GET REGISTERED.—To morrow is the last day. Let every man see if his name is on the list.

A meeting will be held in the Union Church Jackson township, on Monday evening October 7th. There will also be one at Klinger's Hotel in Roaringcreek on Friday evening October 4th, and one at Stillwater in Fishingcreek township on Tuesday October 1st.

An afternoon Mass Meeting will be held at Yeager's Hotel in Roaringcreek townsnip on Saturday October 5 a. Let there be a grand turn out.

HON. WILLIAM BIGLER Candidate for member of the Constitutional Convention at large has withdrawn and Hon. Andrew G. Curtin has been nominated in his place.

A telegram from Hon Samuel J. Randall Chairman of the State Central Committee announced that Hon. Horace Greeley would be in Bloomsburg by the morning train on Thursday last. A large crowd assembled at the Station to greet him but were disappointed as Mr. Greeley was not on the train. He is confidently expected to day, Friday.

MR. GEORGE MARTZ, whom many of our citizens will remember as delivering Republican speeches through this section of the State, will, with C. B. Brockway, address a public meeting on Friday evening, October 4th, at Light Street.

THE representation in our County Convention is based upon the vote for governor. The townships that fall behind the Packer vote may lose a vote, and those that increase it may gain.

WE are sorry to learn that Miss Hattie Jacoby who was thrown from a buggy at Benton on last Sunday week, is still lying in a critical condition. Perfect health and a good constitution are her best allies at present and may yet save her life.

But ten days until the election! Reader, do you want our State ticket elected? If so, go to work and do what you can. Sitting still will not help us.—See the indifferent and the doubtful. Let each man use his influence and we carry the State, and show an example to those who vote after us.

THE RINGTOWN FAIR. It was our pleasure to attend this annual gathering last week, and we confess were agreeably surprised to find the large attendance, fine display and good order. The local accommodations and patronage are small yet by dint of good management and liberal advertising large crowds are always accumulated. The rental of stalls alone amounted to $1000. Much of the success is due to the activity and energy of T. J. Foster, Secretary of the institution.

ONE of Mc Kelvy Neal & Co's furnacemen, named John Mc Cormick met with a painful accident on Wednesday, last which may result in the loss of a portion of one of his feet. He stepped upon a cake of cinder which had been but a short time before run out, thinking it to be hard enough to bear his weight. The outer surface of the cake broke through and his foot went, ankle deep, into the fiery mass of molten iron. His foot was shockingly burnt and it is feared he may lose the toes.

THERE was a pole raising at Washingtonville on Saturday last at which there was a fine attendance and which was, in all respects, a success. The pole, 110 feet in length, was a hickory, of course, and its elevation to the perpendicular was greeted with the cheers of the assemblage and the music of the admirable Cornet Band from Danville. The meeting organized by the election of Capt. John Derr as President; Michael Wagner, W. D. Weidenhamer, Esq., John McGonigle, George Billmyer, George W. Suplee, Jesse Gresh and James N. Miller, Vice Presidents; Charles H. Tyreman, Thomas Butler, Secretaries. Col. John G. Freeze then addressed the meeting, and was followed by John J. Metzgar and Jesse Ammerman. An evening meeting was arranged at which Hon. Thomas Chalfant was to speak. The young people had made preparations for a ball in the evening, which we presume took place. We trust it was successful.

GRAND DEMOCRATIC RALLY!

HONEST MEN TO THE FRONT!!

In pursuance of a Resolution of the Standing Committee, a Grand Mass Meeting will be held at

BLOOMSBURG, THURSDAY, October, 3d.

Eloquent speakers have been secured and will certainly be present to take part in the proceedings of the day.

DEMOCRATS AND LIBERALS, who desire the triumph of right and the overthrow of wrong attend this meeting and show by your presence that you are not in sympathy with corrupt and venal politicians.

TURN OUT! from all parts of the County. Let every township form a Delegation with its Marshal, and, joining with other delegations, pour a flood of earnest, zealous, honest men into Bloomsburg to hear the true and just issues of the Campaign discussed by able and eloquent speakers.

