Gold touched 222 yesterday in New York. The advance to-day has been quite steady. Afternoon telegrams quote it 226½@227; consequent on reports from Richmond papers of a repulse to Sherman. Governments without material change. Bank Shares held strongly. Sales of a few shares of Merchants at 70½, and that figure bid for more. Citizens held at 65; 64 bid for Allegheny.

Nothing doing in Railroad shares, except an occasional bid for Cleveland & Pittsburgh or Connellsville. Oil shares generally lower. We learn of but limited sales during the day—of Dalzell at 9½; of Cherry Run Central at 1,70; Oil Basin, once popular, and certainly a strong stock, offered at 9½; Allegheny & Pittsburgh at 10½. The compromise between the Dalzell and Columbia, has, we are assured, been effected on favorable terms to the former company.

Pittsburgh will soon have a name for enterprise, and dash quite equal to some of her faster neighbors who have for years been making a jest at her slowness. Oil companies, coal companies, manufacturing companies, banks, requiring hundreds of thousands of dollars, it matters little what the amount, and almost as little what the name or business; the stock is eagerly taken, and easily paid for.

We have an illustration to-day in the celerity with which the stock of the new National Bank was taken. $250,000 subscribed within eight hours, and hundreds of applicants turned empty away. We are told that a Board of Officers has already been designated and that they only await Mr. Fessenden's acceptance of their applications for a charter to commence a promising business career.

The attendance at Thurston's Exchange last night was not quite so large as that of the night previous, though the room was comfortably filled, and better order prevailed than usual. Mr. Thurston has adopted a set of rules which will tend materially to allay the disorder and confusion which to some extent has hitherto prevailed, and at the same time the rights of buyers and sellers will be better protected. The demand for stocks generally appears to have fallen off somewhat, and with but few exceptions, prices are still tending toward lower rates. The following are the particulars of the sales:

There were nine new National Banks authorized last week with capitals aggregating $2,350,000. The following National Banks have increased their capital: The Fourth, of Philadelphia, increased $50,000; the First of Mt. Gilead, Ohio, increased $20,000; the First, of Delhi, N. Y., increased $25,000; the Second, of Allentown, Pa, increased $40,000; the First, of Meadville, Pa, increased $25,000. The Comptroller of the Currency issued to National Banks during the week, $2,032,630 of currency, making the total amount of National Bank notes now afloat, $66,552,300.

New York Flour and Grain Market—Nov. 30.

The movement in Breadstuffs during the past fortnight, Mr Edward Bell reviews thus: The market for Flour continues to be irregular, and fluctuates daily, controlled in a measure by the rates of Gold, the closing of navigation, and other causes. The dullness of last week was somewhat relieved by a speculative demand, which gave more firmness to the trade. Present prices will not warrant shipments to England, and that branch of the business is much neglected. With the usual free receipts of the season the stock in store is gradually accumulating. At the close yesterday the demand was light, but holders firm. In Wheat the transactions are quite moderate, and chiefly to the city and local millers, with a few sales on speculation. The daily supplies continue light, and as the Erie Canal navigation will positively be closed on the 8th of December, (and probably before, in consequence of a break in the canal,) we cannot have any large additions to the amount in store. Rye has advanced a few cents. Oats are in demand. With a reduced supply of Indian Corn, and an active inquiry, prices are again higher, closing firmly. The Export Clearances from this port for the fortnight foot up to Great Britain and Ireland, 2,291 bbls flour, 59,612 bush wheat, 4,860 bush peas; to Mexico, 100 bbls flour, 3,780 bush corn, 100 bush peas; to Brazil, 7,397 bbls flour; to all other ports, 41,814 bbls flour, 2,425 bbls corn meal, 2,000 bush wheat, 4,203 bush corn, 335 bush Oats, 435 bush peas, making a total to all ports of 52,202 bbls flour, 2,425 bbls. Corn Meal, 91,418 bush wheat, 12,263 bush corn, 335 bush oats, 6,398 bush peas.

Review of the New York Grocery Market.

(From the Commercial List, Nov 30.)

