THE GLOBE:

THE OFFICIAL PAPER OF CONGRESS.

I PUBLISH now my annual Prospectus of THE DAILY GLOBE, and THE CONGRESSIONAL GLOBE AND APPENDIX, to remind subscribers, and inform those who may desire to subscribe, that Congress will meet on the first Monday of next December, when I shall recommence publishing the above named papers. They have been published so long, that most public men know their character, and therefore I deem it needless to give a minute account of the kind of matter they will contain

The Daily Globe will contain a report of the Debates in both branches of Congress as taken down by reporters equal, at least, to any corps of short-hand writers in this, or in any other country A majority of them will, each, be able to report, *verbatim*, ten thousand words an hour, while the average number of words spoken by fluent speakers rarely exceeds seven thousand five hundred words an hour. When the debates of a day do not make more than forty columns, they shall appear in the Daily Globe of the next morning, which will contain, also, the news of the day, together with such editorial articles as may be suggested by passing events.

It is also my intention, from time to time, as occasion may require, to publish my reminiscences of the public men with whom I have been associated during the last twenty-eight years Anecdotes of General Jackson, and the leaders of the party which he conducted, and the leading men of other parties, will, I believe, be interesting now when partisan bitterness has abated

In becoming the reporter of the debates of Congress I deemed it proper to say that the Globe would never be a partisan paper. This pledge will not be forfeited by introducing as a contribution to history the political traits of character which distinguished the public men of my time Although I am, and intend to remain, a thorough Democrat I will never obtrude my principles in a way to make them obnoxious to any party But in regard to persons and events which go to make up history, I hope to make the Globe an honest memoir, and with that view I am resolved to speak independently of all parties.

The Congressional Globe and Appendix will contain a report of all the Debates in Congress, revised by the speakers, the Messages of the Presidents of the United States, the Annual Reports of the heads of the Executive Departments, the Laws passed during the session, and copious indexes to all They will be printed on a double royal sheet, in book form royal quarto size, each number containing sixteen pages The whole will make, it is believed, between 3 800 and 3,900 pages, as the long sessions for many years have ranged between those numbers, and the next session will be what is termed a "long one." This I believe is the cheapest work ever sold in any country, whether a reprint or printed from manuscript copy, taking for *data* the average number of words of the long session since the year 1818 The average number of pages is 3 876 and the *average number of words* of a long session is 9 290,772 As I have sold to subscribers that number of words for *six dollars* it follows that they have paid *less than six and one half cents for every 100,000 words I have furnished them*, while I have paid my reporter $6 29 for every 2 877 *words, of this work he actually wrote* Has any other bookseller, anywhere, ever sold a book in the first instance, which, at was new, at so low a rate? I believe not, and so strong is my belief that I hereby agree to give to any person who shall prove the contrary, a complete set of the debates running back to the year 1838, making forty-three quarto volumes which sell for $5 a volume An act of Congress authorizes these papers to go by mail free of postage The next session will be without doubt, an unusually interesting one, as it will be the first under a new Administration and several complex questions must be discussed in it, for example, the currency, Kansas, revenue and other questions The Globe will be as heretofore the only source from which full debates can be obtained

TERMS:

For a copy of the Daily Globe one year,	$10 00
For a copy of the Daily Globe six months,	5,00
For a copy of the Daily Globe during the session,	5,00
For a copy of the Congressional Globe and Appendix, and the laws passed during the session	6 00

Bank notes, current in the section of the country where a subscriber resides, will be received at par. The whole or any part of a subscription may be remitted in postage stamps, which is preferable to any currency except gold or silver

A paper will not be sent unless the money accompanies the order for it.

I cannot afford to exchange with all the newspapers that desire the Globe; but I will send the Daily Globe during the session to all who shall publish this prospectus three times before the first Monday of next December Those who may publish should send their papers containing it to me marked with a pen, to direct attention

AMEDICINE THAT NEVER DEBILITATES

DR. SANFORD'S INVIGORATOR.

Or Liver Remedy,

HAS ALL THE GOOD QUALITIES OF a purgative medicine, answering the purposes of any Cathartic without the debilitating effects *experienced from most purgatives. It acts slowly* and gently, but surely, moving the bowels to carry off all the secreted matter, at the same time; stimu*lating the Liver to a proper performance of its* functions.

The Invigorator cures Sick Headache. Take one or two tablespoonful at each attack and it will soon *disappear For an overloaded stomach, or when* food rises or sours, take the Invigorator after eating, and *it will not prove disagreeable or oppressive.* For Heartburn, Palpitation, or Difficult *Breathing take a tea spoonful once or twice daily.* For Loss of Appetite, Languor or Listlessness, the medicine is invaluable. It will restore the appe*tite and make the food digest well* Nightmare, *a tea-spoonful on retiring, and the demons of nightmare will be all fairies* After eating a hearty dinner, take a dose of Invigorator and it will re*lieve all oppression of fullness* The Invigorator is a Liver Remedy of unequaled virtue, acting directly on that organ, curing Dyspepsia, Jaundice, *Bilious Attacks, Dysentery, Piles, Worms,* and all Female Obstructions, for which it has no equal

We know there is nothing now before the American public, prepared with such skill by a scientific man particularly for diseases of the Liver, as Dr Sanford's Invigorator, or Liver Remedy. It has attained a reputation second to no other article in the world, simply because it rests on its own merit To convince all by trial that it is all its proprietors *claim it to be*, if any of our readers are suffering from such diseases as are described in Dr Sanfords advertisement, we know of no remedy that will so surely cure them as the Invigorator

There has lately been brought to our notice a medicine that seems to possess wonderful, curative *and healing* properties in diseases of the Liver, Stomach and Digestive Organs. It seems to us with so many testimonials in its favor that we have *noted its effects in some of the worst cases of con*tinual debility, caused by deranged liver, and in every instance the effect was to relieve or give a permanent cure, Dr Sanford's Invigorator, or Liver Remedy is what we refer to. We always have been credulous about cures by patent medicines, but we are convinced that this medicine, for family use, is not over rated by the host of commendations it has Our advice is, for all troubled with Indigestion, Debility or Bowel Complaint, to get a bottle and try it, or word for it, relief will be experienced

BLESSINGS TO THE INVALIDS who use Dr Sanford's Invigorator for it will relieve them of their pains as soon as it is taken into their stomach Pain and misery cannot exist where the Invigorator is used, for it will as surely drive them away, as daylight will banish darkness of this there can be no doubt to those who try it, for it carries conviction with every dose taken Another evidence is the thousands of certificates from those who use it or have been cured by it Try one bottle, if it does not benefit, then we are mistaken
