Samples of all the above articles are deposited in the office of the Commissioner of Indian Affairs; and it may be proper to remark that those of hardware, agricultural implements, and northwest guns, are entirely new, and of better quality than the articles heretofore furnished under former contracts.

The proposals may be divided into four parts, viz:
1st. Blankets.
2d. Dry Goods.
3d. Hardware, to include agricultural implements, &c.
4th. Northwest guns.

The lowest competent responsible bidder will receive the whole or any part of the contract according to the above scale, the Department reserving to itself the right to determine whether the bidder is competent and responsible, or not.

The whole amount in money to be applied to the purchase of goods will be about $90,000, but the Department reserves the right to increase or diminish the quantity of any of the articles named, or substitute others in lieu thereof, or to require, at similar prices, such as may be wanted for the use of the Department—the administration of the affairs of the Department—goods of American manufacture, all other things being equal, will be preferred; but as all the samples of blankets and cloths are of foreign manufacture, it will be necessary when a domestic article is bid for, that a sample of it should accompany the bid, to enable the Department to decide whether it is of equal quality with the samples to be exhibited.

The party proposing to supply the articles will make an invoice of all the items embraced in the above list, and affix the prices, in dollars and cents, at which he or they will furnish them, deliverable in New York, (or if the contractor prefers it, about one-half of the quantity may be delivered in St. Louis, Missouri, free of expense to the Government,) on or before the 15th day of May next, assuming the quantity of each article as specified in this advertisement, and extending the cost, making an aggregate of the whole invoice constituting the bid. The goods will be inspected in New York, (and in St. Louis, if any portion of them should be delivered there,) by an agent of the United States, who will be appointed by the Department for the purpose, and to ascertain the conformity of the articles purchased with the samples exhibited, when the contract shall be made, and with the terms of the contract itself, which shall contain a clause that if the articles are not furnished within the time prescribed, or if they are of insufficient quality in the opinion of the agent aforesaid, and if within five days after notice of such insufficiency the party shall not furnish others in lieu thereof of the required quality, the United States shall be authorized to purchase them of others, and to charge any increase of price they may be compelled to pay therefor, to the contractor, who shall pay the said difference to the United States.

Bonds will be required, in the amount of the bids, with two good sureties, the sufficiency of whom to be certified by a United States Judge or District Attorney, for the faithful performance of the contracts. Payment will be made after the contract is completed and the delivery of the goods as aforesaid to an agent of the Department, upon a duplicate invoice certified by him.

Communications to be marked "Proposals for Indian goods."

The bids will be submitted with the following heading, and none will be received that are not made in the form and terms here prescribed:

"I (or we) propose to furnish for the service of the Indian Department the following goods, at the prices affixed to them respectively, viz:

(Here insert the list of goods.)

Deliverable in the city of New York (or St. Louis) on or before the — day of —— next; and in case of the acceptance of his proposals, the quantity being prescribed by the Department, I (or we) will execute a contract according to this agreement, and give satisfactory security to the Department within ten days after the acceptance of this bid; and in case of failure to enter into such contract, and give such security, I (or we) will pay to the United States the difference between the sums bidden by me (or us,) and the sum which the United States may be obliged to pay for the same articles."

Each and every bid must also be accompanied with a guaranty in the following form, to be signed by one or more responsible persons, whose sufficiency must be certified by some one who is known to the Department, either personally or by his official position.

"I (or we) hereby guaranty that ——, the above bidder, will comply with the terms of the advertisement for 'proposals for Indian goods,' dated 29th September, 1849, if the contract should be awarded to him, and enter into bond for the execution of the same within the time prescribed." DR. JAYNE'S ALTERATIVE.

We have been informed by Mrs. Rose of a cure performed on her by **Dr. Jayne's Alterative**, which proves its superiority over every other remedy of the kind. She has been afflicted for the last sixteen years with NECROSES or WHITE SWELLINGS, attended with ulcerations and exfoliation of various bones, during which time many pieces have been discharged from the frontal bone of the cranium, from both her arms, wrists and hands, and from both legs, and from the left femora bone, and from the right knee, besides painful ulcers on other parts of her person, which have baffled the skill of a number of the most eminent physicians of our city—during most of the time her sufferings have been excruciating and deplorable. About three months since she was induced to try Dr. Jayne's Alterative, which has had an astonishingly happy effect upon her, by removing all pain and swellings, and causing the ulcers to heal, while at the same time her general health has become completely restored, so that she now weighs 25 lbs more than she did before she commenced the use of this truly valuable preparation.—[Sat. Eve. Post.

