TO THE INDEPENDENT FREEMEN OF SUSQUEHANNA COUNTY, GREETING:

But more Especially to every Alderman and Justice of the Peace in the State of Pennsylvania.

THE undersigned has the general agency of this State for the sale of B. Glidden's Form Docket for Justices of the Peace, containing abbreviated forms for entering actions, both civil and criminal, and all subsequent proceedings therein; also bills for Justices' Constables' and Witnesses' Fees; being a complete guide to new Justices, and saving much labor and time to both new and old. The work is highly recommended by Hons. S. B. Chase, D. Wilmot, Wm Jessup, U. Burrows, C. F. Read, F. B. Streeter, and by nearly all the Attorneys of the county. The Attorneys in their testimonials say that a "strict economy, saying nothing of the great convenience of the work, will, in our judgment, induce every Justice in the county to purchase the book as soon as it is examined by them."

It is substantially bound, and contains six quires of good paper, and is sold at the uniform price of $6. Call and see it at the Montrose Book Store. Orders by mail from any part of the county or state, enclosing the cash, promptly attended to, and the work sent by express, or as directed.

SANFORD'S
LIVER INVIGORATOR,

NEVER DEBILITATES.

For sale in Montrose by ABEL TURRELL, Druggist.

SANFORD'S LIVER INVIGORATOR.

It is compounded entirely from Gums, and has become an established fact, a standard Medicine, known and approved by all that have used it, and is now recommended as the surest remedy for all the diseases for which it is recommended.

It has cured thousands within the last two years who had given up all hopes of relief as the numerous testimonials show.

Unlike other Cathartics, the dose must be adapted to the temperament of the individual taking it, and unless this is done it will not act freely on the bowels.

Let the dictates of your judgment guide you in the use of the **LIVER INVIGORATOR**, and it will cure **Liver Complaints, Dyspepsia, Summer Complaint, Dropsy, Sour Eructations, Cholera Morbus, Cholera Infantum, Flatulence, Jaundice,** and may be used successfully as an **Ordinary Family Medicine.** It relieves **SICK HEADACHE,** (as the sufferer can testify,) in **twenty minutes,** if **teaspoonfuls are taken at the commencement of the attack.**

All who use it are giving their testimony in its favor.

SIX WATER IN THE MOUTH WITH THE INVIGORATOR, AND SWALLOW BOTH TOGETHER.

Price One Dollar per Bottle.

—ALSO—

SANFORD'S FAMILY CATHARTIC PILLS,

COMPOUNDED FROM

Pure Vegetable Extracts, and put up in GLASS CASES, Air Tight, and will keep in any climate.

The **Family Cathartic** but active Cathartic used in his practice now for the last twenty years, and has never been known to fail in any case where the directions were followed. The constantly increasing demand from those who have long used the **PILLS**, and their unanimous testimony as to their superior excellence, is the best evidence they can offer of their value to the public.

The Profession well know the Cathartic properties of Calomel, and have been in the habit of combining it with other active Cathartics, to make them more active and efficacious. This combination has been the foundation of all the popularity of Calomel Cathartics, but the injury to the patient from the Calomel has been overlooked in the search after a safe Cathartic. In the **FAMILY CATHARTIC PILLS** this well established fact, that Calomel is a safe and salutary Cathartic when combined with other active Cathartics, which act admirably in unison with it, has been taken advantage of, and we offer to the public a Cathartic Pill, in which the injurious effects of Calomel are counteracted by the other ingredients of the Pill, and yet the Calomel retains all its peculiar properties as a Cathartic. In recommending the **FAMILY CATHARTIC PILLS**, as a safe and salutary family medicine, we do so with the full confidence that they will do all that is claimed for them, and we do not hesitate to say that they are the most perfect Cathartic Pill ever offered to the public. We do not say they will do more than other good Cathartics will do in the hands of those who know how to use them, but we do say they will do less harm than any other Cathartic we know of, and we do say they will do more good than any other Cathartic we know of, when used for the purposes for which they are intended.

New Agricultural Settlement.
TO ALL WANTING FARMS,

A Rare Opportunity in a Delightful and Healthy Climate 25 Miles Southeast of Philadelphia, on the Camden and Atlantic Railroad,

NEW JERSEY.

A Old estate consisting of several thousand acres of productive soil has been subdivided into Farms of various sizes to *suit the* purchaser. A population of some *Fifteen Hundred*, from various parts of the middle States and New England have settled there the past year, improved their places, *and raised crops.* The price of land is at the low sum of from $15 to $20 per acre, the soil is of the best quality for the production of Wheat, Corn, Peaches, Grapes and Vegetables. IT IS CONSIDERED THE BEST FRUIT SOIL IN THE UNION. The place is perfectly secure from frosts—the destructive enemy of the farmer. Crops of grain, grass and fruit are now growing and can be seen. By examining the place itself, a correct judgement can be formed of the productiveness of the land. The terms are made easy to secure the rapid improvement of the land, which is only sold *for actual improvement.* The result has been, that within the past year, some *three hundred houses* have been erected, two mills, one steam, four stores, some forty vineyards and peach orchards, planted, and a large number of other improvements, making it a desirable and active place of business.

