Dr. Laverne's Victory Shoulder Brace

THIS is an entirely new, and greatly improved article, combining all the advantages of a suspender and Shoulder Brace. It is light and elastic, equally adapted to the wear of either sex, and so constructed that it is impossible for them to bind under the arm, which has been one serious objection to nearly all the braces that have heretofore been used. It is highly approved by Physicians and Surgeons, as being conducive to health and gracefulness. Those who are subject to pain in the chest, disease of the Lungs, Heart or Stomach, symptoms of Consumption, we would advise to call at the Drug and Prescription Store, No. 3 Wolf's Row, and purchase one immediately.
