APRIL furnished us with but few pleasant days.

OUT-DOOR work was much impeded last week.

THE man with the shocking bad hat was in town last week.

THE pear crop in this locality promises to be a very abundant one.

CARNCROSS & DIXEY's Minstrels are on the fly again, coming this way.

THE Allentown Germans will hold their "Siengerfest" on the 2nd of June.

SHAD are plenty in the market, and sell at from 50 to 75 cents a pair.

"SETENUPAGAIN!" is how they treat local option in Blair county, in sly places.

ALTOONA reports flys as plenty as sewing machine agents.

THE rain has interfered seriously with farmers in all parts of the State.

GENERAL court—waiting on a half a dozen girls at the same time.

THE shade trees have commenced to put forth leaves.

CARLISLE ladies know how to dress handsomely.

CORRY, Pa., imposes a fine of $4 upon its profane citizens for each oath.

ENVELOPES furnished and printed very neat and cheap at this office.

BOYS are on the lookout for circus bills.

"LOCAL OPTION ELECTIVE ASSOCIATIONS" are being formed in many parts of the State.

THE Harrisburg Car Manufacturing Company is turning out twelve large finished freight cars per day.

TO KEEP out of people's business if oftentimes a sure preventative of bleeding at the nose.

THE Governor has signed the bill for a short-line railroad from York to Hanover.

CANDIDATES for county offices are now busy interviewing the independent and unbiased voters.

REMEMBER, boys, there is only five dollars fine for the destruction of a bird's nest.

OVER a thousand hotels in the State have closed since the election on the license question.

MAJOR HUBLY, of Centreville, has been appointed postmaster at that place, *vice* Pearson Clark, resigned.

ABOUT the 4th of July will be the proper time to put away stoves, overcoats and other winter paraphernalia.

POLITICALLY, the Mt. Holly Springs Council is composed of five Republicans and *four* Democrats.

PROBABILITIES FOR CARLISLE.—The indications for this locality are that Sundays will be unusually "dry days" during the summer.

DON'T discard underclothing until the warm weather has rightly set in, unless you want to see your doctor.

A CITIZEN of this place found a crock of gold the other night, but before he could carry it home he——woke up.

THE best advice we can offer at this season to country road-masters is, to mend their ways.

THE act abolishing the offices of Assessor and Assistant Assessor of Internal Revenue will take effect May 20th.

THE hotels will be full of visitors this season. Summer excursionists will be here in greater crowds than ever before.

TOOTHACHE.—Introduce into the cavity of the tooth as much *chloral hydrate* as it will contain. It will arrest all pain instantly.

OUR GRAIN FIELDS.—The wheat and rye fields in Cumberland county look fine. The young grain stands even, and looks thrifty and green.

THE Thomas Iron Company are having sixty new dwelling houses built at Pine Grove this summer. The buildings will cost about $40,000.

WHEN a lady dreams of a coffin, it betokens that she should instantly discontinue tight stays, and always go warmly clad in wet weather.

No man should take a city paper in preference to his local paper. If he is too poor to take only one, let that one be by all means be the one published nearest home.

LANNIER'S Dramatic Company here to a tolerably fair house on Thursday night. The universal opinion, however, was that the show was decidedly "thin." The Dutch eccentricities of Bolas were anything but funny.

IT is proposed to teach gymnastics by the aid of wild steers. This will be interesting to those who are simply lookers-on, but who do not enter themselves as students.

A PHILADELPHIA paper advertises "patent lever cork drawers." We have seen flannel drawers, white muslin drawers, yellow muslin drawers, and buckskin drawers, but cork drawers, and patent lever at that, never!

QUERY: Why is it that a young fellow and his girl can sit in the parlor until after midnight without making noise enough for the old folks to hear them through the partition, but can't sit in a public place five minutes without annoying the whole house with their giggling and talk.

INTERNAL REVENUE.—Every person or firm liable to special tax must, on or before the 30th day of April of each year, or before commencing business, if such business is commenced subsequent to April 30th, file with the Collector or Deputy Collector a sworn return on form No. 11, revised, which will be furnished by the Collector or Deputy Collector, and pay to such officer the amount of the tax, when he will be furnished with a special tax stamp, which must be at all times conspicuously displayed in his or their place of business.

