THE GREATEST DISCOVERY OF THE AGE!

DR. TRASK'S MAGNETIC OINTMENT.

THE following from Dr. HERBERT, a noted Physician, who has sold over 600 Bottles within the last ten months. Hear him.

DR HERBERT.—Sir, I write to give you some account of the admirable effects produced by the use of Dect Trask's Magnetic Ointment in my own practice as a physician. The following cases have all been under my own observation, and by my own prescription.

CASE 1st.—A Mrs. Moore, who was given up to die by three celebrated physicians, as being in the *last stage of Consumption*, by the use of the Magnetic Ointment has regained her health, and is now as well as ever, and has been for the last six months.

CASE 2d.—Some time in July last, I was called to see Mrs. Allen living some 22 miles distant. Her case had been given up by several physicians. She was first attacked by *malignant dysentery*, followed by severe inflammation of the bowels. I arrived about 8 o'clock in the evening, and found her in a very dangerous situation, apparently on the brink of the grave. I commenced applying the ointment freely to the stomach and bowels, attended with *some simple remedies* administered internally, and by morning I found her so much better that I left for home, with directions to continue the use of the Ointment. She fully recovered in a few days, and is now enjoying good health.

CASE 3d.—A Mr. Winchester had lost nearly all his hair, had been *bald* for many years; by the use of three *bottles of the Magnetic Ointment, had his hair entirely restored*, and now has a beautiful head of hair as any man could wish. His age is about 50 years.

CASE 4th.—A son of Mr. Warren of this town, 11 years of age, had been afflicted with the Asthma from his infancy. He had the benefit of the best medical advice that a loving and wealthy father could procure without avail. It was one of the most aggravated cases I ever saw: he was emaciated almost to a skeleton. By the use of a few bottles of the Ointment he was *thoroughly cured*, and for 7 months past has enjoyed robust health.

CASE 5th.—This was an extreme case of *inflammation of the spine*, of long standing; had a variety of treatment from no less than *eight* different physicians, without receiving benefit—was cured by the use of only four bottles of the Magnetic Ointment.—This was four months ago, and the lady (a Mrs. Dunham) still in good health and able to attend to her usual household duties.—I have treated two cases of *Chronic Sore Eyes* with the Ointment both of the patients *nearly blind*, as to need an attendant to lead them from place to place. One of them had been afflicted 8 years, the other about 9 years. They had tried the best physicians in the state, without benefit; and one of them had been under the treatment of the celebrated Dect. Mozzy, of Cincinnati, for eighteen months, and had expended hundreds of dollars in vain efforts to effect a cure. They are now, by use of the Magnetic Ointment, *nearly or quite cured*, and are able to read and attend to ordinary business. I have used the ointment in a number of cases of the Piles, and *in no case has it failed to give immediate relief, and generally a permanent cure*. I have also used it successfully in several cases of ERYSIPELAS. And last but not least, I have within the last year cured four cases of CANCER by the use of the *Magnetic Ointment* alone.

From a thorough trial of the Ointment in nearly every disease for which it is recommended, I can confidently recommend it to be one of the most useful remedies ever offered to the public.

Respectfully yours,
BURTON HUBBELL, M. D.

THE MERCHANTS' AND FARMERS'

STATE MUTUAL FIRE INSURANCE CO., Of Harrisburg, Pa.,

INVITE the attention of the public to the principles upon which the business of the Company is conducted. The main object of the Company is to afford Merchants and Farmers an opportunity of procuring safe insurance upon their property at the lowest cost, and directly upon Mutual principles. In order to preserve this principle, the Directors have adopted the popular, safe, and equitable *plan of classifying their risks*, and have divided them into two classes. The first class is exclusively a Farmers' company, in which no property in the hazardous class dwelling houses, out houses, and personal property therein will be insured. The second class is the Merchants, Company, in which may be insured the safe kinds of property.

