TOWN AND COUNTRY.

READ our agricultural column on the fourth page.

FOR SALE.—A good four-horse wagon. Inquire at this office.

DISTRIBUTED.—A portion of the $20,000 has been distributed.

SHIPPED.—The Bergey Brothers last week shipped another car load of horses to the East.

WE have been informed that some farmers of Tuscarora valley sowed oats week before last.

THE communication from South Carolina came too late for this issue. It will appear next week.

A HORSE in Mifflin county died of lock-jaw, occasioned by getting a splinter in one of its hind legs.

HOTEL BOUGHT.—Mr. Coleman, of the Patterson House, has bought the Red Lion Hotel at Lewistown from Mr. Eisenbise for $9,500.

LAST Thursday George Elder, of Patterson, cut his right leg severely above the ankle joint, while in the act of cutting wood.

BACK SPRAINED.—Horace Shamp injured his back while at work on the rail road removing stone, last week, to such a degree that he is confined to his house

GOOD SHOT.—A Centre county man the other day shot two pike at one discharge of his gun. The one measured 24¼ inches in length, and weighed 4½ pounds; the other measured 18½ inches and weighed 2¼ pounds.

THUMB HURT.—John Horning, of this place, last week had a thumb nail torn off while assisting to remove a hand car from the railroad track. This is the second mishap that has overtaken Mr Horning within a few weeks.

LECTURE.—On Monday evening last Prof. J. A. McGinley delivered a lecture in the Court House. Subject—"Pompeii, Past and Present." We regret that we were unable to attend. Those who were present speak highly of it, and they are competent to pronounce upon it.

LIKE A BAD BOY.—The *Register* last week reminded us of a bad and cowardly boy who after a switching runs away, makes mouths, and calls one hard names. Well, we say. "Boy, for this time we will let you off easy, but the next time that we catch you we'll give it to you."

QUEER FIGHT.—A queer fight took place in Well's Valley, Fulton county, some days ago. One neighbor pitched a mattock at another. The pitch was reciprocated by the other hurling a stone into the ribs of the man who threw the hoe. Three ribs were broken, that's all.

SOME Ladies suffer dreadfully with the headache and this causes their hair to fade. NATURE'S HAIR RESTORATIVE a sure remedy for the ache and will restore the color of blanched, gray or faded hair. For Sale by B. F. Kepner, Mifflintown. See Advertisement.

MR. H. HARPER, (dealer in Watches, Jewelry, &c.,) has removed from 520 Arch street to 722 Chestnut street, Philadelphia, as will be seen by his advertisement in this issue. This is an old-established and reliable house—noted especially for solid Silver Ware, Fine Watches and Jewelry. *He welcomes his old and new friends.*

INJURED BY POWDER.—Several boys got powder in some way, on Saturday last, and knew enough about it to put a match to it, but did not know enough to run away in time to escape the explosion. The result was that a boy named John McCoy had an arm severely burned.—Powder is a dangerous plaything, boys Better leave it alone.

PUBLIC SALE.—James B. Okeson, administrator of Samuel B. Okeson deceased, will sell at public sale at the residence of said decedent, near Academia, in Beale township, on Thursday March 30, 1871, one heavy draught horse, 2 mares, 2 mules, 1 filly, 3 cows, 2 heifers, sows, shoats, and a large lot of farming implements; also a lot of household furniture. Sale at 9 o'clock.

A FRIEND IN NEED.—Dr. Wistar's Balsam of Wild Cherry is a friend *indeed.* Who has not found it such in curing all diseases of the lungs and throat, coughs, colds, and pulmonary affections, and "last not least," Consumption? The sick are assured that the high standard of excellence on which the popularity of this preparation is based, will always be maintained by the proprietors.

DEER.—Judge Woods, of Lewistown, last week bought a live deer from a Snyder county hunter. $20 was paid for the deer.

GRADUATED.—We notice by a St Louis paper that Robert G. Reynolds, formerly of Academia, this county, graduated at the St. Louis Medical College on the 9th inst.

