Erecting Monuments.

A Chester Countian Spending a Fortune in a Cemetery.

A West Chester dispatch to the Philadelphia *Press* says: Down in historic old Lafayette cemetery, on the heights of Brandywine battlefield, and a short distance from the spot where Gen. Lafayette fell wounded in battle, John G. Taylor, of West Chester, is industriously engaged in expending a fortune of about $100.000 in improving the grounds and in the erection of monuments. Mr. Taylor's avowed purpose is to spend his fortune on the grounds in which the bodies of his father, mother, sister, wife and child rest, so that there may be no quarrel over his estate after he, too, is numbered among the dead.

This morning, with no ceremony whatever, Mr. Taylor quietly unveiled his fourth monument. It is dedicated to the memory of Jesus Christ, and is the only one of the kind in the United States. The shaft is constructed of a glossy white enameled brick about fifteen feet in height. Extending from the center to the top is a niche with a background of brown enameled brick, and inside this a magnificent life-size figure of Christ in marble has been placed. The figure was cut in Carrara, Italy. Beneath the figure is the following inscription:

"God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life.—3rd Chapter St. John, 16th Verse.

"There is no death. Our dear immortal spirit's ever near us, though unseen.

"John G. Taylor, May, 1900."

Near this statue Mr. Taylor has completed the base of a $25,000 monument commemorative of Gen. Lafayette, the French patriot and ally of America in the Revolutionary war. This monument will be nearly sixty feet in height, and will be the finest Lafayette monument in the world. Surmounting the shaft will be a figure of Lafayette in military attire. It will face Osborne mill, where the British planted their cannon when the battle opened. The shaft will be of granite, 150 tons of which were used in building the foundations. This morning the cap to the base, weighing 8,150 pounds, was formally set in position.

Above this cap will be life-size busts of Count Pulaski, General St. Simons, General Rochambeau and Admiral De Grasse, all of whom were more or less identified with the Americans in their struggle for liberty.

Thirty feet distant from the Lafayette monument is the third shaft erected by Mr. Taylor—one dedicated to the memory of Colonel Isaac Taylor, his great-grandfather, who was an officer in the Continental arm under General Washington.

A fourth monument is dedicated to Taylor's deceased wife, Hannah Jane Parker Taylor, and is said to have cost $8,000. It is built of highly-polished granite, and in a large niche near the top is a life-size marble figure, cut from a photograph of Mr. Taylor's wife and delineating the character of Sorrow. The figure, like that of Christ, was cut in Carrara, Italy. Beneath it are the following odd lines:

Dear Jennie—
Ofttimes the flowers have come and gone,
Ofttimes the Winter winds have blown.
And I have learned to live alone.
But whether grave or whether gay
I hide thy memory in my heart.

"I hope we will all meet again, never to part. God knows best.—John G. Taylor, 1894."

Mr. Taylor is making arrangements for the erection of still another monument. Nor is this all. He states that, under his will, he has endowed the cemetery with a large farm at the junction of the branches of Brandywine creek, the revenues of which are to be applied forevermore in keeping the historic burial ground in first class condition. He has spent hundreds of dollars in building imposing stone gateways, repairing the greenstone walls and in otherwise improving the cemetery in a most commendable manner.

"I am often told that I am crazy," he remarked to the correspondent, "and occasionally I find a person who endeavors to dictate how I shall spend my fortune. They don't seem to take into consideration the fact that that is none of their business."

A restaurant keeper in the Jelico and Coal Creek country of Kentucky has the following business card: "Twenty five cents and Eat—25 cents a sleep, The Edwards House, P. M. Epwards proprietor, Coal Creek, Tenn., directly opposite R. R. depot. Not the largest hotel in the burg. Not newly furnished throughout. No free 'bus to trains. Not the best grub the market affords. In some sections of the State pink eye, a dangerous disease is prevailing, and many horses are afflicted with the ailment. It is a form of epizootic. The legs swell, the eyes become inflamed and there is running at the nostrils. It is often fatal to horses.

Like Mary's Little Lamb.

Mamma was suffering with a nervous headache, and little 3-year-old Willie kept running into the room for his usual kisses and caresses. After a time mamma grew serious and said: "Now, Willie, you must run out, and don't you come in again until I am better." He silently obeyed, but a few moments after his sad little voice was heard at the door, saying, "Mamma, mamma, I shall be like Mary's little lamb. I still shall linger near."—*Youth's Companion.*

WHY IT SUCCEEDS.

BECAUSE IT'S FOR ONE THING ONLY, AND

BELLEFONTE IS LEARNING THIS.

