SELLERS' FAMILY MEDICINES—"They are the Medicines of the day."

GRAHAM'S STATION, Ohio, May 25, 1849.

R. E. Sellers: I think it right for the benefit of others to state some facts in relation to your excellent Family Medicines.

I have used your Vermifuge largely in my own family, one vial frequently answering for expelling large quantities (say 1 to 200) worms from two children. I have also used your Liver Pills and Cough Syrup in my family, and they have in every instance produced the effect desired.

As I am engaged in merchandising, I am able to state that I have yet to hear of the first failure where your medicines have been used in my section of the country. In conclusion, I may state that they are the medicines of the day, and are destined to have a very extensive popularity. Yours, respectfully,
W. H. PINNELL.

GREAT CURE OF LIVER COMPLAINT, by the original, only true, and genuine Liver Pill.
SHORT CREEK, Ohio county, Va. }
March 25th, 1849. }

Mr. R. E. Sellers: Dear Sir—I think it a duty I owe to you and to the public generally, to state that I have been afflicted with the Liver Complaint for a long time, and so badly that an abcess formed and broke, which left me in a very low state. Having heard of your celebrated Liver Pills being for sale by A R Sharp, in West Liberty, and recommended to me by my physician, Dr. E. Smith, I concluded to give them a fair trial. I purchased one box, and found them to be just what they are recommended, THE BEST LIVER PILL EVER USED; and after taking four boxes I find the disease has entirely left me, and I am now perfectly well. Respectfully yours,
D H COLEMAN.

I certify that I am personally acquainted with Mr Coleman, and can bear testimony to the truth of the above certificate. A R SHARP

DR. JAYNE'S CARMINATIVE BALSAM.

FROM the Rev. ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church. The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam: This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend D D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A SHINN

VALUABLE DISCOVERY!
CONSUMPTIVES, BE ON YOUR GUARD.
DR. SWAYNE'S
COMPOUND SYRUP OF WILD CHERRY.
THE GREAT REMEDY FOR

Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all Diseases of the Throat, Breast and Lungs; the most effectual and speedy cure ever known for any of the above diseases, is

DR. SWAYNE'S
Compound Syrup of Wild Cherry!

This medicine is no longer among those of doubtful utility. It has passed away from the thousands daily launched upon the tide of experiment, and now stands higher in reputation, and is becoming more extensively used than any other preparation of medicine ever produced for the relief of suffering man.

It has been introduced very generally through the United States and Europe, and there are few towns of importance but what contain some remarkable evidence of its good effects. For proof of the foregoing statements, and of the value and efficacy of this medicine, the proprietor will insert a few of the many thousand testimonials which have been presented to him by men of the first respectability—men who have higher views of moral responsibility and justice, than to certify to facts, because it will do another a favor, and themselves no injustice. Such testimony proves conclusively, that its surprising excellence is established by its intrinsic merits, and the unquestionable authority of public opinion. The instantaneous relief it affords, and the soothing influence diffused through the whole frame by its use, renders it a most agreeable remedy for the afflicted.

REMEMBER!

"When such, acting from conscientious impulses, voluntarily bear testimony to the truth of a thing, or particular fact, such testimony, being contrary to their worldly interests and purposes, coerces conviction of its truth, and commends itself in a special manner to universal credence."—O'Hogan's Moral Maxims.

READ THE HOME CERTIFICATES.

STILL ANOTHER CURE OF PULMONARY CONSUMPTION.—There never was a remedy that has been as successful in desperate cases of Consumption, as Dr Swayne's Compound Syrup of Wild Cherry. It strengthens the system, and appears to heal the ulcers on the lungs, creating new and rich blood; power possessed by no other medicine.

CHESTER CO., April 25th, 1848.

Dr. Swayne—Dear Sir: I verily believe your Compound Syrup of Wild Cherry has been the means of saving my life. I caught a severe cold, which gradually grew worse, attended with a severe cough, that resisted all the remedies which I had recourse to, until increasing until my case exhibited all the symptoms of Pulmonary Consumption. Every thing I tried seemed to have no effect, and my complaint increased so rapidly that friends as well as myself, gave up all hopes of my recovery. At this time I was recommended to try your invaluable medicine: I did so with the most happy results. The first bottle had the effect to loosen the cough, causing me to expectorate freely; and by the time I had used six bottles, I was entirely well, and am now as hearty a man as I ever was in my life, and would be happy to give any information respecting my case, that other sufferers may derive the benefit for which I am so grateful. For the truth of the above statement, I refer you to Peter Rush, Grocer, West Chester, of whom I purchased the medicine.
Respectfully yours, JAMES MORGAN.

