VALUABLE DISCOVERY!
CONSUMPTIVES, BE ON YOUR GUARD
DR. SWAYNE'S
COMPOUND SYRUP OF WILD CHERRY.

THE GREAT REMEDY FOR
Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all Diseases of the Throat, Breast and Lungs; the most effectual and speedy cure ever known for any of the above diseases, is

DR. SWAYNE'S
Compound Syrup of Wild Cherry!

This medicine is no longer among those of doubtful utility. It has passed away from the thousands daily launched upon the tide of experiment, and now stands higher in reputation, and is becoming more extensively used than any other preparation of medicine ever produced for the relief of suffering man.

It has been introduced very generally through the United States and Europe, and there are few towns of importance but what contain some remarkable evidence of its good effects. For proof of the foregoing statements, and of the value and efficacy of this medicine, the proprietor will insert a few of the many thousand testimonials which have been presented to him by men of the first respectability—men who have higher views of moral responsibility and justice, than to certify to facts, because it will do another a favor, and themselves no injustice. Such testimony proves conclusively, that its surprising excellence is established by its intrinsic merits, and the unquestionable authority of public opinion. The instantaneous relief it affords, and the soothing influence diffused through the whole frame by its use, renders it a most agreeable remedy for the afflicted.

REMEMBER!

"When men, acting from conscientious impulses voluntarily bear testimony to the truth of a thing, or particular fact, such testimony, being contrary to their worldly interests and purposes, coerces conviction of its truth, and commends itself in a special manner to universal credence."—O'Hogan's Moral Maxims.

STILL ANOTHER CURE OF PULMONARY CONSUMPTION.—There never was a remedy that has been as successful in desperate cases of Consumption, as Dr Swayne's Compound Syrup of Wild Cherry. It strengthens the system, and appears to heal the ulcers on the lungs, creating new and rich blood; power possessed by no other medicine.

CHESTER Co., April 25th, 1848.

Dr. Swayne—Dear Sir: I verily believe your Compound Syrup of Wild Cherry has been the means of saving my life. I caught a severe cold, which gradually grew worse, attended with a severe cough, that resisted all the remedies which I had recourse to, still increasing until my case exhibited all the symptoms of Pulmonary Consumption. Every thing I tried seemed to have no effect, and my complaint increased so rapidly that friends as well as myself, gave up all hopes of my recovery. At this time I was recommended to try your invaluable medicine: I did so with the most happy results. The first bottle had the effect to loosen the cough, causing me to expectorate freely; and by the time I had used six bottles I was entirely well, and am now as hearty a man as I ever was in my life, and would be happy to give any information respecting my case, that other sufferers may derive the benefit for which I am so grateful. For the truth of the above statement, I refer you to Peter Rush, Grocer, West Chester, of whom I purchased the medicine
Respectfully yours, JAMES MORGAN.

Wonderful Cure of a Methodist Minister.

Dr. Swayne—Dear Sir: I feel a debt of gratitude due to you—and a duty to the afflicted generally, to offer my humble testimony in favor of your Compound Syrup of Wild Cherry. Some three years since I was violently attacked with cold and inflammation of the Lungs, which was accompanied with a distressing cough, pain in the breast and head, a very considerable discharge of offensive mucus from the lungs, especially upon change of weather, however slight. At first I felt no alarm about my condition, but was pretty soon convinced that I was rapidly going into consumption. I grew daily weaker, and at length was scarcely able to walk about, or speak above a whisper, such was the exceeding weakness of my lungs. During the time I had tried various preparations and prescriptions, but found no relief—growing all the time worse. Just here I was advised and persuaded by a dear friend in Wilmington to make trial of your Syrup of Wild Cherry. I must confess that previously I had been prejudiced against patent medicines, and I am still against those coming out of the hands of empirics, but understanding your claims to the profession and practice of medicine, and having implicit faith in the saying of my friends, I forthwith purchased of Dr. Shaw, one of your agents, a few bottles, and commenced its use. My disease was at that time of 20 or 25 months' standing, consequently it was deeply seated. I found, however, considerable relief from the use of the first four or five bottles. But being a public speaker, I frequently attempted to preach with my increasing strength, and thereby ruptured those vessels that had already began to heal; in this way, doubtless, my cure was greatly retarded. In consequence of acting thus imprudently I had to use twelve or fifteen bottles before I was perfectly restored. I have no question, a much smaller number of bottles would have made me sound, but for the above indiscretion. The Syrup allayed the fever ish habit, took away the distressing cough, put a stop to the discharge of matter from the lungs, and gave them and the entire system good health. I have deferred offering this certificate until now, for the purpose of being perfectly satisfied with the permanency of the cure, and now that I feel perfectly well I offer it with pleasure. REV J P JORDAN.

