AYER'S
Sarsaparilla
FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was induced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, *in small doses of a teaspoonful* over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully Yours,

ALFRED B TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept, 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous *Malignant Erysipelas* by large doses of the same; says he cures the common *Eruptions* by it constantly

Bronchocele, Goitre or Swelled Neck.

Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre* — a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. R. S Channing, of New York City, writes, "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhœa by it, and some where the complaint was caused by *ulceration of the uterus* The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements"

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous *ovarian tumor* on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859

DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects *truly wonderful in the cure of Venereal and Mercurial Disease*. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones She, too, was cured entirely by your Sarsaparilla in a few weeks I know from its formula, which your agent gave me that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859

DR J C. AYER Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your *Sarsaparilla One* bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine J. PIKAM

Jules V. Getchell, of St Louis, writes: "I have been afflicted for Years with an *affection of the Liver*, which destroyed my health I tried every thing, and every thing failed to relieve me, and I have been a broken-down man for some years from no other cause than *derangement of the Liver* My beloved pastor, the Rev. Mr Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. *I feel young again* The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

Cures of these extraordinary complaints have resulted from the use of this remedy, but our space here will not admit them Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia

Many remarkable cures of these affections have been made by the alterative power of this medicine It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints that it is useless here to publish the evidence of its virtues Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects — some living trophy in their midst of its victory over the subtile and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the efficacy of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

GEORGE H ASHTON No 132 Market st Phila
Sole Agent for Philadelphia

Read the following from the New York Commercial Emporium Business for our New York Merchant We are happy to inform our fellow citizens that there is one place in our city where the physician, apothecary and country merchant can go and purchase pure Wines and Liquors as pure as imported and of the best quality We do not intend to give an elaborate description of this merchant's extensive business although it will repay any stranger or citizen to visit Udolpho Wolfe's extensive warehouse Nos 18 20 and 22, Beaver street, and Nos 17 19 and 21 Marketfield street His stock of Schnapps on hand ready for shipment could not have been less than thirty thousand cases, the Brandy some ten thousand cases—Vintages of 1834 to 1856, and ten thousand cases of Madeira Sherry and Port Wine Scotch and Irish Whiskey Jamaica and St Croix Rum some very old and equal to any in the country His also had three large cellars filled with Brandy Wine, &c in casks under Custom House key, ready for bottling Mr Wolfe's sales of Schnapps last year amounted to one hundred and eighty thousand dozen, and we hope in less than two years he may be equally successful with his Brandies and Wines

His business merits the patronage of every lover of his species Private families who wish pure Wines and Liquors for medical use should send their orders direct to Mr Wolf and every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves and replace it with Wolf's pure Wines and Liquors

We understand Mr Wolf for the accommodation of small dealers in the country puts up assorted cases of Wines and Liquors Such a man and such a merchant, should be sustained against his tens of thousands of opponents in the United States who sell nothing but imitations, ruinous alike to human health and happiness