Wonderful Cure of a Methodist Minister.

Dr Swayne—Dear Sir: I feel a debt of gratitude due to you—and a duty to the afflicted generally, to offer my humble testimony in favor of your Compound Syrup of Wild Cherry. Some three years since I was violently attacked with cold and inflammation of the Lungs, which was accompanied with a distressing cough, pain in the breast and head, a very considerable discharge of offensive mucus from the lungs, especially upon change of weather, however slight. At first I felt no alarm about my condition, but was pretty soon convinced that I was rapidly going into consumption. I grew daily weaker, and at length was scarcely able to walk about, or speak above a whisper, such was the exceeding weakness of my lungs. During this time I had tried various preparations and prescriptions, but found no relief—growing all the time worse. Just here I was advised and persuaded by a dear friend in Wilmington to make trial of your Syrup of Wild Cherry. I must confess that previously I had been prejudiced against patent medicines, and I am still against those coming out of the hands of empirics, but understanding your claims to the profession and practice of medicine, and having implicit faith in the saying of my friends, I forthwith purchased of Dr. Shaw, one of your agents, a few bottles, and commenced its use. My disease was at that time of 20 or 25 months' standing, consequently it was deeply seated. I found, however, considerable relief from the use of the first four or five bottles. But being a public speaker, I frequently attempted to preach with my increasing strength, and thereby ruptured those vessels that had already begun to heal; in this way, doubtless, my cure was greatly retarded. In consequence of acting thus imprudently, I had to use twelve or fifteen bottles before I was perfectly restored. I have no question, a much smaller number of bottles would have made me sound, but for the above indiscretion. The Syrup allayed the fever and cough, took away the distressing cough, put a stop to the discharge of matter from the lungs, and gave them and the entire system good health. I have deferred offering this certificate until now, for the purpose of being perfectly satisfied with the permanency of the cure, and now that I feel perfectly well I offer it with pleasure. REV. J. P. JORDAN.

Important Caution—Read! Read!

There is but one genuine preparation of Wild Cherry, and that is Dr. SWAYNE'S, the first ever offered to the public, which has been sold largely throughout the United States and some parts of Europe; and all preparations called by the name of Wild Cherry have been put out since this, under cover of some deceptive circumstances, in order to give currency to their sales. By a little observation, no person need mistake the genuine from the false. Each bottle of the genuine is enveloped with a beautiful steel engraving, with the likeness of William Penn thereon; also, Dr. Swayne's signature; and as further security, the portrait of Dr. Swayne will be added hereafter, so as to distinguish his preparation from all others. Now, if it was not for the great curative properties and known virtues of Dr. Swayne's Compound Syrup of Wild Cherry, persons would not be endeavoring to give currency to their "fictitious nostrums" by stealing the name of Wild Cherry. Remember, always bear in mind the name of Dr. Swayne, and be not deceived.

A STRONG EVIDENCE that Dr JAYNE'S EXPECTORANT is superior to all other remedies for Coughs, Consumption, Bronchitis, Asthma, and other Pulmonary affections, is that the same persons who commenced the use of it in their families ten years ago, still prefer it to all other remedies of the kind; and where any have been induced to try other preparations they have almost invariably been disappointed in receiving the benefit which was reasonably anticipated from the high praises bestowed by the proprietors, and have returned to the use of JAYNE'S EXPECTORANT, as a remedy that has never failed to relieve them, and which probably never had its equal in arresting pulmonary diseases.

Dr. W. P. Inland's Premium Plaster.

DR. W. P. INLAND, of the Medical College of Philadelphia, now offers to the public his Indian Vegetable Premium Plaster, the qualities of which, after long and tried experience, has been satisfactorily established. To all women who may be afflicted with Prolapsus Uteria or Fallen Womb, he recommends his plaster, guaranteeing a sure and speedy cure in the short space of from two to three weeks, if applied with care and rest—discarding all the countless instruments and expensive bandages so long in use. This he feels conscientious in stating, inasmuch as he has not failed in one case out of three hundred and fifty-three patients.

Also for Rheumatism and Weak Breast or Back, attended with pain, there is nothing to excel this Plaster in affording relief or effecting a cure. For sale by

MURDOCK'S
PATENT DASHER CHURN.
BUTTER CAN BE PRODUCED IN 5 OR 10 MINUTES FROM NEW MILK.

