ANNEXATION OF CUBA!

GLORIOUS NEWS TO THE PEOPLE!

WILLIAM HAYDEN, grateful for the liberal patronage he has received since his commencement in business, would inform the people of Bradford county that he has just received direct from New York a large supply of

Dry Goods, Groceries, Liquors, Ready made Clothing, Boots and Shoes, Cigars, &c.,

all of which he offers for sale at an exceedingly low price for cash. Having extraordinary facilities of purchasing, and such as few in country towns can acquire he flatters himself that he can and will make it the interest of those wishing to purchase to give him a call before purchasing elsewhere. Landlords and Individuals wanting a superior article of

LIQUORS

we would call your special attention to those old Grand Cognac, Champaigne and American Brandy; pure Holland and American Gin; old Jamaica and St. Croix Rum; fine Port, Sherry, Claret, Madeira, Malaga, Ginger and Raspberry Wines; a few baskets Champaigne, a superior article, still on hand. We are determined to put our Liquors down to the lowest figure, being desirous to quit the liquor business. Our terms are in all cases, *Cash or Ready Pay*—and no second price—Don't mistake the place—the west corner of Main and Bridge sts., in the store formerly occupied by J. Kingsbery.

WM. HAYDEN.

Towanda, June 4, 1850.

A Stock of Drugs for Sale!

THE subscribers being about to go West, offer for sale their entire stock, consisting of

DRUGS, MEDICINES, PAINTS, OILS, &c.

To any person wishing to go into the business, we offer an excellent opportunity, ours being the only Drug Store in a very enterprising and thrifty town.

The present opportunity is an excellent one for a physician, as one of the subscribers—Dr. King—leaves a good practice, which he will recommend to any one wishing to take his place. Terms made easy.

KING & VOSBURG.

Troy, Bradford co. Pa. June 3, 1850.

THE PEOPLE'S FRIEND!

T. T. Pond's (of Utica, N. Y.) Pain Destroyer and Healing Extract.

AN extract from the shrub called Witch-hazel, and purely from that, with the exception of a little alcohol to preserve it.

It will cure all local pain and inflammations, old sores, fresh wounds and bruises, Piles and all diseases of the bowels of a chronic nature, tooth-ache and ear-ache, is good for female complaints &c., &c.

It is truly what it professes to be, *the people's friend*. Providence has scattered along the rugged paths of life many things that contribute greatly to the comfort and happiness of every body; hence their great value, and well may they be called "friends of the People."

One word here to guard against imposition. A person by the name of Spencer, has manufactured and offered for sale a spurious article called the *Compt Extract*, that would be extract of the witch-hazel—the genuine is as white and as pure as water, while the spurious article is colored, which enables the public to distinguish.

None genuine but those marked "Pond's Pain Destroyer."

For sale at Montanye's & Co. Towanda, H. S. Hinman Monroeton, Parkhurst & Lamb Leroy, Horace Wiley Franklin. June 5th 1850.
