GREAT CURE OF LIVER COMPLAINT, by the original, only true, and genuine Liver Pill.

SHORT CREEK, Ohio county, Va. March 28th, 1849.

Mr. R. E. Sellers: Dear Sir—I think it a duty I owe to you and to the public generally, to state that I have been afflicted with the Liver Complaint for a long time, and so badly that an abscess formed and broke, which left me in a very low state. Having heard of your celebrated Liver Pills being for sale by A R Sharp, in West Liberty, and recommended to me by my physician, Dr. E. Smith, I concluded to give them a fair trial. I purchased one box, and found them to be just what they are recommended, THE BEST LIVER PILL EVER USED, and after taking four boxes I find the disease has entirely left me, and I am now perfectly well. Respectfully yours,

D H COLEMAN.

DR. JAYNE'S CARMINATIVE BALSAM

FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church.

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend D D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A SHINN

Great English Remedy.

FOR Coughs, Colds, Asthma and Consumption! The GREAT AND ONLY REMEDY for the cure of the above diseases, is the HUNGARIAN BALSAM OF LIFE, discovered by the celebrated Dr. Buchan, of London, England, and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate of cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendencies of the climate, but to be used as a preventive medicine in all cases of colds, coughs, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, bronchitis, difficulty of breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough and croup.

Sold in large bottles, at $1 per bottle, with full directions for the restoration of health.

Pamphlets, containing a mass of English and American certificates, and other evidence, showing the unequalled merits of this great English Remedy, may be obtained of the Agents, gratuitously.

VALUABLE DISCOVERY!

CONSUMPTIVES, BE ON YOUR GUARD.

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY.

THE GREAT REMEDY FOR

Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all Diseases of the Throat, Breast and Lungs; the most effectual and speedy cure ever known for any of the above diseases, is

DR. SWAYNE'S

Compound Syrup of Wild Cherry!

This medicine is no longer among those of doubtful utility. It has passed away from the thousands daily launched upon the tide of experiment, and now stands higher in reputation, and is becoming more extensively used than any other preparation of medicine ever produced for the relief of suffering man.

It has been introduced very generally through the United States and Europe, and there are few towns of importance but what contain some remarkable evidence of its good effects. For proof of the foregoing statements, and of the value and efficacy of this medicine, the proprietor will insert a few of the many thousand testimonials which have been presented to him by men of the first respectability—men who have higher views of moral responsibility and justice, than to certify to facts, because it will do another a favor, and themselves no injustice. Such testimony proves conclusively, that its surprising excellence is established by its intrinsic merits, and the unquestionable authority of public opinion. The instantaneous relief it affords, and the soothing influence diffused through the whole frame by its use, renders it a most agreeable remedy for the afflicted.

REMEMBER!

"When men, acting from conscientious impulses, voluntarily bear testimony to the truth of a thing, or particular fact, such testimony, being contrary to their worldly interests and purposes, coerces conviction of its truth, and commends itself in a special manner to universal credence."—O'Hogan's Moral Maxims.

READ THE HOME CERTIFICATES.

STILL ANOTHER CURE OF PULMONARY CONSUMPTION.—There never was a remedy that has been as successful in desperate cases of Consumption, as Dr. Swayne's Compound Syrup of Wild Cherry. It strengthens the system, and appears to heal the ulcers on the lungs, creating new and rich blood; power possessed by no other medicine.

CHESTER Co., April 25th, 1848.

Dr. Swayne—Dear Sir: I verily believe your Compound Syrup of Wild Cherry has been the means of saving my life. I caught a severe cold, which gradually grew worse, attended with a severe cough, that resisted all the remedies which I had recourse to, still increasing until my case exhibited all the symptoms of Pulmonary Consumption. Every thing I tried seemed to have no effect, and my complaint increased so rapidly that friends as well as myself gave up all hopes of my recovery. At this time I was recommended to try your invaluable medicine: I did so with the most happy results. The first bottle had the effect to loosen the cough, causing me to expectorate freely; and by the time I had used six bottles, I was entirely well, and am now as hearty a man as I ever was in my life, and would be happy to give any information respecting my case, that other sufferers may derive the benefit for which I am so grateful. For the truth of the above statement, I refer you to Peter Rush, Grocer, West Chester, of whom I purchased the medicine.

