MILITARY UNIFORMS.—There is, perhaps, no department of military business in which there has been more marked improvement than in the clothing of soldiers. Not many years since officers and privates were clad in garments which were almost skin tight. They were leather stocks, which were worthy of the name, for they kept the wearer in tribulation; while their padded breasts and tight sleeves made volition a matter of great difficulty. During the present war each of our volunteers as procure their uniforms at the Brown Stone Clothing Hall of Rockhill & Wilson, No. 603 and 605 Chestnut street, above Sixth, Philadelphia, obtain clothing that is perfectly easy, substantial and becoming. The firm named have gone largely into the business of making Military Clothing, and their facilities enable them to fill the largest orders in the shortest possible time.

CURL YOUR HAIR!

BEAUTIFY YOURSELF, BY USING
CHAPPELL'S HYPERION
FOR CURLING THE HAIR.

THE Ladies and Gentlemen throughout the world will be pleased to learn that I have recently discovered an article that will CURL the Hair.

By using CHAPPELL'S HYPERION, Ladies and Gentlemen can beautify themselves a thousand fold.

CHAPPELL'S HYPERION
IS THE ONLY ARTICLE IN THE WOBLD!
that will Curl straight Hair. The only article that will Curl the Hair in Beautiful Curls!
In Glossy Curls!
In Silken Curls!
In Flaxen Curls!
In Flowing Curls!
In Waving Curls!
In Luxuriant Curls!

It makes the Hair soft and glossy. It invigorates the Hair. It beautifies the Hair. It cleanses the Hair. It has a most delightful perfume.

It Prevents the Hair from Falling off; it fastens it to the scalp. It is the only article ever yet discovered that will curl straight Hair in beautiful curls, without injury to the Hair or scalp.

The HYPERION does not in any manner interfere with the

Natural Softness of the Hair.

It neither soaps nor dries it. The HYPERION can be an applied as to cause the Hair to curl for one day, or for one week, or for one month, or any longer period desired.

The HYPERION is the only article in the world but what can be counterfeited or imitated by unprincipled persons. To prevent this, we do not offer it for sale at any Druggist's in the United States.

Therefore, any Lady or Gentleman who desires to beautify themselves by using the Hyperion, must inclose the PRICE, ONE DOLLAR, in a letter, and Address, W. CHAPPELL, & CO., Box 54
Parkman, Geauga Co., Ohio.
And it will be carefully sent by return mail.

PROSPECTUS OF THE ATLANTIC MONTHLY, FOR 1862.

THE January number will commence the Ninth Volume of this Magazine. Its very large and still increasing circulation is a gratifying evidence of public approval, and no industry will be spared to render the forthcoming volume adequate to the requirements of times so pregnant with great events as those of to-day. The life of the Republic the best interests of the nation demand of literature a manly and generous action, and the conductors of this journal will remit no efforts in enlisting the best talent of the country to support with vigor and eloquence those opinions and principles which brace the great public heart to stand firm on the side of Freedom and Right. An elevated national American spirit will always be found illustrated in these pages. THE ATLANTIC MONTHLY will never give other than the best literature, and it will be the constant aim of its conductors to render its variety greater and its attractions better each month than the last.

Among the contributions already in hand for 1862, the following will commend themselves as sufficient inducements to every family to provide the ensuing numbers for household reading:

PROFESSOR AGASSIZ will begin in the January number a series of articles on Natural History, and other kindred topics, to be continued from month to month throughout the year. The name of so distinguished a man of science in connection with this announcement is a sufficient guaranty of the great benefit to be derived from his monthly contributions.

A New Romance by NATHANIEL HAWTHORNE, will appear in THE ATLANTIC early in the year.

A new story by the late THEODORE WINTHROP, author of "Cecil Dreeme," will be commenced in the January number.

Dr. GEORGE B. WINSHIP well known for his remarkable experiments in Gymnastics, has written for THE ATLANTIC "The Autobiography of a Strength Seeker," giving an account of his method of training for feats of strength, with advice on matters of Health.

The author of "Life in the Iron Mills," and "A Story of To Day," will contribute a series of Tales during the year.

Articles by PROFESSOR JAMES RUSSELL LOWELL, on topics of national interest will appear frequently.

BAYARD TAYLOR has written a story which will be printed in the February number.

The Staff of Writers in Prose and Poetry contributing regularly to the ATLANTIC MONTHLY, comprises among its popular names, the following:

GATHARTIC PILLS.

Are you sick, feeble and complaining? Are you costive? Have you Headache, with your stomach deranged, and your bowels in confusion? These symptoms are often the prelude to serious illness. Some bottles of Dr. Ayer's Cathartic Pills, and a little care in diet, will effectually ward off the threatened danger. Take Ayer's Pills and change your diet, and you will be free from pain. Let the first symptom be your warning against the approach of the fever, cholera, or other epidemic. Cleanse the system with Ayer's Pills, and the disease will find no lodgment in your system. Ayer's Pills are a family medicine, and should be in every household. Their mildness and efficacy have endeared them to the people everywhere. Being sugar-coated, they are free from taste, and pleasant to take. They are the best laxative that can be used in childhood. Children will not cry for them, as they do for other medicines. Parents should remember this, and not let their children suffer from the disease when they can so easily be cured by a few doses of Ayer's Pills. Adults will find them a mild but searching cathartic, and a few doses will generally be found sufficient to restore the system to healthy action. Being a purgative, they should be taken by those who are bilious, costive, or dyspeptic, to stimulate the liver, and change the character of the secretions. They are also a gentle aperient, adapted to the derangements of the digestive organs incidental to females, and may be taken by them in the proper season without exposure. Being coated with sugar, they are free from taste, and may be taken by children without their knowing it. As a family cathartic, Ayer's Pills are the cheapest and most reliable purgative with which the people are acquainted. Their sugar coating keeps them perfectly fresh and sound in any climate, and they may be carried safely for years in the pocket. Being compact, they are the most portable of all cathartics. Being free from any injurious ingredient, they may be taken by any one without fear of injury. Being tasteless, they are free from the objection which many have to other cathartics. Being easy of operation, they are preferred by those who have tried them to all other cathartics. Being the most effectual purgative pill which science can produce, they are recommended by their agents to their friends and customers, with the assurance that they will prove the best cathartic they can use when they want a cathartic medicine.

Prepared by Dr. J. C. AYER & CO., Lowell, Mass.

Sold by H. John & Co., and W. S. McCleaf, Columbia; Wm. Wallace, Marietta; Dr. Greene, Manheim; A. Hemrich, Lancaster, and by dealers everywhere.
