## MEDICAL.

**TO THE PROFESSORS AND MEMBERS OF THE MEDICAL SOCIETIES, AND TO EVERY Husband, Wife and Daughter**

IN THE UNITED STATES.—The subscriber respectfully calls your attention to Dr. BARRETT'S GUARDIAN, expressly intended for the preservation of the health of both sexes—whether it arises from Incipient Phthisis, or early consumption, Debility of the Lungs, Bronchial Affections, Asthma, Pleurisy, Deranged and Disordered state of the Liver, Spleen, or Kidneys, Diseased Spine, Cholic, Dyspepsia, Palpitation of the Heart, Loss of Muscular or Nervous Power, &c. &c.

DR. C. B. BARRETT'S GUARDIAN comes to the immediate relief of Females suffering from Irregularities, and all other Uterine difficulties and diseases incidental to woman, whether occasioned by cold, wet feet, or any similar injudicious exposure, and all this without the use of medicine, as the most delicate and sensitive lady can at any moment apply it to herself without the possibility of incurring any risk or danger, or any unpleasant results arising from it, and with the certainty of obtaining immediate relief.

Dr. Barrett's Guardian is no catch-penny, or one of the many humbugs of the day, but it is an instrument made upon strictly scientific principles, in accordance with the laws of Electricity and Galvanism; and for neatness, durability, and efficacy, infinitely surpasses everything of the kind ever before offered to the public for the relief of disease, and, in the language of one of the most enlightened men of the day, is pronounced to be "the greatest discovery of the age."

A period of no less than four years has been occupied by Dr. Barrett in bringing the Guardian to its present state of perfection—during which time it has been in the hands of some of the most eminent physicians of the North and South, as well as in the dwellings of numerous families, who have used it for all of the above purposes, with the most perfect success, and who have cheerfully given their unqualified approbation of its efficacy and value, as can be seen by referring to the Manual of Instructions accompanying it.

Dr. C. B. Barrett's Guardian is secured from innovations by a patent from the United States Patent Office, and be had either with or without his Medico-Electro Galvanometer.

The Medico-Electro Galvanometer, in point of beauty, workmanship, durability and power, cannot be surpassed or even equalled, and the subscriber feels that he hazards nothing in the assertion that it will be found to possess more power and efficacy in the treatment and removal of diseases, by Galvanism and Electricity, than any other instrument, either in the United States or Europe. The Medico-Electro Galvanometer is warranted in every respect, and with common ordinary care will last a life-time, and is by far the cheapest, because the best, instrument ever offered to the public. A manual accompanies them, giving the most ample instructions, of practical experience, so that it is readily intelligible to the mind of every one, while the [illegible] city of arrangement is such that a child may [illegible] with it.

Any information gratuitously given, and all communications cheerfully answered per mail, either in relation to the Electro-Galvanometer or Guardian.

Medical men are invited to call and examine Dr Barrett's Guardian, and test its efficacy.

**OVER 5,000 PERSONS** in Philadelphia alone, can testify to the wonderful efficacy of that powerful remedy, THOMPSON'S COMPOUND SYRUP OF TAR AND WOOD NAPHTHA, In Pulmonary Consumption, Chronic Bronchitis and Sore Throat, Asthma, Chronic Catarrh, Spitting of Blood, Pain in the Side and Breast, Difficulty of Breathing, Whooping Cough, Croup, Weak Nerves and Nervous Tremors, Palpitation of the Heart; also, Liver Complaint and Affection of the Kidneys.

This medicine, the invention of a man who gave the subject of Pulmonary, Bronchial and Pectoral diseases the most rigid examination, has now been before the public near four years. During this period it has performed some of the most remarkable cures on record of Pulmonary Consumption—secured the recommendation and use of physicians in their practice, and the warmest approval of thousands of persons in ordinary and severe Colds, Coughs, in Hoarseness, Spitting of Blood, &c.

ASTONISHING CURES.

About four years since I was attacked with Typhus Fever, which left me in a miserable state of health, in extreme debility with a general prostration of the system, with violent pains in the breast and loss of appetite, in consequence of which I was unable to attend to my usual business, or perform any kind of work. I applied to several physicians and used various remedies, but without any benefit, and had despaired of ever obtaining a recovery of my former health. But some time last June I was advised to try Thomson's Compound Syrup of Tar and Wood Naptha, and incredible as it may appear, by the time I had taken three bottles the debility, pain, and every sense of suffering were completely removed, and I was able to attend with restored health to my usual avocations.

