☞ TO THE PUBLIC—As there are many Gift Book Stores advertised throughout the country, Mr. Evans deems it just to himself and his duty to the public—inasmuch as he originated the Gift Book business—to state, as evidence of the usability of many of such concerns, that they connot, without rent income *from the public, and are advertising their business under assumed names.* Mr. E is aware that these various concerns published as Gift Book Stores, are calculated to bring the business established by himself into disrepute. He asks of the public a correct judgment in regard to *his Gift Book Enterprise*, for the honor, integrity, and success, of which he refers to all the prominent publishers in the United States.
