A Fierce Night Alarm

is the hoarse, startling cough of a child, suddenly attacked by croup. Often it aroused Lewis Chamblin, of Manchester, O.,[R. R. No. 2] for their four children were greatly subject to croup. "Sometimes in severe attacks," he wrote "we were afraid they would die, but since we proved what a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup and for coughs, colds or any throat or lung trouble." So do thousands of others. So may you. Asthma, Hay Fever, La Grippe, Whooping Cough, Hemorrhages fly before it. 50c. and $1.00. Trial bottle free. Sold by Green's Pharmacy Co.

On Saturday afternoon, the 18th, Jim Kane shut up shop and boarded the 5 o'clock train for Bellefonte, thence to Howard, as was his custom, to see his sister he said. But Jim is a very conservative fellow and knows his own business best and attended to it without consulting his friends. While he stopped off at Howard to see his sister, that was not always his after some other fellow's sister at Renovo, so he called at both places. Well, he's married now, and is back at his anvil making the sparks fly to beat the band, and support his wife; here's our hand.

Snake Inside Kills Horse.

A horse owned by John Haley, of near Mount Cuba, died the other day despite the treatment of a Kennett Square veterinarian, who called in.

The animal was cut open to determine the cause of death, and three lizards and a snake were found near the lungs and heart.

It is supposed that the lizards were swallowed in a gulp of water, but how the snakie entered the animal is a mystery. It pressed against the horse's heart, causing death.

Honey in Cider Barrel.

When John R. Hayes, of Monroe, discovered bees crawling on the floor of his furnace room he investigated and saw they were coming from the bunghole of what he supposed to be an empty cider barrel.

Hayes plugged the hole and rolled the barrel out into the yard. When the bees were thoroughly chilled he knocked in the barrel head and found 250 pounds of honey. The honey has a cider flavor.

"Lame Leg Well"

"I wish to say that I have used Sloan's Liniment on a lame leg that has given me much trouble for six months. It was so bad that I couldn't walk sometimes for a week. I tried doctors' medicine and had a rubber bandage for my leg, and bought everything that I heard of, but they all did me no good, until at last I was persuaded to try Sloan's Liniment. The first application helped it, and in two weeks my leg was well."—A. L. HUNTER, of Hunter, Ala.