MARTIN CLAUDY,
Of Dickinson township, Cumberland co.

Read the following testimony from a respectable member of the Society of Friends, in Poughkeepsie, N. York.

VALUABLE TESTIMONY.

"This may certify that in the spring of 1844, my health was very feeble; I was afflicted with pain in the side, with other alarming symptoms, and suffered much from great debility. At that time I purchased from Moses Dame two bottles of Thomson's Compound Syrup of Tar and Wood Naptha, from which I experienced great benefit; my health being now good; and I cheerfully recommend the article to all persons who may be suffering with general debility, with symptoms of a decline. **SALTER'S GINSENG PANACEA!**

TO THOSE SUFFERING WITH DISEASED LUNGS.—The unprecedented success which has attended the use of the GINSENG PANACEA in all the various forms which irritation of the lungs assumes, has induced the proprietor again to call attention to this WONDERFUL PREPARATION. The changeable weather which marks our fall and winter months, is always a fruitful source of COLDS AND COUGHS. These, if neglected, are but the precursors of that fell destroyer, CONSUMPTION. The question, then, how shall we nip the destroyer in the bud, how shall we get clear of our coughs and colds? is of vital importance to the public. THE GREAT AND ONLY REMEDY will be found in the Ginseng Panacea. In proof of this we have from time to time published the certificates of dozens of our best known citizens, who have experienced its curative powers. These, with a mass of testimony from all parts of the country, from MEDICAL MEN OF THE FIRST STANDING, Ministers of the Gospel, &c., together with copious notices from the JOURNALS OF THE DAY, we have embodied in pamphlet form, and may be had gratis of any of our agents throughout the country. HUNDREDS OF BOTTLES have been used in this city. THOUSANDS AND TENS OF THOUSANDS throughout the United States and Canada, and we challenge any man to point out a SINGLE INSTANCE in which, when taken according to directions, and before the lungs had become fatally disorganized, it has ever failed to EFFECT A PERFECT CURE. Why, then, need the afflicted hesitate? Why resort to the miserable nostrums, gotten up by unknown individuals under the assumed name of some celebrated physician, and puffed into notoriety by certificates of persons equally unknown? Whilst a medicine of UNPARALLELED EFFICACY is to be had, whose vouchers are at home,—our neighbors,—many of whom it has SNATCHED FROM THE GRAVE. In order that this invaluable medicine may be placed within the reach of the poor as well the rich, we have put the price at ONLY FIFTY CENTS, just one half the usual cost of cough medicines. It is for sale by our agents in nearly every town and village over the west, who are prepared to give full information relative to it. T. SALTER, Proprietor, Broadway, Cincinnati, Ohio.

A MERCHANT OF THIS CITY, who had been afflicted with the asthma for four years, and taken almost every thing. His physicians constantly attended him, and his had expended over two thousand dollars. He never believed in advertised medicines, but considered them all humbugs. At last he tried Dr. Taylor's Balsam of Liverwort, from 75 Beekman street, New York, and in six weeks was entirely cured, having taken only three bottles. This is only one of many cases where imaginary objections to a patent medicine have prevented persons from using this medicine, who have expended hundreds of dollars to their physicians in vain—and in the end owe their recovery to the infallible efficacy of this purely vegetable preparation. There is no mistake, that this medicine is superior to any remedy prescribed by medical advisers. This medicine has taken 20 years to mature, and is the surest remedy for diseases ever introduced to the public.

RHEUMATIC PAINS, COUGH, AND SHORTNESS OF BREATH CURED!—Suffering for a long time with these complaints, I had given up all hope of being cured. I had consulted the botanic and homeopathic doctors in vain. I had used many articles advertised, but found no relief. In despair I had given up the use of all medicines. Hearing of the great virtues of Dr. Taylor's Balsam of Liverwort, and the great cures it had performed, induced me to try it, and to my great joy and astonishment, I was better daily. I continued its use, also his Sugar-Coated Pills, until I am entirely cured. Dr. Taylor's Balsam of Liverwort is the best medicine in the world for these complaints, and will cure every one afflicted. SETH LAWRENCE, Captain of the Nancy, of New York.