Respectfully yours, JAMES MORRAH.

Wonderful Cure of a Methodist Minister.

Dr. Swayne—Dear Sir: I feel a debt of gratitude due to you—and a duty to the afflicted generally, to offer my humble testimony in favor of your Compound Syrup of Wild Cherry. Some three years since I was violently attacked with cold and inflammation of the Lungs, which was accompanied with a distressing cough, pain in the breast and head, a very considerable discharge of offensive mucus from the lungs, especially upon change of weather, however slight. At first I felt no alarm about my condition, but was pretty soon convinced that I was rapidly going into consumption. I grew daily weaker, and at length was scarcely able to walk about, or speak above a whisper, such was the exceeding weakness of my lungs. During this time I had tried various preparations and prescriptions, but found no relief—growing all the time worse. Just here I was advised and persuaded by a dear friend in Wilmington to make trial of your Syrup of Wild Cherry. I must confess that previously I had been prejudiced against patent medicines, and I am still against those coming out of the hands of empirics, but understanding your claims to the profession and practice of medicine, and having implicit faith in the saying of my friends, I forthwith purchased of Dr. Shaw, one of your agents, a few bottles, and commenced its use. My disease was at that time of 20 or 25 months' standing, consequently it was deeply seated. I found, however, considerable relief from the use of the first four or five bottles. But being a public speaker, I frequently attempted to preach with my increasing strength, and thereby ruptured those vessels that had already begun to heal; in this way, doubtless, my cure was greatly retarded. In consequence of acting thus imprudently, I had to use twelve or fifteen bottles before I was perfectly restored. I have no question, a much smaller number of bottles would have made me sound, but for the above indiscretion. The Syrup allayed the fever, the habit, took away the distressing cough, put a stop to the discharge of matter from the lungs, and gave them and the entire system good health. I have deferred offering this certificate until now, for the purpose of being perfectly satisfied with the permanency of the cure, and now that I feel perfectly well I offer it with pleasure. REV. J. P. JORDAN.

Important Caution—Read! Read!

There is but one genuine preparation of Wild Cherry, and that is Dr. SWAYNE'S, the first ever offered to the public, which has been sold largely throughout the United States and some parts of Europe; and all preparations called by the name of Wild Cherry have been put out since this, under cover of some deceptive circumstances, in order to give currency to their sales. By a little observation, no person need mistake the genuine from the false. Each bottle of the genuine is enveloped with a beautiful steel engraving, with the likeness of William Penn thereon; also, Dr. Swayne's signature: and as farther security, the portrait of Dr. Swayne will be added hereafter, so as to distinguish his preparation from all others. Now, if it was not for the great curative properties and known virtues of Dr. Swayne's Compound Syrup of Wild Cherry, persons would not be endeavoring to give currency to their "fictitious nostrums" by stealing the name of Wild Cherry. Remember, always bear in mind the name of Dr. Swayne, and be not deceived.

A STRONG EVIDENCE that Dr JAYNE'S EXPECTORANT is superior to all other remedies for Coughs, Consumption, Bronchitis, Asthma, and other Pulmonary affections, is that the same persons who commenced the use of it in their families ten years ago, still prefer it to all others; and those who have been induced by others to try other preparations, have almost invariably been disappointed in not receiving the benefit which was reasonably anticipated from the high praises bestowed by the proprietors, and have returned to the use of JAYNE'S EXPECTORANT, as a remedy that has never failed to relieve them, and which probably never had its equal in arresting pulmonary diseases.

