'TIS A FEAT TO TREAT FEET—We take this means to inform the public that we carry in stock everything pertaining to the feet, such as arch supports, both long (longitudinal) and short (metatarsal) arches. Also wedges, bunion shields and splints; athletes foot remedy, heel straights, arch binders, chyropodists pads, matatarsal pads and supports, moleskin, adhesive plaster for tired aching feet; heel balancers and protectors. Permit us to arch and wedge your favorite shoes at a very moderate price. Better than the built-in arch, as adjuste itself to the foot better and last but not least, a 50 cent corn remedy, costs more worth it. We also carry a full line of corrective orthopedic, therapeutic and anti-rheumatic shoes, including the famous Doctor Locke Shoe and others. Bring your prescriptions and family receipts to us and have them properly compounded by Registered people. A full line of the latest and freshest drugs and medicines obtainable anywhere, as we either carry it in stock or get it for you, or it isn't made. Large stock from which to draw and everything brand splinter new and up to date. Trusses fitted both single and double. THE TIBBINS PHARMACY, Beech Creek's Exclusive Drug Store. 1tf