ASTHMA CURED.—I have suffered from the Asthma a very long time, and have used every medicine I could obtain for its cure in vain, until I tried Dr. Taylor's Balsam of Liverwort. This medicine has afforded me most manifest benefit, and is, in my opinion, a cure for this distressing disease; more especially, as I know of many cases among my friends, where it has been highly successful. Persons interested are invited to call at my residence for further information. MRS. S. RUTON, 218 Laurens st.

MORGAN'S COUGH SYRUP—It proved to be the great Panacea in curing my child's distressing cough.

From the Temperance Banner, Nov 3 1847.

COUGH SYRUP.—We are not in the habit of puffing, much less taking patent medicines, but we feel disposed to recommend Morgan's Syrup to those who are afflicted with a cough. After having tried the usual remedies to remove a constant and distressing cough, that had for several days afflicted one of our children, without success, we were induced to try Morgan's cough syrup, and by it relief was obtained in a few hours. It proved to be the panacea in this case at least. Prepared wholesale and retail by the proprietor, JOHN D MORGAN, Druggist, feb7 wood st, 1 door below diamond alley.

A STRONG EVIDENCE that Dr JAYNE'S EXPECTORANT is superior to all other remedies for Coughs, Consumption, Bronchitis, Asthma, and other Pulmonary affections, is that the same persons who commenced the use of it in their families ten years ago, still prefer it to all other remedies of the kind; and where any have been induced to try other preparations they have almost invariably been disappointed in receiving the benefit which was reasonably anticipated from the high praises bestowed by the proprietors, and have returned to the use of JAYNE'S EXPECTORANT, as a remedy that has never failed to relieve them, and which probably never had its equal in arresting pulmonary diseases. Prepared only by Dr D. Jayne Philadelphia, and sold on agency by ALEX. JAYNES dec22d&wtf 72 Fourth st

JAYNE'S HAIR TONIC.—After giving this article a fair trial, we unhesitatingly pronounce it to be what it professes—the best article, without any exception, in use, for the restoration and preservation of the human hair. We know of numerous instances where hair has been restored to heads which have been bald for years; and we think we cannot do greater favor than to recommend to all our readers who are losing their hair, to make trial of this Tonic immediately.—Boston Mail. MORGAN'S WORM KILLER is far superior to all other remedies for Worms. June 14th, 1848. This may certify that I gave to two of my children, three and five years old, two teaspoonfuls of Morgan's Worm Killer, to each of them. The youngest passed 30 large worms, the smallest could not have measured less than seven inches. The elder passed so large a number that we could not begin to count them. I have used all the popular remedies before the public for worms, but can say with a clear conscience, Morgan's Worm Killer is far superior to any now before the public. SAMUEL JOHNSTON. ## MEDICAL.

**DR. TOWNSEND'S COMPOUND EXTRACT OF SARSAPARILLA.**

*Wonder and Blessing of the Age.* The most extraordinary Medicine in the World! *This Extract is put up in Quart Bottles: it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening or debilitating the Patient.*

The great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates the disease, it invigorates the body. It is one of the very best SPRING AND SUMMER MEDICINES ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last two years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 10,000 children during the two past seasons.

**10,000 cases of General Debility and want of Nervous Energy.**

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

**Invigorating Cordial,**

as it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

**Consumption Cured.**

*Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.*

**SPITTING BLOOD.**

*New York, April 28, 1847.*

DR. TOWNSEND—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night Sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results. Your obedient servant, WM. RUSSELL, 65 Catharine st.

**Female Medicine.**

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Prolapsus Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhoea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring.

**To Mothers and Married Ladies.**

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "*The turn of life*," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period *may be delayed for several years by using this medicine.* Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject.

It braces the whole system, renews permanently the natural energies, by removing the impurities of the body, not so far stimulating as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine, many severe and painful surgical operations may be prevented.

**Great Blessing to Mothers and Children.**

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon child-birth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases and enriches the food, those who have used it think it is indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon childbirth—in Costiveness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the secretions and equalizing the circulation it has no equal. The great beauty of this medicine is, it is always safe, and the most delicate use it most successfully, very few cases require any other medicine, in some a little Castor Oil, or Magnesia, is useful. Exercise in the open air, and light food with this medicine, will always ensure a safe and easy confinement.

