The Star and Sentinel.

Gettysburg, Friday, May 21, 1869.

APPOINTED.—Martin Shoemaker has been appointed Postmaster at Grafenburg; and Martin E. Doyle at Wenk's.

NEW PATENT.—Among the patents recently granted, is one to A. Tschop and J. Hartman, of East Berlin, for a Horse Rake.

RETURNED.—Col. W. G. Case, of Columbia, President of the Gettysburg Railroad company, has returned from Europe.

CANDIDATE.—Benjamin Albert of Reading twp., is added to the list of Copperhead candidates for nomination for Register and Recorder.

CORPUS CHRISTI.—We learn that this church festival occurs this year on Thursday, May 27th. Preparations are being made at the Conowago Chapel for the annual celebration.

ACCIDENT.—Mr. Frank Hamburg of Chambersburg, who was working at the Katalysine hotel building near this place, fell from the cupola to the roof of the main building on the 14th inst., and was considerably injured.

SIGNED.—We understand that Gov. Geary has approved the bill passed by the last legislature relative to the Bounty Tax in Cumberland township. The bill was published in full in a recent number of the STAR AND SENTINEL.

ARRESTED.—Wm. Wordy, charged with malicious mischief at a wake in this county, was arrested by Deputy Sheriff James Hann and officer Rouzer, last week near Hughes's Furnace, and brought to this place. He was admitted to bail in the sum of $500.

SAILED FOR EUROPE.—Dr. John A. Swope of Baltimore, son of George Swope, Esq., of this place, sailed from Baltimore for Europe on Wednesday of this week. We regret to hear that his health is seriously impaired, and hope it may be restored.

ADDITION TO THE HOMESTEAD.—A new frame building is about being erected at the National Orphans' Homestead, in front of the School House. It will be 31 x 45, three stories (two stories frame and French Roof,) and is to be finished about the 1st of August. Stallsmith and Son are the contractors.

RECEIVED.—A very valuable diamond ring, stolen in Cincinnati about three months ago from a wealthy citizen, was traced to this county, and recovered a few days ago by officer Rouzer, whose assistance was invoked but a few days before. The ring is valued at $600, and contains 24 diamonds. It was returned to the owner by Adams' Express on Wednesday morning last.

QUICK WORK.—David Culp, of this place, one of the plasterers at the Katalysine Spring Hotel, a few days ago, put the second coat on a room 15 feet long, 10 feet wide and 9 feet high, containing 40 yards of plastering, in the almost incredibly short time of 6 minutes and 20 seconds, by the watch! In doing so, he was assisted by C. Hoff who "dorbled and straighted-edged" the mortar which Mr. Culp put on.

The closing exercises of the Class of '69, Pennsylvania College, will take place on the College Campus on Friday evening, May 21, at 6 o'clock, P. M. The public are respectfully invited to be present. From 7½ until 9 P. M., there will be a grand Promenade Concert. Should the weather prove unfavorable the exercises will be postponed until Saturday, May 22d. The College grounds have been thoroughly "brushed up" for the occasion.

A PAIR OF SCAMPS.—Two persons who gave their names as Justin W. Beibe and James S. Ireland were arrested here on Wednesday morning, charged with having sold to Conrad Snyder of the Battlefield Hotel, two forged notes—one on George Doll of Cumberland Township for $100, and one on James E. Baker, for $100. They were taken by detective Rouzer and Sheriff Haun before Justice Cover who committed them to jail in default of bail to the amount of $600 each.

They have a confederate who is at present in Emmitsburg, and whose arrest is anticipated.

Upon being searched, eight forged notes were found upon their persons; three on George Doll of $100 each; two on James E. Baker of $100 each; two drawn by Joshua Whitaker of Media, Pa., of $150 each; and one drawn by William Bechtold, Mounjioy, of $100. A blank note was also found filled to the order of C. Rowe & Co., New Milford, Pa., for $203.75. Two notes, drawn by Michael P. Washburn and William H. Hall for $125 each, payable all of them to J. W. Beibe; and on these last two were endorsements that they were forged by William H. Hall.

Beibe and Ireland have been in this neighborhood for nearly three weeks, and have behaved suspiciously. They are young men, generally drove a span of black horses, in an open buggy, and pretended to be dealing in Patent-rights. Their detection and arrest are greatly to the credit of the gentlemen engaged in it. They will be tried at the August Court, third Monday.