THE attention of the public is invited to this very valuable Churn, which has the advantage of all others in combining the old and new inventions together

The utility of this invention is apparent, as by a simple process the air is forced beneath the dash, and does away with the necessity of purchasing a new Churn, as it can be applied to any churn in use, and for one dollar can have all the improvements of the age combined with those of gathering the Butter in the usual way.

The public are invited to call and judge for themselves before purchasing elsewhere, at 87, corner of Market and Fifth streets, or at 63 Diamond alley, between Wood and Market streets, Pittsburgh.

GOLD WASHERS.

H. PARRY has invented a machine for washing Gold, for which he has made application for a patent. They are now offered for sale at the warehouse of Parry, Scott & Co., No. 103 Wood street, Pittsburgh.

Adventurers to California are invited to call and examine these labor-saving machines. They are simple in their construction, easily transported on the back of mules or horses, weighing eighty pounds each, and can be put in operation in half an hour. They can be filled with provisions. It is the opinion of those who have seen the trial of one of these machines of smallest size, that two men will wash the mineral from 150 bushels of sand or earth in a day, without the loss of a particle of the mineral. They can be increased in size and worked by water or mule power, if expedient. The operators work without going into the water or being exposed to wet, and consequently without endangering their health. They will require but a small stream of water, and can be used the whole season, and can be put into operation where there is not sufficient water to wash in the usual way.

Price of smallest size $35. Orders from abroad, accompanied by cash, will be promptly filled.

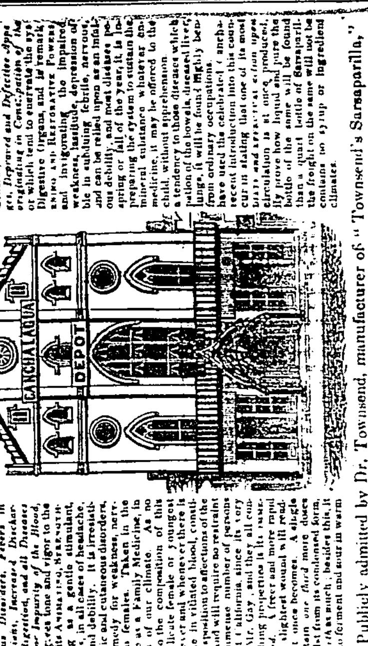
GAY'S EXTRACT OF CANCHALAGUA,

A CALIFORNIA PLANT OF RARE MEDICAL VIRTUES.

A CERTAIN PREVENTIVE AND CURE FOR FEVER AND AGUE.



Consumption, Coughs, Colds, Influenza, Asthma, Bronchitis, Scrofula, Gout, Rheumatism, Neuralgia, Erysipelas, Lumbago, Paralysis, Pleurisy, Jaundice, Dyspepsia, Costiveness, Dysentery, Dropsy, Liver Complaints, Piles, Bilious Complaints, Hemorrhages, Cutaneous Disorders, Increased Discharges, General Debility, Obstructions, Depraved and Defective Appetite, Indigestion, and all Diseases originating in Constipation of the Bowels, or Impurity of the Blood, or which tend to enervate the system. It gives tone and vigor to the digestive organs, and is remarkable for its Aperient and Restorative Powers, and invigorating the whole system. It is irresistible in its action upon the stomach and bowels, and in all cases of headache, spasmodic and cutaneous disorders, and may be relied upon as an infallible remedy for weakness, nervous debility, in subduing febrile, nervous, and all diseases of the blood. It is an excellent remedy for females. Taken in the spring or fall of the year, it is highly valuable as a Family Medicine, in changes of our climate. As no tendency to those diseases which the most delicate female or youngest child, without apprehension, may be offered, whatever substance is found in the composition of this medicine, it will be found highly beneficial from ordinary occasions.

Whatever and whenever there is a tendency to vitiated blood, or to constipation of the bowels, diseased liver, lungs, it will be found highly beneficial. An immense number of persons in this country, who have used the celebrated Canchalagua, since its very recent introduction into this country, are stating that it is a most valuable medicine. A free and more rapid circulation is at once produced, and as it is much more powerful than Sarsaparilla, it will prove how liquid and pure the bottle of the same will be found, than a quart bottle of Sarsaparilla, besides this, it contains no syrup or ingredient likely to ferment and sour in warm climates.

☞ Publicly admitted by Dr. Townsend, manufacturer of "Townsend's Sarsaparilla," To be "**Far better than Sarsaparilla.**"

The annexed letter from an eminent Lawyer is

CONCLUSIVE TESTIMONY AND PROOF POSITIVE.

