ERIE DAGUERREAN GALLERY,

Park Row, a few doors West of the REED HOUSE.

SHERMAN is happy to invite all who wish DAGUERREOTYPE LIKENESSES, who are at all particular what kind of pictures they have, to his new Rooms which have been built expressly for the Art. LIGHT is the great agent of the Artist, and it has been the constant study of all worthy of the name since the Art was discovered, to employ and control it in the manner best adapted to produce the most favorable results. The result of this study and of thousands of experiments is that there is not a respectable permanent Gallery in the U. States where the pictures are made by a common window, and he who says he can produce superior pictures by such a window proves his ignorance of the Art. The subscriber therefore begs leave to say that by his superior LIGHT, and with an apparatus worth six times any other in this city, he is enabled to produce pictures which cannot be excelled in this part of the country, and offers to excel any thing which can be produced in other rooms, or Erie, or forfeit one hundred dollars. He has also a splendid Quick Working Camera, with which he takes children of any age. Let it be distinctly understood this pictures will not fade if properly kept.

N. B.—The "recent improvements" may be seen at the above rooms. W. H. SHERMAN.

HERE IS YOUR REMEDY, HOLLOWAY'S OINTMENT.

A MOST MIRACULOUS CURE OF BAD LEGS, AFTER 43 YEARS SUFFERING.

Extract of a Letter from Mr. William Galpin, of 70, St. Mary's Street, Weymouth, dated May 13th, 1851.

To Professor Holloway, Sir—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and her legs were in a dreadful state. I have often read your advertisements, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without sore or scar, and sleep is sound and undisturbed. Could you have seen the sufferings of my wife during the 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow creature. (Signed) WILLIAM GALPIN.

A PERSON 70 YEARS OF AGE CURED OF A BAD LEG, OF THIRTY YEARS STANDING.

Copy of a Letter from Mr. William Abbs, Builder of Gas Works, of Rushbridge, near Hindhead, dated May 31st, 1851.

To Professor Holloway, Sir—I suffered for a period of 30 years from a bad leg, the result of two or three stiff rent accidents at Gas Works; accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet, in opposition to that opinion, your Pills and Ointment have effected a complete cure, and I am now as hale as any man of my age. I could wish this testimony to be made use of, if it could be of any service to you. (Signed) WM. ABBS.

The truth of this statement can be verified by Mr. W. P. England, Chemist 13 Market-st. Hudder-field.

A DREADFUL BAD BREAST CURED IN ONE MONTH.

Extract from a Letter from Mr. Frederick Turner, of Penhurst, dated, Sept. 23rd, 1850.

To Professor Holloway, Dear Sir—My wife had suffered from bad Breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before heard an awful wound in my own leg by your unrivalled medicine, I determined to try your Pills and Ointment, and never gave them a trial in her case, and fortunate it was I did so, for less than a month a perfect cure was effected, and the breasts that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to my friends. (Signed) FREDERICK TURNER.

The Pills should be used conjointly with the Ointment in most of the following cases:—

Bad Legs	Chilblains	Piles	Sore Nipples
Bad Breasts	Chilblains	Gout	Sore throats
Burns	Chapped hands	Glandular Swellings	Stiff joints
Bunions	Corns (soft)	Scurvy	Tumors
Bite of Mosquitoes	Cancers	Lumbago	Sore heads
Coco Bay	Contracted and Fixed	Sore heads	Worms
Piles	Stiff Joints	Rheumatism	Yaws
	Elephantiasis	Scalds

DUNLAP'S BOOK OF FORMS!

New Edition.

E. C. & J. Biddle, No. 9 South Fifth-st., Philadelphia, have just published a *Book of Forms*, containing

THE TWO HUNDRED AND EIGHTY

For practice in the Courts of Pennsylvania and of the United States, and for Conveyancing; also for the use of Public Officers and Men of Business generally. Adapted to the recent acts of assembly of Pennsylvania, with explanatory remarks and numerous precedents and references to standard authorities. To which are appended a Glossary of Terms, and a copious Index. By James D. Dunlap, Counsellor at Law, &c. Second Edition. Price—Four Dollars.

The publishers have already received from nearly all of the President Judges of our State, and from other gentlemen eminent in the legal profession, their opinions of the work, which are of a highly complimentary nature. The following are selected from a large number of an equally favorable character—

Wellsborough, April 9 1850.

