BUGGY AND HARNESS FOUND.

FOUND, on Saturday, the 13th of May instant, in the Township of Sheshequin, upon the premises of George Kinney, and in the woods near the main road leading back from the Susquehanna river, a one horse BUGGY WAGON, with a one harness in it. The wagon is about half-worn—painted black, with fine white stripe, and cushioned with gray satinett, (now nearly worn out.) It has good eliptic springs, and the dashboard leans backward There was in it an old cushion and sheep skin. The Harness appears to be a plough harness, no breeching, half tugs and chains, thill straps, made of a halter strap, and double lines. In the wagon was also a strap halter with part of the stale cut off, and the head stall of a bridle with the blinders cut off. The wagon appeared to have been standing there some two or three weeks.
