DR. MARCHISI'S UTERINE CATHOLICON.

THE undersigned, having become agents for this invaluable Medicine, would respectfully invite the attention of the afflicted to the gratifying success that has attended its use where ever introduced, and its happy adaptation to the cure of the distressing diseases for which it is offered.

This CATHOLICON is in truth one of the greatest medical discoveries of the Age, and is destined to become identified with the health and happiness of FEMALES.

This declaration is based upon the fact that it will cure more than nineteenths of a class of very prevalent diseases, known as

FEMALE COMPLAINTS,

and which have heretofore resisted the skill and exertions of the most accomplished Physicians of all countries to a degree beyond that of almost every other remedy to which the human family is heir. It has already received the appreciative and liberal patronage of very many prominent members of the Medical Faculty in the United States, willing to abide the trial, and having due regard for the welfare of their patients, and in every way worthy the confidence of the afflicted as A SUCCESSFUL, SAFE, and CHEAP REMEDY. Of this, a full trial proof will be found in the pamphlet, to which the attention of Ladies and Practitioners is respectfully invited.

This medicine has never been introduced by empty puffs and misrepresentations, but it is intended that its present popularity shall be sustained by merit, and its merits and the application of the public. The CATHOLICON is not a "cure all," but is intended expressly for those complaints incidental to the respectable female whether married or single—Fluor Albus or Falling of the Womb, Fluor Albus, or White, Chronic Inflammation and Ulceration of the Womb, Incontinence of Urine, or Flooding, Painful, Suppressed and Irregular Menstruation, &c., with all their accompanying evils, (Cancer excepted,) no matter how severe, or how long standing.

Watches and Jewelry.

JUST RECEIVED by Express, some packages of Watches and rich Jewelry at STOCKTON'S, who, thankful for the very liberal trade he has had, desires to say to his friends, and the public, that he is making very extensive preparations for the wants of the community during the approaching Holidays. He expects to visit New York in a few days, and upon his return, he means to exhibit the largest, best, and cheapest stock of Rich Jewelry, Watches, Silver ware, Clocks, &c., ever opened in Erie. He would say to all, don't spend your money until he returns. Why not select your beautiful Christmas gifts from a full stock? His word is pledged—try it! A good assortment now on hand very low, at

$50 FORFEIT.

DR. HUNTER will forfeit $50, if fail to cure any case of disease that may come under his care no matter how long standing or afflicting. Patients are invited to his Private Rooms, 8, North SEVENTH Street, Philadelphia, without fear of interruption by other patients. Strangers and others who have been unfortunate in the selection of a physician are invited to call. Those who have injured themselves by solitary vice are also invited.

REASON AND REFLECT.—The afflicted would do well to reflect before trusting their health, happiness, and in many cases their lives, in the hands of physicians, ignorant of this class of maladies. It is certainly impossible for one man to understand all the ills the human family are subject to. Every respectable physician has his peculiar branch, in which he is more successful than his brother professors, and to that he devotes most of his time and study.

YOUNG OR PARTICULAR, exclusively devoted to the study and treatment of diseases of the sexual organs, together with ulcers upon the body, throat, nose or legs, pains in the head or bones, nervous rheumatism, strictures, gravel, irregularities, disease arising from youthful excesses or impurities of the blood, whereby the constitution has become enfeebled, enables the Doctor to offer *speedy relief* to all who may place themselves under his care.

FEMALE COMPLAINT.

Falling of the Womb, Leucorrh ea or Whites, Obstructed, Excessive, Irregular or painful Menses, Dropsy of the Womb.

Dr. La Croix may be called upon by young and innocent females who have had their health impaired by improper pills and nostrums purchased from quacks in the large cities, under the false impression of effecting cures—those medicines in nineteen cases of twenty have an injurious effect upon the constitution, without producing the desired effect, or any benefit. Ladies who wish for medicines, the efficacy of which has been tested in thousands of cases, and never failed to effect speedy cures without any bad results, will use none but

Dr. De Laney's Female Periodical Pills,

which are the result of the combined knowledge and experience of some of the oldest and most distinguished physicians of Europe, and have been used in private practice embracing most of the gentility and nobility of France for the last 25 years. To enlighten their virtues would not add to their merits. The only precaution necessary to be observed is, ladies should not take them if they have reason to believe that they are in certain situations, the particulars of which will be mentioned in the wrappers accompanying each box, though always safe and healthy, so gently, yet so active are the pills.