Gentlemen: The collections of court forms for conveyancing, &c., which had been in use previous to the publication of Dunlap's work in 1845, needed revision to make them convenient, and to adapt them to changes which legislation had rendered necessary in the practice in the courts in Pennsylvania.

Your edition of that work therefore received, as it merited, the approbation of the legal profession, and supplied a want which was felt by business men generally throughout the state.

After the numerous testimonials which you have received from eminent judges, in respect to the usefulness and excellence of that work, commendation of it from me would be superfluous.

I may be permitted, however, to remark that I approve of the general character and arrangement of the work, and, having examined a portion of the new edition which you are publishing, I may add that the author has greatly enlarged and improved his first edition, and that, when published, his book will be the most convenient and useful one of the kind extant.

Very truly yours, &c.,

Messrs. E. C. & J. Biddle. R. G. WHITE.

Pittsburgh, April 14 1849.

Gentlemen: "Dunlap's Conveyancing and Forms" has work of decided merit. I am glad to find that it is to be reproduced, with many valuable additions. It should be in the hands not only of lawyers and magistrates, but of the business community generally. There is scarcely a position in life in which a man will not occasionally find himself in need of the assistance of such a work.

I hope the author may be abundantly remunerated for the earning and industry bestowed upon it.

With great respect, yours, &c.,

Messrs. E. C. & J. Biddle. WALTER FORWARD.

Greensburgh, April 9, 1849.

Gentlemen: You have favored me with the printed sheets, from page 9 to 136 inclusive, of the second edition of Mr. Dunlap's Book of Forms. I am pleased to learn that a second edition of his work is about being issued. It has been, and now is, one of the best works of the kind in the hands of the profession, and is evidently much improved by the author's revision and addition.

I have the pleasure of an acquaintance with Mr. Dunlap. He is a gentleman whose respectable professional attainments and methodical habit of mind fit him well to be the author of such a work. I shall not hesitate to recommend it to the gentlemen of the Bar in the 10th district. Very respectfully, &c.,

Messrs. E. C. & J. Biddle. J. M. BURRELL.

Huntingdon, April 26 1849.

Gentlemen: Important changes in our statutes, since the publication of "Dunlap's Conveyancing and Forms," seemed to call for some enlargement of that excellent and highly useful work.—The edition which you are about to publish, embodying it does a very large amount of new and varied matter, and being so well adapted to general and present wants, cannot fail to be greeted with a cordial welcome by the profession.

A familiar acquaintance with the work, and a careful examination of the sheets of the forthcoming edition, enable me to recommend it, with great confidence, as a book which should be in the hands of every scrivener, and have an early place in the library of every gentleman engaged in the practice of the law.

Very respectfully, yours &c.,

Messrs. E. C. & J. Biddle. GEORGE TAYLOR.

CELEBRATED MEDICINES.

THE discovery of the above preparation has established a new era in the history of the healing art; it is, in truth one of the greatest Medical discoveries of the age, because it will cure more than nine-tenths of a class of distressing diseases incidental to females in every stage of life, and which have heretofore resisted the best efforts of the Medical profession in all countries, to a degree beyond that of almost every other malady to which any portion of the human family is heir. The diseases to which we refer are usually known by the term of

Female Complaints,

and comprises all the derangements to which females are liable in the various stages of their organization. Among these are Prolapsus Uteri, or Falling of the Womb; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorhage, or Flooding; Fluor Albus, or Whites; Chlorosis; Painful, Suppressed, and Irregular Menstruation, &c., &c., with all their accompanying evils, (cancer excepted,) of whatever duration and severity. All these complaints can be pleasantly, safely, and certainly remedied by this preparation.

The claims of this Medicine to the confidence of the public are strengthened by the fact of its having received the approbation and liberal patronage of many prominent members of the Medical faculty in the United States, some of whom have voluntarily given letters of commendation (see pamphlet,) sustaining all that is claimed for the Catholicon as a cure for agent.

Pamphlets containing much useful information, touching the nature and symptoms of the above diseases, together with testimonials from Ladies of the highest respectability, to be certified by the most satisfactory authority in the pamphlet, to all which the attention of Ladies and Practitioners is respectfully invited, can be had gratis at the store of CARTER & BROTHER, Druggists.