**Beauty and Health.**

Cosmetics, Chalk, and a variety of preparations generally in use, when applied to the face, very soon spoil it of its beauty. They close the pores of the skin, and check the circulation, which, when nature is not thwarted by disease or powder, or the skin inflamed by the alkalies used in soaps, beautifies its own production in the "human face Divine," as well as in the garden of rich and delicately tinted and variegated flowers. A free, active and healthy circulation of the fluids, or the coursing of the pure, rich blood to the extremities, is that which paints the countenance in the most exquisite beauty. It is that which imparts the indescribable shades and flashes of loveliness that all admire, but none can describe. This beauty is the offspring of nature—not of powder or soap. If there is not a free and healthy circulation, there is no beauty. If the lady is fair as driven snow, if she paint, and use cosmetics, and the blood is thick, cold and impure, she is not beautiful. If she be brown or yellow, and there is pure and active blood, it gives a rich bloom to the cheeks, and a brilliancy to their eyes that is fascinating.

This is why the southern, and especially the Spanish ladies, are so much admired. Ladies in the north who take but little exercise, or are confined in close rooms, or have spoiled their complexion by the application of deleterious mixtures, if they wish to regain elasticity of step, buoyant spirits, sparkling eyes and beautiful complexions, they should use Dr. Townsend's Sarsaparilla. Thousands who have tried it, are more than satisfied, are delighted. Ladies of every station, crowd our office daily.

**Notice to the Ladies.**

Those that imitate Dr. Townsend's Sarsaparilla, have invariably called their stuff a *great Remedy for Females, &c. &c.*, and have copied our bills and circulars which relate to the complaints of women, word for word—other men who put up medicine, have, since the great success of Dr. Townsend's Sarsaparilla in complaints incident to females, recommended theirs, although previously they did not. A number of these Mixtures, Pills, &c. are injurious to females, as they aggravate disease, and undermine the constitution. Dr. Townsend's is the only, and best remedy for the numerous female complaints—it rarely, if ever fails of effecting a permanent cure. It can be taken by the most delicate females, in any case, or by those expecting to become mothers, with the greatest advantages, as it prepares the system and prevents pain or danger, and strengthens both mother and child. Be careful to get the genuine.

**Scrofula Cured.**

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the Blood. Three persons cured in one house is unprecedented.

**Three Children.**

DR. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad Sores; have taken only four bottles; it took them away, for which I feel myself under great obligation. Yours, respectfully, ISAAC W. CRAIN, 106 Wooster st.

**Opinions of Physicians.**

Dr. Townsend is almost daily receiving orders from Physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations in the market.

**CAUTION.**

Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla, a number of men who were formerly our Agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, &c. They generally put it up in the same shaped bottles, and some of them have stole and copied our advertisements—they are only worthless imitations, and should be avoided.

We do not allow our passengers to be robbed by the swindling scamps that infest the seaports, as we take charge of them the moment they report themselves, and see to their well being, and despatch them without any detention by the first ships. We say this fearlessly, as we defy one of our passengers to show that they were detained 48 hours by us in Liverpool, whilst thousands of others were detained months, until they could be sent in some old craft, at a cheap rate, which too frequently proved their coffins. We intend to perform our contracts honorably, cost what it may, and not act as was the case last season, with other officers,—who either performed not all, or when it suited their convenience. Drafts drawn at Pittsburgh for any sum from £1 to £1000, payable at any of the provincial Banks in Ireland, England, Scotland and Wales. [illegible]E principal object in the establishment of this [illegible]ency is to set at rest in the most satisfactory [illegible]onomical manner possible, the numerous claims [illegible]perty which citizens of the United States really [illegible] or imagine they possess in England and elsewhere.

[illegible]fforts of designing and unscrupulous men have [illegible]tively engaged in influencing a belief on this [illegible] in many quarters, with a view to petty peculation [illegible] evidences of the fact have been so frequently [illegible] to light as to render it urgently necessary that [illegible] be established having for its object the satisfaction of those who have been deluded, and to establish claims of such as are the rightful heirs to doubtful [illegible], or that which is improperly withheld.

[illegible] in the leading journals in the principal cities [illegible] are frequently appearing, headed "Town[illegible]," "A Great Fortune for Somebody," "Meeting [illegible] Houghton's at Worcester," "Chase Meeting," [illegible], the authors of which are generally lawyers [illegible] practice, or adventurers, whose only object [illegible] upon public credulity, by producing an excit[illegible] which may realize for themselves immediate [illegible] who are generally speaking, without [illegible] knowledge of the subjects they put forth.