WM. WISE, Merchant Tailor, in Watts' room, on Main street, has just received a fine assortment of Cloths, Fancy Spring Cassimeres and Vestings, which he is prepared to make up in the latest and most fashionable style. Persons wishing to purchase a coat, pants, or vest, and have them made up in complete order, should give him a call. Prices reasonable to suit the times.

SAD AFFLICTION.—Mr. Peter Hosterman and wife, residing in Penns township, Snyder county, have in ten days' time been called upon to mourn the death of four children, the two last were buried in one grave. Scarlet fever is the fatal disease that made the sad havoc in this family. They have the sympathy of the community.—*Snyder County Tribune.*

CORNELIUS BARTLEY has just received at his Grocery, Notion and Shoe Store, on Main street, Mifflintown, opposite the Post Office, a large and well selected stock of Boots, Men's, Boys' and Children's Shoes, Ladies' Gaiters, &c., also a full line of Tinware, and a large lot of Mackeral and Herring for sale by the barrel, half barrel, quarter barrel, and to retail by the pound; also a full line of Groceries, such as Syrups, Sugars, Teas, Coffees, &c., also Notions in great variety. Call and see.

WHO that has seen a dangerous disease arrested by an able physician or a good medicine but values both? Be it your family physician to whom you owe so many escapes from aches and ails, or Dr. Ayer's inimitable remedies:—his Sarsaparilla that renewed your vitality, or Cherry Pectoral that cured a painful cough, or his Ague Cure that expelled the freezing ague and burning fever from your blood. Who that has been relieved by any of these agencies but feels grateful for them all?—*Bangor Times.*

HOUSE AND LOT FOR SALE.—Mrs. Sarah J. Lusk offers to sell her House and Lot situate in Perrysville, this county, on very reasonable terms. The house is located on the corner of Market and Third streets, nearly opposite J. B. Okeson's store, and is in good repair. There is also a shop connected with the house, fronting on Market street, suitable for any business not requiring too much room.—Any one desiring a pleasant dwelling, would do well to call and examine it and see for themselves, and learn terms.

Feb 22-6t

MUSICAL ENTERTAINMENT.—During the past winter William P. Gruver taught vocal music to a class at McCulloch's Mills. On last Friday evening the term was brought to a close. The occasion was one of interest and pleasure to the teacher, the class, and the audience of four hundred valley folks, who assembled at McCulloch's Church to witness this closing entertainment. On this occasion Mr. A. A. Zimmerman of Perrysville, was present and conducted the instrumental music for Mr. Gruver. We have heard the entertainment highly complimented.

LOOK OUT FOR TRAMPERS.—One day last week the front door of C. M. Valentine, Dentist, of this Borough, was softly opened and a stranger entered, and, without ceremony, quietly ascended the stairs. On reaching the second floor he very unexpectedly met Mr Valentine, who was at work in his laboratory. He was somewhat nonplussed, but asked for alms. Of course, he was given notice to leave, which he did without much ceremony. The scamp was a stranger, and evidently intended to conceal himself until an opportunity presented itself of plundering the house.—Look to your front doors.—*American Republican*

MAN KILLED.—Tuesday evening last as the mail train coming west reached the first curve east of town a man, walking on the south track, fell against the bumper of the approaching engine and was instantly killed. Upon taking up the body it was found to be that of Jackson Long, a fisherman who resided a few miles east of this place, and was returning home. Evidently the motion of the train attracted his attention, and stumbling or treading on a rolling stone, his body was precipitated against the bumper aforesaid. Poor "Jack," he was a warm friend, peaceable citizen and industrous man, though, at times, too fond of the cup. Let us bury his faults beneath the clod that covers his remains and remember only the good of his character.—*Huntingdon Monitor.*

Col. Geo. F. McFarland and Mr. Gabriel Hiester, of Harrisburg, respectfully inform their friends and the public that they have formed a co partnership, under the style and title of McFarland & Heister, to conduct the raising and selling of Fruit Trees, Grape Vines, Fruiting and Vegetable Plants and Seeds, Ornamental Trees and Shrubs, Roses, Flowers, and Nursery and Green House Stock generally. They have secured the Riverside Nursery, Second and Reily Streets, with its choice stock, grown from bearing trees, vines, shrubbery, flowers, &c., and a part of the excellent farm of Hon. A. O. Heister, at Estherton, 2½ miles above Harrisburg, and now offer stock of the best and most reliable varieties. They guarantee everything that leaves their grounds, and respectfully ask a share of public patronage.