COME IN FORCE

in wagons, on horseback, on foot, in any and every way and swell the multitude who look forward to victory on the 8th of October. Turn out with Bands, Glee Clubs, Flags, Banners, and Hickories!

Let the "Star of the North" show her strength, and prove that Democracy is not dead yet.

Each township should choose a President and report his name by the 2d inst. in order that it may be put on the list of Vice President of the meeting.

DAVID LOWENBERG,
Chairman County Committee.

ATTENTION DEMOCRATS.

Having been appointed by the Standing Committee of Columbia county, Chief Marshel for the Grand Democratic Mass Meetting to be held at Bloomsburg on Thursday October 3d, I would announce the following instructions to the different delegations for the purpose of securing order and despatch:

1. The Delegations coming down the Big Fishingcreek will assemble at Light Street by 10:30 a. m.

2. The delegations from the up-river region including those which cross at Espy, will concentrate at Espy by 10:30 a. m.

3. The Delegations from beyond Catawissa will assemble at that point by 10:15 and will be joined by the delegation from Montour at Rupert at 10:45 a. m.

4. The Delegations from Madison and Hemlock will meet at Buckhorn at 10:15 and will be joined by the delegation from Montour county at Hemlock Creek bridge at 10:15 a. m.

5. The Little Fishingcreek delegation will concentrate at the Fishingcreek bridge at 10:15 a. m.

6. Each delegation should use every effort to reach the place of rendezvous at the appointed time, and should wait a reasonable length of time for the delegation beyond it.

7. Each delegation should have a Mounted Marshal, who should wear a white rosette in his left breast. At the time appointed all should leave the place of rendezvous and march towards town, at the outskirts of which they will be met by aids to the Chief Marshal, who will aid in forming the procession. No one should leave the column until after the parade. Delegations from adjoining counties will receive proper attention.

W. B. KOONS,
Chief Marshal.

CLUB MEETINGS. The following Democratic Club meetings have been held since the last issue of the COLUMBIAN.

ON Tuesday of last week at Ludwig Thiele's hotel in Locust township, B. F. Zarr and J. M. Clark addressed the meeting.

A meeting was held in Rohrsburg on Wednesday of last week. C. G. Barkley and W. J. Buckalew delivered addresses.

At Shuman's Hotel, Beaver Valley, on Thursday of last week, there was a fine attendance. B. F. Zarr and J. M. Clark were the speakers.

In Franklin township at the Swamp School House, on Friday last, the meeting was organized by the election of Washington Parr, as President; Christian Artley, John Artley, Vice Presidents; John Bodine, Secretary. F. M. Tewksbury, B. F. Zarr and G. W. Sterner made speeches on the occasion.

On the same evening in Light Street, Col. John G. Freeze addressed a meeting.

A meeting was also held in Dietterick's School House, Montour township, Evan Welliver presided, and W. J. Buckalew and Wesley Wirt were the speakers.

On Saturday evening there was a meeting at Benton. J. C. Wenner was the presiding officer and addresses were made by C. B. Brockway and W. J. Buckalew.

On Monday night at Half Way House Centre township, Joseph Pohe, President; Samuel Dietterich, Secretary. There was a large attendance. Messrs. Barkley and Buckalew delivered speeches.

At Eyer's Grove on Monday night the following officers were chosen: President, J. D. Wilson; Vice Presidents, Wm. Eyer, Isaac McBride, Israel Heller, Robert Robbins; Secretaries, Jacob Welliver, J. B. Quick, F. Eyer. W. H. Jacoby, G. W. Sterner and Wm. L. Eyerly addressed the meeting.

At Dietterich's School House in Montour township on Tuesday night last, The Club was addressed by B. F. Zarr, and W. L. Eyerly. The attendance was very good.

At Fowlersville on Tuesday night C. W. Miller and W. J. Buckalew delivered addresses. Samuel Smith, President, and Charles Reed, Secretary.

Several meetings for Wednesday night were postponed on account of the rain.