The [illegible] of this being a fact are every where [illegible] no one single instance have their ill[illegible] ations been realized; and it is with a view to [illegible] correction of this evil that the subscriber has effected most extensive arrangements to satisfy the inqu[illegible] as well as to satisfy the curiosity of those who, [illegible] by family connection, or otherwise, wish to p[illegible] investigation of matters often involving [illegible] most stupendous magnitude.

As regards [illegible] subject [illegible] estate in England, the bulk of it is ever since [illegible] of Entail and Primogeniture; and have been [illegible] revolution in 1688, the principal estates [illegible] to the changes which always ensue, [illegible] confusion, and change of dynasty; [illegible] have been special laws passed for this subject, all those which have reference to [illegible] were passed subsequent thereto, [illegible] in cases of legitimate right. Another fruitful [illegible] of investigation is found in the Unclaimed Di[illegible] Book of the Bank of England, and this, furnishing [illegible] does, each English name that has ever existed [illegible] of funded property, is the main reliance of [illegible] unprincipled traders in public credulity.

## MEDICAL.

**CONSUMPTION,** Asthma, Bronchitis, Spitting Blood, Pain in the Side and Breast, Sore Throat, Hoarseness, Palpitation of the Heart, Whooping Cough, Croup, Hives, Nervous Tremors, Liver Complaint, and Diseased Kidneys, are radically cured by **Dr. Swayne's Compound Syrup of Wild Cherry.**

It is mild and pleasant to the taste, perfectly safe and harmless in its operations, and yet it is one of the most powerful and certain remedies for Consumption of the Lungs, Coughs, Colds, Asthma, Spitting Blood, Liver Complaint, Pains in the Side or Breast, and general Debility of the Constitution, that was ever invented by the skill of man for the relief of the afflicted public. Certificates and evidences of its wonderful curative powers are daily received from all quarters. It is impossible to conceive the aggregate of suffering and misery that has been relieved or banished by it; nor can we calculate the immense benefit that shall accrue from it hereafter. All ages, sexes, and constitutions are alike affected by it, and the disease is eradicated from the system, the constitution repaired, and health restored by the use of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY. How many sufferers do we daily behold approaching to an untimely grave, wrested, in the bloom of youth, from their relatives and friends, afflicted with that fatal malady, CONSUMPTION, which wastes the miserable sufferer until he is beyond the power of human skill. If such sufferers would only make a trial of Dr. Swayne's Compound Syrup of Wild Cherry, they would find themselves sooner relieved than by gulping the various ineffective remedies with which our newspapers abound; this 'Vegetable Remedy' heals the ulcerated lungs, stopping profuse night sweats, at the same time inducing a natural and healthy expectoration, and the patient will soon find himself in the enjoyment of comfortable health. The public should bear in mind that Dr. Swayne is a regular practising physician, and has had years of experience in diseases of the Lungs, Chest, &c. The original and only genuine article is only prepared DR. SWAYNE, N W corner of Eighth and Race streets, Philadelphia.

ANOTHER HOME CERTIFICATE.

Of all the cures that has ever been recorded, we may safely say the annals of medicine cannot furnish one to surpass this, which now stands as a living proof of the curability of consumption, even when life had been despaired of. Dr. Swayne's Compound Syrup of Wild Cherry is all it professes to be, the greatest medicine in the known world.

*The True Riches of Life is Health.*

DR. SWAYNE—Dear Sir,—For the good of the public, I feel myself in duty bound to testify to the great cure which your Compound Syrup of Wild Cherry performed on me. For my part, I feel as if every body ought to know it. I was afflicted with a violent cough, spitting of blood, night sweats, hoarseness, and sound of the voice indicating an alarming state of the disease; my appetite was gone, and my strength had so far failed me that my friends and physician were persuaded I could not survive many days. My sister, who was my anxious care-taker, made inquiry where she would be likely to procure the most certain relief. She was told that if Dr. Swayne's Compound Syrup of Wild Cherry failed in the cure, my life was then hopeless. Your medicine was immediately procured, and the first bottle gave relief, and by the time I had commenced the sixth bottle, my cough had left me and my strength was much improved. In short, it has made a perfect cure of me, and I am at this present time as hearty a man as I wish, and have good reason to believe that the use of your medicine has saved me from a premature grave. I shall be pleased to give any information respecting my case. I M REEVES, 38 chester st, between race and vine sts, Phila.