ECLIPSES FOR THE YEAR 1873.—During the year 1873 there will be four eclipses—two of the sun and two of the moon. The only one visible in the U. S. will be the first, a total eclipse of the moon, on the morning of the 13th of May, at four o'clock and thirty minutes, near the setting of the moon, when the eclipse commences.

1776 AND 1873.—"Look at this picture, now at that." The following contrast, (the first lines by Dr. Franklin,) will be read with interest:

1776.

"Farmer at the plow,
Wife milking cow,
Daughter spinning yarn,
Son threshing in the barn,
All happy to a charm."

1873.

Farmer gone to see a show,
Daughter at the piano,
Madam quite dressed in satin,
All the boys learning latin,
With a mortgage on the farm.

A DAVENPORT man, with three marriageable daughters, has posted the following notice over his bell-pull:

"Wan 1, 50c card.
Cont, thirty cents a bushel;
Gas dear and bad.
Parties staying after nine o'clock
Will please settle quarter'ly."

YORK COUNTY ITEMS.—The following items we take from the *True Democrat*:

On Tuesday night Theodore Jacobs was shot in the left leg by the accidental discharge of a pistol which he was carrying in his pants pocket. The wound was however not of a serious character.

On Tuesday last, Mrs. Stuck, wife of Mr Wm. Stuck, residing on West Philadelphia street, fell down a flight of stairs. She was insensible for a while, and was considerably injured. Surgical attendance was given and every possible attention bestowed for her relief.

Mr. John Harman, an employee on the local freight train on the Northern Central Railway, had his hand smashed while coupling cars on Tuesday last. The little finger of his right hand was completely cut off.

On Tuesday morning last, Mr. Peter Keller, died at his residence, in Lower Winsor township, at the advanced age of 99 years, 2 months and 23 days.

On Monday evening of last week officer Selak arrested Wm. Runeberger and Obadiah Risinger, on a warrant issued by Justice Metzel, charging them with stealing a lot of fancy pigeons. They entered bail for their appearance at court.

On Saturday evening Mr. J. C. Williams, the turnkey at the Jail, was passing the cell of Dr. Charles Bazzett, otherwise Dr. Waltz, now under sentence for larceny, he heard threats from the Doctor against him; but paying no attention to what he considered mere idle raving, he passed on. After having made his round and was again approaching the Doctor's cell, a stick of wood was thrust out, which caused him to stop, and as he did so, he was struck by a half a brick, hurled through the little square hole in the door, by the prisoner, inflicting a very painful wound on Mr. Williams' right cheek. The Doctor stated to the reporter that he "intended to kill the d—s—of a b—."

IT is said that the new congressional district—Bedford, Blair, Somerset and Cambria—has probably more ex-congressmen living within its borders than any other district in the state. Bedford has four—Job Mann, S. L. Russell, John Cessna and B. F. Meyers. Blair has three—Samuel Calvin, Samuel S. Blair and Archibald M'Allister. Somerset has three—John R. Eddie, William H. Koontz and A. H. Coffroth. Cambria has two—Daniel J. Morrell and A. A. Baker.

THE Warren *Ledger* has a subscriber it brags on, and this is the way it does it: He lives up the river, is eighty-two years old, reads by candle light without the aid of glasses, hasn't been sick a day since he was a child, smoked and chewed for sixty odd years, walked to town, a distance of six miles, last Saturday, and got drunk as a lord; does his own shaving, pares his own corns, sews on buttons, bets on horse races, talks slang and swears with as much ease as the fastest young man in the country; he heed half an acre of corn, broke a colt, whipped his wife and went to prayer meeting all in one day last year. What other community can trot out his equal?

BUSINESS NOTICES.

LOCAL OPTION.—The citizens of Cumberland county have decided, by their votes, that License shall not be granted to sell liquors, but license has been granted to J. H. WOLF, No. 18 North Hanover street, to sell Notions, Trimmings and Fancy Goods, and as this favor has been conferred upon him, he has resolved to sell goods cheaper than ever, and will always endeavor to have bargains on hand for those who favor him with a call. [April'
