COLUMBIA DEMOCRAT

SATURDAY MORNING, NOVEMBER 24, 1860

PLENTY of Turkeys in the country. They are, too, fat and plump. Thanksgiving day is near at hand, when there will be a panic in Turkeydom.

OUR subscribers, we trust, will make us liberal payments at the Court in December. We need scarcely remind our friends that our expenses are heavy and must be regularly discharged. We hope they will bear this in mind, and help our financial operations, as well also, as to send us in Oats, Corn, Turkeys, Produce, etc.

WOODEN SLATES.—A genius in Connecticut has taken out a patent for a wooden school slate made of several thicknesses of veneering glued together and covered on both sides with a coating of just the proper degree of roughness to receive the impression from the pencil. The particular recommendation is that they cannot be broken.

FOLLOWING A GOOD EXAMPLE.—The custom of appointing a Thanksgiving day belongs especially to this country, originating in New England, and only of later years existing in some of the Southern States. This year, however, the propriety of the custom is to be acknowledged by the Canadian authorities, who it is announced, will shortly issue a proclamation fixing "a day of National Thanksgiving for the abundant harvest and returning prosperity of the country."

"A LITTLE BUT OFTEN FILLS THE PURSE."—And to have the contents of the purse bear five per cent. interest, deposit in the Franklin Saving Fund, No. 136 South Fourth street, below Chestnut, Philadelphia. This old and reliable company invests only in the most reliable securities, and pays in gold, silver or notes, and never suspended. See advertisement in another column.

THE Williamsport *Daily Times*, in speaking of the Dome and a figure of justice surmounting it, which has been placed on the Court House tower at that place, says:

"The dome looks very well, but Miss Justice has the appearance of a badly scared woman in her night dress, and reminds one of the pictures of a runaway slave, sometimes seen in a Southern Advertisement."

HOME PAPER.—Stick to your home newspaper. No matter if you are poor, remember done are so poor as the ignorant, except it be the depraved, and they too often go together. Keep your home paper, though it may not be so large or imposing as some city weekly, but remember it is the advertiser of your neighborhood and daily business and tells you what is going on around you, instead of a thousand miles away. If it is not printed on as good paper as the city journals and as good as you wish to have it, pay the subscription promptly, and rely upon it that the natural pride of the publisher will prompt him to improve it as fast as possible.

PROCEEDINGS OF LAST THURSDAY EVENING'S MEETING IN THE ACADEMY.—Pursuant to a public call, a number of gentlemen met in the Academy on Thursday evening of the 15th inst., for the purpose of organizing a Literary Society in this place.

On motion, P. H. Freeze was elected Chairman. He briefly stated the objects of the meeting, and pointed out the necessity of an organization of this kind in Bloomsburg. C. B. Brockway was elected Secretary, by motion. The gentlemen then present expressed their views as to the *kind* of a Society needed here; and after a full discussion, it was resolved that one should be organized on the basis of the United States Senate, as far as practicable. To further on this resolution, the following gentlemen were appointed as a Committee to draw up a Constitution and By-Laws: P. John, J. G. Freeze, Wesley Wirt, E. H. Little, and C. B. Brockway. No further business being presented, the meeting adjourned to meet again on Friday evening, the 23d inst., at the Academy.

C. B. BROCKWAY, *Sec'y*

EXTRAORDINARY ACCIDENT.—*A Man Shot by a Dog.*—On the 13th inst., a fatal accident of a most extraordinary character occurred at Keynsham, near Bristol, when a young man, named John Hodges, was accidentally shot by his own dog. The deceased was in the employ of Mrs. Rudall, who keeps a large dairy, and on Saturday, the 13th inst., having fed the cows, he, in company with Robert Green, proceeded to ferret for rats. Hodges had a loaded gun with him, and after they had tried some of the hedges, he proceeded to a mow. The ferret went into the mow, and Hodges stood waiting for it with his loaded gun leaning against his person on the right side. In a short time the ferret returned with a large rat, upon seeing which, a large sheep dog which was on the ground began to jump about. In so doing he touched the gun, which immediately went off, and the entire charge passed through poor Hodge's neck below the jaw, divided the jugular vein and carotid artery, and then passed up into his brain. He fell immediately, and became a corpse. It is supposed that the dog's paw knocked back the hammer, and that in re-descending on the nipple it fired the percussion cap.