Important Caution—Read! Read!

There is but one genuine preparation of Wild Cherry and that is Dr. SWAYNE'S, the first ever offered to the public, which has been sold largely throughout the United States and some parts of Europe; and all preparations called by the name of Wild Cherry have been put out since this, under cover of some deceptive circumstances, in order to give currency to their sales. By a little observation, no person need mistake the genuine from the false. Each bottle of the genuine is enveloped with a beautiful steel engraving, with the likeness of William Penn thereon; also, Dr. Swayne's signature; and as further security, the portrait of Dr. Swayne will be added hereafter, so as to distinguish his preparation from all others. Now, if it was not for the great curative properties and known virtues of Dr. Swayne's Compound Syrup of Wild Cherry, persons would not be endeavoring to give currency to their "fictitious nostrums" by stealing the name of Wild Cherry. Remember, always bear in mind the name of Dr. Swayne, and be not deceived.

SELLERS VERMIFUGE PREFERRED TO ALL OTHERS.—

LEXINGTON, Va., Oct. 12, 1848.

Mr. R. E. Sellers:—One of our physicians, whose practice is very extensive, told me this morning of a case in which one vial of your Vermifuge brought away above 80 worms; and a gentleman in the neighborhood said that less than half a vial caused the discharge of near 60 large worms from one of his children. Very many of such instances might be stated. It is well known about here, and almost all prefer it to any other. Send me 12 dozen and oblige
Yours, J. M. WILSON.

A STRONG EVIDENCE that Dr JAYNE'S EXPECTORANT is superior to all other remedies for Coughs, Consumption, Bronchitis, Asthma, and other Pulmonary affections, is that the same persons who commenced the use of it in their families ten years ago, still prefer it to all other remedies of the kind; and where any have been induced to try other preparations they have almost invariably been disappointed in receiving the benefit which was reasonably anticipated from the high praises bestowed by the proprietors, and have returned to the use of JAYNES' EXPECTORANT, as a remedy that has never failed to relieve them, and which probably never had its equal in arresting pulmonary diseases

A FEW weeks since, one of my children, aged about five years, was unwell for several days, and the illness increased so alarmingly that I feared death would be the result. Having heard of the good effects of Fahnestock's Vermifuge when administered to the children of my neighbors, and thinking my child might have worms, from some of the symptoms, I gave it one and a half teaspoonfuls of the Vermifuge, and to my great astonishment it almost immediately discharged between 230 and 250 large worms. Its health was soon restored, and it is now remarkably well. Previous to taking the Vermifuge, the worms would occasionally rise in its throat, and I often feared it would die from strangulation. MEDICAL.

DR. TOWNSEND'S
COMPOUND EXTRACT OF
SARSAPARILLA.

Wonder and Blessing of the Age.
The most extraordinary Medicine in the World! *This Extract is put up in Quart Bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening or debilitating the Patient.*

The great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates the disease, it invigorates the body. It is one of the very best SPRING AND SUMMER MEDICINES ever known; it not only purifies the whole system, and strengthens the person, but it *creates new, pure and rich blood*: a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last two years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 10,000 children during the two past seasons.

10,000 cases of General Debility and want of Nervous Energy.

Dr Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

Invigorating Cordial,

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.

Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

SPITTING BLOOD.
New York, April 28, 1847.

DR. TOWNSEND—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night Sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood and my cough has left me. You can well imagine that I am thankful for these results.
Your obedient servant,
WM. RUSSELL, 65 Catharine st

Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Prolapsus Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhœa, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of Barrenness. It will not be expected of us in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "*The turn of life*," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be *delayed for several years by using this medicine*. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed this medicine is invaluable for all the delicate diseases to which women are subject.

It braces the whole system, renews permanently the natural energies, by removing the impurities of the body, not so far stimulating as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine, many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon child-birth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases and enriches the food, those who have used it think it is indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon childbirth—in Costiveness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the secretions and equalizing the circulation it has no equal. The great beauty of this medicine is, it is always safe, and the most delicate use it most successfully, very few cases require any other medicine, in some a little Castor Oil, or Magnesia, is useful. Exercise in the open air, and light food with this medicine, will always ensure a safe and easy confinement.

Beauty and Health.

