KEYSTONE MUTUAL

Life & Health Insurance Co. of Harrisburg, Pa.

THIS Company continues to insure lives on more favorable terms than any other company in the State, and as an evidence of the utility of such institutions, and the promptness of this company in paying losses when they occur, they respectfully refer to the following letter of Mrs. Schoyer:

Practical Examples, Showing the Advantages to be Derived from Life Insurance.

Mr. Solomon Schoyer, a highly respectable commission merchant at Pittsburg, effected an insurance of $3,000 on his life with the Keystone Mutual Life Insurance Company of Harrisburg, on the 17th of July 1850. He received his policy, and paid his premium on the 20th of July, 1850, and died in a fit of Nightmare on the 22d day of July, but two days after he received his policy. He had enjoyed uninterrupted good health all his life up to the time of his death. His widow, Penelope Schoyer, received from the company within 20 days after his death, $3,000 as will be seen by her letter of acknowledgement below.

To the President and Directors of the Keystone Mutual Life Insurance Company, at Harrisburg, Pa.

GENTLEMEN—The prompt manner in which your efficient agent, Mr. Henry Sproul, attended to the claim of myself and family for insurance upon the life of my late lamented husband, S. Schoyer, and the promptness with which the Company paid that claim of $3,000, impels me to take this method of returning to the company my thanks, believing as I do that your Company possesses advantages for life insurance over most of the companies now in the country, and that its business is conducted by judicious and careful managers and agents. I would cheerfully recommend your Company to all who may wish to avail themselves of its benevolent operations. PENELOPE SCHOYER.

Pittsburg, Nov. 22, 1850.

Still another, showing the wise forethought of a Clergyman.

Rev. T. Marshal Brown, pastor of a Presbyterian Church in Mount Joy, Lancaster County, Pa., took out a policy of Insurance in this company in June, 1850, for $800. He died of Typhus fever on the 10th of Nov. 1850; but by his provident care and forethought left to his bereaved family his Policy of $800, which had cost him but $24.

For particulars, *rates of insurance*, see the company's pamphlets, or call on the Secretary at his office, No 20, Market st. Harrisburg, or S. Merrills Smith, Agent for Erie County, Office 3 doors west of Laird & Rust's store.

DR. HOOFLAND'S

CELEBRATED GERMAN BITTERS, PREPARED BY

DR. C. M. JACKSON,

AT THE GERMAN MEDICINE STORE

No. 120, Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures effected, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and Lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, without a rival, safe, certain and pleasant.

READ AND BE CONVINCED.

From the Boston *Bee*,

The Editor said, Dec. 22.—

Dr. Hoofland's Celebrated German Bitters, for the cure of Liver Complaint, *Jaundice, Dyspepsia, Chronic and Nervous Debility*, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and attend at our office says he has received an effectual and permanent cure of Liver Complaint by the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from *experience*, and *to the afflicted* we advise their use."

Spirit's Weekly, one of the best literary papers published, said, Aug. 23:

"*Dr. Hoofland's German Bitters*, manufactured by Dr Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to *obtain* a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these bitters advantageous to their health, as we know from experience, the salutary effect they have upon weak systems."

MORE EVIDENCE.

The "Philadelphia Saturday Gazette," the best family newspaper published in the United States, the editor says of

DR. HOOFLAND'S GERMAN BITTERS.

"It is selfish that *we recommend what are termed Patent Medicines* to the confidence and patronage of our readers; and, therefore, when we recommend Dr Hoofland's German Bitters, we wish to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the Faculty itself."

BEWARE OF COUNTERFEITS.

This medicine has attained that high character which is necessary for all medicines to attain to induce counterfeiters to put forth a spurious article at the risk of the lives of those who are innocently deceived.