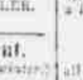
(*When they had drill and buried some time last winter.*)



DO you want a good, a very good new watch?
Do you want a cheap watch?
Have you a difficult job?
Do you want keys, leather guards, &c.?
Or a watch-glass that will stay in?
A Hunting Glass, Patent, Geneva,
Or common, or small, or large?
Did your watch get a fall?
A knock, a jerk or a fall?
If it is or isn't in splinters,
Who would give it a better "fix"?
Cylinder broke? verge or a spindle?
A jewel, a wheel, or a spring?
Heard a noise, a crack, or a humming,
As a bee with a vigorous wing?
Main spring broke, sure! or a pin,
"Down with all the bad watches."
"To make them is worse than a sin!"

POSTSCRIPT.

DEATH OF HON. HENRY STRONG.

PHILADELPHIA, Nov. 21.

Hon. Henry K. Strong, formerly a member of the Legislature, and Speaker of the House of Representatives, died at the St. Lawrence Hotel at 2 o'clock, p. m. to-day.

DEATH OF SIR CHARLES NAPIER.—The last foreign advices inform us of the death of Admiral Sir Charles Napier, having deceased on the 6th inst. He was before his demise the most distinguished of all the living English Naval officers.

BALTIMORE LOCK HOSPITAL.
DR. JOHNSTON,

THE founder of this Celebrated Institution, offers the most certain, speedy, and only effectual remedy in the world for effects for Gleets, Strictures, Seminal weakness, Pains in the Loins, Constitutional Debility, Impotency, Weakness of the Back and Limbs, Affections of the Kidneys, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Disease of the Head, Throat, Nose or Skin, and all those serious and melancholy Disorders arising from the destructive habits of Youth, which destroys both body and mind. These secret and solitary practices, are more fatal to their victims than the song of the Syrens to the mariners Ulysses, blighting their most brilliant hopes and anticipations, rendering marriage &c., impossible.

MARRIAGE.

Married persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. Johnston, and be restored to perfect health.

He who places himself under the care of Dr. Johnston, may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS

immediately cured and full vigor restored.

This disease is the penalty most frequently paid by those who have become the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived of the pleasure of healthy offsprings, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged; the physical and mental powers weakened, nervous debility, dyspepsia, palpitation of the heart, indigestion, a wasting of the Frame, Cough, Symptoms of Consumption, &c.

Office, No. 7 SOUTH FREDERICK STREET, seven doors from Baltimore street, East side, up the steps. Be particular in observing the NAME and NUMBER, or you will mistake the place.

A Cure Warranted, or no Charge Made, in from One to Two Days.

NO MERCURY OR NAUSEOUS DRUGS USED.
DR. JOHNSTON,

Member of the Royal College of Surgeons, at London.—Graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the first Hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

A CERTAIN DISEASE.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill timed sense of shame or dread of discovery, deters him from applying to those who from education and respectability can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the skin bones, and arms, blotches on the head, face and extremities, progressing with rapidity, till at last the palate of the mouth and bones of the nose fall in, and the victim of this disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to "that bourne from whence no traveller returns." To such, therefore, Dr. Johnston pledges himself to preserve the most inviolable secrecy, and from his extensive practice in the first Hospitals of Europe and America, he can confidently recommend safe and speedy cure to the unfortunate victim of this horrid disease.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by private and improper indulgences.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pain in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.—The fearful effects upon the mind are much to be dreaded. Loss of Memory, Confusion of Ideas, Depression of the Spirits, Evil Forebodings, Aversion of Society, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health. Loosing their vigor, becoming weak, pale and emaciated, having singular appearance about the eyes, cough and symptoms of Consumption.

DR. JOHNSTON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS.

By this great and important remedy, weakness of the organs are speedily cured, and full vigor restored.—Thousands of the most nervous and debilitated, who had lost all hope, have been immediately relieved. All impediments to Marriage, Physical and Mental Disqualification, Nervous Irritability, Tremblings and Weakness or exhaustion of the most fearful kind, speedily cured by Doctor Johnston.

YOUNG MEN.

Who have injured themselves by a certain practice, indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pitty that young man, the hope of his country, and the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons before contemplating

MARRIAGE

should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair & filled with the melancholy reflection that the happiness of another becomes blighted with our own.

OFFICE NO. 7 SOUTH FREDERICK ST., *Baltimore, Md.*
ALL SURGICAL OPERATIONS PERFORMED.

N. B.—Let no false modesty prevent you, but apply immediately either personally or by Letter.

SKIN DISEASES SPEEDILY CURED.
TO STRANGERS.

The many thousands cured at this institution within the last 15 years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the papers and many other persons, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

TAKE NOTICE.

N. B.—There are so many ignorant and worthless Quacks advertising themselves Physicians, ruining the health of the already afflicted, that Dr. Johnston deems it necessary to say, especially to those unacquainted with his reputation, that his credentials and diplomas always hang in his office.

TAKE NOTICE.—All letters must be post paid, and contain a postage stamp for the reply, or no answer will be sent.