Cosmetics, Chalk, and a variety of preparations generally in use, when applied to the face, very soon spoil it of its beauty. They close the pores of the skin, and check the circulation, which, when nature is not thwarted by disease or powder, or the skin inflamed by the alkalies used in soaps, beautifies its own production in the "human face Divine," as well as in the garden of rich and delicately tinted and variegated flowers. A free, active and healthy circulation of the fluids, or the coursing of the pure, rich blood to the extremities, is that which paints the countenance in the most exquisite beauty. It is that which imparts the indescribable shades and flashes of loveliness that all admire, but none can describe. This beauty is the offspring of nature—not of *powder or soap*. If there is not a free and healthy circulation, there is no beauty. If the lady is fair as driven snow, if she paint, and use cosmetics, and the blood is thick, cold and impure, she is not beautiful. If she be brown or yellow, and there is pure and active blood, it gives a rich bloom to the cheeks, and a brilliancy to their eyes that is fascinating.

This is why the southern, and especially the Spanish ladies, are so much admired. Ladies in the north who take but little exercise, or are confined in close rooms, or have spoiled their complexion by the application of deleterious mixtures, if they wish to regain elasticity of step, buoyant spirits, sparkling eyes and beautiful complexions, they should use Dr. Townsend's Sarsaparilla. Thousands who have tried it, are more than satisfied, are delighted. Ladies of every station crowd our office daily.

Notice to the Ladies.

Those that imitate Dr. Townsend's Sarsaparilla, have invariably called their stuff a *great Remedy for Females*, &c. &c., and have copied our bills and circulars which relate to the complaints of women, word for word—other men who put up medicine, have, since the great success of Dr. Townsend's Sarsaparilla in complaints incident to females, recommended theirs, although previously they did not. A number of these Mixtures, Pills, &c., are injurious to females, as they aggravate disease, and undermine the constitution. Dr. Townsend's is the only and best remedy for the numerous female complaints—it rarely, if ever fails of effecting a permanent cure. It can be taken by the most delicate females, in any case, or by those expecting to become mothers, with the greatest advantages, as it prepares the system and prevents pain or danger, and strengthens both mother and child. Be careful to get the genuine.

Scrofula Cured.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the Blood. Three persons cured in one house is unprecedented.

Three Children.

DR. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad Sores; have taken only four bottles; it took them away, for which I feel myself under great obligation.
Yours, respectfully,
ISAAC W. CRAIN, 106 Wooster st.

NEW INSTRUMENT.

THE subscriber has been appointed Sole Agent for the sale of CARHART'S IMPROVED MELODEONS, as manufactured and and perfected by Messrs Murch & White, of Cincinnati. The usual compass and extent being but four octaves, Messrs. M & W., in accordance with the general desire and demand, have extended the scale of these instruments to 4½ and even 5 octaves, thus making it practicable to perform upon them any music written for the Piano or Organ. The exterior, also, has been much improved by placing the body of the instrument upon a cast iron frame beautifully bronzed and ornamented, rendering it at once a most elegant and extremely desirable article. The price is put so low as to bring it within the reach of every one to obtain a perfect musical instrument, and, at the same time, a most elegant piece of furniture for a comparative trifle. GREAT MUSICAL NOVELTY.—The subscriber has just received from Europe, and for sale, an entirely new invention of Piano Forte, called the CABINET PIANO FORTE, which possessing more power and sweetness than the square Piano, occupies but one fourth as much room, and is a much more showy and handsome piece of furniture. It is particularly desirable where the saving of space is an object, being exceedingly neat and compact, and occupying no more room than a small side table. The subscriber has in hand a testimonial of its superiority from the celebrated pianist, Moscheles, in his own hand writing, which may be inspected. H. KLEBER.

HARNDEN & CO. continue to bring persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality and attention to the wants and comfort of emigrants. We do not allow our passengers to be robbed by the swindling scamps that infest the seaports, as we take charge of them the moment they report themselves, and see to their well being and despatch them without any detention by the first ships.—We say this fearlessly, as we defy one of our passengers to show that they were detained 48 hours by us in Liverpool, whilst thousands of others were detained months, until they could be sent in some old craft at a cheap rate, which too frequently proved their coffins.

We intend to perform our contracts honorably, cost what it may, and not act as was the case last season, with other officers,—who either performed not at all or when it suited their convenience.

Colver's Patent Concave Beater Churn!
BUTTER IN FIVE MINUTES!!

WE call the attention of the public to the article heading this advertisement, and invite the enterprising and curious to call and witness its operation. All advertisements in relation to this invention, to the hundreds who have seen it tested, is supererogation.

1st. This Churn will produce Butter, gathering it in a mass, from sweet milk, in five to ten minutes and from cream prepared, as families usually prepare it in three to five minutes!

2d. The utility of this invention is apparent, as better Butter can be produced from sweet milk, or cream than cream soured in the usual way, and by means of this churn, a little girl or boy can perform, in five or ten minutes, what has heretofore required the labor of a woman or man for one or two hours, and sometimes half a day.