Dr. S. P. TOWNSEND'S
COMPOUND EXTRACT OF
SARSAPARILLA,
The most Wonderful Medicine of the Age,
1,500,000 BOTTLES
MANUFACTURED YEARLY.

This Medicine is put up in Quart Bottles, and has cured more than 100,000 Cases of Chronic Disease, within the last Ten Years.—None is Genuine unless signed by S. P. TOWNSEND.

EXPOSE.

BY READING THE FOLLOWING AFFIDAVIT the Public will learn the origin, or rather where the recipe for making the stuff they call Old Dr. Jacob Townsend's Sarsaparilla, came from—and will be able to judge which is the genuine and original, and of the honesty of the men who are employed in selling it as the original Dr. Townsend's Sarsaparilla. Dr. S. P. Townsend was the original proprietor and inventor of Dr. Townsend's Sarsaparilla, and his medicine has gained a reputation that no other remedy ever gained. He manufactured over one million of bottles last year, and is manufacturing at present 5,000 bottles per day. We use more Sarsaparilla and Yellow Dock in our establishment each day, than all the other Sarsaparilla Manufacturers in the world. Principal Office, 126 Fulton-st.

READ THE AFFIDAVIT.

City and County of New-York, ss.

William Armstrong, of the said City, being duly sworn, doth depose and say, that he is a practical Druggist and Chemist. That some time in the latter part of May, or first of June, 1848, a man by the name of Jacob Townsend, who at that time was a book and pamphlet peddler, called upon deponent, at the house of Mr. Thompson, No. 42 Hudson-street, where deponent boarded, and requested deponent to write him a recipe by which to make a Syrup of Sarsaparilla. Deponent further says, that he became acquainted with said Townsend at the office of Theodore Foster, Esq., Book Publisher, with whom said Townsend dealt. That said Townsend had had frequent conversations with deponent respecting the manufacture of an article of Sarsaparilla to be sold under the name of Dr. Jacob Townsend.

That said Townsend stated he was an old man, and poor, and was not fit for hard labor—and wished to make some money, in order to live easy in his old days, and that, if Sarsaparilla under the name of Townsend would sell so well, and so much money was made by it, he could see no reason why he might not make something out of it too, (his name being Townsend,) if he could get a capable person to prepare a recipe, and manufacture it for him. Deponent in one of the conversations asked said Townsend if he was related to Dr. S. P. Townsend, to which he replied, that he knew Dr. S. P. Townsend would be down on him after he should commence. But that he did not care for him, as he had formed a co-partnership with men who could furnish the requisite amount of capital—and was well prepared to defend himself against any attack that might be made on him.

Deponent further says, that, pursuant to the request of said Jacob Townsend, he wrote a recipe for the manufacture of a Syrup of Sarsaparilla, and gave it to him. Said Townsend observed that he wanted to make a specimen to exhibit to his partners for their approval, as he wished to gratify them in every thing, as they furnished all the capital—said Townsend also told deponent that the bottles they were to use were to be of the same size and shape as Dr. S. P. Townsend's, and deponent, at the request of said Jacob Townsend, went to the office of Dr. S. P. Townsend, and procured one of his labels.

And deponent further says, that he has been informed, and verily believes the Syrup of Sarsaparilla, sold as Old Jacob Townsend's, is made after the recipe furnished by deponent, to Jacob Townsend, as aforesaid. And further deponent saith not.

WILLIAM ARMSTRONG.

C. S. WOODHULL,
Mayor of the City of New York.

PROOF!! PROOF!!!

Here is proof conclusive that Dr. S. P. Townsend's Sarsaparilla is the original. The following is from some of the most respectable papers in this State.

FROM THE
Albany Evening Journal.
Dr. Townsend's Sarsaparilla.

