Democratic Watchman.

BELLEFONTE, PA., MARCH 24, 1864.

TERMS—$1.50 PER ANNUM IN ADVANCE.

ANSWERS TO CORRESPONDENTS.

JAMES.—It is foolish, very foolish for you to ask us, "You may think it fun" now but not by-and-by.

PHILO.—You will have to seek information at some other office. We answer no such questions here.

[illegible] was born on the 21st of December, 1813, at Oodii, Spain, where his parents were residing at the time, his father holding the position of Consul and Navy Agent at that port.

"I. & D. W. P."—Much obliged to you for the information. We think the followers of Abraham, Andy and algy, have more sense than to undertake anything of the kind in good old Democratic Centre. Yet if they are foolish enough to begin mobbing Democrats and Democratic offices, they will get enough of it before the work stops.

VETO.—It was the Democratic voters of this district that sent James T. Hale to Congress. He is *their* representative, and although a majority of them were deceived and induced to support him by false promises, yet had they stood by *principle*, instead of resorting to what they called *expediency*, our party would not now, be disgraced by such a vile representative as he has proved himself to be.

☞ A young chap wishes to know why the streets of Bellefonte are like penny girls? Our devil says because they are crowded with 'lasses.

☞ The iron works at Howard in this county have been purchased by Messrs. Crissman, Wright & Co., and will be put in operation shortly.

☞ Some one got, we think, "more dry as husks" broke the locks off the Bar of Garman's Hotel, on Wednesday night last, and stole therefrom all the bottles, liquors, &c.

"Winter lingers in the lap of Spring."

☞ Our devil thinks the old chap lingered a little too long in that delightful place, from the numbers of little Winters, Miss, Spring is blessing us with this season.

☞ Our young and talented friend Jno. H. Orvis Esq., has been chosen by the members of the state convention, as one of the delegates to the National Convention from this district. A better selection could not have been made.

☞ We would call the attention of our readers to the card of our young friend Harry Y. Stitzer, he has hung out his shingle and invites those who are in trouble in, and we would advise them to give him a call.—Harry is a promising Attorney and deserves success. May it ever attend him.

☞ There has, we understand, been several cases of the Spotted Fever, in the vicinity of Centre Hill, this county, during the past two weeks. Hemlock tea, together with warm baths in strong Hemlock water, is highly recomended, to break the chill—the first symptom, of this terrible disease.

☞ Our friend Tovell, whose card is to be found in an other part of the *Watchman*, sends us word that he will be in town with a largely increased stock of Segars, Tobacco, Notions &c., about the 4th or 5th inst. Merchants in need of anything in his line should not let this chance of procuring goods *at the very lowest rates go by.*

☞ As the very Conservative (?) gentleman, who the Democrats of this district seem proper to make, representative in Congress, has refused to furnish us with *any* public documents, our good friend, the able representative of the Dauphin district, Hon. W. H. Miller has kindly sent us quite a number, for which he has our most sincere thanks.

☞ A Card of buttons was left in Esquire Weaver's office the other day, by some unknown individual, with the request that he should hand them to Mr. McClellan, as they were taken from him, by the writer, on the night of the fire.—If more of the inhabitants of Bellefonte had consciences like this individual Mr. Weaver would be kept busy several months returning stolen property.

☞ We have received the April numbers of the following magazines, either one of which is worth double the price asked. *The Ladies Friend*, by Mrs. Henry Peterson, Phila., $2 per annum, *Arthurs Home Magazine*, by T. S. Arthur Phila., $2 per annum, *Petersons Magazine*, by Chas J. Peterson, Philad., $2. per annum, and The *Continental Monthly* by John F. Trow. N. Y. $3. per annum.

☞ At a meeting held in the Court House on Saturday evening last a resolution was passed recomending the Town Council to pay a bounty of two Hundred dollars, to all veterans willing to accredit themselves to this borough.—Where the money is to come from to pay this bounty, it will take some one better acquainted with the finances of Bellefonte than we are, to tell. The movement is no doubt all right, for if any ones are deserving a bounty, it is the veterans.

☞ Owing to the fact that some avarious wretch or wretches, thief or thieves, or some one else, stole all our exchanges, in which were published the proceedings of the State Convention, we are prevented from giving them in full in this issue of our paper. The appointments from this district, are Dr. Hugh Montgomery of Lycoming co, as elector Stephen Pelrce Esq., of Tioga, Geo. M. Orvis Esq., of Centre, as Delegates, Miles White Esq., of Potter, Huston Hepburn Esq. of Lycoming and S. B. Peale Esq., of Clinton, members of the State Committee. All we believe excellent appointments.

T. B. Peterson & Brothers, Philadelphia, Penna., have just published the THE LIFE AND PUBLIC SERVICES OF GENERAL MEADE, THE HERO OF GETTYSBURG, AND COMMANDER of the ARMY OF THE POTOMAC. With a full History of his Life and Services to his country in all the various positions he has filled, from the time he first entered the United States Army, in 1835, until the present day with his Official Reports, to the War Department, Speeches, Orders, &c., &c. HOYT'S HIAWATHA HAIR RESTORATIVE.

The standing staple preparation for the hair, universally used in all places to restore faded and gray hair and whiskers, to their original color. It does not claim to make the hair grow in place of that which has once fallen out; nothing will do that whatever may be advertised to the contrary, but it WILL prevent it from falling out, make it soft and silky, cleanse it and the scalp from impurities and humors, and entirely overcome bad effects of previous use of preparations containing sulphur, sugar of lead, &c. It requires no soaping, washing, and hours for its application, nor will it stain the skin, but it is easily applied and wiped from the skin or any hair dressing.—It restores the natural shading of one hair to another, which gives it a lively appearance instead of the dull uniform black of dyes.

HOYT'S IMPERIAL COLORING CREAM.

Superior to any hair dressing in use. Oils and Colors the hair at the same time. Changes light and red hair to a beautiful black. Sold everywhere.

INDIGO BLUE,

PUT UP AT

ALFRED WILTBERGER'S

DRUG STORE,

No. 233 North Second Street PHILADEL'A.

The quality of this Blue will be the same in every respect.

It is warranted to color more water than twice the same quantity of Indigo, and go to much further than any other Wash Blue in the market. One Box dissolved to a half pint of water, will make as good a Liquid Blue as any that is made, at one third the cost.

As it is retailed at the same price as the Imitations and inferior articles, housekeepers will find it very much to their advantage to ask for that put up at WILTBERGER'S.

☞ All blue put up after this date with Barlow's name on it is an *Imitation.*

☞ PARTICULAR NOTICE!

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whiskey or common rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed &c.

This class of bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death. Beware of them.

For those who desire and will have a Liquor Bitters, we publish the following receipt. Get One bottle of Hoofland's German Bitters and mix with three quarts of good Brandy or Whiskey, and the result will be a preparation FAR excel in medical virtues and true excellence any of the numerous Liquor Bitters in themarket, and will cost much less. You will have all the virtues of HOOFLAND'S Bitters in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.

DELICATE CHILDREN,

Those suffering from MALARIA, wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases, will have most surprising effect.

DEBILITY,

Resulting from fevers of any kind—These Bitters will renew your strength in a very short time.

FEVER AND AGUE.

The chills will not return if these Bitters are used. No person in a fever and ague District should be without them.

From the Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reasons why, when they not testify to the benefit he believes himself to have received from any simple preparations, in the hope that he may thus contribute to the benefit of others.

I do this most readily in behalf of Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq. for the removal of this prejudice by proper tests, and for encouragement to try them when, suffering from great and long debility.—The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them