THE MARKET,

as the reader may perceive from its location, is the BEST IN THE UNION.

Produce bringing double the price than in locations away from the city, and more than double the price than the West. It is known that the earliest and best fruit and vegetables in this latitude come from New Jersey, and are annually exported to the extent of millions.

In locating here the settler has many advantages. He is within a few hours' ride of the great cities of New England and Middle States, he is near his old friends and associations, he is in a settled country where every improvement of comfort and civilization is at hand. He can buy every article he wants at the cheapest price, and sell his produce for the highest, (in the West this is reversed,) he has schools for his children, divine service, and will enjoy an open winter, and delightful climate, where fevers are utterly unknown. The result of the change upon those from the north, has generally been to restore them to an excellent state of health.

In the way of building and improving, lumber can be obtained at the mills at the rate of $10 to $15 per thousand. Bricks from the brick yard opened in the place, every article can be procured in the place, good carpenters are at hand, and there is no place in the Union where buildings and improvements can be made cheaper.

The reader will at once be struck with the advantages here presented, and ask himself why the property has not been taken up before. The reason is, it was never thrown in the market; and unless these statements were correct, no one would be invited to examine the land before purchasing. This all are expected to do. They will see land under cultivation, such is the extent of the settlement that they will no doubt, meet persons from their own neighborhood; they will witness the improvement and can judge the character of the population. If they come with a view to settle they should come prepared to stay a day or two and be ready to purchase, as locations cannot be held on refusal.

There are two daily trains to Philadelphia and to all settlers who improve, THE RAILROAD COMPANY GIVES A FREE TICKET FOR SIX MONTHS, AND A HALF-PRICE TICKET FOR THREE YEARS.

THE TOWN OF HAMMONTON.

In connection with the agricultural settlement, a new and thriving town has naturally arisen, *which presents inducements for any kind of business, particularly stores and manufactories. The Shoe business* could be carried on in this place and market to good advantage, also cotton business, and manufactories of *agricultural implements or Foundries for casting small articles.* The improvement has been so rapid as to insure a constant and permanent increase of business. Town lots of a good size, we do not sell small ones, as it would effect the improvement of the place, can be had at from $100 and upwards.

The *Hammonton Farmer*, a monthly literary and agricultural sheet, containing full information of Hammonton, can be obtained at 25 cents per annum.

Title indisputable—*warranty* deeds given, clear of all incumbrance when money is paid. Route to the land: Leave Vine street wharf, Philadelphia, for Hammonton by Railroad, at 7:30, a. m., or 4:30, p. m., fare 90 cents. When there inquire for Mr. Byrnes. Boarding conveniences on hand. Parties had better stop with Mr. Byrnes, a principal, until they have decided as to purchasing, as he will show them over the land in his carriage, free of expense. Letters and applications can be addressed to Landis & Byrnes, Hammonton P. O., Atlantic Co., New Jersey, or S. B. Coughlin, 203 South Fifth Streets, Philadelphia. GENUINE PREPARATION OF THE

HYPOPHOSPHITES

OF LIME AND OF SODA,

The Specific Remedy for Consumption, Chronic Bronchitis, Asthma, Scrofula, Dyspepsia, General Debility, and all Nervous Diseases.

The success of this NEW REMEDY (discovered by Dr. Churchill, of Paris,) is obtaining for it the most UNBOUNDED POPULARITY, throughout Europe and the United States. It is a purely SCIENTIFIC PREPARATION, and acts with INVARIABLE EFFICACY in all stages of Pulmonary and Nervous Diseases. The *Hypophosphites increase the Principle* which constitutes *nervous force*, and are *the most powerful blood generating agents known.*

The Cure of Consumption,

In the SECOND and THIRD STAGES (at a period, consequently, when it has been to no uncertainty as to the nature of the disease,) can be obtained, IN ALL CASES, by this treatment, except when the existing lesion of the lungs is of itself sufficient to produce death. *Cure* is the rule, *Death* the exception.

This REMEDY has not only a curative effect, but will, if used wherever there exists a suspicion of the disease, PREVENT ITS DEVELOPMENT, and thus act as a PRESERVATIVE WITH REGARD TO CONSUMPTION, JUST AS VACCINATION DOES WITH REGARD TO SMALL-POX.

Professional Correspondence.