*CAUTION! CAUTION!!*

Consumptives, Read! Read!! Dr. Swayne's Compound Syrup of Wild Cherry.

In about the year 1837, I found it necessary in my professional practice, to compound a medicinal preparation for diseases of the chest and lungs, possessing more powerful healing properties than any other hitherto known for such diseases. In my COMPOUND SYRUP OF WILD CHERRY, I have been very successful. The truly astonishing cures effected by my medicine soon spread its fame abroad, for it owes none of its success to manufactured newspaper puffs or forged certificates—the real intrinsic merits of my compound is the only cause of its popularity. Its extensive sale soon excited the envy of certain speculators in the afflictions of his fellow creatures, so much so that in a few years from the time that my preparation was introduced to the public and in great demand, a firm in this city, finding that my preparation had gained a high reputation for its curative properties, came out with what they called Dr. Wistar's Balsam of Wild Cherry. This respectable and popular physician had no more to do with the article than poor Sam Patch. The name of Dr Wistar is attached to make it appear that this eminent practitioner was the original inventor of the preparation; such is not the fact. The above firm, the real inventor, sold the recipe and right to manufacture to some patent medicine dealers in Cincinnati for the West and South, and another in New York for the East, who afterwards, it is asserted, sold out to a druggist in Boston—so the number of hands into which it may have changed is an enigma.

In some places they assert it emanated from a physician in Philadelphia; in others, from a physician in Massachusetts. So it has falsehood and stratagem stamped in every feature.

There have been a number of other preparations purporting to contain Wild Cherry put out since, from the hands of inexperience, which the public should guard against, as they contain none of the virtues of the original and only genuine preparation, which bears the signature of Dr. Swayne on each bottle. The present manufacturers of their puffs and false certificates have the daring effrontery to caution the public against purchasing my medicine, the only truly genuine and original preparation of Wild Cherry before the public, which is proved satisfactorily by the public records of the Commonwealth of Pennsylvania, as well as various other official documents. DR. H. SWAYNE, Inventor and sole Proprietor of the genuine Compound Syrup of Wild Cherry, corner of Eighth and Race streets, Philadelphia.

Pamphlets can be obtained gratis, setting forth an array of testimony that will convince the most skeptical of the wonderful virtues of Dr Swayne's Compound Syrup of Wild Cherry. Call and get one, that all may read. Purchase the medicine, and be cured.

**DR. JAYNE'S ALTERATIVE.** We have been informed by Mrs. Rose of a cure performed on her by Dr. Jayne's Alterative, which proves its superiority over every other remedy of the kind. She has been afflicted for the last sixteen years with NECROSES or WHITE SWELLINGS, attended with ulcerations and exfoliation of various bones, during which time many pieces have been discharged from the frontal bone of the cranium, from both her arms, wrists and hands, and from both legs, and from the left femoral bone, and from the right knee, besides painful ulcers on other parts of her person, which have baffled the skill of a number of the most eminent physicians of our city—during most of the time her sufferings have been excruciating and deplorable. About three months since she was induced to try Dr. Jayne's Alterative, which has had an astonishingly happy effect upon her, by removing all pain and swellings, and causing the ulcers to heal, while at the same time her general health has become completely restored, so that she now weighs 25 lbs more than she did before she commenced the use of this truly valuable preparation.—[Sat. Eve. Post. For further information, inquire of Mrs. Rose, No 128 Filbert st, Philadelphia. For sale in Pittsburgh at the PEKIN TEA STORE, 72 Fourth st, near Wood. jy5

SCROFULA AND SCROFULOUS SWELLINGS.—Scrofula in all its multiplied forms, whether in that of King's Evil, enlargements of the glands or bones, Goitre, White Swellings, Chronic Rheumatism, Cancer, diseases of the Skin or Spine, or of Pulmonary Consumption, emanate from one and the same cause, which is a poisonous principle more or less inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected, but if the principle upon which the disease depends, is removed, a cure must of necessity follow, no matter under what form the disease should manifest itself. This, therefore is the reason why JAYNE'S ALTERATIVE is so universally successful in removing so many malignant diseases. It destroys the virus or principle from which those diseases have their origin, by entering into the circulation, and with the blood is conveyed to the minutest fibre, removing every particle of disease from the system. Prepared and sold at No. 8 South Third Street, Philadelphia. For sale at the Pekin Tea Store, No. 72 Fourth street, Pittsburgh. mch31