There probably never has been so popular a remedy, or patent medicine, as Dr. Townsend's Sarsaparilla, which was originally, and continues to be manufactured in this city, at first by the Doctor himself, and afterwards for several years and up to the present time, by Clapp & Townsend, the present proprietors. Since the partnership was formed, the Doctor has resided in New York, where he keeps a store, and attends to the business that accumulated at that point. The manufactory is in this city, and is conducted by the junior partner, Mr. Clapp—here all the medicine is manufactured.

Few of our citizens have any idea of the amount of this medicine that is manufactured and sold. Besides the sales in this country, it is shipped to the Canadas, West India Islands, South America, and even to Europe, in considerable quantities. At the manufactory they employ a steam engine, besides a large number of men, women and girls, in the preparation of the medicine, making boxes, printing, &c., and turn out, ready for shipment, over 400 dozen per day, or nearly 5000 bottles. This is an enormous quantity.

The great sale the medicine has acquired, has induced a number of men to get up imitations, and there is at the present time, other medicines for sale, that are called "Dr. Townsend's Sarsaparilla." One in particular started a short time ago in New York, is called "Old Doctor Jacob Townsend's Sarsaparilla," and apparently with a view, by dint of advertising, and the use of the name of Dr. Townsend, to appropriate the name of Dr. S. P. Townsend's great remedy, and thus gain all the advantages resulting from the popularity of the name which he has acquired for it, by years of patient and expensive labors. Dr. S. P. Townsend, formerly of this city, as is well known here, is the inventor and original proprietor of the medicine known as "Dr. Townsend's Sarsaparilla," and we think those persons who are attempting to sell their article as the genuine, should be exposed.

FROM THE
New York Daily Tribune.

☞ We published an advertisement inadvertently some time since that did injustice to Dr. S. P. Townsend, who is the original proprietor of the preparation of Sarsaparilla known as Dr. Townsend's. Other parties have within the past few months engaged or connected themselves with a man by the name of Townsend who put up a medicine and calls it by the same name. This medicine was advertised in The Tribune as the original, &c. This advertisement also contained matter derogatory to the character of Dr. S. P. Townsend and that of his medicine. We regret it appeared, and in justice to the Dr. make this explanation.

FROM THE
New York Daily Sun.

DR. TOWNSEND'S extraordinary advertisement, which occupies an entire page of the Sun, will not escape notice. Dr. S. P. Townsend, who is the original proprietor of Dr. Townsend's Sarsaparilla, and whose office is next door to ours, where he has been for several years, is driving an immense business. He receives no less than four hundred dozen of Sarsaparilla per day, and even this enormous quantity does not supply the demand. No medicine ever gained so great a popularity as his preparation of the Sarsaparilla. His edition of Almanacs for 1849 cost $22,000, and he has paid the New York Sun for advertising, in the last four years, over $10,000, and he acknowledges that it is the cheapest advertising he has had done. This medicine is exported to the Canadas, West Indies, South America and Europe, in considerable quantities, and is coming into general use in those countries, as well as here.

Swindlers.

Druggists and others that sell Sarsaparilla for the genuine and original Dr. Townsend's Sarsaparilla, that is not signed by S. P. Townsend, commits a fraud, and swindles the customers. Men that would be guilty of such an act, would commit any other fraud—and no Druggist of common intelligence but knows that ours is the only genuine.

Old Jacob Townsend.

Some people who are not well informed, and have not read the papers, and not seen our advertisements, have been led to suppose, that because these men advertise their stuff as "Old Jacob Townsends," that it must, of course, be the original. It is less than one year since they commenced to make their medicine. Ours has been in the market over ten years.

This Old Jacob Townsend.

They are endeavoring to palm off on the public as an old Physician, &c. He is not a regular educated Physician, and never attempted to manufacture a medicine, until these men hired him for the use of his name. They say they do not wish the people to believe that their Sarsaparilla is ours, or the same—but the better to deceive the public, they at the same time assert that their's is the Old Dr. Townsend's, and the original; and endeavor to make the people believe that the stuff they manufacture, is the Dr. Townsend's Sarsaparilla, that has performed so many wonderful cures for the past ten years, and which has gained a reputation which no other medicine ever enjoyed—which is a base, villainous, unprincipled falsehood. We have commenced suits against these men for damages. We wish it to be understood, that the old man is no relation to Dr. Townsend whatever. In their advertisements and circulars, they publish a number of gross falsehoods respecting Dr Townsend, which we will not notice.