It is with sincere regret that we announce the sudden and unexpected death of Mr. Thomas Rishton, which occurred in Washington D. C. on Saturday last. Mr. Rishton was an Englishman by birth, his place of nativity being Liverpool. He came to this country in the Spring of 1862, intending to remain but a short time and to return in the same vessel which brought him across the ocean. His sympathies were however strongly excited in the war then in progress and he enlisted in the defence of the land in which he was a stranger. He was wounded in the second battle of Bull Run. The position of a Clerk in the War Department was subsequently tendered him and he held it at the time of his death. He married Martha C. daughter of the late Major William Sloan, and two young children are left to mourn, with their mother, the loss of a true, honest, manly husband and father. Mr. Rishton was well known in this town and possessed in a marked degree the friendly regard and respect of all who knew him. He was a quiet, modest gentleman of a kind whose rarity lends value to one of them whenever found. We are sure that in expressing our hearty sympathy with his family, and our sorrow for the loss to them and to the community, we but echo the feelings of the large number of Mr. Rishton's friends and acquaintances both here and elsewhere.

THE Friendship Fire Co. attended by the Bloomsburg Cornet Band made their appearance on our streets on Friday last, the Band in their new uniforms, the firemen with new fire-hats. The dress of the Band, black cloth with silver epaulets and stripes, and hats with white plumes, was very tasteful and neat and looks extremely well. The new hats of the "fire laddies" are of the orthodox shape which has found favor for years. Both Firemen and Band looked and marched well. After their parade through the principal streets, they marched to Hondershott's woods to enjoy themselves pienically and we are informed that they had a good time.

You can get the celebrated "Lion" brand of black Alpaca at M. P. Lutz's at any price, from 30 cents per yard to 1.25.

We notice all wool Empress cloth in handsome shades in one of M. P. Lutz's show windows marked 45 cents per yard. "How is that for low."

Over 1,000 yards of American Black Silk has been sold by M. P. Lutz within the last two years and every body is pleased with their purchase.

Do not think of buying a shawl before you look at I. W. Hartman's.

I. W. Hartman has the largest stock of fall goods he ever had.

You can buy your flannels of I. W. Hartman out of a stock of 25 pieces.

Many people inquire why it is that four thousand Singer Sewing Machines are sold a week, or two thousand more each week than any other Shuttle Machine.

The reason is plain to all who have had much experience with Sewing Machines, also to Machinists who say it is made of the best metal on a superior plan to others. The past has proved it, and the future will confirm it, that the Singers are the most durable, fastest, easiest to learn, and less liable to get out of order of any Shuttle Machine yet invented.

No Lady's Toilet Complete

Unless there be the fragrant SOZODONT; unto the breath sweet odors it imparts, the gums a ruby redness soon assume, the teeth quick rival alabaster tint, and seem as pearls set in a coral vase.

Spalding's Glue, cheap, convenient, useful.

THERE is no truth in the reports made by other agents that if persons who lease Singer Sewing Machines fail to pay within a month, the Machines will be recalled. Of those on which money was paid, only two of four hundred was recalled in a year. One had ten dollars paid, the other was ordered in for renting it out to a third party.

A full assortment of Zephyrs and yarns. Also embroideries for sale by A. D. WEBB.

ONE of Singer's agents in this county was offered ten dollars more on each Machine if he would sell the original Howe. This may account for Howe's agents selling at reduced prices, or giving extra attachments to induce parties to buy an old style slow Machine. tf.

"CAN'T DO WITHOUT IT."—This is what the stage and horse car companies, livery-stable keepers, members of the turf, and all grooms and trainers say of the Mustang Liniment. They "can't do without it." And why? Because it intallibly reduces the external swelling, &c., which, under various names, impair the usefulness and value of the king of quadrupeds, and also because, for sprains, strains, galls and other injuries to which horse-flesh is liable, it is the most trustworthy preparation in the market. Yet these recommendations comprise only a portion of its claims to public confidence.—During a period of more than sixteen years, it has been recognized as a specific for many of the most agonizing disorders which afflict the human family, such as rheumatism, gout, neuralgia, lumbago, tic doloureux, sore throat, earache, toothache; and likewise a peerless application for cuts, bruises, burns and scalds.

