CHEMICAL STOVE POLISH
THE Phoenix Manufacturing Company now offer to the public their Premium Chemical Stove Polish; and without exaggeration, or fear of contradiction, by those who have tested it, pronounce it far superior to any other in the market. The consumer need have no apprehensions of soiling carpets, &c., as its composition prevents a dust from arising when being applied, which must be done when the Stove is cold.
The quantity required is so little to produce a beautiful lustre. A saving of over fifty per cent is insured to the consumers. A coating applied to Stoves, Pipes, &c., when laid away for the summer, is a sure preventative against rust. After having tried it once, (if it is accessible) no person will use any but the Phoenix Manufacturing Company's Premium Chemical Stove Polish. For sale by

IMPORTANT TO THE AFFLICTED.
Dr. Rose's Celebrated Remedies.
DR. JACOB S. ROSE, the discoverer and sole proprietor of these most popular and beneficial medicines, and also the inventor of the celebrated instrument for inflating the Lungs, in effecting a cure of chronic diseases, was a student of that eminent physician, Doctor Physic, and is a graduate of the University of Pennsylvania, and for thirty years since has been engaged in the investigation of disease, and the application of remedies thereto.
Through the use of his inflating tube, in connection with his Prophylactic Syrup and other of his remedies, he has gained an unparalleled eminence in curing those dreadful and fatal maladies, Tubercular Consumption, Cancers, Scrofula, Rheumatism, Asthma, Fever and Ague, Fevers of all kinds, Chronic Erysipelas, and all those obstinate diseases peculiar to females. Indeed every form of disease vanishes under the use of his remedies, to which humanity is heir—not by the use of one compound only, for that is incompatible with Physiological Law, but by the use of his remedies, adapted to and prescribed for each peculiar form of disease.
Dr. Rose's Tonic Alterative Pills, when used are invariably acknowledged to be superior to all other as a purgative or liver pill, inasmuch as they leave the bowels perfectly free from costiveness; so also his Golden Pills is admitted by the faculty to possess peculiar properties adapted to female diseases, but being satisfied that a bare trial is sufficient to establish what has been said in the minds of the most skeptical.
The afflicted are invited to call upon the agent, and procure (gratis) one of the Doctor's pamphlets, giving a detailed account of each remedy and its application.

PROPOSALS FOR A LOAN.
THE eleventh and twelfth sections of the Act of the General Assembly of this Commonwealth, entitled "A Supplement to an Act entitled an Act to create a Sinking Fund and to provide for the gradual and certain extinguishment of the debt of the Commonwealth and to authorize a loan," approved the 10th day of May A. D. 1850, provides as follows, viz:—

SECTION 11. That the Governor is hereby authorized to negotiate a loan for the sum of Three Millions Three Hundred Thousand Dollars, redeemable in thirty years from the date of the subscription thereof, at a rate of interest not exceeding four per centum per annum payable in gold and silver, semi-annually, upon the first days of February and August of each year, and exempt from every species of taxation. Notice that proposals for said loan will be received, shall be published in at least one newspaper in the Borough of Harrisburg, in the cities of Pittsburgh, Lancaster, and Philadelphia, and in the cities of New York, Boston, and Baltimore, for a period not less than three months before the opening of said proposals, and by letter elsewhere, if deemed necessary, and upon the day assigned for that purpose, in such notice, the proposals shall be opened in the presence of the Governor, the Secretary of the Commonwealth, and Auditor General, and the loan shall be awarded to the highest bidder or bidders. If the amount of the bids shall exceed the sum of the said loan the same shall be distributed pro rata amongst the highest bidders, but if the whole of said loan shall not then be taken the Governor may renew notice, in the manner aforesaid, from time to time, till the whole amount of said loan shall be subscribed. No conditional bids shall be considered; and upon awarding such loans, or any part thereof, certificates with coupons for the interest, shall be issued therefor by the Auditor General.

SECTION 12. If the said loan shall be subscribed, it shall be and it is hereby appropriated for the payment and extinguishment of the funded debt of this Commonwealth, now due, or to become due, during the year one thousand eight hundred and fifty, and for the payment of the sum of eighty five thousand one hundred and four dollars and eighty eight cents, due to domestic creditors.