3d. By simply turning a thumb screw, the whole inside dasher is taken out, leaving nothing but the butter and milk in the plain wooden box.

4th. It is the cheapest churn ever invented, as the simplicity of its construction (though embodying a great philosophical principle) makes it but little to manufacture it.

5th. It is a common-sense churn, as all will admit who will examine it.

☞ We have purchased the monopoly of this valuable improvement from Messrs. Colver & Myers, the patentees. We are now offering the complete monopoly of this styled article for the States of Ohio, Pennsylvania, New York, New Jersey, Maryland and Delaware, which will insure certain and large profits to the manufacturer, and a speedy return of investment. The public are invited to call and witness its operation, at our office, in Pittsburgh, every day, at 4 o'clock, p. m.

MEDICAL.

DALLEY'S MAGICAL PAIN EXTRACTOR!

THE following from George E. Pomeroy, Esq., the well known proprietor of the Express, speaks for itself of the importance of the Pain Extractor to every parent.

EXPRESS OFFICE, Albany, Sept 1.

MR. DALLEY: My Dear Sir—With feelings of no ordinary pleasure I address you in relation to the benefit I have received from your invaluable Pain Extractor. Lately, my little daughter, 6 years old, had a pitcher of boiling water turned into her bosom; her screams were dreadful, so that a crowd instantly gathered before the house to learn the cause of the terrible screams. I tore her clothes asunder, and soon spread on your salve, and she was carried and laid upon a bed. She was soon relieved from her pains, and says "Ma, I feel as if I could laugh," and was soon in sweet sleep. She was scalded to a blister from the top of her shoulder over more than half her chest, and round under the arms. On the shoulder and breast it was very deep, yet from the first hour, she complained only when it was dressed. The sore healed rapidly, and there is no contraction of the muscles.

With many wishes, my dear sir, for your success in the sale of this mighty article,
I am yours, with respect,
GEO E POMEROY

THE TEST and NO MISTAKE!

The genuine Dalley, will ever produce the same instantaneous relief, and soothing, cooling effect, in the severest cases of Burns, Scalds, Piles, &c.

The Counterfeits—no matter under what names they may appear—always irritate, and increase the pain.

TO THE PUBLIC.

I, Edward P. Holmes, of Chatham, Melvin Bridge, Columbia county, N. Y. have been afflicted with rheumatism in my breast, feet, and all over my body, for six years, so that I could not stand, and was cured by three applications of Dalley's Magical Pain Extractor
EDWARD P. HOLMES.

Mr. Dalley: Sir—I cut my finger with a copper nail, the poisonous nature of which caused my arm to swell considerably, with constant shooting pains up to the shoulder. A large swelling taking place at the armpit, with increasing pain, I became fearful of the Lock-jaw. In this extremity your Pain Extractor was recommended to me, and which I was prevailed upon to try. The consequence was that it afforded me almost instant relief, and in three days I was completely cured. JOSEPH HARRISON, New York,
corner Broome and Sullivan sts, Sept 8 1845.

NOTICE.—H. DALLEY is the inventor of this invaluable remedy, and never has and never will communicate to any living man the secret of its combination.

All Extractors, therefore, not made and put up by him, are base counterfeits.

CONSUMPTION AND LIVER COMPLAINT.—Suffering as I have for 3 years with these diseases, I feel from my heart for all persons equally unfortunate, and therefore I beg of them, if they love life and health; if they love their families and friends, not to lay and die under the hands of mercury doctors, or their useless trash, but try Dr Taylor's Balsam of Liverwort. This medicine cured me when I was so ill I could not turn over in bed without assistance, and the mineral doctors said I could not live a week, yet this vegetable medicine cured me in six weeks. I had a hacking cough, pain in the side raising of matter, night sweats, and was wasted to the bone, also, inward fever.
J B MILLS, Mckman, Newtown, L. I.

CONSUMPTION AND LIVER COMPLAINT.—For a long time I suffered with these diseases, and was the more alarmed as I had lost a mother, two brothers and two sisters, with the consumption. I had the best medical advice in vain, every remedy was tried without effect, and I was almost in despair. I was wasting away, very nervous, had a bad cough, loss of strength, and many other dangerous symptoms. At length I tried Dr Taylor's Balsam of Liverwort, and I must say this medicine cured me like a charm. Its great restorative powers should be made known.
W HOLDRIDGE, 222 Spring st

RAISING OF BLOOD. This disease is easily cured by the proper medicine. Mr. Newbury, 366 Bowery, used to raise blood in large quantities, both by day and night, besides this, he had a severe cough, and pain in the breast, yet after using every other medicine, he was cured by Dr. Taylor's Balsam of Liverwort. This man is a cartman and let all others who cannot afford to be sick follow his example, if they are sick, and use this medicine. It will restore diseased Lungs and Liver in a short time.