CASTORIA—a substitute for Castor Oil—is a physic which does not distress or gripe, but is sure to operate when all other remedies have failed. You may confidently rely upon the Castoria to Stomach Ache, Constipation, Flatulency Croup, Worms, Piles or deranged Liver. It contains neither Minerals, Morphine, Opium nor Alcohol, but is purely a vegetable preparation, perfectly harmless, and above all, pleasant to take. The Castoria soothes and quiets the system, and produces natural sleep. It is a wonderful thing to assimilate the food of children and prevent them from crying. A 35 cent bottle will do the work for a family and save many doctors' bills. Aug 30—4w.

SPECIAL NOTICES.

VALUABLE HINTS.—A regular habit of body is absolutely essential to physical health and clearness of intellect. Nor is this all. Beauty of person cannot exist with an unnatural condition of the bowels. A free passage of the refuse matter of the system through these natural waste pipes, is as necessary to the purity of the body as the free passage of the dead of a city through its sewers is necessary to the health of its inhabitants.

Indigestion is the primary cause of most of the diseases of the discharging organs, and one of its most common results is constipation. This complaint, besides being dangerous in itself, has many disagreeable concomitants—such as an unpleasant breath, a sallow skin, contaminating blood and bile, hemorrhoids, headache, loss of memory, and general irritability.

Hostetter's Stomach Bitters remove all these evils by removing their immediate cause in the digestive organs, and regulating the action of the intestines. The combination of properties in this celebrated preparation is one of its chief merits. It is not merely a stimulant or a tonic, or an antibilious agent, or a nervine, or a blood depurent, or a cathartic, but all these curative elements judiciously blended in one powerful restorative. It lends activity and vigor to the inert and enervated stomach, relieves the alimentary canal of its obstructions, and gives tone to the membrane which lines it, gently stimulates the liver, braces the nerves, and cheers the animal spirits. No other remedy possesses such a variety of hygienic virtues. It is to these characteristic virtues that it owes its prestige as a household medicine. Experience has proved that it is as harmless as it is efficacious, and hence it is as popular with the weaker sex as with the stronger.

Hostetter's Stomach Bitters are sold in bottles only, and the trade-mark below in the glass and engraved on the labels is the test of genuineness. Beware of counterfeits. sept 14-4w

THE greatest want of the present age is men and women, healthy and vigorous in mind and body. The continued headaches, weakness, nervousness, & varying ailments which afflict women are generally the result of imperfect action of the stomach and other vital organs. Dr. Walker's California Vinegar Bitters, being composed entirely of vegetable substances indigenous to California, may be taken with perfect safety by the most delicate, and are a sure remedy, correcting all wrong action and giving new vigor to the whole system. sept 4, 2w

Important Testimony!

The following letters are among the many we are constantly receiving from persons who have been cured by

Schenck's Pulmonic Syrup,
Schenck's Sea Weed Tonic,
AND
Schenck's Mandrake Pills.

Pennsgrove, Salem County, New Jersey.
FEBRUARY 3, 1872.

DR. J. H. SCHENCK, N. E. corner Sixth and Arch streets, Philadelphia.

Respected Sir—I take pleasure in adding my testimony to that of the many others who have been cured by the efficacy of Schenck's Pulmonic Syrup, Sea Weed Tonic, and Mandrake Pills.

Consumption has been hereditary with my family, most of its members having died at an early age. My mother and three brothers died at the age of 31, one brother at 27, and my sister at 18.

I was, when about 21 years, seized with liver complaint, which rapidly developed into Pulmonary Consumption. I was compelled to relinquish my employment (that of a blacksmith.)

I consulted skillful and eminent physicians, and tried many patent nostrums, but without success, so that my friends were sure that there was no hope of my recovery, for I was reduced from 145 pounds to 101, and was not able to do anything without assistance.