False Reports.

Our opponents have published in the papers, that Dr. S. P. Townsend was dead. This they send to their agents about the country, who report that we have given up business, &c. &c. The public should be on their guard, and not be deceived by these unprincipled men.

Notice of Removal.—After the first of September, 1849, Dr. S. P. Townsend's New York Office will be in the South Baptist Church, No. 82 Nassau-street, which is now undergoing a thorough change, and will be fitted for the better accommodation of the proprietors and the public.

Take particular Notice.—No Sarsaparilla is the genuine and original Dr. Townsend's Sarsaparilla, unless signed by S. P. Townsend.

HARNDEN & CO. continue to bring persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality and attention to the wants and comfort of emigrants. We do not allow our passengers to be robbed by the swindling scamps that infest the sea ports, as we take charge of them the moment they report themselves, and see to their well being, and despatch them without any detention by the first ships. We say this fearlessly, as we defy one of our passengers to show that they were detained 48 hours by us in Liverpool, whilst thousands of others were detained months, until they could be sent in some old craft, at a cheap rate, which too frequently proved their coffins.

We intend to perform our contracts honorably, cost what it may, and not act as was the case last season, with other offices,—who either performed not at all, or when it suited their convenience.

SELLERS' FAMILY MEDICINES—"They are the Medicines of the day."

GRAHAM'S STATION, Ohio, May 7, 1849.

R. E. Sellers: I think it right for the benefit of others to state some facts in relation to your excellent Family Medicines.

I have used your Vermifuge largely in my own family, one vial frequently answering for expelling large quantities (say 1 to 200) worms from two children. I have also used your Liver Pills and Cough Syrup in my family, and they have in every instance produced the effect desired.

As I am engaged in merchandising, I am able to state that I have yet to hear of the first failure where your medicines have been used in my section of the country. In conclusion, I may state that they are the medicines of the day, and are destined to have a very extensive popularity. Yours, resp'tfully, W. PIXBY.

GREAT CURE OF LIVER COMPLAINT, by the original, only true, and genuine Liver Pill.

SHORT CREEK, Ohio county, Va. } March 29th, 1849.

Mr. R. E. Sellers: Dear Sir—I think it a duty I owe to you and to the public generally, to state that I have been afflicted with the Liver Complaint for a long time, and so badly that an abscess formed and broke, which left me in a very low state. Having heard of your celebrated Liver Pills being for sale by A R Sharp, in West Liberty, and recommended to me by my physician, Dr. E. Smith, I concluded to give them a fair trial. I purchased one box, and found them to be just what they are recommended, THE BEST LIVER PILL EVER USED; and after taking four boxes I find the disease has entirely left me, and I am now perfectly well. Respectfully yours,

D H COLEMAN.

West Liberty, March 26, 1849.

I certify that I am personally acquainted with Mr Coleman, and can bear testimony to the truth of the above certificate. A R SHARP

DR. JAYNE'S CARMINATIVE BALSAM.

FROM the Rev A A SHINN, a well known and popular clergyman of the Protestant Methodist Church.

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A SHINN

VALUABLE DISCOVERY!
CONSUMPTIVES BE ON YOUR GUARD.
R. SWAYNE'S
COMPOUND SYRUP OF WILD CHERRY.

THE GREAT REMEDY FOR Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all Diseases of the Throat, Breast and Lungs; the most effectual and speedy cure ever known for any of the above diseases, is

DR. SWAYNE'S
Compound Syrup of Wild Cherry!

This medicine is no longer among those of doubtful utility. It has passed away from the thousands daily launched on the tide of experiment, and now stands higher in reputation, and is becoming more extensively used than any other preparation of medicine ever produced for the relief of suffering man.

