The Columbian.

Bloomsburg, Pa., Friday Oct 8, 1869.

Democrats be vigilant. There are tickets in your midst who have been hired to give out bogus tickets. See that each man votes four different tickets, headed "State," "Judiciary," "County" and "Township."

A NOTICEABLE FACT.—Not a man in Columbia County who supported Mr. Chalfant in the contest for Representative three years ago, is now friendly to his election.

WM. MCKELVY, son of Dr. J. B. McKelvy of this town, having passed a most creditable examination at Annapolis has been admitted as midshipman in the Naval Academy.

POSTPONEMENT.—Owing to illness and unavoidable absence of the speakers selected for Orangeville on Saturday Oct. 9th, the meeting advertised will not take place.

TAKE NOTICE.—There will be a Democratic meeting in Berwick on Monday evening October 11th. Let there be a general attendance.

If five Democrats stay at home in each election district, in the State, it will be a loss to Packer of 12,500 votes as there are 2500 districts in the State. GET OUT YOUR FULL VOTE, AND SUCCESS IS CERTAIN.

ACCIDENT.—A young son of Sam'l Trump of this place lost two fingers on Monday last, by having them caught in the cog wheels of the machinery in Billmeyer's Foundry. The wounds were dressed by Dr. Schuyler and the boy is doing well.

THOUSANDS of tickets have been sent into our County bearing the name of Thomas Chalfant, instead of Mr. Buckalew, the regular nominee. Each voter must examine his own ticket, or get some man beyond suspicion to do so. If you would be *sure* that you are right, cut your tickets from the COLUMBIAN.

DURING our absence at the State Fair last week, numerous communications were received, but were not inserted. We give some of them this week, while others are necessarily crowded out. We will give you all a hearing, friends, but it is impossible to do so in one issue.

WE print a racy communication from an Irish correspondent in Conyngham. It proves that our Irish friends there are as true as steel, and Tom's blarney and money are alike ineffectual. We look for a rousing majority from those three districts for Packer, Pershing, Buckalew, and the whole ticket.

THERE will be a grand Fireman's Parade in this place on Tuesday Oct. 19, and a Ball on the evening of the 19th, at Stoiner's Columbia Hotel, in honor of the Friend Hip Company, No. 15 of Philadelphia who propose visiting us. Stoes' String Band of Danville will be in attendance. There should be a general turn out on the occasion.

TEMPERATURE OF SEPT. AT BLOOMSBURG.—Observed at sunrise.—Maximum 74° on the 7th, Average 56½°. Minimum 38° on the 28th. Among early pears the Louise Bonne de Jersey were ripe about the 12th, Delaware and Creveling grapes about the 14th, Concord, Madeira and some others towards the end of the month. On.

Remember, Democrats, that the Standing Committees of Northumberland, Sullivan, and Columbia Counties, representing the Democracy and the Conventions of those counties, HAVE UNANIMOUSLY ENDORSED THE NOMINATION OF MR. BUCKALEW, and that the Standing Committee of Montour have refused to endorse Mr. Chalfant.

THE INSANE ASYLUM.—We were willing for a time that Chalfant should carry the stolen honors in regard to the appropriation to the Danville Asylum. But as he himself opened the question and called as a witness Dr. Worthington, (whose letter we have not seen) we would refer our readers to the letter of Senator Connell, in another column, which completely strips the borrowed plumage from this egotistical philanthropist.

FEW men outside this District understand its politics better than Col. Tate. We clip the following unqualified endorsement from the Lycoming *Standard:*

We are rejoiced to state, on reliable information from the Fifteenth Senatorial District, that there is no doubt of the election of Hon. Chas. R. Buckalew. His chances cannot be endangered by political trimmers. The State needs his services, and will have the benefit of them.

WE are credibly informed that some of the finest and fastest trotting horses of this State will compete for the premiums offered at our Fair next Wednesday, Thursday and Friday. We know that new buildings have been erected on the grounds, in which thousands of people and their articles for exhibition can be sheltered and everything promises to make it one of the most pleasing as well as the most profitable Fairs ever held in this County. Don't fail to attend.

THE FLOOD.—The storm which has just passed over the country will be one long remembered, in many places at least.

The creek was very high, nearly overflowing the road between this place and Report. We have heard of no serious damage in our immediate vicinity but, from various parts of the country, accounts reach us of immense destruction of property and loss of life. In New York State, railroad tracks were washed away, canals were seriously damaged and private property destroyed. In Albany, Schenectady, and Post Chester the loss was fearful. In Washington city, what is known as the "Island" was totally overflowed, the people being taken from their houses in boats. In Philadelphia the upper part of the city was flooded but fortunately no loss of life has been reported. At Norristown the river rose *seventeen feet*, exceeding the height reached in the great flood of 1850.