LADIES Who Use Common Prepared Chalk, are not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow, and unhealthy, the skin appears after using prepared chalk! Besides, it is injurious, containing a large quantity of lead. We have prepared a beautiful vegetable article, which we call JONES'S SPANISH LILY WHITE! It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, living white, at the same time acting as a cosmetic on the skin, making it soft and smooth. Dr. James Anderson, Practical Chemist of Massachusetts, says: "After analysing Jones's Spanish Lily White, I find it possesses the most beautiful and natural, at the same time innocent white I ever saw. I certainly can conscientiously recommend its use to all whose skin requires beautifying." Price 25 cents a box. Sold by W. JACKSON, at his Boot and Shoe Store, 89 Liberty st, head of Wood, at the sign of the Big Boot.

Ladies, ladies, I'm astonished!
When you know, that you are promised
A natural, life-like, snowy white,
That you will still use common chalk,
And look a deathly yellow fright,
The theme of laughter and of talk.

If you would use a box of JONES'S Lilly-white, it would give your skin an alabaster yet natural white, and at the same time clear and improve it. Sold at JACKSON'S, 89 Liberty st. Price 25 cents per box. my8

**A Challenge to the World.** TWENTY-FIVE DOLLARS will be paid to any one who will produce a spot of paint, grease or dry, that cannot be extracted with Hott's Improved Chemical Soap. I have the satisfaction of saying to the people of this place, that this article, by my own improvement on it, now stands unrivalled in this country for extracting grease, tar, pitch, oil, paint, or any other greasy substance, from all kinds of gentlemen's or ladies' clothing, carpets, table cloths, merino shawls, ladies' bonnets, &c, without injuring anything that pure water will not injure. More than one thousand persons in different parts of the country have told me they would not be without it, if it cost one dollar per cake. In trying this Soap on more than 300 articles of light silks, satins, alpaccas, and calicoes, I have only found three pieces of silk, two of alpacca, and four of calico, on which it changed the color; therefore before putting it on a light dress try a sample of the dress first. I state this because I am determined not to recommend it any stronger than I know to be strictly true. N H HOTT. Price, 12½ cts per cake. Sold, wholesale and retail by R E SELLERS, dec24 57 wood st

## MEDICAL.

A GREAT CURE, performed by the original and only true and genuine Liver Pill, prepared and sold by R E SELLERS.

MORRIS' FACTORY, Westmoreland Co., Pa., July 19th, 1847.

Mr. R. E. Sellers:—A sense of duty to you and the afflicted induces me to add my humble testimony in favor of your justly celebrated Liver Pills. I have deferred doing so for years, adhering to Davy Crockett's maxim, "Be sure you are right, then go ahead." Most of the many preparations of empirics and quacks, lauded to the skies, have sunk into oblivion since your Liver Pills have been offered to the public, and, indeed, I believe they will "survive them all," as they are just what you represent them to be. I have been afflicted with Liver Complaint from my youth; have suffered much; employed many eminent physicians, to whom I paid much money; have lost much blood; been vomited and physicked almost to death; salivated 5 or 6 times, and finally given up as incurable. In 1836-7 I was induced to try your Liver Pills, and SOON GOT WELL. One box of which is now sufficient to keep me clear of pain in the side, and all the other symptoms, for at least 12 months. Your Pills are also the best cathartic I ever used; being mild, not griping or giving much sickness at the stomach, but give me much relief. I have kept them in my store for 6 or 7 years, sold hundreds of boxes, and have never heard a single complaint uttered by any one who has used them. They have superceded almost every other pill in this neighborhood, and in a short time will banish them all. I earnestly recommend them to all persons needing physic, whether for Liver Complaint or Billious Affections. I consider them far superior to Calomel or the Blue Pill. Respectfully yours, J L MORRIS.