MEDICAL & SURGICAL OFFICE,
No. 65, DIAMOND ALLEY, a few doors below Wood street to market.

DR. BROWN, having been regularly educated to the medical profession, and been for some time in general practice, now confines his attention to the treatment of those private and delicate complaints for which his opportunities and experience peculiarly qualify him. 14 years assiduously devoted to study & treatment of those complaints (during which time he has had more practice and has cured more patients than can ever fall to the lot of any private practitioner) amply qualifies him to offer assurances of speedy, permanent and satisfactory cure to all afflicted with delicate diseases and all diseases arising therefrom.

Dr Brown would inform those afflicted with private diseases which have become chronic by time or aggravated by the use of any of the common nostrums of the day, that their complaints can be radically and thoroughly cured, he having given careful attention to the treatment of such cases, and succeeded in hundreds of instances in curing persons of inflammation of the neck of the bladder, and kindred diseases which often result from those cases where others have consigned them to hopeless despair. He particularly invites such as have been long and unsuccessfully treated by others to consult him, when every satisfaction will be given them, and their cases treated in a careful, thorough and intelligent manner, pointed out by a long experience study, and investigation, which it is impossible for those engaged in general practice of medicine to give any one class of disease.

☞Hernia or Rupture.—Dr Brown also invites persons afflicted with Hernia to call, as he has paid particular attention to this disease.

CANCERS also cured.

Skin diseases, also Piles, Palsy, etc., speedily cured. Charges very low.

N B—Patients of either sex living at a distance, by stating their disease in writing, giving all the symptoms, can obtain medicines with directions for use, by addressing T BROWN, M D, post paid, and enclosing a fee.

Office No. 65, Diamond alley, opposite the Beverly House.

RHEUMATISM.—Dr Brown's newly discovered remedy for Rheumatism is a speedy and certain remedy for that painful trouble. It never fails.

Office and Private Consulting Rooms, No 65 Diamond alley, Pittsburgh, Pa. The Doctor is always at home.

☞No cure no pay. dec19

HOW DOES IT LOOK.—Sands, Bristol and Bull, formerly put their Sarsaparilla in small bottles holding a few ounces, but since Dr Townsend's has become known, and almost or quite driven their little bottles out of the market, they are now putting theirs up in larger bottles containing as much as before. Query: How much right did they want before out of their small bottles? Whilst Dr Townsend's has always proved to be the strength is it honest to pretend that they are as good as they were? Dr Townsend sells concentrated honestly and the people can have medicine as he could afford, and has made several improvements, and it determined to keep up the price. Dr Townsend's has always warranted that each bottle, of his Sarsaparilla contains more than four times the quantity of Sarsaparilla and medical qualities, than any other preparation of Sarsaparilla in the market.

I have the satisfaction of saying to the people of this place, that this article will remove every spot of [illegible], now [illegible] in the various articles for extracting grease, tar, pitch, oil paint, or any other greasy substance, from all kinds of gentlemen's or ladies' clothing, carpets, table cloths, merino shawls, ladies' bonnets, &c., without injuring anything that pure water will not injure. More than one thousand persons in different parts of the country have told me they would not be without it. I took one dollar per cake. In trying this Soap on more than 300 articles of light silks, satins, alpaccas, and calicoes, I have only found three pieces of silk, two of alpacca, and four of calico, in which it changed the color, therefore before putting it on a light dress try a sample of the dress first. I take this course as I am determined not to recommend anything more than I know to be strictly true. N H Bow.

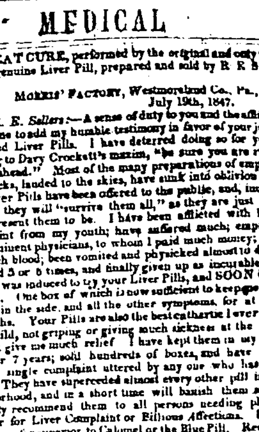
MEDICAL.



IN QUART BOTTLES.
FOR THE REMOVAL & PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABIT OF THE SYSTEM, VIZ:

Scrofula or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, and Diseases arising from an injudicious use of Mercury, Ascites or Dropsy, Exposure or Imprudence in Life. Also, Chronic Constitutional Disorders.