NORTHAMPTON, February 1, 1849.

Dear Sir:—I have long wished to see you, that I might give you an accurate account of the remarkable cure of my only daughter, of a violent case of scrofula. She is now almost three years of age. In February last, putrid sores upon the lips, then upon the chin, made their appearance, and increased with fearful rapidity, and one of her eyes became to badly that it could never again be restored. This continued for six weeks, the child being horrible sight, and the hearts of her parents almost broken. During the whole of this period we used Sarsaparilla, large quantities, but the disease was not arrested in the least. While the disease was still at its height, I happened one day to call at the store of your very gentlemanly agent in this place, and relating the manner in which our child was afflicted, he advised me to make a trial of your Canchalagua. I took but one bottle, having no very great hope of a cure, but in twenty-five days the child had improved rapidly, and in about two weeks, to the joy of her parents and the astonishment of our incredulous friends, was apparently cured. We again commenced giving her your medicine, and in five days, the same period of time as before, she began to grow better; and in about two weeks was well again. We continued giving the extract for three or four weeks longer, and then stopped its use entirely. From that day to this the child has been perfectly well, and is as healthy as any child in the country.

My father, Isaac Hodges, of North Adams, Mass., a physician, came to see us, and I am sure he will now recommend your medicine in similar cases. He has been since using your extract with success, and in all cases. Should any of your friends wish to know the effect of this kind, to make a trial of your invaluable Canchalagua, and I am certain they will be rewarded tenfold. HORACE J HODGES.

MEDICAL.

M'ALLISTER'S OINTMENT

CONTAINING NO MERCURY, or other Mineral.—It has power to cause all EXTERNAL SORES, SCROFULOUS HUMORS, SKIN DISEASES, POISONOUS WOUNDS to discharge their putrid matters, and then heals them.

It is rightly termed ALL-HEALING, for there is scarcely a disease external or internal, that it will not benefit. I have used it for the last sixteen years for all diseases of the chest, involving the utmost danger and responsibility, and I declare before heaven and man, that not in one case has it failed to benefit when the patient was within the reach of mortal means.

I have had physicians learned in the profession. I have ministers of the gospel, judges of the bench, aldermen, lawyers, gentlemen of the highest erudition, and multitudes of the poor use it in every variety of way, and there has been but one voice—one universal voice saying—"M'ALLISTER, YOUR OINTMENT IS GOOD!"

RHEUMATISM—It removes almost immediately the inflammation and swelling, when the pain ceases. (Read the directions around the box.)

HEAD-ACHE—The salve has cured persons of the head-ache of twelve years standing, and who had it regular every week so that vomiting took place. EAR-ACHE, TOOTH-ACHE, and AGUE IN THE FACE, are helped with like success.

SCALD HEAD—We have cured cases that actually defied every thing known, as well as the ability of fifteen or twenty doctors. One man told us he had spent $500 on his children without any benefit, when a few boxes of Ointment cured them.

TETTER—There is nothing better for the cure of Tetter.

BURNS—It is one of the best things in the world for Burns.

PILES—Thousands are yearly cured by this Ointment. It NEVER fails in giving relief for the Piles.

WATER CURE ESTABLISHMENT,
PHILLIPSBURG, PA.

THE rapid strides which Hydropathy has made since its introduction into this country—the brilliant and astonishing curative effects of cold water in chronic and acute diseases, when employed after the method of the celebrated Priessnitz, have removed from the mind of an intelligent and discerning public every particle of doubt as to its efficacy, and gained it universal favor. Considering the unsatisfactory results of remedies heretofore used in the treatment of chronic complaints, (complaints, too, which are increasing every year,) it must be a natural wish to see the success of a method by which so many unfortunate sufferers will be freed from their pains and infirmities.

The subscriber having practised successfully this method for eight years at his Hydropathic establishment, which has been considerably enlarged and improved in all its parts, and in every respect, is now ready to receive and accommodate patients who may choose to place themselves under his care, skill and experience.

Philipsburg, situated upon the left bank of the Ohio, opposite the mouth of the Big Beaver, is well known for its refreshing and salubrious atmosphere, its delightful quietness and charming natural scenery, combining every requisite to render the sojourn of the invalid agreeable, and contributing not a little to re-establish their physical and physical strength.

The establishment, the first started in the United States, contains every thing, both for pleasure and comfort, calculated to insure a speedy and happy termination of the treatment of the Patient.