DECORATION DAY.—Saturday, the 29th day of May, will be devoted to the decoration of the graves of Union Soldiers, and arrangements are in progress in the leading towns, for that purpose. The program for Gettysburg, has been determined upon, and is as follows:

The procession, will move at 4 o'clock, P. M., sharp, from the Public Square, under the Marshalship of Col. John H. McClellan. The citizens of the county are all invited to be present. The Faculty and Students of the College are expected to attend in a body, also the Franklin Zouaves, the Gettysburg Brass band and the College Choir. The services at the Soldiers' Cemetery will take place at the base of the Monument. Rev. W. R. Deardorich will make the opening prayer, J. Howard Wert, Esq., the Prologue, Rev. H. L. Baugher the Oration, and Rev. Dr. Hay the closing prayer. The graves will then be decorated. Flowers are solicited for this purpose from every portion of the county, and will be received up to 3 o'clock, P. M., of Saturday the 29th inst., at the stores of T. C. Norris, and F. E. Duphorn, on Public Square. In view of the noble use to which they are to be applied, we trust there will be a general response to this request.

The general arrangements of the day are in charge of the Gettysburg Zouaves

CELEBRATION.—On last Monday the Berlin Beneficial Association, at East Berlin, held their anniversary celebration. The Association numbers nearly two hundred and a large majority of the members were present. There was quite a large turn out of the people for several miles around to witness the exercises.—At 12 o'clock, M., the Association formed in procession headed by the Brass Band of the town, and marched through the town under the Marshalship of Col. William Wolf, Capt. John Stornbaugh and H. H. Baber, Esq. The music being very good attracted much attention. The procession proceeded to the church where an address was delivered by James B. Zigler, Esq., of York, devoted mainly to the defense of secret organizations. He was followed in the same strain by Rev. Davis. The church was crowded to overflowing and all seemed pleased with the day's proceedings. The Berlin Beneficial Association is not a secret Order, but purely a mutual association. This fact the speakers unfortunately overlooked and consequently very little of what they said was applicable to the Association they were addressing.

A CURIOUS CASE.—We clip the following from the Williamsport (Pa.) *Bulletin* of the 15th inst.:

Does a man commit forgery when he signs the owner's name? This is a question which arises in the case of Levi Miller now under arrest in this city on a charge of forgery. Whatever be the decision on that point, there can be no doubt of the intention to get money not his own. Further developments show that Kont & Goldsburo, of Davenport, Iowa, land and loan agents, were employed by Levi Miller, of Pine Grove, Schuylkill county, Pa., to affect the sale of lands in Iowa, which they in part have accomplished. The correspondence, however, between the agents and their client were intercepted by Miller now in custody, and the information and money used for his benefit. By a letter dated the 26th of April, 1868, it shows that a draft of $300 was sent by the agents and appropriated by Levi Miller, of Fountaindale, Adams county, Pa., instead of going to Levi Miller, of Pine Grove, Pa. The prisoner on receipt of the draft opened a correspondence and subsequently received two remittances of $16.05 each. The first draft of $300 he secured the money upon by forging the names of the endorsers, at a banking house in this city, the second and third were paid at the counter of the First National Bank of Waynesboro,' Pa.

In the meantime several letters have been written by Miller and the agents, in reference to the lands sold and to be sold and purchased. The owner of the money had kept for some time suspicions of a leak somewhere, and became convinced of the fraud being practiced on corresponding with his agents. On learning that letters had been intercepted they gave notice to the Post Office Department at Washington, and Mr. F. Depro was detailed to trace the matter up. On the 26th ult., he commenced his search and proceeded at once to Greencastle, Pa. He there found that a forged acknowledgement had been taken before a Notary Public of that place, which was made in order to secure $2000 yet to be paid on the lands in the hands of the agents. After obtaining this information and finding that the draft had been cashed by the 9th National Bank of New York, which came from this city, he took the cars for Williamsport, arriving here on the evening of the 5th inst. Learning from Messrs. Sanders & Co., that they had cashed a draft in November last, he visited the Post Office, and, in less than two hours had the suspected individual in his custody. We are informed that it was officer Stryker who assisted in making the arrest here. As before stated in the *Bulletin*, he was committed to the Grey Eagle, to board with Sheriff Piatt. We have rumors that he has acknowledge to other and larger forgeries, but we cannot vouch for their correctness.

EMMITSBURG ITEMS.—David Gamble, Esq., has recently entered into the manufacture of brick, in company with Robert McIlhenny, at the old stand on the "Gamble farm," half mile from town, now owned by Eli Horner. Mr. Gamble is an old hand at the business, having followed it for 22 years. This yard, in connection with that of John Bell, will put up a large number of brick during the summer, to supply the demand which has recently sprung up in Emmitsburg.