The Company deem it *indispensable to distribute all risks* which are commonly denominated Extra Hazardous; believing that if such risks are permitted to be mingled with those of the merchant and farmer, the premiums are likely to be disproportionate to the risks,—exacting from those who are insured upon the least hazardous property, more than a just and equitable contribution to the expense of insurance. The policy of such mixture is all designs the class of risk with which he is associated, and the Cash Premiums and Deposite Note of each Class, and the assessments for which members may become liable, shall be land and assessed to pay the losses occurring in the respective Classes, to which they belong, and together, and the general expenses of the Company shall be apportioned to each Class according to the amount insured in each.

Insurance may be made for from one to three years, in the Merchants' class, and one to five years, in the Farmers' class.

The very extraordinary success of the Company in not imitating a large sum in cash premiums, has placed the financial stability of the Institution beyond any probable danger. The dividends which have been paid on expiring Policies in like company, prove that the actual expense of insurance is very trifling, in a Mutual Office which is limited to the safer classes of risks.

LIVER COMPLAINT.

JAUNDICE, DYSPEPSIA, CHRONIC OR NERVOUS DEBILITY, DISEASE OF THE KIDNEYS,

And all Diseases arising from a disordered Liver or Stomach, such as Constipation, Inward Piles, fullness, or blood to the head, acidity of the stomach, nausea, heartburn, disgust for food, fullness or weight in the stomach, sour eructations, sinking or fluttering at the pit of the stomach, swimming of the head, hurried and difficult breathing, flushing of the face, dizziness, suddenness of perspiration, dots or webs before the eyes, dull headache, total loss of memory, accompanied with painful sensations, and a thousand other painful symptoms, the offspring of dyspepsia, are speedily cured by the use of

DR. HOOFLAND'S *CELEBRATED GERMAN BITTERS, PREPARED BY* DR. C. M. JACKSON, *AT THE GERMAN MEDICINE STORE,* No. 120, Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and Digestive glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, withal, safe, certain and pleasant.

READ AND BE CONVINCED.

Chas. Robinson, Esq., Easton, Md., in a letter to Dr. Jackson, Jan. 9, 1850, said—

"My wife and myself have received more benefit from your medicine than any other we have ever taken for the *Dyspepsia and Liver Complaint*."

"The Tench Legion," published at Woodstock, Va., January 30, 1850, said—

"A GREAT MEDICINE."

"We have uniformly refrained from recommending to the public any of the various Patent Medicines of the day, unless thoroughly convinced of their value. Among those we consider worthy of notice is the *German Bitters*, invented by *Dr. Hoofland*, and prepared by Dr. Jackson, in Philadelphia. One instance in particular, in which the superior virtues of this medicine have been tested, has fallen under our observation. During the last summer, a son of Mr. Abraham Crattil, of this county, was very seriously affected with Liver Complaint, and after trying in vain various remedies, he purchased a bottle of the Bitters, and after using it, was so much relieved, that discharging malady, that he procured another bottle, and is restored entirely to health."

READ FURTHER A FEW FACTS.

The "Philadelphia Democrat," the leading German journal of Philadelphia. The editor says, November 9th

"We again call attention to the removal of the German Medicine Store, the proprietor of which is the celebrated Dr. Hoofland's German Bitters, from 275 Race to 120 Arch street, one door below Sixth. Owing to the increased demand for this medicine, and for the accommodation of his numerous patients, Dr. Jackson has been compelled to occupy a large store. We wish him success in his new quarters, he is deserving of it. The Bitters Mixture is without doubt the greatest medicine extant for diseases of the Liver and Bowels. A stubborn case of Chronic Diarrhea has come under our notice, wherein the patient had exhausted the Materia Medicas of the different schools of medicine with no apparent benefit. He was induced to use the Bitters, and a few bottles of them have entirely cured him. Many such cases we could refer to. We *hope our readers will recollect this great restorative, should they* be so fortunate as to require its use. Dr. Jackson possesses the original unpublished receipt of Dr. Hoofland, and he prepares this medicine with great care. Those purchasing should call at his store, or see that his name is written upon the wrapper outside, and blown in the bottle, as imitations of all good articles are common."