COLUMBUS, OHIO, Aug. 8, 1859.—I have been treating the disease for twenty-five years, and have derived more satisfaction from the use of the HYPOPHOSPHITES than from all other forms of medication combined."

MACON, MISS., Aug. 5, 1859.—I have used the HYPOPHOSPHITES in my practice *with very happy effects*—so much so that I WOULD NOT BE SATISFIED TO REMAIN WITHOUT THEM."

"MONTPELIER, VT., AUG. 9, 1859.—I believe the HYPOPHOSPHITES used in the manner and way Dr. Churchill uses them, WILL CURE CONSUMPTION."

SHEPHERDSTOWN, VA., Aug. 15, 1859.—I have prescribed the Hypophosphite in several cases, and am *delighted with its effects.* It is accomplishing WONDERS."

LOWELL, O., July 5, 1859.—I have used in all about forty bottles, and in but one instance have they failed to benefit the patient, and that was a hopeless one before I was called. I have had several cases given up by attending physicians: who are NOW ENJOYING COMPARATIVELY GOOD HEALTH, and EXEMPT FROM ALL THE SYMPTOMS of pulmonary disease. I have used the REMEDY in my own case, *with decided success.* It was regarded as HOPELESS by physicians and friends, and I was given up under the old treatment. I am now able to ride, in attending on the sick, as many miles, perhaps, in a day, as any other physician in the country."

HOOSICK FALLS, N. Y., Aug. 21, 1859.—I have only time, this morning, to say, that I have been *astonished in witnessing the good effects* of the HYPOPHOSPHITES. The prescription in your pamphlet *are not at all exaggerated.*"

EASTON, KANSAS TERRITORY, Aug. 5, 1859.—I have been using your Hypophosphites of Lime and Soda, and have *experienced great improvement from them.* Also, my son, who had a racking cough and bleeding of the lungs, is likewise *much benefitted by the use.*"

"CHATHAM, PA., July 28, 1859.—I received the twelve bottles of Churchill's Remedy for Consumption, * * * * It has GIVEN WONDERS IN EVERY CASE.

Make No Delay!

CONSUMPTIVES, in any stage of the Disease, should resort *immediately* to the use of the HYPOPHOSPHITES OF LIME AND SODA. "WINCHESTER'S GENUINE PREPARATION" (in simple syrup), in extra large bottles, is universally sure of a the combination proposed by Dr. Churchill, for general use, and is prepared according to his *original formula.*

Dr. Churchill's Work on Consumption,

Comprising his Report made to the Imperial Academy of Medicine, Paris; Notes of Cures; and Extensive Documents, Testimonials, &c., &c., will be sent free of charge, to any address, on receipt of TWELVE CENTS in stamps. This work is the most valuable *information* in regard to Dr. Churchill's SECRETS REMEDY.

CAUTION.—Intended Dupes will say to all you may meet, that you have not buy them! My "Genuine Preparation" bears my *fac simile* signature.

Beware of all Persons who are attempting to use the Hypophosphites, without acquainting themselves with the genuine article, or your interest. The success of Murray & Lanman's genuine Florida Water, has induced many unprincipled persons to imitate the wrapper, bottle, &c., of this celebrated perfume, hoping thereby to impose upon the public. We would caution the public against such imposition, and would inform them that we have no agent in this country. Each bottle of genuine Florida Water bears the signature of Murray & Lanman, on the wrapper.

SINCE I Originated the Gift Book Enterprise, I have repeatedly called the attention of the public to my large stock of liberal offers, which they have always warmly responded to. I can now, with more satisfaction than ever, call attention to my largely increased inducements to purchasers. Being very heavily engaged in publishing, I exchange my publications for those of other houses, and am enabled to procure all my books at the original cost, and thus can and do supply the majority of the other houses engaged in the Gift Book trade, with their books, cheaper than they can procure them from other publishers. I can also, by my heavy purchases of Watches & Jewelry, for cash, furnish them with their Gifts at lower rates than they can buy them from the manufacturers.

Having such an advantage in buying, I can insure my customers a great deal better Gifts with their books than any other house, and can give my agents a larger commission. A valuable Gift is delivered with each Book at the time of sale.—Gifts worth $100, at the lowest wholesale rates, will be impartially distributed with every $1000 worth of Books sold.

Send for a catalogue, which will be sent free to any address, containing the most valuable collection of Standard productions in Literature, Philosophy, History, Geography, Travels, and all the favorite works of Fiction and Sciences, with every other department of Literature, classified as described below. Send for it, for if you don't wish to order books, you will obtain a very valuable Book for reference, as it contains all the desirable books in print, and costs you nothing.

Particular attention is requested to the list of my publications, which will be found in the latter part of my Classified Catalogue.