It has been introduced very generally through the United States and Europe, and there are few towns of importance but what contain some remarkable evidence of its good effects. For proof of the foregoing statements, and of the value and efficacy of this medicine, the proprietor will insert a few of the many thousand certificates which have been presented to him by men of the first respectability—men of the highest standing in society, and justice, than to error. Such is this no injustice. Such testimony proves conclusively, that its surprising excellence is established by its intrinsic merits, and the unquestionable authority of public opinion. The instantaneous relief it affords, and the soothing influence diffused through the whole frame by its use, renders it a most agreeable remedy for the afflicted.

REMEMBER!

"When men, acting from conscientious impulses, voluntarily bear testimony to the truth of a thing, or particular fact, such testimony, being contrary to their worldly interests and purposes, coerces conviction of its truth, and commends itself in a special manner to universal credence."—O'Hogan's Moral Maxims.

READ THE HOME CERTIFICATES.
STILL ANOTHER CURE OF PULMONARY CONSUMPTION.

There never was a remedy that has been as successful in desperate cases of Consumption, as Dr. Swayne's Compound Syrup of Wild Cherry. It strengthens the system, and appears to heal the ulcers on the lungs, creating new and rich blood, power possessed by no other medicine.

CHESTER Co., April 25th, 1848.

Dr Swayne—Dear Sir: I verily believe your Compound Syrup of Wild Cherry has been the means of saving my life. I caught a severe cold, which gradually grew worse, attended with a severe cough, that resisted all the remedies which I had recourse to, still increasing until my case exhibited all the symptoms of Pulmonary Consumption. Every thing I tried seemed to have no effect, and my complaint increased so rapidly, that friends as well as myself, gave up all hopes of my recovery. At this time I was recommended to try your invaluable medicine: I did so with the most happy results. The first bottle had the effect to loosen the cough, causing me to expectorate freely; and by the time I had used six bottles, I was entirely well, and am now as hearty a man as I ever was in my life. I would be happy to give any information respecting my case, that other sufferers may derive the benefit for which I am so grateful. For the truth of the above statement, I refer you to Peter Rash, Grocer, West Chester, Pa., of whom I purchased the medicine.

Respectfully yours, JAMES MORGAN

Wonderful Cure of a Methodist Minister.

Dr. Swayne—Dear Sir: I feel a debt of gratitude due to you—and a duty to the afflicted generally, to offer my humble testimony in favor of your Compound Syrup of Wild Cherry. Some three years since I was violently attacked with cold and inflammation of the lungs, which was accompanied with a distressing cough, pain in the breast and head, a very considerable discharge of offensive mucus from the lungs, especially upon change of weather, however slight. At first I felt no alarm about my condition, but was pretty soon convinced that I was rapidly going into consumption. I grew daily weaker, and at length was scarcely able to walk about, or speak above a whisper, such was the exceeding weakness of my lungs. During this time I had tried various preparations and prescriptions, but found no relief—growing all the time worse. Just here I was advised and persuaded by a dear friend in Wilmington to make trial of your Syrup of Wild Cherry. I must confess that previously I had been prejudiced against patent medicines, and I am still against those coming out of the hands of empirics, but understanding your claims to the profession and practice of medicine, and having implicit faith in the saying of my friends, I forthwith purchased of Dr. Shaw, one of your agents, a few bottles, and commenced its use. My disease was at this time of 20 or 25 months' standing, consequently it was deeply seated. I found, however, considerable relief from the use of the first four or five bottles. But being a public speaker, I frequently attempted to preach with my increasing strength, and thereby ruptured those vessels that had already begun to heal; in this way, doubtless, my cure was greatly retarded. In consequence of acting thus imprudently I had to use twelve or fifteen bottles before I was perfectly restored. I have no question, a much smaller number of bottles would have made me sound, but for the above indiscretion. The Syrup allayed the feverish habit, took away the distressing cough, put a stop to the discharge of matter from the lungs, and gave them and the entire system good health. I have deferred offering this certificate until now, for the purpose of being perfectly satisfied with the permanency of the cure, and now that I feel perfectly well I offer it with pleasure. REV. J. P. JORDAN.

Important Caution—Read! Read!