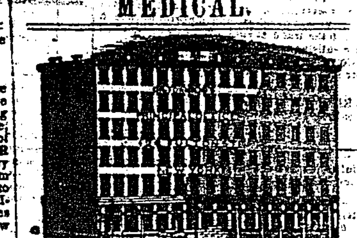
MEDICAL.



DR. TOWNSEND'S

COMPOUND EXTRACT OF

SARSAPARILLA.

Wonder and Blessing of the Age.

The most extraordinary Medicine in the World! This Extract is put up in Quart Bottles: it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening or debilitating the Patient.

The great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates the disease, it invigorates the body. It is one of the very best SPRING AND SUMMER MEDICINES ever known; it not only purifies the whole system, and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last two years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 10,000 children during the two past seasons.

10,000 cases of General Debility and want of Nervous Energy.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

Invigorating Cordial,

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.

Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

SPITTING BLOOD.

New York, April 28, 1847.

DR. TOWNSEND—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night Sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant,

WM. RUSSELL, 65 Catharine-st.

Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Prolapsus Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhoea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "*The turn of life*," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject.

It braces the whole system, renews permanently the natural energies, by removing the impurities of the body, not so far stimulating as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine, many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon child-birth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases and enriches the food, those who have used it think it is indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon childbirth—in Costiveness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the secretions and equalizing the circulation it has no equal. The great beauty of this medicine is, it is always safe, and the most delicate use it most successfully, very few cases require any other medicine, in some a little Castor Oil, or Magnesia, is useful. Exercise in the open air, and light food with this medicine, will always ensure a safe and easy confinement.

Beauty and Health.

Cosmetics, Chalk, and a variety of preparations generally in use, when applied to the face, very soon spoil it of its beauty. They close the pores of the skin, and check the circulation, which, when nature is not thwarted by disease or powder, or the skin inflamed by the alkalies used in soaps, beautifies its own production in the "human face Divine," as well as in the garden of rich and delicately tinted and variegated flowers. A free, active and healthy circulation of the fluids, or the coursing of the pure, rich blood to the extremities, is that which paints the countenance in the most exquisite beauty. It is that which imparts the indescribable shades and flashes of loveliness that all admire, but none can describe. This beauty is the offspring of nature—not of powder or soap. If there is not a free and healthy circulation, there is no beauty. If the lady is fair as driven snow, if she paint, and use cosmetics, and the blood is thick, cold and impure, she is not beautiful. If she be brown or yellow, and there is pure and active blood, it gives a rich bloom to the cheeks and a brilliancy to their eyes that is fascinating.

This is why the southern, and especially the Spanish ladies, are so much admired. Ladies in the north who take but little exercise, or are confined in close rooms, or have spoiled their complexion by the application of deleterious mixtures, if they wish to regain elasticity of step, buoyant spirits, sparkling eyes and beautiful complexions, they should use Dr. Townsend's Sarsaparilla. Thousands who have tried it, are more than satisfied, are delighted. Ladies of every station, crowd our office daily.

Notice to the Ladies.

Those that imitate Dr. Townsend's Sarsaparilla, have invariably called their stuff a *great Remedy for Females*, &c., &c., and have copied our bills and circulars which relate to the complaints of women, word for word—other men who put up medicine, have, since the great success of Dr. Townsend's Sarsaparilla in complaints incident to females, recommended theirs, although previously they did not. A number of these Mixtures, Pills, &c., are injurious to females, as they aggravate disease, and undermine the constitution. Dr. Townsend's is the only and best remedy for the numerous female complaints—it rarely, if ever fails of effecting a permanent cure. It can be taken by the most delicate females, in any case, or by those expecting to become mothers, with the greatest advantages, as it prepares the system and prevents pain or danger, and strengthens both mother and child. Be careful to get the genuine.

Scrofula Cured.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the Blood. Three persons cured in one house is unprecedented.

Three Children.