Coffee—The market for Brazil, with a good demand, continues very firm, and, as gold is higher, our revised quotations show an advance of 1½@2½ cents per lb. The sales are 3000 bags Rio, per Para, 400 do ex Atalanta, 2000 do residue of cargo per Psyche on private terms; 375 do 18½ in bond, in gold; 177 Augustura, 43; 400 mats Java, 50; 300 bags Maracaibo, 18a18½, in gold, duty paid; and 100 of the same, on private terms. We notice a further shipment of 1500 bags Rio to Europe. The stock of Rio at the ports, as made up by Messrs Wm Scott & Son, is 64,657 bags, viz: 56,667 bags here, 1000 in Philadelphia, and 7000 in Baltimore.

Sugar—There is a steady fair demand for raw for home use, and as gold has advanced, our quotations of sugar are raised ¼a½ of a cent per pound, bringing fair refining Cuba to 18a18½c; good do 18½a18½c; and fair to good grocery, 19½a20¼; most the market closed firmly, holders offering sparingly. Refined is less active; we quote for other than Stuarts' hard, 29c; soft white, 27a28c; and yellow, 25a26c, cash. The sales of raw are 1055 hhds Cuba at 18a22c; 294 do low grades, 15½a17½; 261 Porto Rico, 18½a23½; 33 clarified New Orleans, 24a27c; 697 boxes Havana, 19a21, 4 mos; and 972 bags Manila, on terms we did not learn. The stock yesterday was about 33,000 hhds, 33,000 bxs and 96,000 bgs sugar, and 500 hhds Melado.

Molasses—There is a steady fair demand for home use, and the market is firm at previous rates. We notice the first arrival of new crop New Orleans, 24 barrels per steamer Suwo Nada, received 25th inst., which was sold yesterday at $1,25, quality fair. The sales are 465 hhds Porto Rico at 85ca$1,05; 483 hhds, 40 tcs, and 150 bbls Cuba Muscovado, 65a92, including a cargo of 415 hhds and 11 tcs clayed Cuba, 68; 19 hhds Barbadoes, 92 cents, 4 mos; and 275 barrels New Orleans, about previous rates. By auction, 100 hhds Porto Rico sold at 75a85c. cash.

Rice—About 300 bags Rangoon have been sold in lots at $12,50a14, cash. The market is quiet but pretty firm.

Spices—Are firm, but there is little doing; 250 bags pepper sold on private terms; 100 cases No 1 nutmegs, in lots, 1,70a$1,75; and 600 mats Cassia 87½, cash.

Cleveland Market—Nov. 30.

Flour—A fair and steady home demand at $9,75a9,65 for XXred; $10,50a11,50 for good to fancy XX white.

Wheat—Market dull and 2a3c lower for No. 2 red. Sales this morning 2,000bu No. 2 red free on board at $2,04. On 'Change sales 15 cars No 2 red on track at 2,00. After 'Change 1 car ordinary No. 2 red on track at 1,97. Market closing heavy.

Corn—Corn dull and nominally lower. Old shelled was offered at $1,53 from store without bidders.

Oats—Oats nominally unchanged. Held at 80c on track, 82c from store.—*Herald.*

DAILY REVIEW OF PITTSBURGH MARKETS.

THURSDAY, Dec. 1, 1864.

Business continues quiet and neglected and there is no movement to note in any of the leading commodities, aside from the usual petty every day transactions. The receipts of Grain continue very light and there is considerable inquiry for Oats and Corn, and holders experience no difficulty in realizing full prices. Flour is steady, with a fair home demand, and the same remarks will apply to Groceries. For produce, generally, such as Butter, Eggs, Apples, Potatoes, Cheese, etc., meet with a regular demand at unchanged rates.

GRAIN—Wheat is in light supply and firm, with considerable inquiry, and we note some few small sales from wagon at $2,00 for Red and 2,10 for White. Oats firm and scarce, with sales from canal and depot at 92, and from store at $1,00. Barley is still quoted from first hands at $1,70 for Spring and 1,80 for Fall. Corn is wanted at 1,20@1,25 for new from store.

FLOUR—is stiff with a fair home demand, and we note regular sales of Extra Family from store at $11 for Spring Wheat and 11,15@11,25 for Winter Wheat do. Nothing doing in Extra.

BUCKWHEAT FLOUR—is firm with a good home demand, and we note liberal sales from store at $5,50 per cwt.

