AYER'S PILLS.

FOR ALL THE PURPOSES OF A

FAMILY PHYSIC.

THERE has long existed a public demand for an effective purgative pill which could be relied on as sure and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown with what success it accomplishes the purpose designed It is easy to make a physical *pill*, but not easy to make the best of all *pills*—one which should have none of the objections, but all the advantages, of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that almost every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them These *pills* produce no irritation or pain, unless it arise from a previously existing obstruction or disorganement in the bowels Being purely vegetable, no harm can arise from their use in any quantity, but it is better that any medicine should be taken judiciously Simple directions for their use in the several diseases to which they are applicable are given on the box Among the complaints which have been specifically cured by them, we may mention Liver Complaint, in its various forms of Jaundice, Indigestion, Languor and Loss of Appetite, Costiveness, Irritability, Bilious Headache, Bilious Fever, Fever and Ague, Pain in the Side and Limbs, for this truth, all those who feel the consequence of derangement in the liver As an aperient, Or Cathartic they are unequalled, and a speedy relief in Costiveness, Piles, Colic, Dysentery, Humors, Scrofula and Scurvy, Colds with soreness of the body, Fevers and impurity of the blood, in short, wherever a purgative is required.

They have also proved some singularly successful cures in Rheumatism, Gout, Dropsy, Gravel, Erysipelas, Pelitation of the Heart, Pain in the Back, Stomach and Side They should be freely taken in the spring of the year, to purify the blood and prepare the system for the change of seasons On occasional doses stimulate the stomach and bowels into healthy action and restore the appetite and vigor They purify the blood, and by their gentle action throughout the system, remove [illegible]

AYER'S CHERRY PECTORAL,

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

PROBABLY no one ever died of such calamity from a cough or cold, but many have fastened the seeds of pulmonary disease, that, by their subsequent ravages, have caused more than one-quarter of all the deaths in the middle climates. Nor do the evils arising from this source cease when they have once begun to sap the foundations of life. Their victim may linger for years, and he may, for a time, be cheered with the hope that he is recovering, when some change in the weather, or some other cause, fastens his disease upon him more firmly than ever, and he is hurried into the grave. Such is the history of hundreds and thousands of cases, and the public will not believe but that a cough or cold may be cured when one has the consumption, which is not the fact when the lungs are once diseased. Hence, when we say that this preparation will cure, and does cure, the worst coughs and colds, we only state what we know to be the truth, and what the public should believe, when they read our assertions. Of its effects upon those who have tested its virtues, we need only say that we are in receipt of hundreds of letters from clergymen, lawyers, merchants, and others, in all parts of the country, in which the writers speak of the benefits they have received from its use, and in many of which they state that they believe it saved them from the grave. When once tried, its superiority over all other medicines will be apparent to those in need of such a remedy. As a family medicine, it is the cheapest and most reliable with which we are acquainted, and we think that those who once give it a fair trial will be convinced that it is the most efficacious remedy for the diseases of the lungs and throat which we have been able to procure. Our aim is to furnish the best remedies we can for the relief of our fellow-beings, and we have no hesitation in recommending this as the best medicine we know of for the diseases for which it is intended. We do not ask for it the confidence of our friends and the public on our word, but we ask them to make a fair trial of it, when they need such a medicine, and we feel confident that they will be satisfied that our recommendation is not too strong in its favor.

THE LIVER INVIGORATOR!

PREPARED BY DR. SANFORD.

Compounded entirely from GUMS,

IS ONE OF THE BEST PERGATIVE AND LIVER MEDICINES now before the public that acts as a *Cathartic* easier, milder, and more effectual than any other medicine known It is not only a *Cathartic*, but a *Liver* remedy, acting first on the *Liver* to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most *Cathartics* It strengthens the system at the same time that it purges it, and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body, and when it performs its functions well the powers of the system are fully developed The *stomach* is almost entirely dependent on the healthy action of the *Liver* for the proper performance of its function, when the stomach is at fault and the whole system suffers in consequence one organ—the Liver—having ceased to do its duty For how many diseases of that organ one of the proprietors has made it his duty, than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found any person troubled with Liver Complaint, in any of its forms has but to try a bottle, and conviction is certain

Those Gums remove all morbid or bad matter from the system, supplying in place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the cause of the disease—effecting a radical cure

Bilious attacks are cured, and, what is better, prevented, by the Liver Invigorator the occasional use of

One dose after eating is sufficient to relieve the stomach and preventing souring

Only one dose taken before retiring, prevents Nightmare.

Only one dose taken at night, loosens the bowels gently, and cures Costiveness

One dose taken after each meal will cure the Dyspepsia

Only one dose of two teaspoonfuls will at ways relieve Sick Headache

One bottle taken for Jaundice removes the cause of the disease and makes a perfect cure

Only one dose in Cholic will immediately relieve

One dose often repeated is a sure cure for Cholera Morbus, and a preventive of Cholera

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness

One bottle taken for Jaundice removes all sallowness or unnatural color of the skin

One dose taken a short time before eating gives vigor to the appetite, and makes food digest well

One dose often repeated cures Chronic Diarrhœa in its worst forms, while Summer and Bowel complaints yield almost to the first dose

One or two doses cures attacks caused by Worms in children there is no surer remedy in the world, as it never fails

A few bottles curing the above diseases recommending the Liver for Fever and Ague, Chill Fever, and Fevers of a Bilious type. It operates with certainty and those who testify to its wonderful virtues

All who use it are giving their unanimous testimony in its favor

Mix Water in the Mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR.

IS A SCIENTIFIC MEDICAL DISCOVERY and in all its working cures, almost too great to believe It cures as if by magic *even the first dose gives health* and seldom more than one bottle is required to cure any kind of Liver Complaint from the worst *Jaundice* or *Dyspepsia* to a common *Headache*, all of which are the result of Diseased Liver