In pursuance of the provisions aforesaid, notice is hereby given, that proposals will be received at the office of the Secretary of the Commonwealth until 4 o'clock P. M. of Tuesday, the first day of October next, stipulating for a loan to the Commonwealth, for the purposes set forth in the said act, of the sum of three millions three hundred thousand dollars, redeemable in thirty years from the date of the subscription thereof, at a rate of interest not exceeding four per cent. per annum, payable in gold and silver, semi annually, upon the first days of February and August of each year, and exempt from every species of taxation.

Certificates of stock for the said loan, with coupons for the interest will be issued in the usual manner and made transferable by the owner, on the books of the Auditor General's Department.

The proposals will be required to state explicitly the amount offered which shall not in any case be less than one thousand dollars, the rate of interest not exceeding four per cent, and the premium proposed.

The State reserves the right to accept the whole or any part of the sum offered unless the proposals stipulate to the contrary.

Bids for the loan must be direct and explicit. No conditional proposals will be received.

Upon the acceptance of the proposals, the money must be paid into the State Treasury, in such manner as shall be directed by the Governor.

Certificates of stock will be issued in such amounts as may be requested by the lenders.

The proposals to be directed, under seal, to this office, endorsed, "Proposals for Loan." They will not be opened or disclosed until the period for receiving them has elapsed; after which no alteration in the terms will be admitted.

RESOLUTION
RELATIVE TO AN AMENDMENT OF THE CONSTITUTION.
RESOLVED by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, That the Constitution of this Commonwealth be amended in the second section of the fifth article, so that it shall read as follows: The Judges of the Supreme Court, of the several Courts of Common Pleas, and of such other Courts of Record as are or shall be established by law, shall be elected by the qualified electors of the Commonwealth, in the manner following, to wit: The Judges of the Supreme Court, by the qualified electors of the Commonwealth at large; the President Judges of the several Courts of Common Pleas, and of such other Courts of Record as are or shall be established by law, and all other Judges required to be learned in the law, by the qualified electors of the respective districts over which they are to preside or act as Judges; and the Associate Judges of the Courts of Common Pleas by the qualified electors of the counties respectively. The Judges of the Supreme Court shall hold their offices for the term of fifteen years, if they shall so long behave themselves well, (subject to the allotment hereinafter provided for, subsequent to the first election,) the President Judges of the several Courts of Common Pleas, and of such other Courts of Record as are or shall be established by law, and all other Judges required to be learned in the law, shall hold their offices for the term of ten years, if they shall so long behave themselves well; the Associate Judges of the Courts of Common Pleas shall hold their offices for the term of five years, if they shall so long behave themselves well; all of whom shall be commissioned by the Governor, but for any reasonable cause, which shall not be sufficient grounds for impeachment the Governor shall remove any of them on the address of two thirds of each branch of the Legislature. The first election shall take place at the general election of this Commonwealth next after the adoption of this amendment, and the commissions of all the judges who may be then in office shall expire on the first Monday of December following, when the terms of the new Judges shall commence. The persons who shall then be elected Judges of the Supreme Court shall hold their offices as follows: One of them for three years, one for six years, one for nine years, one for twelve years, and one for fifteen years, the term of each to be decided by lot by the said Judges, as soon after the election as convenient, and the result certified by them to the Governor, that the commissions may be issued in accordance thereto. The Judge whose commission will first expire shall be Chief Justice during his term, and thereafter each Judge whose commission shall first expire shall, in turn, be the Chief Justice, and if two or more commissions shall expire on the same day, the Judges holding them shall decide by lot which shall be the Chief Justice. Any vacancies, happening by death, resignation, or otherwise, in any of the said courts, shall be filled by appointment by the Governor, to continue till the first Monday of December succeeding the next general election. The Judges of the Supreme Court and the Presidents of the several Courts of Common Pleas shall, at stated times, receive for their services an adequate compensation, to be fixed by law, which shall not be diminished during their continuance in office; but they shall receive no fees or perquisites of office, nor hold any other office of profit under this Commonwealth, or under the government of the United States, or any other State of this Union. The Judges of the Supreme Court during their continuance in office, shall reside within this Commonwealth; and the other Judges, during their continuance in office, shall reside within the district or county for which they were respectively elected.