GROCERIES—Demand light, but the market is steady with regular jobbing sales at full rates. Coffee is quoted at 45@46, and Molasses at $1,25@1,30. Sugars are selling at 23½@23 for good Cuba; 24½@25 for Porto Rico; 25@25½ for prime New Orleans; 28½@29 for soft refined, and 30 for hard do. Rice, 15½@16; Pepper (in Grain) 50; Allspice, 40; Cassia, $1,00; Syrups, 80 to $1,60.

BUTTER—is steady with a fair local demand, and a slight falling off in the receipts. Quotations for Roll may be fairly given at 43@45c.

EGGS—scarce, in demand and higher, sales having been made to-day at from 40 to 42c.

MESS PORK—Sale of 10 bbls prime Mess (new) at $38.

CRANBERRIES—Sales at $21 per bbl—now held at $22.

POTATOES—The demand is less active, but prices remain unchanged. Sale of 50 bbls Peach Blows at $3 per bbl; also, small sales from store at 90a95c per bush.

CHEESE—is in better demand, sales of some 200 bxs being reported at 22 for Western Reserve; 23 for Hamburg, and 24 for Goshen.

HIGHWINES—Sales in lots of 350 bbls—during Tuesday and Wednesday—at prices ranging all the way from $1,83 to 1,93. To-day, the market is off a little, in consequence of unfavorable advices from Chicago.

HAMS—Sales of 5 tcs new Hams, in pickle, at 19½—block weight.

LARD—is in fair demand with regular sales of prime new Western at 24@24½—mostly at 24.

PITTSBURGH PETROLEUM MARKET.

THURSDAY, Dec. 1.

There was rather more inquiry for Crude to-day, but the market was rather unsettled and prices irregular, and holders still seem anxious to sell. But for the advance in New York, it is altogether probable that our market ere this would have given way, as the supply for some days past has been considerably in excess of the demand. The sales reported to-day are as follows: 313 bbls at 34; 400, in bulk, at 35; 200 do do at same figure, and 1120 on private terms—understood to be below current quotations. For Refined, in bond, there appears to be no inquiry from any quarter, and, in the absence of sales, we continue to give 60c as the nominal price. There is an occasional inquiry for Free Oil, but the demand seems to be almost entirely restricted to small lots of 50 and 100 bbls. Sale of 100 bbls at 80, and 100 do do at 80½. In Naptha or Residuum there is no movement whatever.

The receipts of both Crude and Refined at the three principal points—Pittsburgh, Philadelphia and New York—have not been so small as at present for the past two years, the stock in New York alone, at the corresponding date of last year, having been in excess of the total supply now at the three cities combined.

The receipts of Crude by the Allegheny river since our last report, are as follows:

W. H. Byram	219	D. S. Clark	119
Maxwell & Palmer	501	Richardson & Harley	20
Jas. Wilkins	42	Fisher & Bro	463
Ashworth & Benn	200	H. McKelvy	102
Danver & Gallagher	871		
Total			1834

NEW YORK PETROLEUM MARKET.

Special Dispatch to the Pittsburgh Gazette.

NEW YORK, Dec. 1, 1864.

For Crude the market continues firm, and prices up, the nominal quotations on the spot being 49@50c. Refined, in bond, is dull and heavy, but holders in order to effect sales, seem unwilling to make concessions; the nominal rates on the spot are 68@69. Refined, free, also, is dull and heavy but unchanged, 88. There is no change whatever in Naptha—52c for Refined, free.

NEW YORK STOCK AND MONEY MARKET.

NEW YORK, Dec. 1, 1864.

Governments steady but without decided change. The closing quotations were as follows: U. S. Sixes, 1881, 112½; One Year Certificates, 97½; Seven Thirties, 116@112: Five Twenties, 106½@106½.

PHILADELPHIA STOCK MARKET.

Special Dispatch to the Pittsburgh Gazette.

New York Wool Market—Nov. 30.