DR. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad Sores; have taken only four bottles; it took them away, for which I feel myself under great obligation.

Yours, respectfully,

ISAAC W. CRAIN, 106 Wooster-st.

CAUTION.

Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla, a number of men who were formerly our Agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, &c. They generally put it up in the same shaped bottles, and some of them have stole and copied our advertisements—they are only worthless imitations, and should be avoided.

Principal Office, 126 FULTON Street, Sun Building, N. Y.; Redding & Co., 8 State street, Boston; Dyott & Sons, 132 North Second street, Philadelphia; S. S. Hance, Druggist, Baltimore; P. M. Cohen, Charleston; Wright & Co., 151 Chartres Street, N. O.; 105 South Pearl Street, Albany; and by all the principal Druggists and Merchants generally throughout the United States, West Indies and the Canadas.

N. B.—Persons inquiring for this medicine, should not be induced to take any other. Druggists put up Sarsaparillas, and of course prefer selling their own. Do not be deceived by any—inquire for Dr. Townsend's, and take no other. ☞ Remember the genuine "Townsend's Sarsaparilla," sold by the sole agents. R. E. SPECIAL SYMPTOMS OF CONSUMPTION.—Quick pulse, hacking cough, general weakness, restless sleep, variable appetite, irregular bowels, pains between the shoulder blades behind.

INFALLIBLE SYMPTOMS OF CONSUMPTION.—Coughing night and day, flabby muscles, general debility, great shortness of breath on going up stairs, ascending a hill, or walking but a little fast, pulse always above one hundred, for weeks together, drenching cold sweats towards morning.

Catarrhal Consumption comes on like a common catarrh or cold, but about the period when this disease usually is expected to subside, some of the symptoms are aggravated. The cough is more troublesome, especially when lying down. There is no fixed pain in the chest, but difficult breathing, which is worst on lying down. The appearance of the expectoration, which is copious, is changed from a thick yellow mucus, to a thinner substance. It is very unpleasant to the patient, and emits an unpleasant smell when burned. It is of an uniform appearance, and is probably a mixture of pus and mucus, as on mixing it with water part sinks and part swims. This disease may occur in any habit or at any age, and is characterised by the peculiarity of the cough.

The Balsam of Liverwort effects the cure of this insidious disease by expectoration, sooths and heals the affected lungs. It never fails. Wherever this medicine has been used, we hear of its success. For thirteen years it has been before the public, and has been thoroughly tested for all complaints of the Lungs, and has proved itself superior in merit to any thing in use.

We might give hundreds of testimonials from physicians, the press, clergy, and those who have been cured, but all we desire is to call the attention of the afflicted, and for their own good they will try it.

Look out for counterfeits! Always observe the signature, "Geo. Taylor, M. D.," on the engraved label, and prepared at the Wholesale Depot, 73 Beekman Street, New York.

MISCELLANEOUS.

GOLD WASHERS.

H. PARRY has invented a machine for washing Gold, for which he has made application for a patent. They are now offered for sale at the warehouse of Parry, Scott & Co., No. 103 Wood street, Pittsburgh.

Adventurers to California are invited to call and examine these labor-saving machines. They are simple in their construction, easily transported on the back of mules or horses, weighing eighty pounds each, and can be put in operation in half an hour. They can be filled with provisions. It is the opinion of those who have seen the trial of one of these machines of smallest size, that two men will wash the mineral from 150 bushels of sand or earth in a day, without the loss of a particle of the mineral. They can be increased in size and worked by water or mule power, if expedient. The operators work without going into the water or being exposed to wet, and consequently without endangering their health. They will require but a small stream of water, and can be used the whole season, and can be put into operation where there is not sufficient water to wash in the usual way.

Price of smallest size $35. Orders from abroad, accompanied by cash, will be promptly filled.

WIRE RAILING.

SECURED BY LETTERS PATENT.

