VAN HAAGEN & McKEONE'S
ORIENTAL DETERSIVE SOAP,
PHILADELPHIA.

WARRANTED to give perfect satisfaction, or the Money will be Refunded, and our Agents are hereby authorized to make good any failures of it at our expense.

A. VAN HAAGEN being a practical Soap Maker, and having for the last twelve years (at different times) experimented upon and tested this particular Soap, in various ways, now offers it to the public as a Soap which will save Time, Labor and Money. We are willing it should rest upon its own merits. All we ask is to give it a fair trial, and use it according to our directions, (found in each box,) and if it does not give full satisfaction, the money will be refunded.

Among the advantages over other Washing Soaps, the following may be named:

1 Clothes need no boiling, and very little rubbing, (most articles none.)

2 One pound will go as far, for any use, as three pounds of common rosin soap, or two pounds best family soap.

3 It requires less than one half the time and labor to do the washing of a family, that it requires with the best family soap, and is warranted not to injure the fabric.

4. For cleaning Paints and removing Grease, Tar and Printer's Ink, it is unsurpassed. Machinists, Painters and Painters will find it an invaluable article for washing hands, as it does not chap, but greatly softens the skin.

5 The superiority of the materials used, and the Soap not containing an excess of alkalies, is more mild than any other known washing soap, and undoubtedly the best adapted for white and colored clothing, as well as cambrics and laces, and is warranted not to rot the clothes.

HERTS, BROTHERS',
AMALGAMATED IRIDIUM, ZINC AND PLATINA PENS.
WARRANTED NOT TO CORRODE.

HERTS, BROTHERS, having been many years engaged in the manufacture of Metallic Pens and during that time having devoted their unceasing attention to improving and perfecting that useful and necessary article—the result of their unceasing efforts and numerous experiments has been the construction of a pen, on a principle entirely new, combining all the advantages of the elasticity and clearness of the quill, with six times the durability of the steel pen, and thus entirely obviating the only objection that has hitherto existed against the use of steel pens.

This pen will be found an invaluable article in Offices, as they never need wiping, also to Banks and Schools as they will not spatter, nor cut the thinnest paper, and are warranted anti corrosive.

CAUTION.—The universal celebrity of these Pens having induced a certain disreputable Maker to foist on the public a spurious imitation, it will please be observed that each genuine pen is stamped "Herts, Brothers' Patent, 1853," and each box of genuine pens will contain a label with a fac-simile of the Manufacturers' name.

☞ They may be had wholesale, at the Principal Depot, 211 Broadway, New York, and Retail from all Respectable Stationers in England, France, and the United States.

Books from the Spring Trade Sale
AT CHEAP BOOK STORE.

A RARE opportunity for those in want of Good Books at a small cost.

Never have Books sold cheaper than at the recent Philadelphia Spring Sale.

The proprietor of the Cheap Book Store has availed himself of the opportunity to purchase a large stock of the most varied assortment of valuable books of every class and description. He now offers to the public the same, at proportionably and unusually low rates.

Those in want of valuable standard works, for the improving of a well-selected library, will find it to their great advantage to call and examine the extensive stock on hand. My object and wish is, as it always was, to supply the wants of the community with anything in my line, on the most reasonable terms possible. This we find the better and most advantageous course for all parties. The Political Economist tells us "the cheaper an article is, the more universally it can and will be used." Then the conclusion is, that when we buy cheap, we must sell cheap, simply allowing ourselves a reasonable profit.

SUNDAY SCHOOL BOOKS.

I would call especial attention to my large assortment of Sunday School Books on hand, of every variety wanted for the use of Sunday Schools; and sell at the Sunday School Union prices. I have the agencies for the publications of the American Sunday School Union, American Tract Society, Methodist Book and Tract Society. Also, the Lutheran, Presbyterian, Episcopal, and other denominations are kept on hand.

FAMILY BIBLES.

Those in want of a neat and cheap Quarto Family Bible, will find it to their advantage to call and examine at the Cheap Book Store, the largest stock on hand, ranging from $1 to $25.

A Valuable Library For Sale.

THE Library of the late Rev. John S. Crumbaugh, County Superintendent of Common Schools, is now *offered for sale by the subscriber.* We need add no encomiums in praise of the library or the value of its selections; all we have to say is, that it is a large library, collected with discriminating judgment. All knowing the man, the soundness of his judgment in things he undertook, may be safe to infer as to merit. A number of rare Imported Books are in the collection.

Many of Mr. Crumbaugh's friends and admirers expressed a wish to possess part of his Library, or a volume, as mementoes of regard for his friendship and past usefulness. To all these, or any one in want of Good Books, cheap, we now extend an invitation to call early and select such as they may want.

The design is to close out the library as soon as *possible, as it is the wish to settle up the estate in the shortest possible time.*

Clergymen, School Teachers, School Directors, Friends of Education; all that want the last token of your departed co-laborer and friend, we now offer you the last opportunity in presenting to you for sale the valuable collection in this library.

Successor to Murray, Young & Co.