Persons wishing to avail themselves of the advantages here offered, will please address the subscriber by letter, (post-paid,) stating as near as possible the nature of their complaints, in order to decide and advise on their fitness and curability by the Hydropathic treatment, and also what will be necessary for them to take along, for their special and personal use.
EDWARD ACKER, M. D. Proprietor.

SPECIAL SYMPTOMS OF CONSUMPTION—Quick pulse, hacking cough, general weakness, restless sleep, variable appetite, irregular bowels, pains between the shoulder blades behind.

INFALLIBLE SYMPTOMS OF CONSUMPTION.—Coughing night and day, flabby muscles, general debility, great shortness of breath on going up stairs, ascending a hill, or walking but a little fast, pulse always above one hundred, for weeks together; drenching cold sweats towards morning.

Catarrhal Consumption comes on like a common catarrh or cold, but about the period when that disease usually is expected to subside, some of the symptoms are aggravated. The cough is more troublesome, especially when lying down. There is no fixed pain in the chest, but difficult breathing, which is worst on lying down. The appearance of the expectoration, which is copious, is changed from a thick yellow mucus, to a thinner substance. It is very unpleasant to the patient, and emits an unpleasant smell when burned. It is of an uniform appearance, and is probably a mixture of pus and mucus, as on mixing it with water part sinks and part swims. This disease may occur in any habit or at any age, and is characterised by the peculiarity of the cough.

The Balsam of Liverwort effects the cure of this insidious disease by expectoration, sooths and heals the affected lungs. It never fails. Wherever this medicine has been used, we hear of its success. For thirteen years it has been before the public, and has been thoroughly tested for all complaints of the Lungs, and has proved itself superior in merit to any thing in use.

We might give hundreds of testimonials from physicians, the press, clergy, and those who have been cured but all we desire is to call the attention of the afflicted, and for their own good they will try it.

Look out for counterfeits! Always observe the signature, "Geo. Taylor, M. D.," on the engraved label, and prepared at the Wholesale Depot, 73 Beekman street, New York.

WASHINGTON Tp., Westmoreland co. Pa.

Mr John D Morgan:—This is to certify that I have been selling your Vermifuge for some time, say about one year—and in that time I have never known it to fail in bringing worms away, when the symptoms indicated their presence. I had occasion to give it to two grown up members of my family; I gave each of them one dose, and one of them passed 200 and the other over 250 worms. It is the best Vermifuge that any man can use in his family. J. W. YOUNG.

MEDICAL.

SALTER'S
GINSENG PANACEA!

TO THOSE SUFFERING WITH DISEASED LUNGS.—The unprecedented success which has attended the use of the

GINSENG PANACEA

in all the various forms which irritation of the lungs assumes, has induced the proprietor again to call attention to this

WONDERFUL PREPARATION.

The changeable weather which marks our fall and winter months, is always a fruitful source of

COLDS AND COUGHS.

These, if neglected, are but the precursors of that fell destroyer,

COSUMPTION.

The question, then, how shall we nip the destroyer in the bud? how shall we get clear of our coughs and colds? is of vital importance to the public.

THE GREAT AND ONLY REMEDY

will be found in the Ginseng Panacea. In proof of this we have from time to time published the certificates of dozens of our best known citizens, who have experienced its curative powers. These, with a mass of testimony from all parts of the country,—from

MEDICAL MEN OF THE FIRST STANDING,

Ministers of the Gospel, &c., together with copious notices from the

JOURNALS OF THE DAY,

we have embodied in pamphlet form, and may be had gratis of any of our agents throughout the country.

HUNDREDS OF BOTTLES

have been used in this city.

THOUSANDS AND TENS OF THOUSANDS

throughout the United States and Canada, and we challenge any man to point out a

SINGLE INSTANCE

in which, when taken according to directions, and before the lungs had become fatally disorganized, it has ever failed to

EFFECT A PERFECT CURE.

Why, then, need the afflicted hesitate? Why resort to the miserable nostrums, gotten up by unknown individuals under the assumed name of some celebrated physician, and puffed into notoriety by certificates of persons equally unknown? Whilst a medicine of

UNPARALLELED EFFICACY

is to be had, whose vouchers are at home,—our neighbors,—many of whom it has

SNATCHED FROM THE GRAVE.

In order that this invaluable medicine may be placed within the reach of the poor as well the rich, we have put the price at

ONLY FIFTY CENTS,

just one half the usual cost of cough medicines. It is for sale by our agents in nearly every town and village over the west, who are prepared to give full information relative to it. T. SALTER, Proprietor,

HYDROPATHIC ESTABLISHMENT,
PHILLIPSBURGH, BEAVER CO., PA.