The election for School Trustees, held on the 1st inst., resulted in the election of Dr. J. T. Bussey and Isaac Hyder. The opposing candidates were the present incumbents, Eli Smith and Edward McIntyre. Both the old and new boards are equally divided in politics.

On the 3d inst., an election for Corporation was held. The Republicans put a full ticket in the field, (with one exception), which was successful, except in regard to two of the commissioners. Martin Sweney was elected *Burgess;* Isaac Hyder, Dr. J. W. Eichelberger, Jacob S. Gelwicks and Joshua Rowe *Commissioners;* James T. Hays, *President Fire Company;* W. S. Guthrie, *V. P. Fire Company;* Robert Gelwicks, *Clerk;* Nathaniel Rowe, *First Engineer;* Thomas Fraly, *Second Engineer.* Mr. Rowe (Democrat), was elected on the Republican ticket.—James T. Adelsperger, Lewis M. Motter and Henry Stokes, all Democrats, received the same number of votes for Commissioner, rendering another election necessary, as six is the number required by law. The Democrats have controlled the Corporation for years, and the Republicans feel considerably elevated over their victory. "Lower Taxes" is the motto of the officers just elected.

Mr. Joseph Culbertson has rented his large Woolen Factory to his sons, John Q. and Samuel Culbertson, who will continue the extensive trade established by their father, who is now closing up his old business.

Mr. Daniel Sheets, recently from Adams county, Pa., has opened a lumber yard.

The old firm of Hyder & Krise has been dissolved.—*Frederick Republican.*

HANOVER ITEMS.—We copy the following from the Hanover papers:

The President and Directors of the Hanover Branch Railroad Company, have declared a Dividend of five per cent., on the capital stock for the last six months, clear of all taxes, payable on and after Monday, May 17th, at the office of the Hanover Saving Fund Society.

We learn that our townsman Mr. Isaiah P. Diller, last week sold his pair of fast trotters to Mr. Daniel Cookes, of Baltimore, for $1,000. Mr. Allowees Smith has also sold a pair of fine horses to Mr. Kindig, for $565.

At an election for officers held by the stockholders of the Hanover Branch Railroad Company on Monday last, the following gentlemen were chosen to serve the ensuing year:

President—Capt. A. W. Eichelberger.

Directors—David M. Myers, Henry C. Schriver, Joseph Deljone, Reuben Young, David Wortz and Henry Wirt.

The masons are busy at work on a number of new buildings in different parts of the town. On Broadway Avenue three new two-story brick dwellings are in course of erection, respectively for Messrs. Stephen Keefer, — Zouck and Anthony Myers. The German Reformed congregation will also soon commence the erection of a new parsonage, (a two-story brick,) on the same street. Mr. John Warner is erecting a handsome two-story brick dwelling on York street, which will be quite an improvement to that section of the town.

A new street has been opened in the Southern portion of this place—running East and West—to be call ed Pleasant street.

Mr. H. Bittinger, of Hanover, has been appointed Assistant Assessor of Internal Revenue of 3rd division, 15th district in place of L. F. Melsheimer, Esq.

The post office of this place has been removed to Frederick street, in the building belonging to Mr. Jacob Newman. Wm. Stair has entered upon his duties as postmaster.

IMPROVEMENTS IN NEW OXFORD.—There is considerable improvement going on in New Oxford this Spring. This thriving village is not behind the time. Messrs. J. S. Gitt, W. Emmert and the German Reformed Parsonage have each had a tin roof put on their houses in place of Gravel. Mr. Nagle built a shop, and is now putting up a house. Mr. A. S. Hines is having the foundation dug out for a new house, Mr. Hoke put up a new barn, Mr. J. Diehl a new house, already completed, and A. Diehl has also erected a new house near the toll gate. Considerable renovation of buildings, and painting has been done, so that our neighboring village of New Oxford, looks like a new village.

FIRES.—Last week two destructive fires occured in the mountain—one principally in land belonging to the estate of John Weaver, the other below Mt. Holly gap, along the old Petersburg road, on land of Carey W. Ahl. The former originated in a coaling, the origin of the latter not stated.

WATER COMPANY.—The election for Managers of this Company, was held on Saturday last and resulted as follows:

Managers—George W. McClellan, H. J. Stahle, M. Eichelberger, E. B. Buehler, and S. R. Russell.

In consequence of Mr. McClellan's illness, the managers have not yet organized, but is supposed that the organization will remain as at present. This company is in a very prosperous condition its regular dividend being about twelve per cent. The stock is much in request.

Lost on Saturday evening, the 15th inst., supposed in the Public Square or Chambersburg street, a small new Dark Pocket Book containing a Twenty Dollar Note. The finder will be suitably rewarded by leaving it at Dr. Huber's. It