PUBLIC ATTENTION is solicited to an entirely new article of RAILING, made of wrought iron bars, and soft annealed rods, or wire, and expressly designed for enclosing Cottages, Cemeteries, Balconies, Public Grounds, &c., at prices varying from 50 cents to $3,00 the running foot. It is made in pannels of various lengths, 2½ to 4 feet high, with wrought iron posts 1½ inch square, at intervening distances of 6 to 10 feet. If desired, the pannels can be made of any height, in continuous spans of 60 to 60 feet, with or without posts. No extra charge for posts.

The comparative lightness, great strength and durability of the WIRE RAILING, the beauty of its varied ornamental designs, together with the extremely low price at which it is sold, are causing it to supersede the Cast Iron Railing wherever their comparative merits have been tested. DALLEY'S MAGICAL PAIN EXTRACTOR!

THE following from George E. Pomeroy, Esq., the well known proprietor of the Express, speaks for itself of the importance of the Pain Extractor to every parent.

EXPRESS OFFICE, Albany, Sept. 1.

MR. DALLEY: My Dear Sir—With feelings of no ordinary pleasure I address you in relation to the benefit I have received from your invaluable Pain Extractor. Lately, my little daughter, 6 years old, had a pitcher of boiling water turned into her bosom; her screams were dreadful, so that a crowd instantly gathered before the house to learn the cause of the terrible screams. I tore her clothes asunder, and soon spread on your salve, and she was carried and laid upon a bed. She was soon relieved from her pains, and says "Ma, I feel as if I could laugh;" and was soon in sweet sleep. She was scalded to a blister from the top of her shoulder over more than half her chest, and round under the arms. On the shoulder and breast it was very deep, yet from the first hour, she complained only when it was dressed. The sore healed rapidly, and there is no contraction of the muscles.

With many wishes, my dear sir, for your success in the sale of this mighty article,

I am yours, with respect,

GEO. E. POMEROY.

THE TEST and NO MISTAKE.

The genuine Dalley, will ever produce the same instantaneous relief, and soothing, cooling effect, in the severest cases of Burns, Scalds, Piles, &c.

The Counterfeits—no matter under what names they may appear—always irritate, and increase the pain.

TO THE PUBLIC.

I, Edward P. Holmes, of Chatham, Melvin Bridge, Columbia county, N. Y., have been afflicted with rheumatism in my breast, feet, and all over my body, for six years, so that I could not stand, and was cured by 6 applications of Dalley's Magical Pain Extractor

EDWARD P. HOLMES.

Dalley: Sir—I cut my finger with a copper nail, a poisonous nature of which caused my arm to swell considerably, with constant shooting pains up to the shoulder. A large swelling taking place at the armpit, with increasing pain, I became fearful of the Lockjaw. In this extremity your Pain Extractor was recommended to me, and which I was prevailed upon to try. The consequence was that it afforded me almost instant relief, and in three days I was completely cured. JOSEPH HARRISON, New York,

corner Broome and Sullivan sts, Sept 8, 1848.

NOTICE.—H. DALLEY is the inventor of this invaluable remedy, and never has and never will communicate to any living man the secret of its combination.

All Extractors, therefore, not made and put up by him, are base counterfeits.

M'ALLISTER'S OINTMENT

CONTAINING NO MERCURY, or other Mineral.—It has power to cause all EXTERNAL SORES, SCROFULOUS HUMORS, SKIN DISEASES, POISONOUS WOUNDS to discharge their putrid matters, and then heals them.

It is rightly termed ALL-HEALING, for there is scarcely a disease external or internal, that it will not benefit. I have used it for the last sixteen years for all diseases of the chest, involving the utmost danger and responsibility, and I declare before heaven and man, that not in one case has it failed to benefit when the patient was within the reach of mortal means.

I have had physicians learned in the profession. I have ministers of the gospel, judges of the bench, aldermen, lawyers, gentlemen of the highest erudition, and multitudes of the poor use it in every variety of way, and there has been but one voice—one universal voice saying—"M'ALLISTER, YOUR OINTMENT IS GOOD!"