DR. EDWARD ACKER, takes this means of returning his thanks to his friends and the public for the extensive patronage he has received, and of informing them that he has lately erected a large and well contrived building, for the exclusive purpose of his WATER CURE ESTABLISHMENT, at his old location, at Phillipsburgh, Pa., on the Ohio river, opposite the steamboat landing at Beaver, where he is ready to receive patients as boarders, and treat them on Hydropathic principles. In addition to his long experience, and the great success which has heretofore attended his treatment of patients committed to his care, he has now the additional facilities afforded by an extensive building, erected expressly for the purpose, containing commodious and airy rooms, and fitted up with every necessary apparatus for bathing, and administering the treatment to the utmost benefit and comfort of the patient. Phillipsburgh is a most delightful and healthy village, easy of access by steamboats, and affords fine and wholesome water. Dr. Acker assures those afflicted persons who may place themselves under his care, that every attention shall be paid to their comfort; and as an assurance of the substantial benefits to be derived, he points with confidence to the hundreds who have been permanently cured at his establishment. The Water Cure leaves no injurious effects behind, as is too often the case with those who have been treated on the old system. It removes the disease, invigorates the system, and renders it less subject to disease than before, and imparts vigor to the digestive powers. Terms of treatment and boarding reasonable. For further particulars inquire at the establishment, or address the proprietor at Phillipsburgh.

DR. JAYNE'S ALTERATIVE.

We have been informed by Mrs. Rose of a cure performed on her by Dr. Jayne's Alterative, which proves its superiority over every other remedy of the kind. She has been afflicted for the last sixteen years with NECROSES or WHITE SWELLINGS, attended with ulcerations and exfoliation of various bones, during which time many pieces have been discharged from the frontal bone of the cranium, from both her arms, wrists and hands, and from both legs, and from the left femoral bone, and from the right knee, besides painful ulcers on other parts of her person, which have baffled the skill of a number of the most eminent physicians of our city—during most of the time her sufferings have been excruciating and deplorable. About three months since she was induced to try Dr. Jayne's Alterative, which has had an astonishingly happy effect upon her, by removing all pain and swellings, and causing the ulcers to heal, while at the same time her general health has become completely restored, so that she now weighs 25 lbs more than she did before she commenced the use of this truly valuable preparation.—[Sat. Eve. Post.

Dr. Wickey's Celebrated
CHOLERA AND DIARRHŒA MEDICINES.

THE public are requested to read the following certificates. This medicine is extensively used in all the Southern and Eastern cities.

We do certify that Dr. Louis WICKEY, of York, Pa., took under his care and management, on or about the first of October last, a young man laboring under a severe attack of "Asiatic Cholera." That we examined the said patient, and found him to be in the collapsed state, of that disease, with frequent and copious rice water discharges. That we pronounced it a case of genuine Cholera, and declared moreover that we believed the said patient was beyond the hope of med ical aid. In fact we thought the patient would die, and so declared at the time.

We further certify that the said Louis Wickey pursued his own mode of treatment, and administered his Cholera Remedy, and effected a cure of the patient. We think in four days thereafter the said young man was at work, and perfectly well.
JOHN C. DORSEY, M. D.
T. B. DUCKETT, M. D.

I certify that I visited a case of modified Cholera under the care of Dr. Louis Wickey, and that I believe his medicine relieved him.

State of Maryland, Washington County, to wit:

I certify that I am well acquainted with the gentlemen who have signed the within certificates of Dr. Louis Wickey, and they are men of respectability.

In testimony whereof I hereunto subscribe my L. S. name, and affix the seal of my office, this fourteenth day of November, eighteen hundred and thirty-three. O H WILLIAMS, Clerk
Washington County Court, Maryland.

I witnessed the administration of Dr. Louis Wickey's preparation for Cholera, in the case of an apprentice to the plastering business in this town (Hagerstown.) His was a well marked case of Asiatic Cholera, with rice water evacuations, cold clammy skin, cold tongue, small tremulous pulses.—I considered his situation truly critical and alarming. I saw him previous to Dr. Wickey, and was present at the administration of the first dose of medicine, and saw him repeatedly during the attendance of Dr. Wickey; he recovered so as to be able to attend to and work at his trade in a few days. I am sure he took none other but the medicine administed by Dr. Wickey.
