## HUMOROUS.

Ex-spurts—retired firemen.

When a married woman buys a pug dog for a low price she gets a bargain, and her husband gets something to boot.

Patrick on the zebra: "Phawt kind of a baste is that?—the mule wid his ribs on the outside of his skin entirely.'

If Adam could have had a telephone in the garden of Eden it would have been "Hallo Eve," most of the time.

The only difference between a pig making a glutton of itself and a man making a pig of himself is that the pig at some future day will be cured.

"That seems to be a cross baby," said a man to the mother of a squalling infant in a horse car. "Yes sir, he is; he's a cross between German and Irish."

Our Indian problem: An old Indian fighter says that the best music he knows of to soothe the savage breast is the whistle of a well directed rifle bullet.

"Oh, Lord," prayed a Methodist minister, "keep me humble and poor." "Oh, Lord, if Thou wilt keep him humble," said the deacon, who next prayed, "we will keep him poor."

An Iowa father, who has succeeded in raising seventeen of the worst children in his neighborhood, says he is bound to have a representative in heaven if it takes seventeen more.

A little girl read a composition before the minister. The subject was "a cow." She wove in this complimentary sentence: "A cow is the most useful animal in the world except religion."

Valuable information from a bachelor: May is one of the unlucky months for marriages. The other unlucky months are January, February, March, April, June, July, August, September, October, November and December.

Circus joke: "This isn't a menagerie," sharply observed an irascible deacon to a man who was trying to force a passage through the crowd at a church doorway. "No, I presume not;" returned the stranger, "nor they wouldn't leave any of the animals to block up the entrance."

The young man who hammers his thumbnail this spring while putting down carpets or who is violently caught under the chin by a clothes line when he goes out in the yard after dusk should remember that in the revised edition of the New Testament the words have been changed to 'hades' and 'condemnation.'

They had been engaged to be married fifteen years and still he had not mustered up resolution enough to ask her to name the happy day. One evening he called in a particularly spoony frame of mind and asked her to sing him something tender and touching, something that would "move" him. She sat down at the piano and sang "Darling, I am growing old."

"Mr. Gilhooly," said a diminutive boy with a handful of bills, "when are you going to pay this bill for them boots you have got on?" "How old are you, sonny?" "Ten years old." "Go tell your pa that you have got too much curiosity for your age."

"I say, Jones, that dog of yours gave me an awful fright last night. As I was passing your house he came tearing out of the yard, barking and yelping like all possessed," said Fogg. "Oh he won't hurt you Fogg, he's perfectly harmless." "Yes, that's what I told Mrs. F. this morning. He's perfectly harmless. He began to be harmless just after he ran at me last night. I had a revolver in my pocket. Good morning, Jones!"

When young Hodge first came to town, his father told him it would be polite when being helped to dinner, to say to the host, "Half that, if you please." It so happened that at the first dinner to which he was invited, a sucking pig was one of the dishes. The host pointing his knife to the young porker, asked, "well, Mr. Hodge, will you have this our favorite dish, or a haunch of mutton?" Upon which recollecting his lesson, he replied, "Half that, if you please," to the consternation of all present.

"My brethren," said a Western minister, "preaching of the gospel to some people is like pouring water over a sponge—it soaks in and stays. To others it is like the wind blowing through a chicken coop. My experience of this congregation is that it contains more chicken coops than sponges."

**The "WHITE" stands acknowledged King of all Sewing Machines.**

Important and Cautionary Notice to all intending purchasers of sewing Machines.

Office WHITE SEWING MACHINE Co. CLEVELAND, O. May 27, 1880.

We particularly call your attention to the fact that we stamp a number in plain, distinct figures on the back shuttle-race slide of each machine and keep a record of such numbers. When sold, a WARRANTY FOR FIVE YEARS is given to the purchaser. This warrant bears the name of the agent who purchased the machine from us, as also the date of purchase and a number corresponding to the slide number. The warrant is signed by us, and has the OFFICIAL SEAL of our company stamped upon it. All other warrants in our name are spurious, and parties finding the SLIDE NUMBERS MUTILATED OR DEFACED, and no warranty to correspond with the above description, may know at once that sooner or later the owner will be involved in trouble, with no one to fall back upon.

The GENUINE "White" is to-day the most popular machine upon the market, the cheapest, and the best to own or sell. A large number of the "White" have been made and sold since they were placed upon the market, than any other make in the same length of time since Sewing Machines were invented. Their lightness, speed, space, beauty, quietness, durability, and price, combine to make them the machine that every family desires to own, and thoroughly satisfied when once they possess the "White."

THE REGULAR AUTHORIZED DEALER FOR Snyder and adjoining counties, is O. C. SEEBOLD Middleburg Pa., and we advise intending purchasers to patronize none other, and thereby get the genuine "White"

## Cathartic Pills

Combine the choicest cathartic principles in medicine, in proportions accurately adjusted to secure activity, certainty, and uniformity of effect. They are the result of years of careful study and practical experiment, and are the most effectual remedy yet discovered for diseases, caused by derangement of the stomach, liver, and bowels, which require prompt and effectual treatment. AYER'S PILLS are specially applicable to this class of diseases. They act directly on the digestive and assimilative processes, and restore regular healthy action. Their extensive use by physicians in their practice, and by all civilized nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative medicine. Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calomel, or any injurious properties, and can be administered to children with perfect safety.

AYER'S PILLS are an effectual cure for **Constipation or Costiveness, Indigestion, Dyspepsia, Loss of Appetite, Foul Stomach and Breath, Dizziness, Headache, Loss of Memory, Numbness, Biliousness, Jaundice, Rheumatism, Eruptions and Skin Diseases, Dropsy, Tumors, Worms, Neuralgia, Colic, Gripes, Diarrhœa, Dysentery, Gout, Piles, Disorders of the Liver,** and all other diseases resulting from a disordered state of the digestive apparatus.

As a Dinner Pill they have no equal.

While gentle in their action, these PILLS are the most thorough and searching cathartic that can be employed, and never give pain unless the bowels are inflamed, and then their influence is healing. They stimulate the appetite and digestive organs; they operate to purify and enrich the blood, and impart renewed health and vigor to the whole system.