RHEUMATISM.—It removes almost immediately the inflammation and swelling, when the pain ceases. (Read the directions around the box.)

HEAD-ACHE.—The salve has cured persons of the head-ache of twelve years standing, and who had it regular every week so that vomiting took place. EAR-ACHE, TOOTH-ACHE, and AGUE IN THE FACE, are helped with like success.

SCALD HEAD.—We have cured cases that actually defied every thing known, as well as the ability of fifteen to twenty doctors. One man told us he had spent $500 on his children without any benefit, when a few boxes of Ointment cured them.

TETTER.—There is nothing better for the cure of Tetter.

BURNS—It is one of the best things in the world for Burns.

PILES—Thousands are yearly cured by this Ointment. It never fails in giving relief for the Piles.

☞ Around the box are directions for using M'Allister's Ointment for Scrofula, Liver Complaint, Erysipelas, Tetter, Chilblain, Scald Head, Sore Eyes, Quinsy, Sore Throat, Bronchitis, Nervous Affections, Pains, Disease of the Spine, Head Ache, Asthma, Deafness, Ear Ache, Burns, Corns, all Diseases of the Skin, Sore Lips, Pimples, &c., Swelling of the Limbs, Sores, Rheumatism, Piles, cold Feet, Croup, Swelled or Broken Breast, Tooth ache, Ague in the Face, &c. &c.

COLD FEET—Liver Complaint, pain in the Chest and Side, falling off of the hair, or the other accompanies cold feet. (This Ointment is the true remedy.) It is a sure sign of disease to have cold feet.

CORNS—Occasional use of the Ointment will always keep corns from growing. People need never be troubled with them if they use it frequently.

☞ This Ointment is good for any part of the body or limbs when inflamed. In some cases it should be applied often.

CAUTION.—No Ointment will be genuine unless the name of JAMES McALLISTER is written with a pen on every label.

For sale by my Agents in all the principal cities and towns in the United States.

Sole Proprietor of the above medicine.

WATER CURE ESTABLISHMENT,

PHILIPSBURG, PA.

THE rapid strides which Hydropathy has made towards its introduction into this country—the brilliant and astonishing curative effects of cold water in chronic and acute diseases, when employed after the method of the celebrated Priessnitz, have removed from the mind of an intelligent and discerning public every particle of doubt as to its efficacy, and gained it universal favor. Considering the unsatisfactory results of remedies heretofore used in the treatment of chronic complaints, (complaints, too, which are increasing every year,) it must be a matter of joy to all, that there is a method by which so many unfortunate sufferers will be freed from their pains and infirmities.

The subscriber having practised successfully this method for eight years at his Hydropathic establishment, which has been considerably enlarged and improved in all its parts, and in every respect, is now ready to receive and accommodate patients who may choose to place themselves under his care, skill and experience.

Philipsburg, situated upon the left bank of the Ohio, opposite the mouth of the Big Beaver, is well known for its refreshing and salubrious atmosphere, its delightful quietness and charming natural scenery, combining every requisite to render the sojourn of the invalid agreeable, and contributing not a little to re-establish impaired health and physical strength.

The establishment, the first started in the United States, contains every thing, both for pleasure and comfort, calculated to insure a speedy and happy termination of the ailments of the Patient.

Persons wishing to avail themselves of the advantages here offered, will please address the subscriber by letter, (post-paid,) stating as near as possible the nature of their complaints, in order to decide and advise on their fitness and curability by the Hydropathic treatment, and also what will be necessary for them to take along, for their especial and personal use.

MEDICAL.

IN QUART BOTTLES.

FOR THE REMOVAL & PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABIT OF THE SYSTEM, VIZ:

Scrofula or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, and Diseases arising from an injudicious use of Mercury, Ascites or Dropsy, Exposure or Imprudence in Life. Also, Chronic Constitutional Disorders.