Nothing can be good for everything.
Doing one thing well brings success.
Doan's Kidney Pills do one thing only.
They're for sick kidneys.
They cure backache, every kidney ill.
Here is Bellefonte evidence to prove it:

Mrs. J. Cowher, of Bishop street, says: "I was very bad with my back and head. I suffered pain, in both and was very restless nights besides being so tired all the time that I could hardly keep myself about. I was very lame across my kidneys and bending over or being on my feet much was extremely painful. Reading about Doan's Kidney Pills and seeing them so highly recommended for these troubles I procured them from F. Potts Green's drug store. They gave me positive relief, caused me to sleep well, stopped the pains, removed the lameness and invigorated me generally."

HOME TESTIMONIALS FROM RELIABLE PEOPLE.

A Bad Case of Gastric Catarrh and What Dr. Stites has Done for Her.

I have been a sufferer for 8 years from Gastric Catarrh and stomach troubles. Suffered with weakness and was generally run down. Could get no relief and went to Dr. Stites and he has done me so much good that I take pleasure in recommending him to all.

A Bellefonte School Girl Tells What our New Specialist, Dr. Stites, Has Done for Her.

I suppose I have had Catarrh for quite awhile but last fall it began to annoy me so much that I could scarcely go to school, for I was so uncomfortable there, any little dust or over heated room made me wretched, I could not breathe through my nose and was constantly coughing and spitting. I began to grow quite deaf, while there was a buzzing and ringing noise sounding in my ears most of the time. When Dr. Stites told me what he could do for me, I was quite happy, and now after only a short time under his care, I am improved wonderfully. All those terrible noises have disappeared and I now hear all right, I breathe through my nose and am improved in every way. I feel very grateful to Dr. Stites. JENNIE HASSINGER,
Bellefonte, Pa.

Remarkable Results Obtained During only One Month of Dr. Stites' New Treatment.

I have had a bad case of catarrh and bronchitis for some time, was always taking cold and had to hawk and spit most of the time, then pains in the chest set in and at last a bad cough which got so bad that I coughed incessantly. I tried ever so many things, but nothing did good, in fact, I got worse; so I thought I would try Dr. Stites. And now, after only a few weeks under his New Treatment, I am a different person. The few weeks' treatment did me more good than all things I had tried for the last two years together. It seems this New Treatment goes right to the spot, it searches out all the sore places and heals them. It is a great invention and I am sure the doctor will make a great success of it. RAY MARTIN,
Bellefonte, Pa.

Suffered Horribly with Head Noises, Bronchitis and Deafness, Before Taking Dr. Stite's New Treatment.

I have been troubled greatly with taking cold, then Bronchitis and a cough set in. Then worst of all, these horrible, shrieking, buzzing and whistling noises in the head worried me constantly, and gradually I became very hard of hearing. I hadn't much hope for myself as I am now 72 years old. Having heard of the wonderful New Treatment I went to Dr. Stites, and though I have been there only one month, I am ever so much better; those horrible noises in the head have left me entirely. I feel, oh! so much better all around that I do not hesitate to recommend highly Dr. Stites and his New Treatment.

Respectfully,
D. C. WALTER,

What the New Treatment Has Done for Little Lena Rice of Bellefonte.

Our little daughter Lena, who is now 8 years old, has suffered greatly since quite young, with catarrh. Her nose was always so much stopped up that she had to breathe through her mouth entirely. Then she hawked and spit all the time. Her tonsils became very much enlarged, giving her a great deal of trouole. She would get so choked up, and on taking cold could hardly breathe. After a while her ears got very bad and she grew quite deaf. We did not know what to do for her, as nothing seemed to help her. When we heard of the New Treatment, we went to Dr. Stites, and now we are happy to say that our little girl can now hear almost as good as she ever did. She is so much better in every way, and feels bright and happy as a child should feel. We are so grateful to Dr. Stites for he is a blessing to the community.

Respectfully,
MRS. JANE RICE.

Wonderful Cure Made by the new Specialist, Dr. Stites, after Other Doctors had Failed.

I had suffered for some time with a growth in my right ear, which gave rise to ringing and buzzing noises, and I gradually became hard of hearing. I became disgusted with the treatment I got from other doctors; they didn't do me any good. I concluded to try Dr. Stites and I am glad I did. The growth has entirely disappeared under his New Treatment, also those ringing and buzzing noises, and I now hear as well as I ever did. MRS. MARY KELLY,
Bellefonte, Pa,

What John A. Waite, of Bellefonte, has to Say About the New Treatment and Dr. Stites.

I have taken the New Treatment as given only by Dr. Stites for two months, and I must confess it is a great invention. It seems to go all through you. It is sure to search out the weak spots and at once heal them. This at least has been my experience, and I am so much better in every way that I gladly recommend Dr. Stites and the New Treatment to any one suffering from any Catarrh and Lung Trouble. My cough is much better and I can once more enjoy a hearty meal.
