness or decline not only of your daughters before it is too late, but also your sons and husbands; for while the former, from false delicacy, often go down to premature graves, rather than let their condition be known in time, the latter are often so mixed up with the excitement of business, that if it were not for you, they too would travel in the same downward path, until too late to arrest their fatal fall. But the mother is always vigilant, and to you we confidently appeal, for we are sure your never-failing affection will unerringly point you to Prof. Wood's Restorative Cordial and Blood Renovator as the remedy which should be always on hand in time of need.

O. J. WOOD, Proprietor, 444 Broadway, New York; 114 Market street, St. Louis, Mo.; and sold by all good Druggists. Price One Dollar per bottle.

Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual *Alterative* that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

PREPARED BY

DR. J. C. AYER & CO.

LOWELL, MASS.

Price, $1 per Bottle; Six Bottles for $5.

Ayer's Cherry Pectoral

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

Ayer's Cathartic Pills,

FOR THE CURE OF

Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Erysipelas, Headache, Piles, Rheumatism, Eruptions and Skin Diseases, Liver Complaint, Dropsy, Tetter, Tumors and Salt Rheum, Worms, Gout, Neuralgia, as a Dinner Pill, and for Purifying the Blood.

They are sugar-coated, so that the most sensitive can take them pleasantly, and they are the best aperient in the world for all the purposes of a family physic.

Price 25 cents per Box; Five boxes for $1.00.

Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled usefulness of these remedies, but our space here will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAC in which they are given; with also full descriptions of the above complaints, and the treatment that should be followed for their cure.

Do not be put off by unprincipled dealers with other preparations they make more profit on. Demand AYER'S, and take no others. The sick want the best aid there is for them, and they should have it.

HENRY R. COSTAR.—All the summer I have been troubled with Roaches and Mice. I was actually ashamed of the house, for the Roaches were everywhere. I purchased a box of your Exterminator and tried it, and in one week there was not a Roach or Mouse in the house. JOHN B. GIVENS, No. 84 Elm Street.

HOUSEKEEPERS—troubled with vermin, need be so no longer, if they use "COSTAR'S" Exterminators.—We have used it to our satisfaction, and if a box cost $5, we would have it. We had tried poisons, but they effected nothing; but Costar's article knocks the breath out of Rats, Mice and Bedbugs, quicker than we can write it. It is in great demand all over the country.—*Medina (O.) Gazette.*

MORE GRAIN and provisions are destroyed annually in Grant county by vermin, than would pay for tons of this Rat and Insect Killer.—*Lancaster, (Wis.) Herald.*

HENRY R. COSTAR—Your Exterminator is received, and we have commenced a decided success. We used a box of it, and the way the Rats and Mice around our premises "raised Ned" that night was a caution to sleepers. Since then not a Rat or Mouse has been heard in kitchen or cellar.—*Messenger (Iowa)* 2 times.

BLOOD FOOD

The attention of Invalids, Physicians, Clergymen, Scientific Men, and the Public generally, is respectfully solicited to the merits of this chemical preparation, containing **Iron, Sulphur and Phosphorus**, and which is identical in its composition with the *Hematic Globule*, or *red blood*. In all diseases accompanied with

DEBILITY,

pale countenance and nervous derangement, analyses of the blood show a deficiency of the red globules. Bodily complexion and a rosy tint of the skin, is always indicative of health; while a pale, wax-like skin and countenance —which evinces a deficiency of the red globules—accompanies a diseased organism. Preparations of **Iron** have been given for the purpose of supplying the red globules, but we contend that **Iron** alone, **Sulphur** alone, or **Phosphorus** alone, will not meet the deficiency in every case, but that a judicious combination of all these elements is necessary to restore the blood to its normal standard. This point, never before attained, has been reached in the **Blood Food**, and its discovery ranks as one of the most scientific and important of the age. Its effects in

CONSUMPTION

are to soften the cough, brace the nerves, strengthen the system, allay the prostrating night sweats, increase the physical and mental energy, enrich the blood by restoring the lacking red globules, increase the appetite, restore the color, and clothe the skeleton frame with flesh. The **Blood Food** will be found a specific in all **Chronic Diseases of the Throat or Lungs**, such as *Asthma, Bronchitis, Coughs, &c.* Public Speakers and Singers will find it of great utility in clearing and strengthening the vocal organs. In *Dyspepsia, Liver Complaint, Dropsy, Epilepsy, Paralysis, Scrofula, Gravel, St. Vitus' Dance, Fever and Ague, &c.*, its efficacy is marked and instantaneous. In no class of diseases, however, are the beneficial effects of this remedy so conspicuous as in those harassing

FEMALE COMPLAINTS

to which the gentler sex are liable, and which tend towards Consumption, such as *Suppressed or Difficult Menstruation, Green Sickness, Whites, &c.*, especially when these complaints are accompanied with paleness, a dingy hue or pallor of the skin, depression of spirits, debility, palpitation, want of appetite, and nervous prostration. We have the utmost confidence in recommending the **Blood Food** to all who may be conscious of a loss of vitality or energy, and to those whose mental or bodily powers are prostrated through over-use, either of the mind or body, and we deem it our duty to say that in all cases of Weakness and Emaciation, and in all diseases of the *Kidneys* or *Bladder*, this preparation has a claim upon the attention of sufferers which cannot be over-estimated. A faithful trial will be found the most convincing proof in regard to its efficacy that could be asked for. With the above remarks, and with the numerous testimonials we have in its favor, we offer the

BLOOD FOOD

to the consideration of the afflicted, knowing that it will be acknowledged as pre-eminent over all other preparations, patent or officinal, in point of usefulness. Circulars giving the Theory upon which this remedy is founded, also certificates of remarkable cures, will be sent free when desired. We forward the **Blood Food** to any part of the United States or Canada, upon receipt of price—$1 per bottle, $5 for six bottles. Be careful in all cases to take none but that having our facsimile signature upon the wrapper. None other is genuine. Prepared only by
