Stoves for the People.

THE subscriber is now receiving his Fall and Winter stock of Stoves, which, when complete, will be the largest and best selected assortment ever offered to the inhabitants of Susquehanna County. This stock will consist of some twenty different patterns of wood and coal, Cooking and Parlor, besides any quantity of six Plate, and Office stoves.

The undersigned flatters himself that his long experience in the Stove business, and his facilities for manufacturing his own furniture and Pipe, enables him to sell, not only Trimmings &c., but Stoves, *Cheaper*, than any of his competitors.—He will sell Stove pipe, made of the best English and American iron, at 8 cts per lb. and other furniture in proportion.

Notwithstanding the present high price of Iron and the consequent advance of castings, I am enabled to sell stoves at old prices, and many kinds at about two thirds of the price that they have been sold for in this vicinity, for instance, Clinton Air Tight, Elevated oven, with trimmings of the best quality at $24. With second quality of trimmings, such as are usually kept by merchants, at $22. Other kinds of Stoves, in proportion, for cash, or short time paper.

Jobbing of all kinds done at my shop. Old Iron, Copper &c., taken in exchange.

Threshing Machines.

THE undersigned desire to call the attention of the Public to the article of THRESHING MACHINES, manufactured by the well known establishment of *Wheeler, Melick & Co.*, Albany, New York.

These Machines have been so long in use in this county, and so universally approved, that we feel any effort at recommendation would be vain. Suffice it to say, that all the improvements suggested by experience and approved by test, have been adopted by the Manufacturers in their Machines for the trade of 1854. Besides this, all Machines sold by us are warranted to give good satisfaction, or they may be returned after a fair trial.

Prices.

Double Power, with Combined Thresher and Winnower, including belts, wrenches &c.,	$245
Combined Thresher and Winnower, alone,	125
For Two Horse Power, Thresher and Separator including Belts, Wrenches, &c.,	$160
Double Power alone, including belt,	120
Do without belt,	115
Double Thresher and Separator, alone,	10
Single, or One Horse Power, Thresher and Separator, including belts, oil cans, and wrenches, complete,	128
Single Power, alone, including belt,	90
Do without belt,	85
Single Thresher and Separator, alone,	38

To the above prices will be added the freight, of course. To those wishing to purchase we specially offer our services, assuring them that they can purchase no cheaper at the Manufactory, than of us.

The attention of Farmers is particularly invited to those One Horse Machines. The cost is but a trifle, and then the convenience of a Power to attach either Feed or Straw Cutter, or Wood Saw, can not be over-estimated. No Farmer can invest his money to better advantage than in the purchase of one of those Machines.

For further particulars, apply to