By what I now look upon as a Providential interposition, I was induced to try your remedies, and, care not self under your treatment, and so rapid and thorough was my recovery, that it seemed as though some superhuman power was at work, and to-day I am as well as at any time during my life. I weigh 162 pounds, am 33 years old, and for some time have been regularly attending to my business, looking fair to live to a good old age.

I am bound to you beyond expression for having placed me in a position whereby I am aength instead of a burden to my family.

Your Mandrake Pills are the only medicine I ever use now. I think they are the best in the world.

I can refer you to hundreds of my neighbors who will verify all I have written, and any information any of my fellow citizens may desire will be freely and gladly given, upon receipt of stamp. Yours, etc.

JOHN C. HEWITT.

Key West, Fla., Feb. 19, 1872.

DR. J. H. SCHENCK, N. E. cor. Sixth and Arch streets, Philadelphia.

Dear Sir—Please forward, per first steamer, six bottles Sea Weed Tonic and twelve bottles Pulmonic Syrup.

Your medicines are of such value that I cannot be without them in my household, and in fact no family should be without them.

I have tried them a fair test, and openly declare them to be even better than you claim.

Very respectually yours, &c.

W. A. WHITEHURST.

PHILADELPHIA, March 4, 1872.

DR. J. H. SCHENCK,

Respected Sir—I take pleasure in awarding to you this certificate of the wonderful cure your Pulmonic Syrup and Sea Weed Tonic produced. My throat and bronchial tubes were so highly inflamed that it was almost impossible for me to swallow my food.

I got on a visit to my uncle, Mr. Charles Johnson, No. 612 Federal street, who says your medicines raised him from a dangerous death after all other means had failed, and he having, therefore, full confidence in the virtue of your remedies, strongly recommended me to try them. I did so, and in one week from the time I commenced taking them my throat underwent a very great change, for the better, so that I could eat my meals without any difficulty or pain. I can scarcely find words to express my gratitude for the early relief your invaluable medicines produced upon me, and I deem it but a act of gratitude to give you the acknowledgement of my appreciation. Yours respectfully,

RACHEL M. JACOBS,
No. 106 West Thirty-third street, New York.

SCHENCK'S PULMONIC SYRUP,
SEA WEED TONIC,
and MANDRAKE PILLS.

These are the only medicines that will cure Pulmonary Consumption. Dr. Schenck has been in constant practice over thirty years continually examining lungs, and knows his medicines. If properly taken, will cure Consumption. His Mandrake Pills cleanse the liver and purify the system. His Sea Weed Tonic dissolves the food, stimulates the action of the stomach, and makes it digest. His Pulmonic Syrup ripens the matter, and enables the patient to throw it off without any exertion.

Price of the Pulmonic Syrup and Sea Weed Tonic, $1.50 per bottle, or $7.00 per half dozen. Mandrake Pills 25 cents per box.

DUTY OFF TEAS!

EXTRA INDUCEMENTS TO PARTIES IN THE TEA TRADE!

Send for New Club Circular!

Will be ready for explanations of Prices and The Way to Obtain our Goods!

Persons living at a distance from New York, can club together, and get items on the same prices as we sell them at our Warehouses in New York. In order to get up a club, let each person willing to join say how much Tea he wants, and select Teas from our Price List. Price List published in our circulars. Write the names, kinds and amounts plainly on a list, and with the club, remit money to cover the amount, and we will put each party's goods in separate packages and mark the name upon them, with the club. Large clubs will be supplied at club rates by getting up a club. Small clubs can join large ones, and receive their orders through the club. Our Price List and Circulars sent free to all who apply. Our Teas are warranted to give satisfaction in every instance, or the money will be refunded. Our object is to induce everyone who drinks Tea to try our Teas, and be convinced that they can save from 30 to 50 per ct. by ordering their Teas by the chest, half chest, or box, instead of buying of their grocer. Our Teas are put up in 1, 2, 3, 4, 5 and 6 lb. lead and tin foil, and warranted to stand any climate. Our Price List comprises all kinds of Teas, from the common to the finest imported.