EXTRA FAMILY FLOUR.
FOR the convenience of the citizens, the proprietors of the Pittsburgh City Mills have placed boxes for the reception of orders at the following places:—
J & R Floyd, corner of Sixth and Wood streets.
M Hayward, shoe store, cor. Liberty & Market sts.
A Beelen, store, Third street.
L Wilcox, Jr., druggist, cor. Fourth & Smithfield.
John F Smith, store, corner High & Wylie.
Telegraph Office, Fourth street
H C Kelly, grocer, Fifth st, corner of Market alley
M Grass, store, Penn street, Ninth Ward.
The flour waggons will call twice or thrice daily for orders, and the flour, &c. delivered promptly, either in barrels or sacks—sack flour is preferable for family use—without charge for cartage. It is plain that no accounts can be allowed, and that drivers can have no permission to take flour without payment.
We hope the public will be pleased with this arrangement, as we shall endeavor to do them justice.

MEDICAL.

PROCLAMATION.
KNOW all men who are sick and afflicted with disease of the bladder and kidneys, with rheumatic pains in back or limbs, stiff joints, old sores, running ulcers, &c. that they can be cured by taking the Petroleum! You may talk about its being a nostrum as much as you please, but this does not make it so, for we proclaim in the face of an honest community, that it has virtues which are not contained in any other remedy. The man who is racked with pain and suffering from disease, can for fifty cents, get relief from any of the ills enumerated above. Reader! it costs very little to make a trial. This Petroleum is no mixture—no compound, put up for the purpose of imposing on the community; but it is a remedy elaborated by the master hand of nature, and bubbles up from the bosom of our mother earth in its original purity, and offers to suffering humanity a ready remedy, a certain and cheap cure.
It has cured Piles after other medicines have failed to render any relief. It has cured Rheumatism of long standing, and of the worst and most painful character. It has cured Cholera Morbus by one or two doses; it has cured old cases of Diarrhoea, in which every other remedy has been of no avail. As a local remedy in burns and scalds, it is better than any medical compound or ointment that we know of. It will cure chilblains or frosted feet, in a few applications; undoubted testimony can be furnished of the truth contained in the above statement by calling on Samuel M. Kier, Canal Basin, 7th street; or either of the agents.
Keyser & McDowell, corner of Wood street and Virgin Alley; R. E. Sellers, 57 Wood street, D. A. Elliot & D. M. Curry, Allegheny city, are the agents.

BEAUTY—It is universally conceded that beauty is more common in this country than in any other, while at the same time it is said that in no other country is it lost at so young an age. Now this is true to a certain extent, but the loss is often caused by neglect. We say to all, do not neglect your personal appearance, but read the following, and you need not lack good looks. These articles are scientific preparations, and have all attained a high popularity.

JULES HAUEL'S EAU DIVINE DE VENUS AND NYMPH SOAP, for removing tan, sunburn, pimples, blotches, and other eruptions of the skin; the most perfect conservator of beauty every known. Purchase nothing purporting to be Nymph Soap, unless it has my name attached.

JULES HAUEL'S PERSIAN OR CHINESE POWDER, for imparting to the most bilious complexion a radiant whiteness. In nothing should a person be more careful than in the use of a powder for the skin, as many of those sold are very injurious. My Chinese Powder is compounded in a scientific manner, and contains no ingredient which can possibly inflict an injury.

JULES HAUEL'S DEPILATORY POWDER, for removing superfluous hair. What is more unsightly than hair upon the face or arms of a lady. This article will remove it in a short time, without the use of any sharp instrument.

JULES HAUEL'S VEGETABLE LIQUID HAIR DYE will instantaneously impart to red, white, or gray hair, a beautifully black, brown, or auburn color. It will color the hair in a shorter time, and more effectually than any other Dye, being at the same time indelible.

JULES HAUEL'S SHAVING CREAM.—It is really a pleasure to shave with this cream. There is none of the smarting sensation usually experienced in the use of most Soaps. On the contrary, it leaves the skin smooth and soft as an infant's, and not liable to become chapped.

