Our prices will be moderate compared to prices heretofore charged for fine Millinery.

DRY GOODS DEPARTMENT.

This is the name by which our establishment will be known. We are located in the room so long occupied by S. & A. Loeb.

ON APRIL 4, WE OPENED OUR DOORS FOR BUSINESS.

For the last three weeks we have had scores of mechanics busily at work getting our store room in presentable condition and later on we have been busy ourselves opening up and arranging our stock.

We are satisfied with the result of our efforts and trust the satisfaction will be mutual.

As a result of our work we are showing the *best*, the *tastiest* and *handsomest* stock of Dry Goods and Notions ever shown in Bellefonte.

We have paid particular attention to our "Dress Goods" department and have no doubt our efforts in this line will be appreciated. We have made a special feature of our "Black Dress Goods" and feel sure we can suit the most critical taste. All of our goods are bought for

——SPOT CASH——

and we know no one owns Dry Goods any cheaper than we do.

Never in the history of the Dry Goods trade, have goods been as cheap as they now are and we have taken advantage of every legitimate method we knew of, so as to give our patrons the benefit thereof. We will sell all our goods at a very moderate profit, but for "Cash Only."

There will be but "*One Price*" and that the very lowest to everybody. *All goods marked in plain figures.* A child can trade with us just as cheap as the most experienced shopper. We will sell our goods with a

CASH GUARANTEE

that they cannot be bought for any less any where's in the State.

Any article bought in our Dry Goods or Notion department that is not satisfactory can be *returned* (if in good order) within six days and the *money will be cheerfully refunded.*

We have organized a

MAIL ORDER DEPARTMENT

and orders will be filled the same day as received. Samples cheerfully sent on application.