PERPETUAL WEATHER TABLE.—It is quite possible that the study of the following weather table may be of much benefit to farmers and others, if they only follow the admonitions. It was constructed by the celebrated Dr. Hershell, upon a philosophic consideration of the attraction of the sun and moon. It is confirmed by the experience of many years observation, and will suggest to the observer, what kind of weather will probably follow the moon's entrance into any of her quarters. As a general rule it will be found wonderfully correct:

If the moon changes at 12 o'clock noon, the weather immediately afterward will be very rainy, if in summer, and there will be snow or rain, if in winter.

If between 3 and 4 o'clock, p. m changeable in summer—fair and mild in winter.

Between 4 and 5 o'clock, fair, both in winter and summer.

Between 9 and 10 o'clock, p. m., in summer, fair, if the wind is northwest; rainy, south or southwest. In winter, fair, and frosty, if the wind is from the south or southwest.

Between 10 and 12 o'clock, p. m., rainy, and fair and frosty in winter.

Between 12 at night and 2 o'clock, a. m, fair in summer and frosty in winter—unless the wind is from the south or southeast

Between 2 and 4 o'clock, a. m., cold and very showery in summer, and snow and storm in winter.

Between 4 and 6 o'clock, a m, rainy both in summer and winter.

Between 6 and 8 o'clock, a. m, showery in summer and cold in winter.

Between 10 and 12 o'clock, a. m., showery in summer, and cold and windy in winter.

GOLDEN FOUNTAIN PEN.

Something new and novel. Be sure and read the advertisement in our paper, headed "Greatest Invention of the Age." We believe the Golden Fountain Pen is unsurpassed. A good pen is a necessity to every man, woman and child. Agents, here is a chance to make money in introducing a good and saleable article.

CORNS.—How they sting, throb, ache, smart and burn, upon our feet. In vain we beg, and threaten, we curse, we flourish the sharpest knives above their heads, we burn, we cut, hack, hew and fell, and still the pesky corns remain a thing of misery.—Useless are entreaties, tears, curses, groans; nothing can remove our corns but Brigg's Alleviator and Curative, a sure cure for Corns, Banions, Ingrowing Nails, and all ailments of the feet.

PILES!—Internal, External, Bleeding or Itching. This distressing and harrowing disease is alarming on the increase. More so, perhaps, from the fact that those who are afflicted with it are, from a false notion of delicacy, afraid to ask for a remedy, thereby making their condition known. How wrong and fatal is this neglect. At the first intimation of the appearance of this complaint they should procure Briggs' Unrivaled Pile Remedy, and, using it according to directions, immediately check it and permanently cure it. It is easy of application, and thorough in its effects.

HEADACHE, Neuralgia and Nervous Diseases.—The wonderful effects of Dr. Briggs' Allevantor, for the speedy cure of the above very prevalent and painful afflictions is known to many thousands who have used it with the most unqualified success. In every case of the complaint above enumerated it has never failed to give immediate relief. Its effect is magical beyond precedent. One trial will convince the most skeptical. Each bottle making two quarts when diluted for use.

CONSUMPTION.—This fatal and dreaded disease can, and has been cured. Dr. J. Briggs' Throat and Lung Healer is a pleasent, agreeable and sure remedy for Coughs, Whooping Cough, Croup, Hoarseness, Bronchitis, Laryngitis, Sore Throat, Asthma, Consumption, and all diseases of the Throat, Lungs and Chest.

The above medicines are sold by BANKS & HAMLIN, Mifflintown, and by druggists generally.