Judge M. M. Noah a gentleman with great scientific and literary attainments, said in his "New York Weekly Messenger," January 6, 1850.

"Dr. HOOFLAND'S GERMAN BITTERS.—Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a prescription formed by one of the most celebrated physicians of modern times, the late Dr. Christopher Wilhelm Hoofland, Professor to the University of Jena, Private Physician to the King of Prussia, and one of the ablest medical writers Germany has ever produced. He was emphatically the enemy of humbug, and therefore a medicine of which he was the inventor and endorser may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the Stomach, Constipation, and all complaints arising from a disordered condition of the stomach, the liver and the intestines. Nine *Philadelphia papers express their conviction of its excellence*, and several of its editors speak of its effects from their own individual experience. Under these circumstances, we feel warranted, not only in calling the attention of our readers to the present proprietors (Dr. C. M. Jackson's) preparation, but in recommending the article to all afflicted."

MORE EVIDENCE.

The "Philadelphia Saturday Gazette," the best family newspaper published in the United States, the editor says of

DR. HOOFLAND'S GERMAN BITTERS.

"It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr. Hoofland's German Bitters, we wish to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their quality race of mischief, but of a medicine long established, universally prized, and which has met the hearty approbation of the Faculty itself."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, *and the strongest testimony is its success*, in that there is none, of its used in the practice of the regular Physicians of Philadelphia than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it be cured. It acts specifically upon the stomach and liver—its preferable to calomel in *all bilious diseases—the effect is immediate. They can be administered to FEMALE or INFANT* with safety and reliable benefit, at any time.

BEWARE OF COUNTERFEITS.

The medicine has acquired that high character which is necessary for all medicines, to induce counterfeiters to put forth a spurious article at the risk of the curses of those who are innocently deceived.

LOOK WELL TO THE MARKS OF THE GENUINE.

They have the written signature of C. M. JACKSON upon the wrapper, and the same blown in the bottle, *without which they are spurious*. For sale, wholesale and retail, at the

ERIE DAGUERREAN GALLERY.

SHERMAN & LEWIS are happy to announce to the Ladies and Gentlemen of Erie, and the friends of science and art in the region round about, that they are prepared to take Likenesses of a superior quality, at their rooms, over Middleton & Murphy's store three doors east of Brown's Hotel.

There are several reasons why persons can obtain better pictures at our rooms than at any other in this city, or in this part of the country. One is,

WE HAVE THE BEST LIGHT!

Skylight and side light COMBINED—each correcting the faults of the other, and producing a natural and most beautiful effect.—TRY IT, WHOEVER IS NOT SATISFIED WITH PICTURES TAKEN ELSEWHERE!!

Another reason is, we have the best apparatus. The importance of this will be obvious to any one.

We shall not offer those who favor us with their patronage, the flat, insipid, corpse-like things which many who call themselves *artists present to the public. Neither shall we offer them dark*, gloomy images which human beings are sometimes told resemble themselves, but clear and accurate Likenesses, possessing the most beautiful blending of light and shade, richness and depth of tone, remarkable distinctness of features, true expression of the countenance, perfect relief, distance and keeping of back ground, delicacy of finish, softness, transparency and artistic effect.

Remember there is no room of the kind near here in which has the facilities of this. It is designed to be a permanent establishment. NOT TO BE EQUALED is our motto.

KEOGH & Co., Piano Forte manufacturers from New York, respectfully announce to the citizens of Buffalo and Erie, and the surrounding country, that they have established a manufactory of Piano Fortes, as above, and have now on hand a number of Instruments of their own manufacture to which they invite the attention of Amateurs and professional Musicians or others in want of a musical instrument. Having conducted the business of one of the largest Piano Manufactories in the city of New York for some years, with perfect success, they have no hesitation in warranting their instruments for beauty of finish, ease of touch, and richness of tone, equal to any of the New York manufacturers. As they see no reason why what has been a thoroughly seasoned, both by the action of time as well as artificial means, they can safely assure you who may favor them with their patronage, that their instruments will be unsurpassed in durability, as well as the other qualities of a superior Piano.