In this preparation are strongly concentrated all the Medicinal properties of SARSAPARILLA, combined with the most effectual aids, the most salutary productions, the most potent simples of the vegetable kingdom; and it has been so fully tested, not only by patients themselves, but also by Physicians, that it has received their unqualified recommendation and the approbation of the public; and has established on its own merits a reputation for value and efficacy far superior to the various compounds bearing the name of Sarsaparilla. Diseases have been cured, such as are not furnished in the records of time past; and what it has already done for the thousands who have used it, it is capable of doing for the millions still suffering and struggling with disease. It purifies, cleanses, and strengthens the fountain springs of life, and infuses new vigor throughout the whole animal frame.

ANOTHER CURE OF SCROFULA.

The following striking and, as will be seen, permanent cure of an inveterate case of Scrofula, commends itself to all similarly afflicted:

SOUTHPORT, Conn., Jan. 1, 1848.

MESSRS. SANDS: Gentlemen—Sympathy for the afflicted induces me to inform you of the remarkable cure effected by your Sarsaparilla in the case of my wife. She was severely afflicted with the scrofula on different parts of the body; the glands of the neck were greatly enlarged and her limbs much swollen. After suffering over a year and finding no relief from the remedies used, the disease attacked one leg, and below the knee suppurated. Her physician advised it should be laid open, which was done, but without any permanent benefit. In this situation we heard of, and were induced to use Sands' Sarsaparilla. The first bottle produced a decided and favorable effect, relieving her more than any prescription she had ever taken, and before she had used six bottles, to the astonishment and delight of her friends, she found her health quite restored. It is now over a year since the cure was effected, and her health remains good, showing the disease was thoroughly eradicated from the system. Our neighbors are all knowing to these facts, and think very highly of Sands' Sarsaparilla.

Yours with respect, JULIUS PIKE.

Extract from a letter received from Mr. N. W. Harris, a gentleman well known in Louisa county, Va.:

"Gentlemen—I have cured a negro boy of mine with your Sarsaparilla, who was attacked with Scrofula, and of a scrofulous family.

"Yours truly, N. W. HARRIS.

"Fredericks Hall, Va., July 17, 1848."

SANDS' SARSAPARILLA.—It seems almost unnecessary to direct attention to an article so well known, and so deservedly popular, as this preparation, but patients often who wish to use the extract of Sarsaparilla, are induced to try worthless compounds bearing the name, but containing little or none of the virtue of this valuable root, and we think we cannot confer a greater benefit on our readers than in directing their attention to the advertisement of the Messrs. Sands in another column. The bottle has recently been enlarged to hold a quart, and they are the only persons who really good article will find concentrated in this all the medicinal value of the root. The experience of thousands has proved, it is to be recommended; and at the present time, more than any other, perhaps, is this particular remedy, in preparing the system for a change of season.—Home Journal, Sept. 1848.

Prepared and sold, wholesale and retail, by A. B. & D. SANDS, Druggists and Chemists, 100 Fulton street, corner of William, New York. Sold also by Druggists generally throughout the United States and Canadas. Price $1 per Bottle; six Bottles for $5.

SALTER'S

GINSENG PANACEA!

TO THOSE SUFFERING WITH DISEASED LUNGS.—The unprecedented success which has attended the use of the

GINSENG PANACEA

in all the various forms which irritation of the lungs assumes, has induced the proprietor again to call attention to this

WONDERFUL PREPARATION.

The changeable weather which marks our fall and winter months, is always a fruitful source of

COLDS AND COUGHS.

These, if neglected, are but the precursors of that fell destroyer,

CONSUMPTION.

The question, then, how shall we nip the destroyer in the bud? how shall we get clear of our coughs and colds? is of vital importance to the public.