Jay Cooke & Co.

OFFER FOR SALE AT PAR AND ACCRUED INTEREST THE

First Mortgage Land Grant Gold Bonds

OF THE

Northern Pacific Railroad Co.

These bonds are secured, *first*, by a First Mortgage on the Railroad itself, its rolling-stock, and all equipments; *second*, by a Frst Mortgage on its entire Land Grant, being more than Twenty-two Thousand Acres of Land to each mile of Road.

The Bonds are free from United States Tax; the Principal and Interest are payable in gold—the Principal at the end of Thirty years, and the Interest Simi-annually, at the rate of SEVEN AND THREE-TENTHS PER CENT. per annum.

They are issued in denominations of $100, $500, $1,000, $5,00, and $10,000.

The Trustees under the Morgage are Messrs Jay Cooke, of Philadelphia, and J. Edgar Thompson, President of the Pennsylvania Central Railroad Company.

These Northern Pacific 7-30 Bonds will at all times before maturity, be receivable AT TEN PER CENT. PREMIUM (or 1,10), in exchange for the Company's lands at their lowest cash price.

In addition to their absolute safty, these Bonds yield an income larger, we believe, than any other first-class security. Persons holding United States 5.20's can, by converting them into Northern Pacifics, increase their yearly income *one third*, and still have a perfectly reliable investment.

HOW TO GET THEM.—Your nearest Bank or Banker will supply these Bonds in any desired amount, and of any needed denomination. Persons wishing to exchange stocks or bonds for these, can do so with any of our Agents, who will allow the highest current price for ALL MARKETABLE SECURITIES.

Those living in localities, remote from Banks, may send money, or other bonds, directly to us by express, and we will send back Northern Pacific Bonds at our own risk, and without cost to the investor. WALTHAM WATCHES.

The extensive use of these watches for the last fifteen years by Railway Conductors, Engineers and Expressman, the most exacting of watch-wearers, has thoroughly demonstrated the strength, steadiness, durability and accuracy of the Waltham Watch. To satisfy that class in all these respects, is to decide the question as to the real value of these time-keepers.

More than **500,000** of these watches are now speaking for themselves in the pockets of the people—a proof and a guarantee of their superiority over all others.

The superior organization and great extent of the Company's Works at Waltham, enables them to produce watches at a price which renders competition futile and those who buy any other watch merely pay from 25 to 50 per cent. more for their watches than is necessary.

These time-pieces combine every improvement that a long experience has proved of real practical use. Having had the refusal of nearly every invention in watch-making originating in this country or in Europe, only those were finally adopted which severe testing by the most skilful artisans in our works, and long use on the part of the public, demonstrated to be essential to correct and enduring time keeping.

Among the many improvements we would particularize:

The invention and use of a centre pinion of peculiar construction, to prevent damage to the train by the breakage of main-springs, is original with the American Watch Company, who, having had the refusal of all other contrivances, adopted Fogg's patent pinion as being the best and faultless.

Hardened and tempered hair-springs, now universally admitted by Watchmakers to be the best, are used in all grades of Waltham Watches.

All Waltham Watches have dust-proof caps, protecting the movement from dust, and lessening the necessity of the frequent cleaning necessary in other watches.

Our new patent stem-winder, or keyless watch is already a decided success, and a great improvement on any stem-winding watch in the American market, and by far the cheapest watch of its quality now offered to the public. To those living in portions of the United States where watchmakers do not abound, watches with the above mentioned improvements which tend to ensure accuracy, cleanliness, durability and convenience, must prove invaluable.

The trademarks of the various styles made by the Company are as follows:

AMERICAN WATCH CO., Waltham, Mass.
AMS. WATCH CO., Waltham, Mass.
AMERICAN WATCH CO., Crescent St., Waltham, Mass.
APPLETON, TRACY & CO., Waltham, Mass.
AMERICAN WATCH CO., Adams St., Waltham, Mass.
WALTHAM WATCH CO., Waltham, Mass.