There is but one genuine preparation of Wild Cherry, and that is Dr. SWAYNE'S, the first ever offered to the public, which has been sold largely throughout the United States and some parts of Europe; and all preparations called by the name of Wild Cherry have been put out since this, under cover of some deceptive circumstances, in order to give currency to their sales. By a little observation, no person need mistake the genuine from the false. Each bottle of the genuine is enveloped with a beautiful steel engraving, with the likeness of William Penn thereon; also, Dr. Swayne's signature; and as further security, the portrait of Dr. Swayne will be added hereafter, so as to distinguish his preparation from all others. Now, if it was not for the great curative properties and known virtues of Dr. Swayne's Compound Syrup of Wild Cherry, persons would not be endeavoring to give currency to their "fictitious nostrums" by stealing the name of Wild Cherry. Remember, always bear in mind the name of Dr. Swayne, and be not deceived.

A STRONG EVIDENCE that Dr JAYNE'S EXPECTORANT is superior to all other remedies for Coughs, Consumption, Bronchitis, Asthma, and other Pulmonary affections, is that the same persons who commenced the use of it in their families ten years ago, still prefer it to all other remedies of the kind; and where any have been induced to try other preparations they have almost invariably been disappointed in receiving the benefit which was reasonably anticipated from the high praises bestowed by the proprietors, and have returned to the use of JAYNE'S EXPECTORANT, as a remedy that has never failed to relieve them, and which probably never had its equal in arresting pulmonary diseases.

GOLD WASHERS.

H. PARRY has invented a machine for washing Gold, for which he has made application for a patent. They are now offered for sale at the warehouse of Parry, Scott & Co., No. 103 Wood street, Pittsburgh.

Adventurers to California are invited to call and examine these labor-saving machines. They are simple in their construction, easily transported on the back of mules or horses, weighing eighty pounds each, and can be put in operation in half an hour. They can be filled with provisions. It is the opinion of those who have seen the trial of one of these machines of smallest size, that two men will wash the mineral from 150 bushels of sand or earth in a day, without the loss of a particle of the mineral. They can be increased in size and worked by water or mule power, if expedient. The operators work without going into the water or being exposed to wet, and consequently without endangering their health. They will require but a small stream of water, and can be used the whole season, and can be put into operation where there is not sufficient water to wash in the usual way.

Price of smallest size $35. Orders from abroad, accompanied by cash, will be promptly filled.

MEDICAL.

SALTER'S
GINSENG PANACEA!

TO THOSE SUFFERING WITH DISEASED LUNGS.—The unprecedented success which has attended the use of the

GINSENG PANACEA

in all the various forms which irritation of the lungs assumes, has induced the proprietor again to call attention to this

WONDERFUL PREPARATION.

The changable weather which marks our fall and winter months, is always a fruitful source of

COLDS AND COUGHS.

These, if neglected, are but the precursors of that fell destroyer,

CONSUMPTION.

The question, then, how shall we nip the destroyer in the bud? how shall we get clear of our coughs and colds? is of vital importance to the public.

THE GREAT AND ONLY REMEDY

will be found in the Ginseng Panacea. In proof of this we have from time to time published the certificates of dozens of our best known citizens, who have experienced its curative powers. These, with a mass of testimony from all parts of the country,—from

MEDICAL MEN OF THE FIRST STANDING,

Ministers of the Gospel, &c., together with copious notices from the

JOURNALS OF THE DAY,

we have embodied in pamphlet form, and may be had gratis of any of our agents throughout the country.

HUNDREDS OF BOTTLES

have been used in this city.

THOUSANDS AND TENS OF THOUSANDS

throughout the United States and Canada, and we challenge any man to point out a

SINGLE INSTANCE

in which, when taken according to directions, and before the lungs had become fatally disorganized, it has ever failed to

EFFECT A PERFECT CURE.

Why, then, need the afflicted hesitate? Why resort to the miserable nostrums, gotten up by unknown individuals under the assumed name of some celebrated physician, and puffed into notoriety by certificates of persons equally unknown? Whilst a medicine of

UNPARALLELED EFFICACY

is to be had, whose vouchers are at home,—our neighbors,—many of whom it has

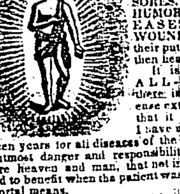
SNATCHED FROM THE GRAVE.