THE GREAT AND ONLY REMEDY

will be found in the Ginseng Panacea. In proof of this we have from time to time published the certificates of dozens of our best known citizens, who have experienced its curative powers. These, with a mass of testimony from all parts of the country—from

MEDICAL MEN OF THE FIRST STANDING,

Ministers of the Gospel, &c., together with copious notices from the

JOURNALS OF THE DAY,

we have embodied in pamphlet form, and may be had gratis of any of our agents throughout the country.

HUNDREDS OF BOTTLES

have been used in this city.

THOUSANDS AND TENS OF THOUSANDS

throughout the United States and Canada, and we challenge any man to point out a

SINGLE INSTANCE

in which, when taken according to directions, and before the lungs had become fatally disorganized, it has ever failed to

EFFECT A PERFECT CURE.

Why, then, need the afflicted hesitate? Why resort to the miserable nostrums, gotten up by unknown individuals under the assumed name of some celebrated physician, and puffed into notoriety by certificates of persons equally unknown? Whilst a medicine of

UNPARALLELED EFFICACY

is to be had, whose vouchers are at home,—our neighbors,—many of whom it has

SNATCHED FROM THE GRAVE.

In order that this invaluable medicine may be placed within the reach of the poor as well the rich, we have put the price at

ONLY FIFTY CENTS,

just one half the usual cost of cough medicines. It is for sale by our agents in nearly every town and village over the west, who are prepared to give full information relative to it. T. SALTER, Proprietor,

Broadway, Cincinnati, Ohio.

HYDROPATHIC ESTABLISHMENT,

PHILLIPSBURGH, BEAVER CO., PA.

DR. EDWARD ACKER, takes this means of returning his thanks to his friends and the public for the extensive patronage he has received, and of informing them that he has lately erected a large and well constructed building, for the exclusive purposes of his WATER CURE ESTABLISHMENT, at his old location, at Phillipsburgh, Pa., on the Ohio river, opposite the steamboat landing at Beaver, where he is ready to receive patients as boarders, and treat them on Hydropathic principles. In addition to his long experience, and the great success which has heretofore attended his treatment of patients committed to his care, he has now the additional facilities afforded by an extensive building erected expressly for the purpose, containing commodious and airy rooms, and fitted up with every necessary apparatus for bathing, and administering the treatment, to the greatest benefit and comfort of the patient. Phillipsburgh is a most delightful and healthy village, easy of access by steamboats, and affords fine and wholesome water. Dr. Acker assures those afflicted persons who may place themselves under his care, that every attention shall be paid to their comfort, and as an assurance of the substantial benefits to be derived, he points with confidence to the hundreds who have been permanently cured at his establishment. The Water Cure leaves no injurious effects behind, as is too often the case with those who have been treated on the old system. It removes the disease, invigorates the system, protects from the dangers incident to changes of the weather, creates a natural and active appetite, and imparts vigor to the digestive powers. Terms of treatment and boarding reasonable. For further particulars inquire at the establishment, or address the proprietor at Phillipsburgh.

DR. JAYNE'S ALTERATIVE.

We have been informed by Mrs. Rose of a cure performed on her by Dr. Jayne's Alterative, which proves its superiority over every other remedy of the kind. She has been afflicted for the last sixteen years with NECROSES or WHITE SWELLINGS, attended with ulceration and exfoliation of various bones, during which time many pieces have been discharged from the frontal bone of the cranium, from both her arms, wrists and hands, and from both legs, and from the left femoral bone, and from the right knee, besides painful ulcers on other parts of her person, which have baffled the skill of a number of the most eminent physicians of our city—during most of the time her sufferings have been excruciating and deplorable. About three months since she was induced to try Dr. Jayne's Alterative, which has had an astonishingly happy effect upon her, by removing all pain and swellings, and causing the ulcers to heal, while at the same time her general health has become completely restored, so that she now weighs 25 lbs more than she did before she commenced the use of this truly valuable preparation.—[Sat. Eve. Post.
