IT IS A COMMON OBSERVATION that there are more suffering from debility, among Americans, than can be found among any other civilized nation. The reason is obvious. We take too little exercise, and forget the wants of the body in the absorbing pursuits of business. In all such cases, ordinary medicines can do little good. What is required is just such a tonic and invigorator as Dr. J. Hostetter has given to the world in his CELEBRATED "BITTERS." The weak and nervous denizen of the counting house, the exhausted toiler on the shop-board, and the prostrated student over the midnight lamp have found a wonderful regenerator in the "Bitters," and prefer it to more pretentious but less efficacious medicines. But it should not be forgotten that the agent which is so magical in its influence upon a frame which is merely debilitated, is equally powerful in assisting nature to expel the most terrible forms of disease. Who would not give it a trial?

## HO! STOP FRIENDS! STOP.

*DON'T MISS A GOOD BARGAIN.*

SEEK AND YOU WILL FIND WHERE YOU CAN BUY THE BEST MACHINE OF THE KIND.

J. S. LASH'S PATENT

## Straw and Fodder Cutter.

Among the many excellent Straw and Fodder Cutters which have recently come into use, the subscriber offers for sale Lash's Patent as embracing points in its construction which render it superior to all others. It was patented the 11th of October 1859, and to fully have the expectations of the Patentee been realized in his efforts to get up a cheap, simple and durable cut machine, that it has already been adopted by the large farming interests in many counties in Pennsylvania, who have warmly expressed their preference for it over other machines, and have purchased County Rights. The points in which Lash's Patent Straw and Fodder Cutter is claimed to be superior to all others, are, first its simplicity, being free from all complicated cog gearing, second, that it cuts on a different principle, cutting down on the knife instead of against a cutting bar, thereby requiring less power to work it, so much so that it may be operated by almost any farmer's boy, third, the power which is gained over other machines, by the increase of speed in a heavy fly wheel, thereby greatly relieving the labor of working it, fourth, the peculiar construction of the machine, so that by simply setting a screw, the machine is enabled to cut the straw any desired length from an eighth of an inch upwards. The importance of this last improvement will be realized when it is remembered that other machines can only be regulated to cut short or long by changes of gearing or knives at considerable trouble and heavy cost.

This machine is constructed with rollers for crushing fodder as it passes through, and the crank by which the hand machine is worked is on the right hand side, and thus more convenient to the operator.

We would also invite particular attention to the fact that in this machine the stationary knife can be taken out and ground when necessary, and replaced in a minute's time by means of set screws, thus obviating the difficulty in other machines caused by the cutting blar wearing round on its edge. From this fact the rotary knives on my machine may be used four times as long without grinding as on any other machine, at a saving of two dollars to the purchaser. Besides these improvements the machine is in all other respects equal to the best now manufactured.

The subscriber having purchased the right for the county of Centre, prepared to manufacture the machines at Milesburg and Bellefonte, where all orders will be promptly attended to. Two sizes of this machine are made for either hand or horse power. No. 1 is the small size, which cuts equally as fast as any other now in use. No. 2 is considerably broader, which enables it to cut much faster.

Prices.—Small size $25 00, Large size $30 00 Terms Cash.

Applications for machines may be addressed by letter to Sam. M. Swartz, Millheim, Centre County, Pa., purchaser of the Patent.

SAM. M. SWARTZ.

A small sized working machine can be seen at Bellefonte.

"If any person or persons shall make any bet or wager upon the result of any election within this Commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof or otherwise, he or they shall forfeit and pay three times the amount so bet or offered to be bet.

"If any person not by law qualified shall fraudulently vote at any election within the Commonwealth or being otherwise qualified shall vote out of his proper district, or any person knowing the want of such qualification shall aid or procure such person to vote, the person or persons so offending shall on conviction be fined any sum not exceeding two hundred dollars and be imprisoned for any term not exceeding three months.

"If any person shall vote at more than one election district, or otherwise fraudulently vote and deliver to the Judge or two tickets together, with the intent to illegally vote, or shall vote the same, or if any person shall advise or procure another to do so, he or they so offending, shall on conviction be fined any sum not less than fifty nor more than five hundred dollars and be imprisoned for any term not less than three nor more than twelve months.

"If any person not qualified to vote in this Commonwealth agreeably to the law, (excepting the sons of qualified citizens) shall appear at any place of election for the purpose of issuing tickets, or of influencing the citizens qualified to vote, he shall on conviction thereof be fined and pay any sum not exceeding one hundred dollars for any such offence, and be imprisoned for any term not exceeding three month.

And the Return Judges of the respective districts aforesaid are required to meet at the Court House, in the Borough of Bellefonte, on the first Friday next after the said first Tuesday of November then and there to do those things required of them by law.

Given under my hand at Bellefonte, this 17th day of October, 1860.

UDOLPHO WOLFE'S
PROLIFIC
SCHNAPPS
A SUPERLATIVE
TONIC, DIURETIC,
ANTI DYSPEPTIC
AND
INVIGORATING CORDIAL

To the Citizens of New Jersey & Pennsylvania, APOTHECARIES, DRUGGISTS, GROCERS AND PRIVATE FAMILIES.

Wolfe's Pure Cognac Brandy
Wolfe's Pure Madeira, Sherry and Port Wine
Wolfe's Pure Jamaica and St. Croix Rum
Wolfe's Pure Scotch and Irish Whisky
ALL IN BOTTLES.

I beg leave to call the attention of the citizens of the United States, to the above Wines and Liquors, imported by Udolpho Wolfe, of New York, whose name is familiar in every part of this country for the purity of his celebrated *Schnapps*. Mr. Wolfe in his letter to me, speaking of the purity of his Wines and Liquors, says: "I will take my reputation as a man, my standing as a merchant of thirty years residence in the city of New York, that all the Brandies of Wines which I bottle are pure as imported, and of the best quality, and can be relied upon by every purchaser." Dr. Hoofland has the properties of Rum on the wax, and I advise all to look for his signature on the cork. The public are respectfully invited to call and examine for themselves. For sale at Retail by all the Apothecaries and Grocers in Philadelphia.

GEORGE H. ASHTON, No. 112 Market st., Phila.
*Sole Agent for Philadelphia.*

Read the following from the New York Courier:

EXTENSIVE BUSINESS FOR OUR NEW YORK MERCHANTS.—We are happy to inform our fellow citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will repay any stranger or citizen to visit Udolpho Wolfe's extensive warehouse, Nos. 18, 20 and 22 Beaver street, and No. 17, 19 and 21 Marketfield st. His stock of Schnapps on hand ready for shipment could not have been less than thirty thousand cases; the Rum, by some ten thousand cases—Vintages of 1836 to 1846, and ten thousand cases of Madeira, Sherry and Port Wine, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in the country. He also had three large cellars filled with Brandy, Wine &c., in casks under Custom House key ready for bottling. Mr. Wolfe's sales of Schnapps last year amounted to one hundred and eighty thousand dollars, and we hope in less than two years he may be equally successful with his Brandies and Wines.

His business is mostly the patronage of every class of his species. Private families who wish pure Wines and Liquors for medicinal use should send their orders direct to Mr. Wolfe, and every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves and replace it with Wolfe's pure Wines and Liquors.

We understand Mr. Wolfe for the accommodation of small dealers in the country puts up assorted cases of Wines and Liquors. Such a man as this, such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, rumors alike to harm our health and happiness.