☞ Price $1 per box, they can be transmitted by mail to any part of the Union.

Dr. La Croix invites all the afflicted, however hopeless their case may appear, or whatever their or disease may be, or however many physicians or remedies they have tried, to put his knowledge and skill to the test in an examination of the case—it will cost them nothing. He promises to every case he treats a permanent and radical cure for life.

☞ The Dispensary is so arranged that the person so calling will see no one but the doctor himself, who is in constant attendance in his private rooms, ready and willing to render relief to all who may give him a call. Hundreds of certificates voluntarily given of cures, some of which are most astonishing cases on record, are for inspection at the Dispensary, all which are by his medicines.

ERIE DAGUERREAN GALLERY,

Park Row, a few doors West of the REED HOUSE.

SHERMAN is happy to invite all who wish DAGUERREOTYPE LIKENESSES, who are at all particular what kind of pictures they have, to his new Rooms which have been built expressly for the Art. LIGHT is the great agent of the Artist, and it has been the constant study of all worthy of the name to use the Art to be secured, to bring and control it in the manner best adapted to produce the most favorable results. The result of this study, and of thousands of experiments is that there is not a respectable permanent Gallery in the U. States where the pictures are made by a common window, and he who says he can produce superior pictures by such a window proves his ignorance of the Art. The subscriber therefore begs leave to say that by his superior LIGHT, and artificial appliances worth six times any other in this city, he is enabled to produce pictures which cannot be equalled in this part of the country, and offers to excell any thing which can be produced in other towns in Erie, or total one hundred dollars. He has also a splendid Clock working Camera, with which he takes children of any age. Let it be distinctly understood his pictures will not fade if properly kept.

N. B.—The "great improvements" may be seen at the above rooms. W. H. SHERMAN.

New Savings Bank.

WE have just got out a PARLOR STOVE with Folding Doors and suited to the use of Coal or Wood. It is a novelty in appearance and elegance, it shows the fire, and consequently the intense heat of the whole stove, and it will more than supply it, proves it to be the most economical thing of the kind ever invented, and, since it is the cold season of the year, is a good Savings Bank, which will cost the most ardent return for fuel invested.

DR. HOOFLAND'S

CELEBRATED GERMAN BITTERS,

PREPARED BY

DR. C. M. JACKSON,

AT THE GERMAN MEDICINE STORE,

120, Arch Street, Philadelphia.

Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and largest glands, exerting the most searching powers in weakness and affections of the digestive organs, they are withal, safe, certain and pleasant.

READ AND BE CONVINCED,

From the "Boston *Bee*."

The editor said, Dec. 22nd—

Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant to taste and smell, and can be used by persons with the most delicate stomachs without the slightest injury, under any circumstances. We are speaking from experience, and to the afflicted we advise their use.

"SOUTH'S WEEKLY," one of the best literary papers published, said, Aug. 2d—

"Dr. HOOFLAND'S GERMAN BITTERS, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such in these cases, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

MORE EVIDENCE.

The "Philadelphia Saturday Gazette," the best family newspaper in the United States. The editor says of

DR. HOOFLAND'S GERMAN BITTERS

"It is seldom that we recommend what are termed Patent Medicines, to the confidence and patronage of our readers; and therefore when we recommend Dr. Hoofland's German Bitters we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten, ever they have done their guilty race of mischief, but of an article long established, universally prized, and which has met the hearty approval of the twenty years."

Evidence upon evidence might be received, like the foregoing, from all sections of the Union, for the last three years, and the strongest testimony in its favor is that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined; a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia no one can doubt after using it. It acts specifically upon the stomach and liver, it is preferable to calomel in *all bilious diseases*—the effect is immediate. They can be administered to females, or infants, with safety and reliable