The firmness of the wool market, noted at the date of our last, continues, and it is now difficult to buy desirable grades at the inside rates then current, yet there is not much activity, manufacturers not being disposed to purchase much beyond present actual necessities. A public sale of foreign was held yesterday, but it appears to have passed off very tamely, as the bulk of the offering was withdrawn; only 73 bales of the Mestiza sold, 38 at 41, and 35 at 35; 20 do Chilian Merino at 42½; 30 do coarse white Valparaiso, 35½; 170 do 33; and 16 do black do at 28; all but the Mestiza slightly out of condition. At private, we note 100,000 lbs domestic at 90a$1,06 for fleece, including a small parcel selected do at 1,12½; 85a95 for super pulled, $1a1,05 for extra do and 1,25 for tub washed; also, 40,000 lbs California on private terms, 57 bales Mestiza at 37½c, and small lots other foreign at prices which afforded no criterion to the market.

RIVER INTELLIGENCE.

There had not up to last evening been a single arrival from below, and business at the wharf, in consequence, was rather dull, although there appeared to be a fair amount of freight being shipped. The Julia from Zanesville, and the Minerva from Wheeling, are both due at the wharf this morning.

The river was about at a stand last evening, with eight feet six inches in the channel by the pier marks. The weather yesterday was cooler, than for several days preceding, and very pleasant for out door operations.

The Iron City from Cincinnati and the Starlight from Louisville are among the first transient steamers due at this point.

The Leni Leoti, Capt. Shepard, is announced for Evansville and Nashville forthwith.

The Argonaut No. 2, was making preparations to leave for Louisville last evening, but we half suspect that she would lie over until this morning.

The great Leviathan, it is thought, will shortly be sold at auction. We hear it stated that there is a clause in the will of the late Capt. Rieder, to the effect that the boat is to be held at $250,000 for sixty days, and if not disposed of in that time, to be put up at auction.

Capt. James Batchelor, (says the Cincinnati *Gazette* of Wednesday,) received a dispatch yesterday from Louisville, stating that the Guidon was clear of the rocks, and would arrive here to-day.

The Glide No. 3 and the Abeona were advertised to leave Cincinnati for Pittsburgh on Thursday.

PITTSBURGH DRUG MARKET.

THURSDAY, Dec. 1, 1864.

Trade continues good. We notice an advance in Lard Oil, Alcohol, Bi Carb Soda and a few chemicals since our last revision of the list. Lard Oil is scarce and held firmly at our quotations. New Lard does not arrive so freely as was anticipated, and if present prices continue we may look for a further advance in Oil.

MEDICAL.

DR. W. R. MERWIN & CO.'S COLUMN FOR THE

CHEROKEE MEDICINES.

COMPOUNDED FROM ROOTS, BARKS AND LEAVES.

CHEROKEE REMEDY, the great Indian Diuretic, cures all diseases of the urinary organs, such as Incontinence of the Urine, Inflammation of the Bladder, Inflammation of the Kidneys, Stone in the Bladder, Stricture, Gravel, Gleet, Gonorrhœa, and is especially recommended in those cases of Fluor Albus, (or Whites in Females) where all the old nauseous medicines have failed.

It is prepared in a highly concentrated form, the dose only being from one to two teaspoonfuls three times per day.

It is diuretic and alterative in its action: purifying and cleansing the blood, causing it to flow in all of its original purity and vigor; thus removing from the system all pernicious causes which have induced disease.

CHEROKEE INJECTION is intended as an ally or assistant to the CHEROKEE REMEDY, and should be used in conjunction with that medicine in all cases of Gonorrhœa, Gleet, Fluor Albus, or Whites. Its effects are healing, soothing, and demulcent; removing all scalding heat, chordee, and pain, instead of the burning and almost unendurable pain that is experienced with nearly all the cheap quack injections.

By the use of the Cherokee Remedy and Cherokee Injection—the two medicines at the same time—all improper discharges are removed, and the weakened organs are restored to full vigor and strength.

For full particulars get our pamphlet from any drug store in the country, or write us, and we will mail free to any address a full treatise.

CHEROKEE CURE.—An unfailing cure for Spermatorrhea, Seminal Weakness, Nocturnal Emissions, and all diseases caused by self-pollution; such as Loss of Memory, Universal Lassitude, Pains in the Back, Dimness of Vision, Premature Old Age, Weak Nerves, Difficulty of Breathing, Trembling, Wakefulness, Eruptions on the Face, Pale Countenance, Insanity, Consumption, and all the direful complaints caused by departing from the path of nature.