CAUTION—As there are other Pills before the public called Liver Pills, persons who want the GENUINE should ask for and take no other than those prepared and sold by R E SELLERS, No 57 Wood-st, between Third and Fourth streets. Sold by Dr. CASSEL, Fifth Ward, D M CURRY, Allegheny city. ag5

**Hydropathy, or the Water Cure.** DOCTOR BENJ. W. MORRIS returns his sincere thanks to the citizens of Pittsburgh and Allegheny city for the very liberal support and encouragement he has received within the last six months. That the Water cure should acquire such celebrity, is neither strange nor mysterious, when it is considered how great a number of cases of every variety of diseases, both acute and chronic, have been cured by a judicious use of it. In Germany, where it originated, six thousand of the worst cases, that were given up by the most skilful physicians of Europe as incurable, were cured by the immortal Priessnitz, the founder of the Water Cure. In England, France and America, thousands of hopeless cases have been cured by it, and the numerous Hydropathic establishments now in successful operation in the United States, speak volumes in favor of the practice. Dr. Morris having permanently established himself in the city of Pittsburgh, three doors southwest of Irwin's alley, on Penn street, is now prepared to take a number of boarders and treat them at his house, and those who prefer being treated at their own dwellings, will be punctually and faithfully attended. He may be consulted at his office from 1 o'clock till 3 P. M., and from 7 to 10 in the evening. N. B.—Every variety of baths made use of in the Water cure, both for ladies and gentlemen, can be obtained at the Athenæum, on Liberty street, where they have been recently erected for the express use of Hydropathic patients, and, where every attention will be given by the polite and attentive proprietors. ap14-dm

**Great English Remedy.** FOR Coughs, Colds, Asthma and Consumption! The GREAT AND ONLY REMEDY for the cure of the above diseases, is the HUNGARIAN BALSAM OF LIFE, discovered by the celebrated Dr. Buchan, of London, England, and introduced into the United States under the immediate superintendence of the inventor. The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate of cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy. Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendencies of the climate, but to be used as a preventive medicine in all cases of colds, coughs, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, brochitis, difficulty of breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough and croup. Sold in large bottles, at $1 per bottle, with full directions for the restoration of health. Pamphlets, containing a mass of English and American certificates, and other evidence, showing the unequalled merits of this great English Remedy, may be obtained of the Agents, gratuitously. **DR. JAYNE'S CARMINATIVE BALSAM** FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church. The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend D D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A SHINN, Allegheny city, jy31. For sale in Pittsburgh at the PEKIN TEA STORE, 72 Fourth street, near Wood, and also at the Drug Store of H P SCHWARTZ, Federal street, Allegheny

**Purify Your Blood.** MR. O. E. SIBLEY—Dear Sir: Last Spring, and during the previous winter, I was severely afflicted with a scrofulous complaint in my legs, and had been for some months under the care of physicians. They said my case was almost incurable, and they could do but little for me. I was nearly helpless, but with the aid of crutches could with difficulty get about. In May last, I purchased of you, and commenced using BARTOL'S SARSAPARILLA. After the use of two bottles, the sores commenced healing, and I laid aside my crutches, using only a cane. I dispensed with my cane, and at the end of the fourth, was so well as to assist all day in shearing sheep. In all, I used five bottles. The swelling and sores have all healed up, and since last summer I have seen no appearance of the disease, but have continued, and am now, in the most perfect health. I state with confidence, hoping that others may be benefitted in the same way, that the Sarsaparilla sold by you, has been the means, and the only means of effecting the cure. CORNELIUS J. ROSE. **Pulmonary Balsam.** MESSRS. REED & CUTLER—I feel it a duty I owe to my fellow creatures, to state something more respecting your Vegetable Pulmonary Balsam. Since I first used the Balsam, about eleven years ago, the happy effect of, which I then gave an account of, I have had several severe complaints and weakness of my lungs, one a few days since, and, in every instance I have used the Balsam alone with complete and perfect success. It has effected relief and cure in a very few days. It is certainly a safe medicine. I do not know that it will cure a fixed consumption, but I believe it will be in many cases a preventive, and prevention is better than cure; I do therefore, for the love of my fellow men, earnestly recommend the use of this Balsam, in all pulmonary complaints. I am confident that it has been the means of preserving my life to this day. Boston June 16, '46. BENJAMIN PARSONS. SELLER'S IMPERIAL COUGH SYRUP.—It has power to cure! PITTSBURGH, Feb. 14, 1847. R. E. SELLERS—My wife has for years been subject to a distressing cough, accompanied with asthma, for the cure of which she used different cough remedies, and had the advice of the most eminent physicians in England, but all was unavailing.