Piano Fortes of six, six and a half and seven octaves, constantly on hand—and instruments of any peculiar shape desired, will be made to order.

Commercial Exchange STILL TRIUMPHANT! $30,000 WORTH OF NEW GOODS.

ARRIVING and to arrive, $30,000 worth of New and Cheap Goods at the Commercial Exchange, where the subscriber has had his *Head Quarters* established for the last five years, and where, with the permission of the merchant Princes of Erie, he intends for some years to come, to offer to the former customers and all others, the greatest bargains ever extended to any people. His store is now so arranged as to accommodate all classes of purchasers; having fitted them up into two separate departments. The first of which is well supplied with a large and rich stock of FANCY GOODS adapted solely to the wants of the *ladies*. The other department is well supplied with every article pertaining to the wardrobe of *gentlemen*, together with every variety of Staple Goods. By the above arrangements, he will be enabled to wait upon those wanting goods with facility and dispatch. He would therefore say to persons who wish to purchase Dry Goods or Clothing, that his stock is one of the largest and cheapest in the city, having been purchased from first hands, thereby saving the New York Jobbers profits, which enables him to sell 25 per cent. cheaper than those who purchase goods in the ordinary mode.

Among his stock may be found black and Blue Satin Dress *Patterns*, Black, *blue* black and *mixed Gro de Rhine*, spotted Lawns, Brown ginghams, Jenny Lind embroidered silk and merino Clothes, Breche and Long Shawls, silk warp Paramatas, figured and striped Alapacas, a few pieces of Canton crape, expressly for wedding dresses, Dress Silks of every description and quality in great variety, plain, figured and dotted Tarlton Book Muslin, Bishop Lawns, Swiss Mull, plain and figured Ladies French Collars and Capes, Inner cotton, thread and mull Edging and Insertings, Bobinets, Rob Roy embroidery Edgings, striped and plaid Cambrics de Lanes, Black silk lace and a large assortment of Ladies Hubies Perfumery, together with every other article kept in a *Fancy Dry Goods Store*.

In the Gentlemen's department may be found superfine black and blue black French, Prussian and Dress Coats, fancy Pants, silk satin, Marseilles & Valencia Vests; Shirts, Collars, Cravats, Half Hose, Gloves, Drawers, Under Shirts, Handkerchiefs, &c.

A large assortment of India Rubber Goods, Clothes, Cassimeres: Tweeds, Cashmeres, Satinetts. Also, 50 pieces Carpeting, Matting, Oil Cloths, Hearth Rugs, &c., &c.

The above enumeration embraces but a small part of my stock of goods—suffice it to say, I have some of the most complete assortments ever before offered in this market, and pledge myself to sell cheaper than any other establishment in this section of the country; the Herculean puffs and advertisements of others to the contrary, notwithstanding. Come and look through my stock, and my word for it you will not go away disappointed. My system of business is on the Cash plan, and I am hereby enabled to undersell any firm west of Buffalo, for as well might the Ethiopian change his skin or the Leopard his spots, as any merchant in Erie to attempt to compete with me in prices, who sells goods on the credit system—it can't be done. Therefore I say again to those who pay cash for goods, that if they will call on me at Commercial Exchange, I will convince them by showing goods and lower prices than the same qualities have ever been offered in this market. The Greeks and Gentiles must stand aside, for the Jew has the inside track.

I would inform my friends and public generally that I have received for fall and winter trade the largest and best selected stock of Watches, and Jewelry ever offered for sale in Erie. The liberal patronage heretofore received, has induced me to enlarge my stock of goods, and at a small advance from my wholesale prices. I announce to my friends every month, watches of different escapements, direct from manufacturers through the oldest and most extensive importing houses in New York.
