HUMOROUS.

A happy faction—Satisfaction.

Man wants but little here below, and he gets it.

A "squeeze in grain"—Treading on a man's corns.

Tuneful lyer—A music teacher who does not keep his engagements.

A man who wears a ten-cent piece on his shirt front calls it bi-dime-and-pin.

A sick man is considered out of danger when the doctor discontinues his visits.

If we were a girl, we should select a lover from among tailors—for they all know how to press a suit.

Theodore More had married eight different women. So whenever he joined a party of villagers in a frolic they welcomed him with, "The More, the merrier."

The defeated candidates for Cabinet positions are like the old bachelor who said he once fell in love with a beautiful young lady, but abandoned all idea of marrying her when he found that she and all her folks were opposed to the match.

A New York paper says that twenty dollars will buy all the books worth reading. What stuff! Why, twenty dollars won't buy a full set of Beadle's dime novels, to say nothing of a copy of Hoyle and a base ball guide.

The man who waxes strong every day—The shoemaker.

The average Britisher can't quarrel with England in her trouble with the Boers.

The rolling stone gathers no moss, but it gathers the fellow who rides the bicycle every time.

"The spring will be backward," predicted Vennor, as he was about to apply a red-hot poker to the cat's nose.

He came in the other day, and taking a seat at the desk, asked, "Well, what shall I write about?" The editor told him he had better write about face.

Animals being advised to lay by something for a rainy day, remarks that he should consider the kitchen stove a good thing to lay by for a rainy day.

We are progressing as a nation towards refinement. The wheelbarrow is now called the bicycle. But it is just as hard to run with a big trunk on it as it was under the old name.

"Clara Belle," the famous fashion scribe, says, that during the coming season, ladies will wear nothing but longitudinally striped hose." The printer must have overlooked a page of her copy containing a list of the other apparel.

A young student was asked by his sweetheart, who had an uncommonly thick coat of hair, what he thought of it, and absently answered he thought it would present a fine field for the study of natural history. They were married.

A New York firm sends us a double column "ad." of a new stenographic pen, for the insertion of which for three weeks, the firm agrees to send us a pen. Thank you. We had one stenographic pen. Just send it to a druggist for a soda fountain. If she lets down soda as fast as she did the ink some man will be drowned at that fountain before the middle of June, and don't you forget it.

It is a great pity that some people grow better as they grow old. It seems as though the more teeth they lose the more they want to bite.

We have heard of people going to a drug store for nails, but the latest oddity in this line is a little girl going to a butcher shop and asking the clerk if they keep liver pads for sale.

"Libbie, why you dear, little girl," said the old lady, addressing her little granddaughter with her hair tied up, "have you got the headache?" "No," she answered sweetly "I've got a spool."

When you ask a Boston girl for a kiss she replies, "I have no objection to a picnic osculation, but permit me, first, to remove my glasses."

We don't just see why a woman should like her mirror better than a man, for the one will flatter her and the other won't.

"When I go to sleep young," says an old lady, "I always ask for what I want; and if they have it, and it is suitable, and I feel inclined to buy it, and it is cheap and can't be got elsewhere, I may take it without dropping all day out to see some one else."

The "WHITE" stands acknowledged King of all Sewing Machines.

Important and Cautionary Notice to all intending purchasers of sewing Machines.

OFFICE WHITE SEWING MACHINE CO.
CLEVELAND, O., May 27, 1880.

We particularly call your attention to the fact that we stamp a number in plain, distinct figures on the back shuttle-race slide of each machine and keep a record of such numbers. When sold, a WARRANTY FOR FIVE YEARS is given to the purchaser. This warrant bears the name of the agent who purchased the machine from us, as also the date of purchase and a number corresponding to the slide number. The warrant is signed by us, and has the OFFICIAL SEAL of our company stamped upon it. All other warrants in our name are spurious, and parties finding the SLIDE NUMBERS MUTILATED OR DEFACED, and no warranty to correspond with the above description, may know at once that sooner or later the owner will be involved in trouble, with no one to fall back upon.

The GENUINE "White" is to-day the most popular machine upon the market, the cheapest, and the best to own or sell. A larger number of the "White" have been made and sold since they were placed upon the market, than any other make in the same length of time since Sewing Machines were invented. Their lightness, speed, space, beauty, quietness, durability, and price, combine to make them the machine that every family desires to own, and thoroughly satisfied when once they possess the "White."

THE UNDERSIGNED AUTHORIZED DEALER FOR Snyder and adjoining counties, is C. C. SEEBOLD Middleburg Pa., and we advise intending purchasers to patronize none other, and thereby get the genuine "White"

Cathartic Pills

Combine the choicest cathartic principles in medicine, in proportions accurately adjusted to secure activity, certainty, and uniformity of effect. They are the result of years of careful study and practical experiment, and are the most effectual remedy yet discovered for diseases caused by derangement of the stomach, liver, and bowels, which require prompt and effectual treatment. AYER'S PILLS are specially applicable to this class of diseases. They act directly on the digestive and assimilative processes, and restore regular healthy action. Their extensive use by physicians in their practice, and by all civilized nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative medicine. Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calomel, or any injurious properties, and can be administered to children with perfect safety.

AYER'S PILLS are an effectual cure for Constipation or Costiveness, Indigestion, Dyspepsia, Loss of Appetite, Foul Stomach and Breath, Dizziness, Headache, Loss of Memory, Numbness, Biliousness, Jaundice, Rheumatism, Eruptions and Skin Diseases, Dropsy, Tumors, Worms, Neuralgia, Colic, Gripes, Diarrhœa, Dysentery, Gout, Piles, Disorders of the Liver, and all other diseases resulting from a disordered state of the digestive apparatus.

As a Dinner Pill they have no equal.

While gentle in their action, these PILLS are the most thorough and searching cathartic that can be employed, and never give pain unless the bowels are inflamed, and then their influence is healing. They stimulate the appetite and digestive organs; they operate to purify and enrich the blood, and impart renewed health and vigor to the whole system.