JULES HAUEL'S ROSE TOOTH PASTE.—Next to the hair, we think the Teeth were intended as the greatest ornament to the human face; but when neglected, nothing is so disgusting, or so quickly seen. My Rose Tooth Paste will impart to the teeth a pearly whiteness, at the same time keeping the gums firm and healthy.

Also on hand, a complete assortment of French, British, and American Perfumery and Fancy articles.

IN QUART BOTTLES
FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABIT OF THE SYSTEM, VIZ:
Scrofula or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago,—and diseases arising from an injudicious use of Mercury, Acidities or Dropsy, Exposure or Imprudence in Life; Also—Chronic Constitutional Disorders, &c.

This medicine has acquired a very extended and established reputation wherever it has been used, based entirely on its own merits, which its superior efficacy has alone sustained. The unfortunate victim of hereditary disease, with swollen glands, contracted sinews, and bones half carious, has been restored to health and vigor. The scrofulous patient, covered with ulcers, loathsome to himself and his attendants has been made whole. Hundreds of persons, who had groaned hopelessly for years under cutaneous and glandular disorders, chronic rheumatism, and many other complaints springing from a derangement of the secretive organs and the circulation, have been raised as it were from the rack of disease, and now, with regenerated constitution, gladly testify to the efficacy of this inestimable preparation.

"TRUTH IS STRANGER THAN FICTION."
The attention of the reader is called to the following astonishing cure, effected by the use of Sands' Sarsaparilla.

"This is to certify that I have a colored woman who has been afflicted for the last five years with Scrofula, and all the remedies I used had no effect in arresting the progress of the complaint; on the contrary, she constantly grew worse; and after expending between $70 and $80 with physicians, besides using other popular remedies without success, till the disease had eaten away the cartilage of her nose, made its appearance on various parts of her body, and had finally commenced its ravages in the roof of her mouth.

"In this dreadful situation, with the prospect of death staring her in the face, I stated her case to Dr. Disosway, the agent for Sands' Sarsaparilla in Newbern, N. C., by whom I was advised to use the above, and to my surprise and that of my neighbors, to whom her case was known, after using four and a half bottles she was restored to perfect health, and that in the space of three weeks, and was able to work in two weeks from the time she commenced taking it.

"In witness of the truth of this statement, I have hereunto affixed my name, this 19th day of September, 1847. JOSEPH McCOTTER, J. P.,

SORE THROAT

The following is an extract from a letter received from Mrs Bevan, who had been afflicted several years with Scrofulous Ulcers, Dyspepsia, &c., and recently an affection of the throat and chest:—
"BAILEYSBURG, Va., Dec. 13, 1845.
"Messrs. A. B. & D. SANDS—Before I commenced using your Sarsaparilla, my sufferings were almost past expression; my throat was completely ulcerated, I had a dreadful cough, and there were frequently weeks together that I could not speak above a whisper; and besides, the inflammation from my throat extended to my head, so that my hearing was very much impaired. After taking the Sarsaparilla a short time, my health was improved, and my throat is now well; I am as free from cough and tightness of the chest as ever I was, and can hear quite distinctly. My throat has been well about three months, the cure of which has been effected entirely by the use of your Sarsaparilla. Your friend, LOUISA R. BEVAN"

The following testimonial to the value of the Sarsaparilla, is from the Rev Luther Wright, aged 76 years, Congregational Minister, residing at Woburn.
"WOBURN, Mass., March 30, 1846.
"Messrs. Sands: Gentlemen—From what I have experienced, and from the information I have recently received from a number of persons of high respectability who have used your Sarsaparilla, I have not the least doubt but that it is a most valuable medicine; and that the numerous certificates you have received of its efficacy are fully sustained by experience, and although its reputation and utility are very extensive, and stand in no need of my humble efforts to increase them, I want all who are afflicted by disease to become acquainted with the efficacy and power of your valuable medicine.
"I am, gentlemen, gratefully and very respectfully yours. LUTHER WRIGHT."

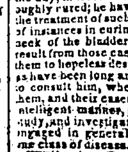
MEDICAL AND SURGICAL OFFICE,



No. 41, DIAMOND ALLEY, a few doors below Wood street, towards market.
DR. BROWN, having been regularly educated to the medical profession, and been for some time in general practice, now confines his attention to the treatment of those private and delicate complaints for which his opportunities and experience peculiarly qualify him. 14 years assiduously devoted to study & treatment of those complaints, (during which time he has had more practice and has cured more patients than can ever fall to the lot of any private practitioner) amply qualifies him to offer assurances of speedy, permanent, and satisfactory cure to all afflicted with delicate diseases, and all diseases arising therefrom.