In this preparation are strongly concentrated all the Medicinal properties of SARSAPARILLA, combined with the most effectual aids, the most salutary productions, the most potent simples of the vegetable kingdom; and it has been so fully tested, not only by patients themselves, but also by Physicians, that it has received their unqualified recommendation and the approbation of the public; and has established on its own merits a reputation for value and efficacy far superior to the various compounds bearing the name of Sarsaparilla. Diseases have been cured, such as are not furnished in the records of time past; and what it has already done for the thousands who have used it, it is capable of doing for the millions still suffering and struggling with disease. It purifies, cleanses, and strengthens the fountain springs of life, and infuses new vigor throughout the whole animal frame.

ANOTHER CURE OF SCROFULA.

The following striking and, as will be seen, permanent cure of an inveterate case of Scrofula, commends itself to all similarly afflicted:

SOUTHPORT, Conn., Jan. 1, 1848.

Messrs. SANDS. Gentlemen—Sympathy for the afflicted induces me to inform you of the remarkable cure effected by your Sarsaparilla in the case of my wife. She was severely afflicted with the scrofula on different parts of the body; the glands of the neck were greatly enlarged and her limbs much swollen. After suffering over a year and finding no relief from the remedies used, the disease attacked one leg, and below the knee suppurated. Her physician advised it should be laid open, which was done, but without any permanent benefit. In this situation we heard of, and were induced to use Sands' Sarsaparilla. The first bottle produced a decided and favorable effect, relieving her more than any prescription she had ever taken, and before she had used six bottles, to the astonishment and delight of her friends, she found her health quite restored. It is now over a year since the cure was effected, and her health remains good, showing the disease was thoroughly eradicated from the system. Our neighbors are all knowing to these facts, and think very highly of Sands' Sarsaparilla.
Yours with respect, JULIUS PIKE.

Extract from a letter received from Mr. N. W. Harris, a gentleman well known in Louisa county, Va.:

"Gentlemen—I have cured a negro boy of mine with your Sarsaparilla, who was attacked with Scrofula, and of a scrofulous family.
"Yours truly, N W HARRIS.
"Fredericks Hall, Va., July 17, 1848."

SANDS' SARSAPARILLA.—It seems almost unnecessary to direct attention to an article so well known, and so deservedly popular, as this preparation, but patients often who wish to use the extract of Sarsaparilla, are induced to try worthless compounds bearing the name, but containing little or none of the virtue of this valuable root, and we think we cannot confer a greater benefit on our readers than in directing their attention to the advertisement of the Messrs Sands in another column. The bottle has recently been enlarged to hold a quart, and those who wish a really good article will find concentrated in this all the medicinal value of the root. The experience of thousands has proved its efficacy in curing the various diseases for which it is recommended, and at the present time more than any other perhaps, is this medicine useful, in preparing the system for a change of season.—Home Journal. Sept 1848.

SALTER'S
GINSENG PANACEA!

TO THOSE SUFFERING WITH DISEASED LUNGS.—The unprecedented success which has attended the use of the
GINSENG PANACEA
in all the various forms which irritation of the lungs assumes, has induced the proprietor again to call attention to this
WONDERFUL PREPARATION.
The changeable weather which marks our fall and winter months, is always a fruitful source of
COLDS AND COUGHS.
These, if neglected, are but the precursors of that fell destroyer,
CONSUMPTION.
The question, then, how shall we nip the destroyer in the bud? how shall we get clear of our coughs and colds? is of vital importance to the public.
THE GREAT AND ONLY REMEDY
will be found in the Ginseng Panacea. In proof of this we have from time to time published the certificates of dozens of our best known citizens, who have experienced its curative powers. These, with a mass of testimony from all parts of the country—from
MEDICAL MEN OF THE FIRST STANDING,
Ministers of the Gospel, &c., together with copious notices from the
JOURNALS OF THE DAY,
we have embodied in pamphlet form, and may be had gratis of any of our agents throughout the country.
HUNDREDS OF BOTTLES
have been used in this city.
THOUSANDS AND TENS OF THOUSANDS
throughout the United States and Canada, and we challenge any man to point out a
SINGLE INSTANCE
in which, when taken according to directions, and before the lungs had become fatally disorganized, it has ever failed to
EFFECT A PERFECT CURE.
Why, then, need the afflicted hesitate? Why resort to the miserable nostrums, gotten up by unknown individuals under the assumed name of some celebrated physician, and puffed into notoriety by certificates of persons equally unknown? Whilst a medicine of
UNPARALLELED EFFICACY
is to be had, whose vouchers are at home,—our neighbors,—many of whom it has
SNATCHED FROM THE GRAVE.
In order that this invaluable medicine may be placed within the reach of the poor as well the rich, we have put the price at
ONLY FIFTY CENTS,
just one half the usual cost of cough medicines. It is for sale by our agents in nearly every town and village over the west, who are prepared to give full information relative to it. T. SALTER, Proprietor,

HYDROPATHIC ESTABLISHMENT,
PHILLIPSBURGH, BEAVER CO., PA.

