which every farmer knows is the most substantial machine before the farming public. Remember there is a good reason why there are over 300 Champions in the county—there is a reason why we sold more Champions last year than all others companies combined—there is a reason why we got three car-loads of Champions in Snyder county this year—when farmers buy Champions they need not be afraid of not getting repairs at any time—other agents who come around with new machines will tell you there is nothing in that, but don't believe it, for they want to sell and afterwards you must look out for repairs elsewhere. The Champion Company have in use thousands of Reapers & Mowers and have complete repair manufactory ample to supply the demand. I also offer the well known