Dr. Brown would inform those afflicted with private diseases which have become chronic by time or aggravated by the use of any of the common nostrums of the day, that their complaints can be radically and thoroughly cured; he having given his careful attention to the treatment of such cases, and succeeded in hundreds of instances in curing persons of inflammation of the neck of the bladder, and kindred diseases which often result from those cases where others have consigned them to hopeless despair. He particularly invites such as have been long and unsuccessfully treated by others to consult him, when every satisfaction will be given them, and their cases treated in a careful, thorough and intelligent manner, pointed out by a long experience, study, and investigation, which it is impossible for those engaged in general practice of medicine to give to one class of disease.

Hernia or Rupture.—Dr. Brown also invites persons afflicted with Hernia to call, as he has paid particular attention to this disease.

CANCERS also cured.

Skin diseases; also [illegible], Palsy, etc., speedily cured. Charges very low.

N. B.—Patients of either sex living at a distance, by stating their disease in writing, giving all the symptoms, can obtain medicines with directions for use, by addressing T. BROWN, M. D., post paid, and enclosing a fee.

Office No. 65 Diamond alley, opposite the Waverly House.

RHEUMATISM.—Dr. Brown's newly discovered remedy for Rheumatism is a speedy and certain remedy for that painful trouble. It never fails.

Office and Private Consulting Rooms, No. 65 Diamond alley, Pittsburgh, Pa. The Doctor is always home.

PROPOSALS FOR TIMBER.
Office of the Ohio & Penn. R. R. Co.,
Pittsburgh, Aug. 15, 1850.
PROPOSALS in writing will be received by the undersigned until Tuesday, the 1st day of October, for the delivery of the cross ties required for laying the track of the Ohio and Pennsylvania Rail Road from hence to Massillon, a distance of 107 miles. The number of ties required will be about one thousand nine hundred per mile. The ties are to be of sound white oak or rock oak, subject to the inspection of the engineer of the company. They must be cut with a saw, into lengths of eight feet. If of sawed timber, they are to be seven by eight inches square; if of hewed timber, they are to be flatted on the top and bottom to a width of eight inches. They must be clear of bark, delivered and piled up on the line as directed by the engineer, between the first of January and first of May next. Bidders are requested to state what number of ties they propose to deliver, and on what sections of the rail road they propose to deliver them. They may also propose for ties of chestnut or locust, if of locust, they may be seven inches square.
Proposals are also invited for furnishing rails of white pine or white oak, to be four by ten inches square, and from eighteen to twenty four feet long, to be delivered on the line of road as above.

Slaughtering & Packing Establishment FOR RENT.
THE well known Pork and Beef Slaughtering and Packing Concern, owned and formerly occupied by the late James P. Campbell, is for rent.
The establishment is located in Chillicothe, Ross county, O., on the plat of ground dividing the Ohio Canal from the Scioto River, and has one thousand feet of ground front on each. The enclosure embraces six acres of ground, containing large pens, large and commodious slaughtering, hanging, cutting, packing, smoking, and lard rendering houses, brick house for office and every convenience for handling TWELVE HUNDRED HOGS PER DAY, and rendering the lard from the same; as there are a double five steam boiler and engine for rendering legs and cutting lard, and two tanks for rendering offal by steam.
There is also, on the premises, an Ice House, large enough to contain eight thousand bushels.
The Scioto Valley, of which Chillicothe is the chief market, is one of the largest Pork and Beef Districts in the West, and hogs can always be bought there at lower prices than at Cincinnati and many other points, and cooperage is abundant and cheap.
There is no drayage necessary, as boats may be loaded at the Packing House, and the facilities for shipping direct from this via the Lakes to New York or Philadelphia, or Baltimore via Pittsburgh, or to the East, or South via New Orleans, are at all seasons of the year fully equal to those afforded by Cincinnati. Money facilities are also good, there being two or twelve banks within forty five miles.
Applications for renting may be made to