In order that this invaluable medicine may be placed within the reach of the poor as well the rich, we have put the price at

ONLY FIFTY CENTS,

just one half the usual cost of cough medicines. It is for sale by our agents in nearly every town and village over the west, who are prepared to give full information relative to it. T. SALTER, Proprietor, Broadway, Cincinnati, Ohio.

M'ALLISTER'S OINTMENT



CONTAINING NO MERCURY, or other Mineral.—It has power to cause all EXTERNAL SORES, SCROFULOUS HUMORS, SKIN DISEASES, POISONOUS WOUNDS to discharge their putrid matters, and then heals them.

It is rightly termed ALL-HEALING, for there is scarcely a disease external or internal, that it will not benefit. I have used it for the last sixteen years for all diseases of the chest, involving the utmost danger and responsibility, and I declare before heaven and man, that not in one case has it failed to benefit when the patient was within the reach of mortal means.

I have had physicians learned in the profession, I have ministers of the gospel, judges of the bench, aldermen, lawyers, gentlemen of the highest erudition, and multitudes of the poor use it in every variety of way, and there has been but one voice—one universal voice saying—"M'ALLISTER, YOUR OINTMENT IS GOOD."

RHEUMATISM—It removes almost immediately the inflammation and swelling, when the pain ceases. (Read the directions around the box.)

HEAD-ACHE—The salve has cured persons of the head-ache of twelve years standing, and who had it regular every week so that vomiting took place. EARACHE, TOOTH-ACHE, and AGUE IN THE FACE, are helped with like success.

SCALD HEAD—We have cured cases that actually defied every thing known, as well as the ability of fifteen or twenty doctors. One man told us he had spent $500 on his children without any benefit, when a few boxes of Ointment cured them.

TETTER—There is nothing better for the cure of Tetter.

BURNS—It is one of the best things in the world for Burns.

PILES—Thousands are yearly cured by this Ointment. It never fails in giving relief for the Piles.

☞ Around the box are directions for using M'Allister's Ointment for Scrofula, Liver Complaint, Erysipelas, Tetter, Chilblain, Scald Head, Sore Eyes, Quinsy, Sore Throat, Bronchitis, Nervous Affections, Pains, Disease of the Spine, Head ache, asthma, Deafness, Ear ache, Burns, Corns, all Diseases of the Skin, Sore Lips, Pimples, &c., Swelling of the Limbs, Sores, Rheumatism, Piles, cold Feet, Croup, Swelled or Broken Breast, Tooth ache, Ague in the Face, &c. &c.

COLD FEET—Liver Complaint, pain in the Chest and Side, falling off of the hair, or the other accompanies cold feet. (This Ointment is the true remedy.) It is a sure sign of disease to have cold feet.

CORNS—Occasional use of the Ointment will always keep corns from growing. People need never be troubled with them if they use it frequently.

☞ This Ointment is good for any part of the body or limbs when inflamed. In some cases it should be applied often.

CAUTION—No Ointment will be genuine unless the name of JAMES McALLISTER is written with a pen on every label.

For sale by my Agents in all the principal cities and towns in the United States.

Facts for the Public.

In relation to that unrivalled family Salve,

DALLEY'S MAGICAL PAIN EXTRACTOR.

TESTIMONY of a respectable Physician.—Read the following, addressed to my Agent, Mr. F. Merryweather, Cincinnati:

CINCINNATI, Feb. 12, 1849.

SIR: A sense of duty compels me to give my tribute to Dalley's Pain Extractor. Being opposed to quackery and all nostrums having for their object sinister motives—but realising much good from the "King of Pain Killers"—I am induced to tender you this certificate. I have used it in my family, in my practice, and with all the happy and wonderful effects that could possibly be imagined. H. J. BRODIE, M. D.

Dr. Brodie is the senior partner of Brodie & Levi, Druggists.

Inflammatory Rheumatism.

The following testimonial comes from a source familiar to many of those traveling on our Western waters. Mr. Glime, the well and favorably known proprietor of the Parkersburg Hotel, is husband to the lady whose letter I annex:

PARKERSBURG, Va., April 12, 1849.