DR. EDWARD ACKER, takes this means of returning his thanks to his friends and the public for the extensive patronage he has received, and of informing them that he has lately erected a large and well constructed building, for the exclusive purposes of his WATER CURE ESTABLISHMENT, at his old location, at Phillipsburgh, Pa., on the Ohio river, opposite the steamboat landing at Beaver, where he is ready to receive patients as boarders, and treat them on Hydropathic principles. In addition to his long experience, and the great success which has heretofore attended his treatment of patients committed to his care, he has now the additional facilities afforded by an extensive building erected expressly for the purpose, containing commodious and airy rooms, and fitted up with every necessary apparatus for bathing, and administering the treatment to the utmost benefit and comfort of the patient. Phillipsburgh is a most delightful and healthy village, easy of access by steamboats, and affords fine and wholesome water. Dr. Acker assures those afflicted persons who may place themselves under his care, that every attention shall be paid to their comfort, and as an assurance of the substantial benefits to be derived, he points with confidence to the hundreds who have been permanently cured at his establishment. The Water Cure leaves no injurious effects behind, as is too often the case with those who have been treated on the old system. It removes the disease, invigorates the system, protects from the dangers incident to changes of the weather, creates a natural and active appetite, and imparts vigor to the digestive powers. Terms of treatment and boarding reasonable. For further particulars inquire at the establishment, or address the proprietor at Phillipsburgh. aug28

DR. JAYNE'S ALTERATIVE.

We have been informed by Mrs. Rose of a cure performed on her by **Dr. Jayne's Alterative**, which proves its superiority over every other remedy of the kind. She has been afflicted for the last sixteen years with NECROSES or WHITE SWELLINGS, attended with ulcerations and exfoliation of various bones, during which time many pieces have been discharged from the frontal bone of the cranium, from both her arms, wrists and hands, and from both legs, and from the left femoral bone, and from the right knee, besides painful ulcers on other parts of her person, which have baffled the skill of a number of the most eminent physicians of our city—during most of the time her sufferings have been excruciating and deplorable. About three months since she was induced to try Dr Jayne's Alterative which has had an astonishingly happy effect upon her, by removing all pain and swelling, and causing the ulcers to heal, while at the same time her general health has become completely restored, so that she now weighs 25 lbs more than she did before she commenced the use of this truly valuable preparation.—*Sat. Eve. Post.*

SCROFULA AND SCROFULOUS SWELLINGS.—Scrofula in all its multiplied forms, whether in that of King's Evil, enlargements of the glands or bones, Goitre, White Swellings, Chronic Rheumatism, Cancer, diseases of the Skin or Spine, or of Pulmonary consumption, emanate from one and the same cause, which is a poisonous principle more or less inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected, but if the principle upon which the disease depends, is removed, a cure must of necessity follow, no matter under what form the disease should manifest itself. This, therefore is the reason why JAYNE'S ALTERATIVE is so universally successful in removing so many malignant diseases. It destroys the virus or principle from which those diseases have their origin, by entering into the circulation, and with the blood is conveyed to the minutest fibre, removing every particle of disease from the system. A GREAT CURE, performed by the original and only true and genuine Liver Pill, prepared and sold by R E SELLERS.

MORRIS' FACTORY, Westmoreland Co., Pa.,
July 19th, 1847.

Mr. R. E. Sellers:—A sense of duty to you and the afflicted, induces me to add my humble testimony in favor of your justly celebrated Liver Pills. I have deferred doing so for years, adhering to Davy Crockett's maxim, "be sure you are right, then go ahead." Most of the many preparations of empirics and quacks, lauded to the skies, have sunk into oblivion since your Liver Pills have been offered to the public, and, indeed, I believe they will "survive them all," as they are just what you represent them to be. I have been afflicted with Liver Complaint from my youth; have suffered much; employed many eminent physicians, to whom I paid much money; have lost much blood; been vomited and physicked almost to death; salivated 5 or 6 times, and finally given up as incurable. In 1838-7 I was induced to try your Liver Pills, and SOON GOT WELL. One box of which is now sufficient to keep me clear of pain in the side, and all the other symptoms, for at least 12 months. Your Pills are also the best cathartic I ever used, being mild, not griping or giving much sickness at the stomach, but give me much relief. I have kept them in my store for 6 or 7 years; sold hundreds of boxes, and have never heard a single complaint uttered by any one who has used them. They have superceded almost every other pill in the neighborhood, and in a short time will banish them all. I earnestly recommend them to all persons needing physic whether for Liver Complaint or Billious Affections. I consider them far superior to Calomel or the Blue Pill. Respectfully yours, J L MORRIS

To the Medical Profession and Public.

