We repeat for the benefit of all our readers that items from every quarter of the county will be thankfully received, and if interesting be inserted in our columns with pleasure.

The "ink-slingers" convention meets at Harrisburg to-day, Tuesday. It couldn't have chosen a better day for us—to stay at home.

A sportsman while out hunting in the woods near Kylertown, Centre county, was attacked by a panther which he had shot at and missed, and was literally torn to pieces. His body was found two or three days after in a terribly mutilated condition, his legs being actually torn from his body.

**What People will Do.**

We have some peculiar people in this place, but still, we think, not more so than in any other. As an instance of their peculiarity, as we might term it, on Saturday evening last the Peak Family of Bell Ringers were to perform in the National Hall, situated on the suburbs of the town. Many of our citizens had a desire to hear them, and hear them they would. The night was dark, and the road to the hall was devoid of lamp-lights. The people left their homes and ventured out, but before they reached the hall, a mass of mud, stretching from house to house with no pavements, and the length of two squares, spread before them They walked on thinking it would be better walking but it grew worse. They were into it—with clothes muddy, boots muddy—and if they thought of turning back the idea of the bell ringers performance urged them on, and on they went, still deeper sinking into the mire. We lost our overshoe we were lucky enough to take along, and others did likewise, but we couldn't think of going back the way we came, and so on we went, and finally reached the hall bespattered with mud, and awfully blaming the street commissioner for such miserable streets, and wondering why it is that pavements haven't been laid in that part of the town, and wishing the hall would only have come to us, instead of us going to it. We don't know, but we are afraid a good part of Sunday morning was taken up in removing the mud from once brightly polished boots and brushing the dirt from clean white skirts.

**Railroad Meeting.**

The friends of the Huntingdon, Fulton and Franklin Railroad held a meeting at Shade Gap, this county, on the 23d ult., at which the following resolution was adopted:

*Whereas,* An act authorizing the incorporation of the H. F. & F. R. R. Co., requires that the enrolment tax shall be paid within one year, from date of approval, April 8th, 1868 and whereas, the time in which to pay the same has nearly elapsed, Therefore,

*Resolved,* That books be opened, at such time and place as this meeting shall designate, and the Chair designate and appoint committees in the district interested, to receive subscriptions to the capital stock of the H. F. & F. Railroad Co., with the understanding that such stock shall be appropriated to the surveying, grading, and bridging of said road from Mt. Union to Orbisonia, as far as is necessary, and the road to progress from there to completion as rapidly as subscriptions shall justify.

**Public Meeting of Young Men's Christian Association.**

The Young Men's Christian Association of this place held their second annual meeting in the Methodist Church on last Monday evening.—There was a large attendance, and the exercises consisted of choir music, installation of officers for next term, appropriate addresses by Dr. Hotchkin, and R. Milton Speer, Esq., of this place, and reading an interesting report of the doings of the Association during the past year by Dr. Hotchkin, President of the Association. Our citizens were pleased, and the Association deserve credit for giving them the benefit of their presence in public. Our citizens should encourage this Association in its noble endeavor to promote the moral standing of our community, and young men, whether they belong to a denomination or not should enroll themselves as members.

**Resigned.**

Rev. John Hewitt, pastor of the St. John's Episcopal Congregation of this place, has resigned the charge, and on Sunday last preached his farewell sermon. Mr. Hewitt is held in high estimation by the members of his church and those who have formed his acquaintance, and it is with regret that they part with him. Though the congregation is small they have been greatly encouraged during his stay by his ministration, and by the number who went to hear him. Mr. Hewitt has also been the Principal of the Academy in this place. We understand he has accepted a charge at Baltimore.

**The Peak Family.**

Our citizens had the pleasure of hearing this troupe of Bell Ringers on Saturday evening last, and we are pleased to add that they turned out in large numbers—the hall being crowded. The entertainment was first class. The music of the bells, so skillfully handled, spoke the merits of the company better than we can, and the happy inter-ludes, filled up by the harpist, and songs, sentimental and comical, gave the exhibition a variety that was altogether in place, and reflected credit on each of the performers.

**Oriental Bitters.**

We have received from Messrs. Foster & Smith, of this place, a bottle of Oriental Bitters. This is becoming popular in cases of Dyspepsia and other ills that flesh is heir to. The proprietors are making great progress in the manufacturing of these Bitters, and although it has been before the public but a short time, it has become almost as ready sale as Bitters that have been before the public for years. They are now prepared to fill large and small orders.

**Local Legislation.**

On Monday the House bill to enable the borough of Huntingdon to borrow money and issue bonds, and also to increase the rate of taxation in said borough, was passed finally.

On Wednesday Mr. McIntyre of Perry, called up a supplement to an act to incorporate the Duncannon, Bloomfield and Broad Top Railroad company, which passed finally.

A fire broke out in the Penna. Railroad shops at Altoona, recently which destroyed twenty-four new freight cars, a car load of bacon and lard, a car load of produce and about thirty thousand dollars worth of seasoned lumber. The entire loss is estimated at a quarter of a million dollars. The fire was the work of an incendiary.

☞ I take occasion in this public manner to express my thanks to Richard Langdon, Esq., for the valuable present of a car load of his excellent coal taken from his productive mine on Broad Top. J. W. PLANNETT.

READINGS.—Mr. Wm. Gemmill will give a series of readings for the benefit of the Y. M. C. A., at the Court House, to-morrow, Wednesday evening. Admission 25 cents.

☞ A distinguished Methodist minister and prominent Temperance Lecturer once remarked that go where he would, from one end of the country to the other, he hardly ever failed to find Plantation Bitters, and while he condemned the practice of using these Bitters too freely, he could not conscientiously say that he would discard them from the side-board, for he himself had experienced beneficial results from their use, and that, from a long and close observation, he was convinced that when used moderately, and as a medicine exclusively, they were all that was recommended. At the same time he warned his hearers not to pull the cork too often, for they were far too pleasant a tonic to trifle with.

MAGNOLIA WATER.—Superior to the best imported German Cologne, and sold at half the price. tf

## SPECIAL NOTICES.

### TESTIMONY of a PROMINENT PHYSICIAN.

Dr. J. T. Baker, a skillful and widely known physician of twenty years standing in Lancaster, Pa., gives his opinion of a popular household remedy, in the following letter:

LANCASTER, PA., November 23, 1868.

DR. S. B. HARTMAN & CO.—*Dear Sirs:* During the past eight years I have had frequent opportunities to study the effect of Mishler's Herb Bitters upon persons suffering from Dyspepsia, Loss of Nervous Energy, Sexual Weakness, Diarrhœa, &c. Remedies were prescribed by other physicians according to the Homœopathic, Allopathic and Hydropathic schools, and only a comparatively few permanent cures effected On the other hand, I have never known the Bitters to fail producing the desired result, and I still use them in the treatment of such complaints, with the highest success. I have no hesitation in saying that I consider Mishler's Herb Bitters the most efficacious remedy ever discovered for diseases arising from a disordered Stomach, Liver, Kidneys, Bowels, Lungs and Heart.

Yours truly,