To Henry Dalley, Chemist, &c.—Sir: Having formerly been long afflicted with violent inflammatory Rheumatism, which appeared so firmly seated as to defy all ordinary appliances to allay the severe pain attending it, I was induced to try your Magical Pain Extractor, and it having effected, almost as if by magic, an immediate relief, and also, to all appearances an entire and perfect cure, I am induced, for the benefit of others who may be afflicted with pain, caused by any kind of inflammation, to write to you, declaring that in my opinion, founded on actual experience your Magical Pain Extractor is the most valuable discovery of the present age for the immediate extraction of bodily pain. It is an almost immediate and a perfect cure for Burns and Scalds, and all external inflammation.

Having many acquaintances formed by their visits at my husband's hotel in this place, I have supposed by your showing them these few lines, it may possibly be of benefit both to them and yourself. ELIZABETH GLIME.

[I entertain the hope that Mrs. Glime will pardon the publicity I give to her letter, as well on the score of humanity as of its being the surest mode of bringing it to the notice of her friends.—H. DALLEY.]

Felon Cured.

Extract of a letter, dated BELMONT, Ky. Nov. 29, 1848

Mr. H. Dalley: "I have tried your Pain Extractor in a case of felon, in my own family, which it relieved and cured in a very short time." In haste, yours respectfully, JAS. M. YOUNG.

☞ Burns and Scalds, Piles, Sore Nipples, Broken Breast, Eruptions, Sores, Cuts, Wounds and all inflammation, yields readily to the wonderful properties of this unrivalled family salve. But, in the same proportion that you will receive benefit from the genuine, you will be injured by the deleterious effects of the counterfeit salves.

CAUTION.—Be sure and apply only to the inventor, H. DALLEY, 415 Broadway, New York, or to his authorized agents.

MISCELLANEOUS.

CURE FOR WORMS.

B. A. FAHNESTOCK'S VERMIFUGE:
CHANGE OF EXTERNAL WRAPPER.

IN order to afford all possible security to the public, as well as to themselves, against fraud and imposition from counterfeiting, the proprietors have made a change in the exterior wrapper or lable of their Vermifuge. The new label, which is a steel engraving of the most exquisite design and workmanship, has been introduced at a very great expense, and is from the brain of an artist of the first talent. The design is new, and the execution elaborate. Several figures and a portrait are most prominent, but the word "VERMIFUGE," printed in white letters on a red and finely engraved ground, should be particularly examined.—When held up to the light the letters, shading of the letters and every line, however minute, throughout the whole of this part of the engraving match as exactly as if the impression had been made upon one side only, although it is actually printed on both sides of the paper. This should in all cases be observed. A label upon each dozen is also printed in red upon both sides, and should be examined in the same manner.

This preparation has now stood the test of many years trial, and is confidently recommended as a safe and effectual medicine for expelling worms from the system. The unexampled success that has attended its administration in every case where the patient was really afflicted with worms, certainly renders it worthy the attention of physicians.

The proprietor has made it a point to ascertain the result of its use in such cases as came within his knowledge and observation—and he invariably found it to produce the most salutary effects—not unfrequently after nearly all the ordinary preparations recommended for worms had been previously resorted to without any permanent advantage. This fact is attested by the certificates and statements of hundreds of respectable persons in different parts of the country, and should induce families always to keep a vial of the preparation in their possession. It is mild in its operation, and may be administered with perfect safety to the most delicate infant.

The only genuine is prepared by

Great English Remedy.

FOR Coughs, Colds, Asthma and Consumption! The GREAT AND ONLY REMEDY for the cure of the above diseases, is the HUNGARIAN BALSAM OF LIFE, discovered by the celebrated Dr. Buchan, of London, England, and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate of cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendencies of the climate, but to be used as a preventive medicine in all cases of colds, coughs, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, bronchitis, difficulty of breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough and croup.

Sold in large bottles, at $1 per bottle, with full directions for the restoration of health.

Pamphlets, containing a mass of English and American certificates, and other evidence, showing the unequalled merits of this great English Remedy, may be obtained of the Agents, gratuitously.