It is impossible to form even a rough estimate of the losses.

CHALFANT's claim that *he* can be elected is preposterous. Look at the figures. The Republican candidate will get 7,000 votes. Suppose Chalfant would get 1000 votes in this county,—the entire Democratic vote of Montour, 1600—half of our vote in Northumberland, 2000—and half in Sullivan, 400,—it will foot up only 5000, which would defeat him by 4000 votes. No man who knows our people will pretend that he can carry 500 Democratic votes in this county, nor as many in Northumberland. He will carry *none* in Sullivan, and cannot carry in his own county over 1200 votes. His sole object in running then *must* be to defeat Mr. Buckalew.—to send a Radical from this District, and aid in the passage of the XVth Amendment. This is why he caucusses with John Covode, the Chairman of the Radical State Central Committee, and why M'Ninch at his request seeks interviews with Mercur at the Exchange Hotel.

GEO. DONSON, a bitter Radical, is traveling through our Fishing Creek Township, distributing Chalfant's paper. This fact alone should open the eyes of those Democrats who hang their faith on Chalfant.

THE *Republican* this week is unusually severe upon Mr. Buckalew. This should prove conclusively to Democrats that he is the man who should receive the votes of all honest and respectable citizens. The insults offered to him become compliments when the source is considered.

CONCERT.—We enjoyed last Tuesday evening a real classical treat in the large Hall of the Institute. Such a selection of good music is seldom heard outside of our largest cities and such performers are not often found. Our space does not permit us to treat the Concert as it merits, but without alluding to all the performances, we may be permitted to mention those, which made the deepest impression upon our musical organs, which are—we confess it candidly—not of the highest order.

Miss Elwell's "Fantasia de Concert," Miss Schuyler's "Beautiful Snowdrops," the Chorus of the Private pupils, the Piano Quartette of the four young ladies, Miss Barton's "Bright Star of Hope," the song by the intermediate department, were very good. The "Calithenics," the "Flee as a Bird" of Miss Sarah Carver, the vocal Quartette "Sweet and Low." Miss Fanson's Piano Solo, and the magnificent Secerito were all excellent; but more than excellent, really artistic were the songs of Miss Sharpless, Mrs. Best and Miss A Carver's four hand piece and the two Solos of Mrs. Best.

The audience was very quiet and appreciated this good music highly. The Principal, Prof. Henry Carver, announced, that on the last day of this term, Oct. 14, another concert will be given. Better prepare in time, not to miss the best that Columbia or any other county can afford!

DEMOCRATIC MEETINGS. A meeting was held on Friday night last at the School House near Molick's Tavern in Mt. Pleasant township. Wm. Howell was elected President, Paul Kline and T. J. Vanderslice Vice Presidents and Benj. Kisler Secretary. Addresses were delivered by F. Cooley, Gen. W. H. Ent and E. H. Little, Esq. There was a good attendance and much interest was evinced.

There was a meeting on the following evening, at the Swamp School House in Franklin township. Moses M'Henry was chosen President, Jacob Knittle Vice President and H. J. Reeder Secretary. Speeches were made by F. Cooley and Col. John G. Freeze. There was a very general turn out of the Democracy and the full vote of the Township will undoubtedly be had on the 12th of October.

On Monday evening last there was a large meeting at Slabtown, which was decidedly successful. Leonard Adams was President Elias S. Helwig, Henry Gable and Geo Hower Vice Presidents, Rolandus Herbein and Jacob Stine Secretaries. A very able address was delivered by Senator Buckalew, who was followed by R. F. Clark and E. H. Little, Esqs.

On the same evening a meeting was held at the Half Way House in Centre township; speeches were made by Col. John G. Freeze, Gen. W. H. Ent and W. H. Shoemaker. At both meetings the attendance was good and the interest *down* was undoubted.

A meeting was held at Iola on Tuesday evening last. Joseph Shoemaker President; Wm. Johnson, John Lore, John Cornell and G. W. Derr Vice Presidents; David Demoti and B. Whipple Secretaries. Messrs. C. W. Miller and Wm. H. Shoemaker addressed the meeting and were warmly received.

Democratic meeting held at Mainville Wednesday evening Oct. 6, 1869 organized by electing the following persons as officers: W. T. Shuman, Esq. President, Rudolph Shuman and J. R. Jamison Vice Presidents, U. J. Campbell Secretary. The meeting was addressed by Gen. W. H. Ent; his remarks were listened to with marked attention. The meeting was well attended showing the zealousness of our Democratic friends in Maine. You may look for a handsome *Democratic* majority at the coming Oct. election.