HECKER'S FARINA, now in use at the Hospitals, Asylums, and other public establishments, and recommended by some of the most distinguished physicians and chemists, as an article of diet for children and invalids, much superior to arrow root, sago, etc. far more strengthening, pleasant to the taste, and easy of digestion. Put up in 28 lb. boxes of half lb. papers, each accompanied with printed directions for cooking, &c.

Liebig, in his Agricultural Chemistry, p. 48, Phil. ed., observes:

"Children fed upon arrow-root, salep, or indeed any kind of amylaceous food, which does contain ingredients fitted for the formation of bones and muscles, become fat, and acquire much EMBONPOINT; their limbs appear full, but they do not acquire strength, nor are their organs properly developed."

In the analysis of the Farina made by Prof. Reid of New York, among other constituents, he gives 15 per cent of glutten and albumen; and remarks that the claims of the Farina upon the Medical Profession and the public will rest upon its containing in the gluten and albumen, vegetable fibrine and other nitrogenized bodies not found in arrow root or similar substances, and which modern chemistry has pointed out as being necessary to the formation of human fibre, and by means of which nature makes up for the constant waste that takes place in the human body. Great English Remedy.

FOR Coughs, Colds, Asthma and Consumption! The GREAT AND ONLY REMEDY for the cure of the above diseases, is the HUNGARIAN BALSAM OF LIFE, discovered by the celebrated Dr. Buchan, of London, England, and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate of cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendencies of the climate, but to be used as a preventive medicine in all cases of colds, coughs, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, bronchitis, difficulty of breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough and croup.

Sold in large bottles, at $1 per bottle, with full directions for the restoration of health.

Pamphlets, containing a mass of English and American certificates, and other evidence, showing the unequalled merits of this great English Remedy, may be obtained of the Agents, gratuitously.

DR. JAYNE'S CARMINATIVE BALSAM

FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend D D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A SHINN

Purify Your Blood.

MR. O. E. SIBLEY—Dear Sir: Last Spring, and during the previous winter, I was severely afflicted with a scrofulous complaint in my legs, and had been for some months under the care of physicians. They said my case was almost incurable, and they could do but little for me. I was nearly helpless, but with the aid of crutches could with difficulty get about. In May last, I purchased of you, and commenced using BRISTOL'S SARSAPARILLA. After the use of two bottles, the sores commenced healing, and I laid aside my crutches, using only a cane. I dispensed with my cane, and at the end of the fourth, was so well as to attend all day in shearing sheep. In all, I used five bottles. The scrofula and sores have all healed up, and since last summer I have seen no appearance of the disease, but have continued, and am now, in the most perfect health. I state with confidence, hoping that others may be benefitted in the same way, that the Sarsaparilla sold by you, has been the means and the only means of effecting the cure. CORNELIUS J. ROSE.

Pulmonary Balsam.

MESSRS. REED & CUTLER—I feel it a duty I owe to my fellow creatures, to state something more respecting your Vegetable Pulmonary Balsam. Since I first used the Balsam, about eleven years ago, the happy effect of which I then gave an account of, I have had several severe complaints and attacks at my lungs, one of a very alarming nature, and on each occasion used the Balsam alone with complete and perfect success. It has effected relief and cure in a very few days. It is certainly a safe medicine. I do not know that it will cure a fixed consumption, but I believe it will be in many cases a preventive, and prevention is better than cure; I do therefore, for the love of my fellow men, earnestly recommend the use of this Balsam, in all pulmonary complaints. I am confident that it has been the means of preserving my life to this day.

SELLER'S IMPERIAL COUGH SYRUP.—It has power to cure!
PITTSBURGH, Feb. 14, 1847.

R. E. SELLERS—My wife has for years been subject to a distressing cough, accompanied with asthma, for the cure of which she used different cough remedies, and had the advice of the most eminent physicians in England, but all was unavailing. By chance I heard of your Imperial Cough Syrup, and was induced to buy a bottle for trial, although I had no belief that anything could remove her complaint. To my great surprise, two doses gave her immediate relief. She is at times troubled with a cough, but two teaspoonsful of Syrup always stops it. I am satisfied, after a trial of three or four years, that Seller's Cough Syrup is the best cough medicine I have ever tried either in the Old or New World. WM. FAIRBURNS,