This medicine is a simple vegetable extract, and one on which all can rely, as it has been used in our practice for many years, and with thousands treated, it has not failed in a single instance. Its curative powers have been sufficient to gain victory over the most stubborn case. To those who have trifled with their constitution until they think themselves beyond the reach of medical aid, we would say despair not! the Cherokee Cure will restore you to health and vigor, and after all quack doctors have failed.

DR. WRIGHT'S REJUVENATING ELIXIR; OR ESSENCE OF LIFE! Prepared from Pure Vegetable Extracts containing nothing injurious to the most delicate. The Rejuvenating Elixir is the result of modern discoveries in the vegetable kingdom; being an entirely new and abstract method of cure, irrespective of all the old and worn out systems.

This medicine has been tested by the most eminent medical men of the day, and by them pronounced to be one of the greatest medical discoveries of the age. One bottle will cure general debility. A few doses cures Hysterics in females. One bottle cures Palpitation of the Heart. A few doses restores the organs of generation. From one to three bottles restores the manliness and full vigor of youth.

A few doses restores the appetite. Three bottles cures the worst case of Impotency. A few doses cures the low spirited. One bottle restores mental power. A few doses brings back the rose to the cheek. This medicine restores to manly vigor and robust health the poor debilitated, worn down, and despairing devotee of sensual pleasure.

The ELIXIR cures Hysteria, General Debility, Palpitation of the Heart, and Impotency. It restores mental power and the appetite, and causes the rose to mount to the cheek of pallor, and the debilitated man or woman to feel vigorous and strong, the young and ambitious blood to course through every vein, the nerves to become strong, and the fires of new life and vigor to reanimate the entire body, building up the constitution, restoring joy and life to many a sad and darkened fireside.

CHEROKEE PILLS! SUGAR-COATED FEMALE REGULATOR, HEALTH PRESERVER, CERTAIN & SAFE. For the removal of Obstructions, and the insurance of Regularity in the Recurrence of the Monthly Periods. They cure or obviate those numerous diseases that spring from irregularity, by removing the irregularity itself.

They cure Suppressed Excessive, and Painful Menstruation. They cure Green Sickness (Chlorosis.) They cure Nervous and Spinal affections, pains in the back, and lower parts of the body, Heaviness, Fatigue on slight exertion, Palpitation of the Heart, Lowness of Spirits, Hysteria, Sick Headache, Giddiness, &c., &c. In a word, by removing the Irregularity, they remove the cause and with it all the effects that spring from it.

Composed of simple vegetable extracts, they contain nothing deleterious to any constitution, however delicate, their function being to substitute strength for weakness, which, when properly used, they never fail to do. They may be safely used at any age, and at any period, EXCEPTING DURING THE FIRST THREE MONTHS, during which the unfailing nature of their action would infallibly PREVENT pregnancy.

PRICES OF THE CHEROKEE MEDICINES.—Cherokee Remedy—$2 a bottle or 3 bottles for $5. Cherokee Injection—$2 a bottle, or three bottles for $5. Cherokee Cure—$2 a bottle, or three bottles for $5. Dr. Wright's Elixir—$2 a bottle, or three bottles for $5. Cherokee Pills, for females—$1 a box, or six boxes for $5.

In the Cherokee Medicines the unfortunate will find a day of deliverance from suffering and pain. A day splendid and glorious, when they shall no longer suffer without cessation or repose, either through mercenary quacks or the inefficiency of nauseous preparations. The Cherokee Medicines accomplish their ransom—their emancipation. An emancipation so great, so admirable, and so prolific of universal good. These medicines will prove, in any and every case, faithful and never failing friends in time of need.

We send all the Cherokee Medicines by express (except the Cherokee Pills; these are sent by mail, free of postage) on receipt of price, to any part of the civilized world, securely packed, in such a manner that no one through whose hands they may pass would know the contents.

The Cherokee Medicines are sold by all enterprising druggists in the civilized world. Some unprincipled dealers, however, try to sell worthless compounds in place of these—those which they can get at a cheap price, and make more money by selling than they can on the Cherokee Medicines. As you value your health; ay, the health of your offspring—do not be deceived by such unprincipled druggists. Ask for these Medicines, and take no others.
